On November 2, 2017, Issuer Direct Corporation (the “Company”) issued a press release reporting the Company’s results for the quarter ended September, 30, 2017 (the "Initial Press Release").

On November 3, 2017, the Company issued a correction to its press release reporting the Company's results for the quarter ended September 30, 2017. The Initial Press Release is being amended and restated in its entirety to correct the reported customer count numbers for Service customers during the second fiscal quarter of 2017, which was incorrectly reported at 622 rather than the correct number of 550 customers. The following sentence contains the corrected information and replaces the sentence in the second bullet point of the "Customer Count Metrics" section of the Initial Press Release: “The Company had 493 Services customers during Q3 2017, compared to 554 during Q3 2016 and 550 during Q2 2017.” Except for this change, there were no other changes to the Initial Press Release. The amended and restated press release is attached as Exhibit 99.1 hereto and is incorporated herein by reference

The information in Item 2.02 of this report, including the press release attached as Exhibit 99.1, is furnished and shall not be deemed to be “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to the liabilities of that section. Furthermore, such information shall not be deemed to be incorporated by reference into the filings of the registrant under the Securities Act of 1933, as amended.
