PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

May 3, 2012

SOLICITATION AND REVOCATION OF PROXIES

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Monmouth Real Estate Investment Corporation (the Company) of proxies to be voted at the Annual Meeting of Shareholders of the Company to be held on May 3, 2012, and at any adjournments or postponements thereof, for the purposes listed in the preceding Notice of Annual Meeting of Shareholders (Notice). This Proxy Statement and the accompanying Proxy Card are being distributed on or about March 23, 2012, to shareholders of record on March 7, 2012.

A copy of the Annual Report, including financial statements, was mailed to all shareholders of record on or about February 2, 2012, and is available on the Company's website at www.mreic.com.

INTERNET AVAILABILITY OF PROXY MATERIALS

Under rules adopted by the U.S. Securities and Exchange Commission (SEC), you are able to obtain proxy materials via the Internet, instead of being mailed printed copies of those materials. This will expedite stockholders' receipt of proxy materials, lower the cost of the annual meeting, and help conserve natural resources. Please visit the website www.proxyvote.com to view electronic versions of proxy materials and the Company's 2011 Annual Report, and to request electronic delivery of future proxy materials. Have your Proxy Card or notice of internet availability in hand when you access the website and follow the instructions. You will need your 12 digit Control Number which is located on your proxy card or notice of internet availability.

VOTING RIGHTS

Only holders of the Company's \$.01 par value common stock (Common Stock) of record as of the close of business on March 7, 2012, are entitled to vote at the Annual Meeting. As of the record date, there were outstanding 40,167,375 shares of Common Stock, each share being entitled to one vote on any matter which may properly come before the Annual Meeting. Said voting right is non-cumulative. The holders of a majority of the outstanding shares of Common Stock shall constitute a quorum. If a quorum is present, a plurality of the votes cast at the Company's Annual Meeting of Stockholders is required to elect a director. Cumulative voting in the election of directors is not permitted. Approval of proposal 2 requires the affirmative vote of

2

a majority of the votes cast on the proposal at the Annual Meeting. Abstentions and properly executed broker non-votes are not considered votes cast and will have no effect on the results of the election of directors or on the vote on any of the proposals to be considered at the Annual Meeting.

VOTING METHODS

Shareholders may vote using any of the following methods:

By Telephone or on the Internet

You can vote by calling the toll-free telephone number on your Proxy Card or Notice. Please have your Proxy Card or Notice in hand when you call. Easy-to-follow voice prompts allow you to vote your shares and confirm that your instructions have been properly recorded. The website for Internet voting is www.proxyvote.com. Please have your Proxy Card or Notice handy when you go online. As with telephone voting, you can confirm that your instructions have been properly recorded. If you vote on the Internet, you also can request electronic delivery of future proxy materials. Telephone and Internet voting facilities for shareholders of record will be available 24 hours a day, and will close at 11:59 p.m. Eastern Daylight Time on May 2, 2012. The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, the Company recommends that you follow the voting instructions in the materials you receive. If you vote by telephone or on the Internet, you do not have to return your Proxy Card.

By Mail

If you received your Annual Meeting materials by mail, you may complete, sign and date the Proxy Card or voting instruction card and return it in the prepaid envelope. If you are a shareholder of record and you return your signed Proxy Card but do not indicate your voting preferences, the persons named in the Proxy Card will vote the shares represented by that proxy as recommended by the Board of Directors.

In Person at the Annual Meeting

All shareholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

Any shareholder giving the accompanying proxy has the power to revoke it at any time before it is exercised at the Annual Meeting by filing with the Secretary of the Company an instrument revoking it, by delivering a duly executed proxy card bearing a later date, or by appearing at the meeting and voting in person. Shares represented by properly executed proxies will be voted as specified thereon by the shareholder. Unless the shareholder specifies otherwise, such proxies will be voted FOR the proposals set forth in the Notice of Annual Meeting.

The cost of preparing, assembling and distributing this Proxy Statement and form of proxy, and the cost of soliciting the proxies related to the Annual Meeting will be borne by the Company. The Company does not intend to solicit proxies otherwise than by use of the mail, internet and telephone, but certain officers and regular employees of the Company, without additional compensation, may use their personal efforts, by telephone or otherwise, to obtain proxies.

CORPORATE GOVERNANCE AND BOARD MATTERS

Monmouth Real Estate Investment Corporation is committed to maintaining sound corporate governance principles. The Board of Directors has approved formal Corporate Governance Guidelines that address the qualifications and responsibilities of Directors, Director independence, committee structure and responsibilities, and interactions with management, among other matters. The Corporate Governance Guidelines are available on the Company's website at www.mreic.com. Together with the bylaws of the Company and the Charters of the Board's committees, the Corporate Governance Guidelines provide the framework for the governance of the Company.

Board Leadership Structure and Risk Oversight

The Board believes that the Company and its stockholders are best served at this time by a leadership structure in which a single person serves as Chairman and Chief Executive Officer. Currently, Mr. Eugene Landy serves as Chairman of the Board and Chief Executive Officer. Combining the roles of Chairman and Chief Executive Officer makes clear that the person serving in these roles has primary responsibility for managing the Company's business subject to the oversight and review of the Board. Under this structure the Chairman and Chief Executive Officer presides over Board meetings where the Board discusses strategic and business issues. The Board believes that this approach promotes unified leadership and direction for the Company, as the Chief Executive Officer is the individual with primary responsibility for directing the work of other officers and leading implementation of the Company's strategic plans as approved by the Board. The Board has designated Mr. Scott Robinson to serve as Presiding Officer of the independent directors.

The Board reviews the structure of the Board and Company leadership as part of the succession planning process. During 2010, the Board appointed an Executive Committee (the EC) to (1) manage the day to day activities of the Company, (2) assist the President and Chief Executive Officer in the overall management of the Company, and (3) provide for business continuity. The EC operates under a written charter and provides a mechanism for key officers and staff to engage in all facets of the Company. The EC is composed of the Chief Operating Officer (who serves as the Chairman of the EC), the Chief Financial Officer, the Treasurer, and the General Counsel. The EC is subject to the provisions of the Company's bylaws. An EC member may be removed for any reason by the Board. Members of the Board of Directors may attend meetings of the EC by invitation.

The EC has the following duties and responsibilities:

?

To manage the day to day business and affairs of the Company which do not require Board action;

?

To confer with and assist the President;

?

To implement corporate actions after approval by the full Board;

?

Review and recommend to the Board investment activities and funding;

9

?

Review strategic plans and the strategic focus of management;

?

Review and approve acquisitions, expansions, leasing, and make recommendations in regard thereto for Board approval;

?

Engage consultants and advisors at the expense of the Company to assist the EC as it deems necessary in the performance of its functions with the authority to retain and terminate any such professionals, consultants and advisors, and to approve all fees and other retention terms resulting thereto;

?

To make regular reports to the Board, as appropriate; and

?

To review and reassess the adequacy of its charter annually and recommend any proposed changes to the Board for approval.

The Board of Directors oversees the Company's enterprise-wide approach to the major risks facing the Company and oversees the Company's policies for assessing and managing its exposure to risk. The Board periodically reviews these risks and the Company's risk management processes. The Board also considers risk in evaluating the Company's strategy. The Board's responsibilities include reviewing the Company's practices with respect to risk assessment and risk management, and reviewing contingent liabilities and risks that may be material to the Company. The Audit Committee reviews the Company's financial and compliance risks and major legislative and regulatory developments which could materially impact the Company. The Compensation Committee oversees management's assessment of whether the Company's compensation structure, policies and programs create risks that are reasonably likely to have a material adverse effect on the Company.

Board Independence

The Company's Corporate Governance Guidelines include specific Director Independence Standards that comply with applicable rules of the SEC and the listing standards of the New York Stock Exchange (NYSE). The Board requires that at least a majority of its Directors satisfy this definition of independence. The Board of Directors has considered business and other relationships between the Company and each of its Directors, including information provided to the Company by the Directors. Based upon its review, the Board of Directors has determined that all of its Directors, other than Ms. Anna Chew and Messrs. Daniel D. Cronheim, Eugene W. Landy, Michael P. Landy, and Samuel A. Landy, are independent, consistent with the Corporate Governance Guidelines.

Committees of the Board of Directors and Meeting Attendance

The Board of Directors had four meetings during the last fiscal year. No Director attended fewer than 75% of the Board of Director meetings and Committee meetings. The Company does not have a policy concerning Directors attendance at the Annual Meeting of Shareholders. Four Directors attended the Company s 2011 Annual Meeting of Shareholders.

The Company has a standing Audit Committee, Compensation Committee and Nominating Committee of the Board of Directors.

10

Audit Committee

The Audit Committee's responsibilities include reviewing and overseeing financial reporting, policies and procedures and internal controls, retaining the independent auditor, approving the audit fees, and discussing the independent auditors independence. It also oversees the internal audit function, legal and regulatory compliance and adherence to the Code of Business Conduct and Ethics, establishing procedures for complaints received regarding the Company's accounting, internal accounting controls and auditing matters. In addition, the Audit Committee prepares the Audit Committee Report which is included in the Company's annual proxy statements. The Audit Committee had four meetings during the fiscal year, including an executive session with the independent auditors, in which management did not attend. The Audit Committee operates under the Audit Committee Charter which is presented herein at Appendix A and is also available on the Company's website at www.mreic.com.

The current members of the Company's Audit Committee are Catherine B. Elflein, Matthew I. Hirsch, Scott Robinson, and Stephen B. Wolgin (who serves as Chairman of the Audit Committee). The Board has determined that the members of the Audit Committee are independent as defined by the rules of the SEC and the listing standards of the New York Stock Exchange, and that each of them is able to read and understand fundamental financial statements. The Board has also determined that Stephen B. Wolgin and Catherine B. Elflein are audit committee financial experts within the meaning of the rules of the SEC and are financially sophisticated within the meaning of the rules of the New York Stock Exchange.

Compensation Committee

The Compensation Committee (1) evaluates the President's and other executive officers' performance in light of the Company's goals and objectives and determines the President's and other executive officers' compensation, which includes base salary and bonus; and (2) administers the Company's 2007 Stock Option and Stock Award Plan (2007 Plan), as amended and restated. The Compensation Committee had one meeting during the last fiscal year. The current members of the Compensation Committee are Matthew I. Hirsch and Stephen B. Wolgin (who serves as the Chairman of the Compensation Committee). The Board has determined that the members of the Compensation Committee are independent as defined by the rules of the SEC and the listing standards of the NYSE. The Compensation Committee operates under the Compensation Committee Charter which can be found at the Company's website at www.mreic.com.

Nominating Committee

The Nominating Committee identifies, considers and recommends candidates to serve as members of the Board and makes recommendations regarding the structure and composition of the Board of Directors and Committees. The Nominating Committee had one meeting during the last fiscal year. The current members of the Nominating

Committee are Neal Herstik, Matthew I. Hirsch (who serves as the Chairman of the Nominating Committee), and Stephen B. Wolgin. The Board of Directors has determined that each member of the Nominating Committee is an

independent Director as defined by the rules of the SEC and the listing standards of the NYSE. The Nominating Committee operates under the Nominating Committee Charter which can be found at the Company's website at www.mreic.com.

The principal function of the Nominating Committee is to review and select candidates for nomination to the Board of Directors. Recommendations with regard to nominees for election to the Board of Directors may be submitted by any stockholder entitled to vote for the election of directors in writing, received by the Secretary of the Corporation at least 90 days but not more than 120 days prior to the first anniversary of the date on which the Company mailed its proxy materials for the prior year's annual meeting of stockholders. Each notice of nomination must set forth (i) the name, age, business address and, if known, residence address of each nominee, (ii) the principal occupation or employment of each such nominee, (iii) the number of shares of common stock of the Company which are beneficially owned by each such nominee, and (iv) such other information as required by the SEC pursuant to Regulation 14A of the Securities Exchange Act of 1934, as amended (Exchange Act).

In connection with the formation of the Nominating Committee, the Company's Board of Directors established certain minimum qualifications for board members, including being at least 21 years old and possessing (1) the ability to read and understand corporate financial statements, (2) relevant business experience and professional skills, (3) high moral character and personal and professional integrity, and (4) the willingness to commit sufficient time to attend to his or her duties and responsibilities as a director of a public corporation. In addition, the Nominating Committee may consider a variety of other qualities and skills, including (i) the ability to exercise independent decision-making, (ii) the absence of conflicts of interest, and (iii) the ability to work effectively with other directors in collectively serving the long-term interests of all shareholders. Nominees must also meet any applicable requirements of SEC regulations, state law, and the Company's articles of incorporation and bylaws.

The Nominating Committee has established a process for identifying and evaluating nominees for director. The Nominating Committee will annually assess the qualifications, expertise, performance and willingness to serve of existing directors. If at this time or at any other time during the year the Board of Directors determines a need to add a new director with specific qualifications or to fill a vacancy on the Board, the Chair of the Nominating Committee will then initiate the search, seeking input from other directors and senior management, considering nominees previously submitted by shareholders, and, if deemed necessary or appropriate, hiring a search firm. An initial slate of candidates satisfying the specific qualifications, if any, and otherwise qualifying for membership on the Board, will then be identified and presented to the Nominating Committee by the Committee Chairman. The Nominating Committee will then prioritize the candidates and determine if the Nominating Committee members, other directors or senior management have relationships with the preferred candidates and can initiate contacts. To the extent feasible, all of the members of the Nominating Committee and the President will interview the prospective candidate(s). Evaluations and recommendations of the interviewers will be submitted to the Nominating Committee for final evaluation. The Nominating Committee will meet to consider such recommendations and to approve the final candidate. The Nominating Committee will evaluate all nominees for director, including nominees recommended by a stockholder, on the same basis.

To date, there are no third parties being compensated for identifying and evaluating candidates.

Independent Director Meeting

The Company's independent directors, as defined under the listing standards of the NYSE, have established a policy to meet separately from the other directors in a regularly scheduled executive session at least annually, and at such times as may be deemed appropriate by the Company's independent directors. The Board of Directors has nominated Mr. Scott Robinson to serve as Presiding Officer of the Independent Directors.

Shareholders and other interested parties also may direct communications solely to the Independent Directors of the Company by addressing such communications to the Independent Directors, c/o Secretary, at the address set forth above. In addition, the Board of Directors maintains special procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters and for the submission by employees of the Company, on a confidential and anonymous basis, of concerns regarding questionable accounting or auditing matters. Such communications may be made by writing to the Audit Committee of the Board of Directors or other officers, c/o Secretary, at the address set forth above. PROPOSAL 2

APPROVAL OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's articles of incorporation and bylaws do not require that its shareholders ratify the appointment of PKF as the Company's independent registered public accounting firm. If the Company's common shareholders do not ratify the appointment of PKF, the Company's Audit Committee will reconsider whether or not to retain PKF as the Company's independent registered public accounting firm, but may determine to do so. Even if the appointment of PKF is ratified by the Company's common shareholders, the Audit Committee may change the appointment at any time during the year if it determines that a change would be in the best interest of the Company. EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Overview of Compensation Program

The Compensation Committee of the Board has been appointed to discharge the Board's responsibilities relating to the compensation of the Company's executive officers. The Compensation Committee has the overall responsibility for approving and evaluating the

17

executive officer compensation plans, policies and programs of the Company. The Compensation Committee's primary objectives include serving as an independent and objective party to review such compensation plans, policies and programs.

Throughout this proxy statement, the individuals who served as the Company's President and Chief Executive Officer and Chairman of the Executive Committee and Chief Operating Officer and other members of the Executive Committee during fiscal 2011 included in the Summary Compensation Table presented below are sometimes referred to in this Proxy Statement as the named executive officers.

Compensation Philosophy and Objectives

The Compensation Committee believes that a well-designed compensation program should align the goals of the shareholders with the goals of the chief executive officer, and that a significant part of the executive's compensation, over the long term, should be dependent upon the value created for shareholders. In addition, all executives should be held accountable through their compensation for the performance of the Company, and compensation levels should also reflect the executive's individual performance in an effort to encourage increased individual contributions to the Company's performance. The compensation philosophy, as reflected in the Company's employment agreements with its executives, is designed to motivate executives to focus on operating results and create long-term shareholder value by:

- establishing a plan that attracts, retains and motivates executives through compensation that is competitive with a peer group of other publicly-traded real estate investment trusts;

- linking a portion of executives' compensation to the achievement of the Company's business plan by using measurements of the Company's operating results and shareholder return; and

- building a pay-for-performance system that encourages and rewards successful initiatives within a team environment.

The Compensation Committee believes that each of the above factors is important when determining compensation levels for named executive officers. The Compensation Committee reviews and approves the employment contracts for the President and Chief Executive Officer and Chairman of the Executive Committee and Chief Operating Officer, including performance goals and objectives. The Compensation Committee annually evaluates performance of the executive officers in light of those goals and objectives. The Compensation Committee considers the Company's performance, relative shareholder return, the total compensation provided to comparable officers at similarly-situated companies, and compensation given to the named executive officers in prior years. The Company uses the annual Compensation Survey published by the National Association of Real Estate Investment Trusts (NAREIT) as a guide to setting compensation levels. Participant company data is not presented in a manner that specifically identifies any named individual or company. This survey details compensation by position type with statistical salary and bonus information for each position. The Compensation Committee

compares the Company's salary and bonus amounts to the ranges presented for reasonableness. To that end, the Compensation Committee believes executive compensation packages provided by the Company to its executive officers should include both base salaries and annual bonus awards that reward corporate and individual performance, as well as give incentives to those executives who meet or exceed established goals.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all final compensation decisions for the Company's named executive officers. The President and Chief Executive Officer and Chairman of the Executive Committee and Chief Operating Officer annually review the performance of the other named executive officers and then present their conclusions and recommendations to the Compensation Committee with respect to base salary adjustments and annual cash bonus and stock option awards. The Compensation Committee exercises its own discretion in modifying any recommended adjustments or awards, but does consider the recommendations from management who work closely with the other named executive officers.

Role of Grants of Stock Options and Restricted Stock in Compensation Analysis

The Compensation Committee views the grant of stock options and restricted stock awards as a form of long-term compensation. The Compensation Committee believes that such grants promote the Company's goal of retaining key employees, and align the key employee's interests with those of the Company's shareholders from a long-term perspective. The number of options or shares of restricted stock granted to each employee is determined by consideration of various factors including but not limited to the employee's title, responsibilities, and years of service.

Role of Employment Agreements in Determining Executive Compensation

Each of the Company's currently employed named executive officers is a party to an employment agreement. The key elements of our compensation program for the named officers are base salary, bonuses, stock options and perquisites and other benefits. Each of these is addressed separately below. In determining initial compensation, the Compensation Committee considers all elements of a named executive officer's total compensation package in comparison to current market practices and other benefits.

Base Salaries

Base salaries are paid for ongoing performance throughout the year. In order to compete for and retain talented executives who are critical to the Company's long-term success, the Compensation Committee has determined that the base salaries of named executive officers should approximate those of executives of other equity real estate investment trusts that compete with the Company for employees, investors and business, while also taking into account the named executive officers' performance and tenure and the Company's performance relative to its peer companies within the real estate investment trust (REIT) industry using the NAREIT Compensation Survey described above.

Bonuses

In addition to the provisions for base salaries under the terms of our employment agreements, the President is entitled to receive annual cash bonuses for each calendar year during the term of the agreement, based on the achievement of certain performance goals set by the Compensation Committee. The following are the bonus targets and recommended compensation for the President which the Compensation Committee uses as a guide in determining the bonus, if any:

	<u>Threshold</u>	<u>Target</u>	<u>Outstanding</u>
Growth in market cap Bonus	7.5% \$20,000	12.5% \$45,000	20% \$90,000
Growth in FFO/share Bonus	7.5% \$20,000	12.5% \$45,000	20% \$90,000
G r o w t h i n dividend/share Bonus	5% \$30,000	10% \$60,000	15% \$120,000
Total Bonus Potential	\$70,000	\$150,000	\$300,000

In addition to its determination of the executive's individual performance levels for 2011, the Compensation Committee also compared the executive's total compensation for 2011 to that of similarly-situated personnel in the REIT industry using the NAREIT Compensation Survey described above.

Bonuses awarded to the other named executive officers are recommended by the President and are approved by the Compensation Committee. The President and the Compensation Committee believe that short-term rewards in the form of cash bonuses to senior executives generally should reflect short-term results and should take into consideration both the profitability and performance of the Company and the performance of the individual, which may include comparing such individual's performance to the preceding year, reviewing the breadth and nature of the senior executives' responsibilities and valuing special contributions by each such individual. In evaluating performance of the Company annually, the Compensation Committee considers a variety of factors, including, among others, Funds From Operations (FFO), net income, growth in asset size, amount of space under lease and total return to shareholders. The Company considers FFO to be an important measure of an equity REIT's operating performance and has adopted the definition suggested by NAREIT, which defines FFO to mean net income computed in accordance with generally accepted accounting principles (GAAP), excluding gains or losses from sales of property, plus real estate related depreciation and amortization. The Company considers FFO to be a meaningful, additional measure of operating performance primarily because it excludes the assumption that the value of its real estate assets diminishes predictably over time and because industry analysts have accepted it as a performance measure.

Various other factors considered include the employee's title and years of service. The employee's title generally reflects the employee's responsibilities and the employee's years of service may be considered in determining the level of bonus in comparison to base salary. The

President and the Compensation Committee have declined to use specific performance formulas with respect to the other named executive officers, believing that with respect to Company performance, such formulas do not adequately account for many factors, including, among others, the relative performance of the Company compared to its competitors during variations in the economic cycle, and that with respect to individual performance, such formulas are not a substitute for the subjective evaluation by the President and Compensation Committee of a wide range of management and leadership skills of each of the senior executives.

Stock Options and Restricted Stock

The employment agreement for the President states that he will receive stock options to purchase 65,000 shares annually. For the other senior executives, the President makes a recommendation to the Compensation Committee of specific stock option or restricted stock grants. In making its decisions, the Compensation Committee does not use an established formula or focus on a specific performance target. The Compensation Committee recognizes that often outside forces beyond the control of management, such as economic conditions, changing leasing and real estate markets and other factors, may contribute to less favorable near term results even when sound strategic decisions have been made by the senior executives to position the Company for longer term profitability. Thus, the Compensation Committee also attempts to identify whether the senior executives are exercising the kind of judgment and making the types of decisions that will lead to future growth and enhanced asset value, even if the same are difficult to measure on a current basis. For example, in determining appropriate stock option and restricted stock awards, the Compensation Committee considers, among other matters, whether the senior executives have executed strategies that will provide adequate funding or appropriate borrowing capacity for future growth, whether acquisition and leasing strategies have been developed to ensure a future stream of reliable and increasing revenues for the Company, whether the selection of properties, tenants and tenant mix evidence appropriate risk management, including risks associated with real estate markets and tenant credit, and whether the administration of staff size and compensation appropriately balances the current and projected operating requirements of the Company with the need to effectively control overhead costs.

In fiscal 2011, the Compensation Committee received the recommendations from the President for the number of options or restricted stock to be awarded. The factors that were considered in awarding the stock options included the following progress that was made by management:

.

Located and acquired three industrial properties as per its investment strategy without placing undue burden on liquidity.

.

Raised approximately \$19 million in equity via registered direct placements of preferred stock and \$19.4 million through the Company's Dividend Reinvestment and Stock Purchase Plan.

.

Continued its conservative approach to management of the properties and maintained its cash distributions to shareholders.

Renewed 100% of expiring leases expiring in fiscal 2011 on favorable terms.

Managed general and administrative costs to an appropriate level.

Refinanced debt at lower interest rates and increased the Company's line of credit.

Obtained the goal of inclusion of the Company in the MSCI US REIT index.

The individual awards were allocated based on the named executive officers' individual contributions to these accomplishments. Other factors included the named executive officers' title, responsibilities and years of service. In addition, the awards were compared to each named executive officers' total compensation and compared with comparable REITs using the annual Compensation Survey published by NAREIT as a guide for setting total compensation.

Perquisites and Other Personal Benefits

The Company's employment agreements provide the named executive officers with perquisites and other personal benefits that the Company and the Compensation Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to the executive officers.

The named executive officers are generally provided the following benefits under the terms of their employment agreements: an allotted number of paid vacation weeks; eligibility for the executive, spouse and dependents in all Company sponsored employee benefits plans, including 401(k) plan, group health, accident, and life insurance, on terms no less favorable than applicable to any other executive; use of an automobile; and, supplemental short-term or long-term disability insurance, at the Company's cost, as agreed to by the Company and the named executive officer.

Attributed costs of the personal benefits described above for the named executive officers for the fiscal year ended September 30, 2011, are included in All Other Compensation of the Summary Compensation Table provided below in this Proxy Statement.

Payments upon Termination or Change in Control

In addition, the named executive officers' employment agreements each contain provisions relating to change in control events and severance upon termination for events other than with cause or good reason (as defined under the terms of the employment agreements). These change in control and severance terms are designed to promote stability and continuity of senior management. Information regarding these provisions is included in Employment Agreements provided below in this Proxy Statement. There are no other agreements or arrangements governing change in control payments.

Evaluation

Mr. Eugene Landy is under an amended employment agreement with the Company. In July 2010, based on the Compensation Committee's evaluation of his performance, his base compensation under his amended contract was increased from \$225,000 to \$275,000 per year.

In evaluating Mr. Eugene Landy's leadership performance, during 2010, the Compensation Committee awarded Mr. Eugene Landy an Outstanding Leadership Achievement Award (the Award) in the amount of \$300,000 per year for three years. This Award is to recognize Mr. Eugene Landy's exceptional leadership as President and Chief Executive Officer for over 40 years.

In evaluating Mr. Eugene Landy's eligibility for an annual bonus, the Compensation Committee used the bonus schedule included in Mr. Eugene Landy's amended contract as a guide. During fiscal 2011, the Company's market capitalization increased 10%, FFO per share increased 4%, and dividends per share remained consistent at \$0.60 per share. During fiscal 2011, the Company met the 7.5% growth in market capitalization criteria. Accordingly, the Compensation Committee approved a bonus for the President of \$20,000.

The Compensation Committee has also approved the recommendations of the President concerning the other named executive officers' annual salaries, bonuses, option and restricted stock grants and fringe benefits.

Stockholder Votes on Executive Compensation

At the annual meeting of stockholders of the Company held on May 5, 2011, the Company's stockholders voted on four proposals, including votes on an advisory basis, on the compensation paid to the Company's named executive officers and on the frequency of future non-binding advisory votes on executive compensation. Consistent with both the Board of Directors' recommendations and the results of the shareholder vote, the Company's Board of Directors considered the recommendations of the stockholders and has determined that the Company (i) will not make any material changes to the manner in which executive compensation is awarded, and (ii) will hold advisory votes on the compensation of the Company's named executive officers every three years. Accordingly, the next stockholder advisory vote on executive compensation will be held at the Annual Meeting of Stockholders in May 2014.

Compensation Committee Report

The Compensation Committee of the Company has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management and, based on such review and discussions, the

Compensation Committee recommended to the board that the Compensation Discussion and Analysis be included in this report.

Employment Agreements

During fiscal 2010, the Company executed the Fourth Amendment to the Employment Contract (Fourth Amendment) with Eugene W. Landy, the Company's President and Chief Executive Officer. The existing amended employment agreement had originally expired on December 31, 2009 but was automatically renewed for a one-year term in accordance with the terms of the agreement. The Fourth Amendment increases Mr. Eugene Landy's base salary from \$225,000 per year to \$275,000 per year, extends the pension payments of \$50,000 per year through 2020, awards an Outstanding Leadership Achievement Award in the amount of \$300,000 per year for three years for a total of \$900,000 and revises the employee's incentive bonus schedule as detailed in the Fourth Amendment. The Company has accrued additional compensation expense related to the additional pension benefits of \$164,000. Pursuant to the amended employment agreement, Mr. Eugene Landy will receive, each year, an option to purchase 65,000 shares of the Company common stock and may receive bonuses in amounts determined by the Company's Board of Directors, based upon progress towards achieving certain target levels of growth in market capitalization, funds from operations and dividends per share. The amended employment agreement provides that Mr. Eugene Landy is entitled to five weeks paid vacation and to participate in the Company's employee benefits plans at any time he is entitled to receive pension benefits.

The amended employment agreement also provides for aggregate severance payments of \$500,000, payable to Mr. Eugene Landy upon the termination of his employment for any reason, in increments of \$100,000 per year for five years, disability payments, payable to Mr. Eugene Landy in the event of his disability (as defined in the amended employment agreement) for a period of three years, equal to Mr. Eugene Landy's salary and a death benefit of \$500,000 payable to Mr. Eugene Landy's designated beneficiary. Upon the termination of Mr. Eugene Landy's employment following or as a result of certain types of transactions that lead to a significant increase in the Company's market capitalization, the amended employment agreement provides that Mr. Eugene Landy will receive a grant of 35,000 to 65,000 shares of the Company common stock, depending on the amount of the increase in the Company's market capitalization, all of his outstanding options to purchase shares of the Company's common stock

will become immediately vested and he will be entitled to continue to receive benefits under the Company's health insurance and similar plans for one year. The amended employment agreement is terminable by the Company's Board of Directors at any time by reason of Mr. Eugene Landy's death or disability or for cause, which is defined in the amended employment agreement as a termination of the agreement if the Company's Board of Directors determines in good faith that Mr. Eugene Landy failed to substantially perform his duties to the Company (other than due to his death or disability), or has engaged in conduct the consequences of which are materially adverse to the Company, monetarily or otherwise. Upon termination of the amended employment agreement, Mr. Eugene Landy will remain entitled to the disability, severance, death and pension benefits provided for in the amended employment agreement.

In the event of a change in control of the Company, Eugene W. Landy shall receive a lump sum payment of \$2,500,000, provided that the sale price of the Company is at least \$10 per share of common stock. A change of control shall be defined as the consummation of a reorganization, merger, share exchange, consolidation, or sale or disposition of all or substantially all of the assets of the Company. This change of control provision shall not apply to any combination between the Company and UMH Properties, Inc. (UMH). Payment shall be made simultaneously with the closing of the transaction, and only in the event that the transaction closes.

Effective January 1, 2012, the Company and Michael P. Landy, Chief Operating Officer and Chairman of the Executive Committee, entered into a three-year employment agreement, under which Michael P. Landy receives an annual base salary of \$315,000 for 2012 with increases of 5% for 2013 and 2014, plus bonuses and customary fringe benefits. This contract automatically renews for successive one-year terms in accordance with the terms of the agreement. Michael P. Landy will also receive four weeks vacation. Michael P. Landy's employment agreement also requires the Company to reimburse Michael P. Landy for the cost of a disability insurance policy such that, in the event of Michael P. Landy's disability for a period of more than 90 days, Michael P. Landy will receive benefits up to 60% of his then-current salary. In the event of a merger, sale or change of voting control of the Company, excluding transactions between the Company and UMH, Michael P. Landy will have the right to extend and renew this employment agreement so that the expiration date will be three years from the date of merger, sale or change of voting control, or Michael P. Landy may terminate the employment agreement and be entitled to receive one year's compensation in accordance with the agreement. If there is a termination of employment by the Company for any reason, either involuntary or voluntary, including the death of the employee, other than a termination for cause as defined by the agreement, Michael P. Landy shall be entitled to the greater of the salary due under the remaining term of the agreement or one year's compensation at the date of termination, paid monthly over the remaining term or life of the agreement. In the event of a merger, sale or change of voting control of the Company, excluding transactions between the Company and UMH, Ms. Vecere will have the right to extend and renew this employment agreement so that the expiration date will be three years from the date of merger, sale or change of voting control, or the employee may terminate the employment agreement and be entitled to receive one year's compensation in accordance with the agreement. If there is a termination of employment by the Company for any reason, either involuntary or voluntary, including the death of the employee, other than a termination for cause as defined by the agreement, Ms. Vecere shall be entitled to the greater of the salary due under the remaining term of the agreement or one year's compensation at the date of termination, paid monthly over the remaining term or life of the agreement.

PKF served as the Company's independent registered public accountants for the years ended September 30, 2011, 2010 and 2009. The following are fees billed by and accrued to PKF in connection with services rendered:

Tax Fees	40,817	40,000
All Other Fees	-0-	-0-

Tax fees include professional services rendered for the preparation of the Company's federal and state corporate tax returns and supporting schedules as may be required by the Internal Revenue Service and applicable state taxing authorities. Tax fees also include other work directly affecting or supporting the payment of taxes, including planning and research of various tax issues.

Audit Committee Pre-Approval Policy

The Audit Committee has adopted a policy for the pre-approval of audit and permitted non-audit services provided by the Company's principal independent accountants. The policy requires that all services provided by our independent registered public accountants to the Company, including audit services, audit-related services, tax services and other services, must be pre-approved by the Committee, and all have been so approved. The pre-approval requirements do not prohibit day-to-day normal tax consulting services, which matters will not exceed \$10,000 in the aggregate.

The following line graph compares the total return of the Company's common stock for the last five fiscal years to the FTSE NAREIT Composite Index (US), published by NAREIT, and the S&P 500 Index for the same period. The total return reflects stock price appreciation and dividend reinvestment for all three comparative indices. The information has been obtained from sources believed to be reliable, but neither its accuracy nor its completeness is guaranteed.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

There are no family relationships between any of the Directors or executive officers of the Company, except that Samuel A. Landy and Michael P. Landy are the sons of Eugene W. Landy, the President and Chief Executive Officer and a Director of the Company.

34

Eugene W. Landy and Samuel A. Landy are partners in the law firm of Landy & Landy, which firm, or its predecessor firms, have been retained by the Company as legal counsel since the formation of the Company, and which firm the Company proposes to retain as legal counsel for the current fiscal year. The Company now uses outside counsel for most of the legal services required. The New Jersey Supreme Court has ruled that the relationship of directors also serving as outside counsel is not per se improper, but the attorney should fully discuss the issue of conflict with the other directors and disclose it as part of the proxy statement so that shareholders can consider the conflict issue when voting for or against the attorney/director nominee.

No director, executive officer, or any immediate family member of such director or executive officer may enter into any transaction or arrangement with the Company without the prior approval of the Board of Directors. The Board of Directors will appoint a Business Judgment Committee consisting of independent directors who are also independent of the transaction or arrangement. This Committee will recommend to the Board of Directors approval or disapproval of the transaction or arrangement. In determining whether to approve such a transaction or arrangement, the Business Judgment Committee will take into account, among other factors, whether the transaction was on terms no less favorable to the Company than terms generally available to third parties and the extent of the executive officer's or director's involvement in such transaction or arrangement. While the Company does not have specific written standards for approving such related party transactions, such transactions are only approved if it is in the best interest of the Company and its shareholders. Additionally, the Company's Code of Business Conduct and Ethics requires all directors, officers and employees who may have a potential or apparent conflict of interest to immediately notify the Company's General Counsel. Further, to identify related party transactions, the Company submits and requires our directors and executive officers to complete director and officer questionnaires identifying any transactions with the Company in which the director, executive officer or their immediate family members have an interest.

During fiscal 2010, the Company executed the Fourth Amendment to the Employment Contract (Fourth Amendment) with Eugene W. Landy, the Company's President and Chief Executive Officer. The then-existing amended employment agreement had originally expired on December 31, 2009 but automatically renewed for a one-year term in accordance with the terms of the agreement. The Company has accrued additional compensation expense related to the additional pension benefits of \$164,000. The Employment Agreement is terminable by either party at any time subject to certain notice requirements. In the event of a change in control of the Company, Eugene W. Landy shall receive a lump sum payment of \$2,500,000, provided that the sale price of the Company is at least \$10 per share of common stock. A change of control shall be defined as the consummation of a reorganization, merger, share exchange, consolidation, or sale or disposition of all or substantially all of the assets of the Company. This change of control provision shall not apply

to any combination between the Company and UMH Properties, Inc. (UMH). Payment shall be made simultaneously with the closing of the transaction, and only in the event that the transaction closes. Eugene W. Landy received \$25,000, \$20,500 and \$16,000 during 2011, 2010 and 2009 as Director. The firm of Eugene W. The Company has a note receivable from Mr. Landy with a balance of \$984,375 at September 30, 2011 and 2010 which is included in Loans to Officers, Directors and Key Employees included under Shareholders Equity. This note was signed on April 30, 2002 and is due on April 30, 2012. The interest rate is fixed at 5% and the note is collateralized by 150,000 shares of the Company stock. Interest earned by the Company on this note is \$49,219 per year.

Effective January 1, 2012, the Company and Michael P. Landy, Chief Operating Officer and Chairman of the Executive Committee, entered into a three-year employment agreement, under which Michael P. Landy receives an annual base salary of \$315,000 for 2012 with increases of 5% for 2013 and 2014, plus bonuses and customary fringe benefits. This contract automatically renews for successive one-year terms in accordance with the terms of the agreement. Michael P. Landy will also receive four weeks vacation. Michael P. Landy's employment agreement also requires the Company to reimburse Michael P. Landy for the cost of a disability insurance policy such that, in the event of Michael P. Landy's disability for a period of more than 90 days, Michael P. Landy will receive benefits up to 60% of his then-current salary. In the event of a merger, sale or change of voting control of the Company, excluding transactions between the Company and UMH, Michael P. Landy will have the right to extend and renew this employment agreement so that the expiration date will be three years from the date of merger, sale or change of voting control, or Michael P. Landy may terminate the employment agreement and be entitled to receive one year's compensation in accordance with the agreement. If there is a termination of employment by the Company for any reason, either involuntary or voluntary, including the death of the employee, other than a termination for cause as defined by the agreement, Michael P. Landy shall be entitled to the greater of the salary due under the remaining term of the agreement or one year's compensation at the date of termination, paid monthly over the remaining term or life of the agreement. Approximately 30%, 30% and 35% of Michael P. Landy's compensation was allocated to UMH in 2011, 2010 and 2009, respectively, pursuant to a cost sharing agreement between the Company and UMH. Mr. Michael Landy received \$25,000, \$20,400 and \$16,000 during 2011, 2010 and 2009 respectively, as Director.

Daniel D. Cronheim is an inside Director of the Company and Executive Vice President of David Cronheim Company (Cronheim) and CMS. Daniel Cronheim received \$25,000, \$20,500 and \$16,000 for Director's fees in 2011, 2010 and 2009, respectively. The David Cronheim Company received \$15,400, \$22,773 and \$20,352 in lease commissions in 2011, 2010 and 2009, respectively. The David Cronheim Mortgage Corporation, an affiliated company, received \$-0-, \$100,000 and \$-0- in mortgage brokerage commissions in 2011, 2010 and 2009, respectively.

CMS, a division of David Cronheim Company, received the sum of \$547,751, \$421,647 and \$375,477 and for property management fees during the years ended 2011, 2010 and 2009, respectively. During 2011, 2010 and 2009, the Company was subject to a management contract

with CMS. For the calendar years 2011 and 2010, the management fee was fixed at \$380,000 per year plus the actual costs of subagents, up to a maximum of 1.5% of rents under management. Management believes that the aforesaid fees are no more than what the Company would pay for comparable services elsewhere.
