On or about the date of this letter, we began mailing a Notice of Internet Availability of Proxy Materials to shareholders of record at the close of business on April 17, 2019. At the same time, we provided those shareholders with access to our online proxy materials and filed our proxy materials with the Securities and Exchange Commission. If you received a Notice of Internet Availability of Proxy Materials, you will not receive a printed copy of the proxy materials unless you request them by following the instructions contained in the Notice.

Thank you for your continued support of Stage Stores, Inc.

Sincerely,

April 25, 2019
Houston, Texas

Your vote is very important. Shareholders are urged to vote online. If you attend the Annual Meeting, you may revoke your proxy and vote in person if you wish, even if you have previously submitted a proxy.

IMPORTANT INFORMATION REGARDING VOTING

If our common shares are registered in your name with our transfer agent, you are considered, with respect to those common shares, a holder of record (which we also refer to as a registered shareholder). If you hold our common shares in a brokerage account or through a bank or other nominee serving as holder of record, you are considered the beneficial shareholder of those common shares, which are also referred to as held in “street name.”

If you are a beneficial shareholder, you must instruct your broker, bank or other nominee how to vote your common shares. If you do not provide voting instructions, your common shares will not be voted on any proposal on which your broker, bank or other nominee does not have discretionary authority to vote. This is called a “broker non-vote”. In such cases, your broker, bank or other nominee may register your common shares as being present at the Annual Meeting for purposes of determining the presence of a quorum, but will not be able to vote on those matters for which specific authorization is required under the rules of the New York Stock Exchange (“NYSE”).

If you are a beneficial shareholder, your broker has discretionary authority under NYSE rules to vote your common shares on Item 3 (Ratification of the Appointment of Deloitte & Touche LLP) in the event the broker does not receive voting instructions from you. However, your broker does not have discretionary authority to vote your common shares on Item 1 (Election of Directors), Item 2 (Say on Pay), or Item 4 (Approval of Adoption of Amended and Restated Stage Stores 2017 LTIP) without instructions from you, in which case a broker non-vote will occur and your common shares will not be voted on those matters. Accordingly, it is particularly important that beneficial owners instruct their brokers how they wish to vote their shares.

If you have any questions about the voting process, please contact the broker, bank or other nominee holding your common shares. Additionally, you may contact our Investor Relations Department via the information located in the Investor Relations section of our website (corporate.stage.com/investor-relations).

IMPORTANT INFORMATION REGARDING AVAILABILITY OF PROXY MATERIALS

Our 2019 Proxy Statement, our 2018 Annual Report to Shareholders and our Annual Report on Form 10-K for the fiscal year ended February 2, 2019, are available for review by registered shareholders at envisionreports.com/SSI and by beneficial shareholders at edocumentview.com/SSI.

IMPORTANT INFORMATION REGARDING ANNUAL MEETING ATTENDANCE

In accordance with our security procedures, all persons attending the Annual Meeting must present picture identification and either their Notice of Internet Availability of Proxy Materials or the admission ticket found on their proxy card (if they requested and received a proxy card), or a brokerage statement or other proof of ownership of our common shares as of the record date. For security purposes, briefcases, bags, purses, backpacks and other containers will be subject to search at the door.

Directions to our corporate office, which is the location of the Annual Meeting, are available in the Investor Relations section of our website (corporate.stage.com/investor-relations).

PROXY STATEMENT

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors (“Board”) of Stage Stores, Inc., a Nevada corporation (“we”, “our”, “us” and “Stage”), for use at the 2019 Annual Meeting of Shareholders to be held at our corporate office located at 2425 West Loop South, Houston, Texas 77027, on June 6, 2019, beginning at 1:00 p.m. CDT (“Annual Meeting”). On or about April 25, 2019, we began mailing to our shareholders of record at the close of business on April 17, 2019, a Notice of Internet Availability of Proxy Materials containing instructions on how to access the Notice of Annual Meeting of Shareholders, this Proxy Statement and our 2018 Annual Report to Shareholders.

Unless otherwise noted, references in this Proxy Statement to a particular year correspond to our fiscal year. For example, “2016” refers to our fiscal year ended January 28, 2017, “2017” refers to our fiscal year ended February 3, 2018, “2018” refers to our fiscal year ending February 2, 2019, and “2019” refers to our fiscal year ending February 1, 2020. As a result of the recent amendments to the “smaller reporting company” definition under SEC rules, the Company now qualifies as one. We have elected to take advantage of some of the scaled disclosure requirements afforded to smaller reporting companies, including, without limitation, omitting the compensation discussion and analysis section, compensation committee report, pay ratio disclosure, and certain compensation tables.

ABOUT THE ANNUAL MEETING

Purpose of the Annual Meeting

At the Annual Meeting, shareholders will act upon the matters outlined in the Notice of Annual Meeting of Shareholders included with this Proxy Statement. Specifically, shareholders will be asked to: (1) elect as directors the seven nominees named in this Proxy Statement; (2) approve, on an advisory basis, the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the compensation tables and the narrative discussion accompanying the tables (“Say on Pay”); (3) ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2019; (4) approve the adoption of the Amended and Restated Stage Stores 2017 Long-Term Incentive Plan (“Amended and Restated 2017 LTIP”); and (5) transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Voting Securities and Shareholder Voting Rights

Our voting securities consist of our common stock, par value \$0.01 per share. Only shareholders of record of our common stock at the close of business on April 17, 2019 (“Record Date”) are entitled to receive notice of, and to vote at, the Annual Meeting. On the Record Date, there were 28,610,700 outstanding shares of our common stock and holders of an additional 1,550,211 shares of vested and unvested restricted stock with voting rights. Each share of our outstanding common stock and restricted stock entitles the holder thereof to one vote on each matter to be voted upon at the Annual Meeting or any postponement or adjournment thereof. Treasury shares are not voted.

Individual votes of shareholders are kept private, except as appropriate to meet legal requirements. Access to proxies and other individual shareholder voting records is limited to our inspector of election and certain of our employees and agents who must acknowledge their responsibility to comply with this policy of confidentiality.

A list of the record holders entitled to vote at the Annual Meeting will be available for inspection at the Annual Meeting. All voting at the Annual Meeting will be governed by our Amended and Restated Articles of Incorporation (“Articles of Incorporation”), our Amended and Restated Bylaws (“Bylaws”) and the applicable laws of the State of Nevada.

Registered Shareholders and Beneficial Shareholders

If our common shares are registered in your name directly with our transfer agent, you are considered, with respect to those common shares, a holder of record (which we also refer to as a registered shareholder). If you hold our common shares in a brokerage account or through a bank or other nominee, you are considered the beneficial shareholder of those common shares, which are also referred to as held in “street name.”

Internet Availability of Proxy Materials

In accordance with rules adopted by the Securities and Exchange Commission (“SEC”), instead of mailing a printed copy of our proxy materials to each shareholder of record, we are permitted to furnish our proxy materials, including the Notice of Annual Meeting of Shareholders, this Proxy Statement, our 2018 Annual Report to Shareholders and our Annual Report on Form 10-K for 2018, by providing access to those documents on the Internet. Generally, shareholders will not receive printed copies of the proxy materials unless they request them.

A Notice of Internet Availability that provides instructions for accessing our proxy materials on the Internet was mailed directly to registered shareholders. The Notice of Internet Availability also provides instructions regarding how registered shareholders may vote their common shares on the Internet. Registered shareholders who prefer to receive a paper or email copy of our proxy materials should follow the instructions provided in the Notice of Internet Availability for requesting those materials.

The broker, bank or other nominee who is considered the registered shareholder with respect to common shares should forward to the beneficial shareholder of those common shares a notice that directs the beneficial shareholder to the website where our proxy materials may be accessed. That broker, bank or other nominee should also provide to the beneficial shareholders instructions on how the beneficial shareholders may request a paper or email copy of our proxy materials. Beneficial shareholders have the right to direct their broker, bank or other nominee on how to vote their common shares by following the voting instructions they receive from their broker, bank or other nominee. To elect to receive proxy materials for future shareholder meetings through our electronic delivery service, follow the instruction in your Notice of Internet Availability (or proxy card, if you received printed copies of the proxy materials) to register online at envisionreports.com/SSI and, when prompted, indicate that you agree to receive or access shareholder communications electronically in future years.

How to Vote

As a Registered Shareholder

After receiving the Notice of Internet Availability (or proxy card, if you received printed copies of the proxy materials), registered shareholders are urged to visit envisionreports.com/SSI to access our proxy materials and vote online. When voting online, you must follow the instructions posted on the website and you will need the control number included on your Notice of Internet Availability (or proxy card, if applicable). Registered shareholders may also vote by telephone by calling 1-800-652-8683, by completing and mailing a proxy card (if you received printed copies of the proxy materials), or by submitting a written ballot at the Annual Meeting. If, after receiving the Notice of Internet Availability, you request (via online, toll-free telephone number or email) that we send you paper or electronic copies of our proxy materials, you may vote your common shares by completing, dating and signing the

proxy card included with the materials and returning it in accordance with the instructions provided.

2

If you vote online, by telephone or by mail, your vote must be received by 11:59 p.m. EDT on June 5, 2019, the day before the Annual Meeting.

If you timely and properly submit your vote, your common shares will be voted as you direct. If you return or otherwise complete your proxy card, but you do not indicate your voting preferences, the proxies will vote your shares FOR the election of the director nominees identified in Item 1 (Election of Directors), FOR approval, on an advisory basis, of the compensation of our named executive officers, as disclosed in this Proxy Statement pursuant to Item 402 of Regulation S-K, including the compensation tables and the narrative discussion accompanying the tables, FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2019 as described in Item 3, FOR approval of adoption of the Amended and Restated Stage Stores 2017 LTIP as described in Item 4, and in their discretion for such other matters as may properly come before the Annual Meeting or any adjournment thereof. If a director nominee named in this Proxy Statement is unable to serve or for good cause will not serve as a director, the proxy holders will vote the common shares represented by the proxies they hold for the election of the remaining nominees and for the election of any substitute nominee(s) designated by the Board.

A registered shareholder may revoke a proxy at any time before it is exercised by filing with our Inspector of Election a written notice of revocation or duly executing and delivering to our Secretary a proxy bearing a later date. A registered shareholder may also revoke a proxy by attending the Annual Meeting and giving written notice of revocation to the secretary of the meeting. Attendance at the Annual Meeting will not by itself revoke a previously granted proxy.

As a Beneficial Shareholder

Beneficial shareholders should follow the procedures and directions set forth in the materials they receive from the broker, bank or other nominee who is the registered holder of their common shares to instruct such registered holder how to vote those common shares or revoke previously given voting instructions. Please contact your broker, bank or other nominee to determine the applicable deadlines. Beneficial shareholders who wish to vote at the Annual Meeting will need to obtain and provide to the secretary of the meeting a completed form of proxy from the broker, bank or other nominee who is the registered holder of their common shares.

Brokers, banks and other nominees who hold common shares for beneficial shareholders in street name may vote such common shares on “routine” matters (as determined under NYSE rules), such as Item 3 (Ratification of the Appointment of Deloitte & Touche LLP), but may not vote such common shares on “non-routine” matters, such as Item 1 (Election of Directors), and Item 2 (Say on Pay), or Item 4 (Approval of Adoption of Amended and Restated Stage Stores 2017 LTIP) without specific voting instructions from the beneficial owner of such common shares. Proxies submitted by brokers, banks and other nominees that have not been voted on “non-routine” matters are referred to as “broker non-votes.” Broker non-votes will not be counted for purposes of determining the number of common shares necessary for approval of any matter to which broker non-votes apply (i.e., broker non-votes will have no effect on the outcome of such matter).

Householding

SEC rules allow multiple shareholders residing at the same address the convenience of receiving a single copy of the Notice of Internet Availability, Annual Report to Shareholders and proxy materials if they consent to do so (“householding”). Householding is permitted only in certain circumstances, including when you have the same last name and address as another shareholder. If the required conditions are met, and SEC rules allow, your household may receive a single copy of the Notice of Internet Availability, Annual Report to Shareholders and proxy materials. Upon written or oral request, we will promptly deliver a separate copy of the Notice of Internet Availability, Annual Report to Shareholders and proxy materials, as applicable, to a shareholder at a shared address to which a single copy of the document(s) was delivered. Such a request should be made in the same manner as a revocation of consent for householding.

You may either request householding or revoke your consent for householding at any time by contacting Computershare Investor Services, either by calling 1-877-878-7531 (within the U.S. or Canada) or 201-680-6578 (outside of the U.S. and Canada), or by writing to: Computershare Investor Services, Householding Department, 462 South 4th Street, Suite 1600, Louisville, KY 40202. You will be added to or removed from the householding program within 30 days of receipt of your instructions. If you revoke your consent for householding, you will be sent separate copies of the documents sent to our shareholders at such time as you are removed from the householding program.

Beneficial shareholders may request more information about householding from their brokers, banks or other nominees.

3

Quorum

The presence, in person or by proxy, of the holders of a majority of the outstanding common shares will constitute a quorum and permit us to conduct our business at the Annual Meeting. Proxies received but marked as abstentions and broker non-votes will be included in the calculation of the number of common shares considered to be represented at the Annual Meeting for purposes of establishing a quorum.

Vote Required for Approval

Item 1

Our Corporate Governance Guidelines (“Governance Guidelines”) contain a majority vote policy and our Bylaws impose a majority vote standard applicable to the uncontested election of directors. Specifically, our Bylaws provide that if a quorum is present at the Annual Meeting, a director nominee in an uncontested election will be elected to the Board if the number of votes properly cast for the nominee’s election exceeds the number of votes properly cast against the nominee’s election. In all director elections other than uncontested elections, the seven director nominees receiving a plurality of the votes properly cast will be elected as directors. An “uncontested election” means an election of directors at a meeting of shareholders at which the number of director nominees does not exceed the number of directors to be elected. See the “Governance - Majority Vote Policy and Standard” section of this Proxy Statement for more information about our majority vote policy and standard. If no voting instructions are given (excluding broker non-votes), the persons named as proxy holders on the proxy card will vote the common shares FOR the election of the director nominees identified in Item 1 (Election of Directors).

Other Items

For purposes of Item 2 (Say on Pay), Item 3 (Ratification of the Appointment of Deloitte & Touche LLP), and Item 4 (Approval of Adoption of Amended and Restated 2017 LTIP), the affirmative vote of a majority of the votes cast on each such matter will be required for approval. The votes received with respect to Item 2 and Item 3 are advisory and will not bind the Board or us. A properly executed proxy marked “abstain” with respect to Item 2 or Item 3 will not be voted with respect to such matter. Abstentions and broker non-votes, if any, will not be counted as votes cast on Item 2 or Item 3, and, therefore, they will have no effect on the outcome of each such proposal. In accordance with the applicable NYSE rules, abstentions are considered to be, and will be counted as, votes cast against Item 4. However, broker non-votes, if any, will not be counted as votes cast on Item 4 and, therefore, will have no effect on the outcome this proposal. If no voting instructions are given (excluding broker non-votes), the persons named as proxy holders on the proxy card will vote the common shares in accordance with the recommendations of the Board.

ITEM 1: ELECTION OF DIRECTORS

The Board has nominated the seven persons set forth in the table below for election as directors at the Annual Meeting. Directors are elected to serve until the next annual meeting of shareholders and until their respective successors are elected and qualified, or until their earlier death, resignation or removal. All seven nominees are currently directors on our Board. Proxies may not be voted at the Annual Meeting for more than seven persons. Our shareholders do not have cumulative voting rights in the election of directors. The Board’s Corporate Governance and Nominating Committee recommended the directors listed below for re-election. The Board knows of no reason why any nominee may be unable to serve as a director. If a nominee is unable to serve or for good cause will not serve, the shares represented by all valid proxies will be voted for the election of such other person as the Board may nominate.

GOVERNANCE

Board Leadership Structure

Our business is managed under the direction of the Board. The Board is currently comprised of the directors identified in Item 1. Members of the Board are kept informed of our business through discussions with our CEO and other members of management and by reviewing materials provided to them, visiting our offices, stores and distribution centers, and participating in meetings of the Board and its committees.

Our CEO does not serve as the Chairman of the Board. We believe that separating the roles of CEO and Chairman of the Board is the appropriate leadership structure for us because, while it allows the CEO to speak for and lead us and communicate with other members of senior management, it provides for effective oversight by the Board, as each of our directors is highly qualified and experienced and exercises a strong oversight function. The Chairman sets the agendas for meetings of the Board, chairs the Board meetings, and is responsible for briefing our CEO, as needed, concerning executive sessions of the independent members of the Board. The Chairman also determines when additional meetings of the Board are needed.

Corporate Governance Guidelines

We have adopted written Governance Guidelines to assist in fulfilling our corporate governance responsibilities. The Governance Guidelines provide a structure within which our directors and management may monitor the effectiveness of policy and decision making both at the Board and management level, with a view to enhancing shareholder value over the long term. The Governance Guidelines are available in the Corporate Governance section of our website (corporate.stage.com/corporate-governance).

Code of Ethics and Business Conduct and Code of Ethics for Senior Officers

We have adopted a written Code of Ethics and Business Conduct ("Code of Ethics") to serve as the basic set of policies and procedures governing the behavior of our directors, executive officers and other employees in conformance with NYSE rules. It is our policy to adhere to the highest standards of business ethics in all our business activities. When engaging in any activity concerning us, our customers, competitors, suppliers, other employees, shareholders or the general public, our directors, executive officers and other employees must maintain standards of uncompromising integrity and conduct themselves in a professional manner.

We have also adopted a Code of Ethics for Senior Officers ("Code for Senior Officers") that promotes ethical conduct in the practice of financial management. The Code for Senior Officers is designed to deter wrongdoing and provide principles that our principal executive officer, principal financial officer, principal accounting officer, controller or

persons performing similar functions are expected to adhere to and advocate. These principles embody rules regarding individual and peer responsibilities, as well as responsibilities to our shareholders and others who have a stake in our continued success.

7

The Code of Ethics and the Code for Senior Officers are each available in the Corporate Governance section of our website (corporate.stage.com/corporate-governance). We intend to satisfy the requirements of Item 5.05 of Form 8-K regarding disclosure of amendments to or waivers from any applicable provision of the Code of Ethics and the Code for Senior Officers that relate to elements listed under Item 406(b) of Regulation S-K and apply to our principal executive officer, principal financial officer, principal accounting officer, controller or persons performing similar functions, if any, by posting such information in the Corporate Governance section of our website (corporate.stage.com/corporate-governance).

Director Independence

The Board undertook its most recent annual review of director independence in March 2019. During the review, the Board, in accordance with NYSE rules, broadly considered all relevant facts and circumstances to determine whether any director has a material relationship with us, either directly or indirectly, other than serving as one of our directors, including all transactions, relationships and arrangements between each director, his or her affiliates, and any member of his or her immediate family, on one hand, and Stage, its subsidiary and members of management, on the other hand. The purpose of this review was to determine whether any such transactions, relationships or arrangements were inconsistent with a determination that the director is independent in accordance with NYSE rules.

As a result of the review, the Board affirmatively determined that, with the exception of Mr. Glazer, all of the current directors, each of whom is nominated for election at the Annual Meeting, are independent of Stage, its subsidiary and management under the standards set forth in the NYSE rules, and no director or director nominee, with the exception of Mr. Glazer, has a material relationship with Stage, its subsidiary or management aside from his or her service as a director. Mr. Glazer was deemed not independent due to his employment as our President and CEO.

All members of the Board's Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are independent directors. Members of the Audit Committee also satisfy a separate SEC independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from us or our subsidiary other than their directors' compensation. Members of the Compensation Committee also satisfy separate NYSE independence requirements to ensure independence from management.

Majority Vote Policy and Standard

Our Bylaws impose a majority vote standard in uncontested elections of directors and our Governance Guidelines contain a majority vote policy applicable to uncontested elections of directors. Section 2.14 of our Bylaws provides that if a quorum is present at the Annual Meeting, a director nominee in an uncontested election will be elected to the Board if the number of votes properly cast for the nominee's election exceeds the number of votes properly cast against the nominee's election. The majority vote policy contained in our Governance Guidelines requires any director nominee who does not receive more votes cast for the nominee's election than votes cast against the nominee's election to deliver his or her resignation from the Board to the Corporate Governance and Nominating Committee. Upon its receipt of such resignation, the Corporate Governance and Nominating Committee will promptly consider the resignation and recommend to the Board whether to accept the resignation or to take other action. The Board will act on the recommendation of the Corporate Governance and Nominating Committee no later than 100 days following the certification of the shareholder vote. The Corporate Governance and Nominating Committee, in making its recommendation, and the Board, in making its decision, will evaluate the resignation in light of the best interests of Stage and our shareholders and may consider any factors and other information they deem relevant. We will promptly publicly disclose the Board's decision in a press release or periodic or current report to the SEC.

Related Person Transactions

The Board, with the assistance of the Audit Committee and the Corporate Governance and Nominating Committee, monitors compliance with our corporate governance policies, practices and guidelines applicable to our directors, nominees for director, officers and employees. Our Governance Guidelines, Code of Ethics and human resources policies address governance matters and prohibit, without the consent of the Board or its designee, directors, officers and other employees from engaging in transactions that conflict with our interests or that otherwise usurp corporate opportunities. Our Governance Guidelines also prohibit our directors, officers and other employees from entering into any agreement or arrangement with any person or entity or to authorize any transaction which we may be required to disclose to the SEC unless the agreement or arrangement is approved by the Board.

Pursuant to our written Related Person Transaction Policy, the Audit Committee also evaluates “related person transactions,” which we define more stringently than is required under SEC rules. Under our policy, we consider a related person transaction to be any transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships): (1) involving more than \$5,000 in which we and any of our directors, executive officers, other employees, holders of more than five percent of our common shares, or their respective immediate family members were or are to be a participant; and (2) in which such related person had, has or will have a direct or indirect material interest. Our policy requires our directors,

executive officers and other employees to report to the attention of the Chair of the Audit Committee all transactions, whether proposed or existing, of which they have knowledge and which they believe may constitute a related person transaction. If the Audit Committee Chair, with the assistance of legal counsel, determines that the transaction constitutes a related person transaction, the Audit Committee Chair or our General Counsel will notify the other members of the Audit Committee.

Thereafter, the Audit Committee will review the related person transaction, considering all factors and information it deems relevant, and approve or disapprove the transaction in light of what the Committee believes to be the best interests of Stage and our shareholders. If advance approval is not practicable or if a related person transaction that has not been approved is discovered, the Audit Committee will promptly consider whether to ratify the transaction. In such event, if the Audit Committee declines to ratify the transaction, the Audit Committee will, taking into account all of the factors and information it deems relevant (including the rights available to us under the transaction), determine whether we should amend, rescind or terminate the transaction in light of what it believes to be the best interests of our shareholders and Stage. We do not intend to engage in related person transactions not approved or ratified by the Audit Committee. Examples of factors and information that the Audit Committee may consider in its evaluation of a related person transaction include: (1) the reasons for entering into the transaction; (2) the terms of the transaction; (3) the benefits of the transaction to us; (4) the comparability of the transaction to similar transactions with unrelated third parties; (5) the materiality of the transaction to each party; (6) the nature of the related person's interest in the transaction; (7) the potential impact on the independence of an outside director; and (8) the alternatives to the transaction.

In addition, on an annual basis, each director, director nominee and executive officer must complete a questionnaire that requires written disclosure of any related person transaction. The responses to these questionnaires are reviewed by our General Counsel and Controller, and shared with the Board, to identify any potential conflicts of interest or potential related person transactions. If a related person transaction, as defined under SEC rules, existed, we would disclose the transaction as required.

The only transaction since the beginning of 2018 that the Audit Committee has determined should be disclosed as a related party transaction relates to the wife of Russ Lundy (Executive Vice President, Chief Stores Officer of Stage). Mrs. Lundy was employed by the Company from 1994 until February 1, 2019, most recently as Director of Public Relations and Events. In 2018, Mrs. Lundy, received total compensation of \$145,556 from the Company in the following amounts: base salary of \$97,545; cash award of \$1,750 (vested in 2018); restricted stock award of \$1,099 (vested in 2018); and severance in the amount of \$45,162. Other than as disclosed above, none of our directors, director nominees, officers or other employees have engaged in any related person transaction requiring disclosure since the beginning of 2018.

Attendance at Board, Committee and Shareholder Meetings

The Board held six meetings during 2018. During 2018, each director attended at least 75% of the aggregate of the total number of meetings of the Board and the committees on which he or she served (in each case, held during the periods that he or she served). The independent directors meet in regularly scheduled executive sessions of the Board and its committees without employees and non-independent directors present. The Chairman of the Board or committee chair, as applicable, presides at all executive sessions. It is the Board's policy that each director should be present for the annual meeting of shareholders absent exceptional cause. Each of our current directors attended our 2018 annual meeting of shareholders.

Board's Role in Risk Oversight

The Board's role in risk oversight is administered directly and through its standing committees, with each committee's role more fully described in the "Role of the Board's Committees" section below. The Audit Committee assists the Board in fulfilling its oversight responsibility relating to the performance of our system of internal controls, the integrity of our financial statements, legal and regulatory compliance, our audit, accounting and financial reporting processes, the qualifications, independence and work of our independent registered public accounting firm, and the evaluation of enterprise risk issues, particularly those risk issues not overseen by other committees. The Compensation Committee is responsible for overseeing the management of risks relating to our compensation programs, policies and practices. The Corporate Governance and Nominating Committee manages risks associated with corporate governance, related person transactions, succession planning, business conduct and ethics, and the performance of the Board, its

committees and directors.

While each committee is responsible for evaluating certain risks and overseeing the management of those risks, the entire Board is regularly informed about those risks through committee reports or by attending committee meetings. The reports presented to the Board include discussions of committee agenda topics, including matters involving risk oversight. The Board also directly considers specific topics, including risks associated with our strategic plan, capital structure, information / cyber security and development activities. Members of management who supervise the day-to-day risk management responsibilities periodically provide reports to the Board as a whole and to the committees as requested.

Role of the Board's Committees

The Board has three standing committees - Audit, Compensation, and Corporate Governance and Nominating - that assist and report their activities to the Board. In accordance with the applicable rules of the NYSE and SEC, each committee is organized and operates under a written charter adopted by the Board. Each committee and the Corporate Governance and Nominating Committee annually review and assess the adequacy of the charters and recommend changes to the Board as necessary to reflect changes in regulatory requirements, authoritative guidance and evolving practices. Pursuant to its respective charter, each committee has the authority to engage, at our expense, advisors as it deems necessary to carry out its duties. The function and authority of each committee are further described below and in each committee's respective charter. The committee charters are available in the Corporate Governance section of our website (corporate.stage.com/corporate-governance).

The Board and the Corporate Governance and Nominating Committee annually conduct performance evaluations of the Board, each committee and each director. Under the procedures adopted by the Board, each director evaluates the Chairman of the Board, the Board, each committee and each other director. In order to continuously improve Board governance, the results of the individual director evaluations are communicated to the respective directors and the results of the Chairman, Board and committees' evaluations are reported to all directors.

Each committee is comprised entirely of independent directors as required by each committee's charter and applicable SEC and NYSE rules. The following table reflects the current membership of each committee:

Independent Directors	Audit Committee	Compensation Committee	Corporate Governance and Nominating Committee
Mr. Barocas	M		M
Ms. Crowley	C	M	
Ms. Ellis	M		M
Mr. Glazer			
Mr. Hesterberg		C	M
Ms. Kranc		M	C
Mr. Montgoris	M

Audit Committee

The primary purposes of the Audit Committee are to: (1) assist the Board in its oversight of (a) the integrity of our financial statements, (b) our compliance with legal and regulatory requirements, (c) the qualifications and independence of our independent registered public accounting firm, and (d) the performance of our internal audit function and independent registered public accounting firm; and (2) prepare the Audit Committee Report disclosure required by Item 407(d)(3) of Regulation S-K. The Audit Committee was established in accordance with Section 3(a)(58)(A) the Securities Exchange Act of 1934, as amended ("Exchange Act"). The Board has determined that each member of the Audit Committee is "financially literate," as required by NYSE rules, and that each of Ms. Crowley, Ms. Ellis and Mr. Montgoris is an "audit committee financial expert," as that term is defined under applicable SEC rules. The Board has also determined that each member of the Audit Committee qualifies as independent under the applicable NYSE rules and SEC Rule 10A-3. The Audit Committee met nine times during 2018.

Compensation Committee

The primary purpose of the Compensation Committee is to discharge the responsibilities of the Board relating to the compensation of our Chief Executive Officer ("CEO") and other executive officers. In addition, the Compensation Committee's key responsibilities include: (1) set the short- and long-term performance objectives for the corporation at the beginning of each performance cycle and certify the results at the end of the period; (2) establishing the goals and objectives for CEO performance, evaluating CEO performance against those goals and objectives and setting CEO compensation based on the evaluation; (3) reviewing the performance of, and setting the compensation for, our other executive officers; (4) reviewing and approving the terms of all compensation plans, policies and programs, including employment and severance agreements,

for our CEO and other executive officers; (5) making recommendations to the Board with respect to our incentive compensation and equity-based plans that are subject to Board approval; and (6) reviewing and monitoring our compensation policies and practices in order to avoid risks that are reasonably likely to have a material adverse effect on us. Additional information regarding our executive compensation program, including our processes and procedures for the consideration and determination of executive officer compensation, is described in the “Executive Compensation” section of this Proxy Statement. The Compensation Committee met four times during 2018.

Executive Compensation Consultants

The Compensation Committee may, in its sole discretion, retain or obtain the advice of compensation consultants to review our executive officer compensation program. The Compensation Committee is directly responsible for the appointment, compensation and oversight of the work of any compensation consultant retained by the Compensation Committee. We provide appropriate funding, as determined by the Compensation Committee, for payment of reasonable compensation to any compensation consultant retained by the Compensation Committee.

The Compensation Committee selected and retained Willis Towers Watson as its independent compensation consultant to advise it on general executive compensation matters during 2018. The Compensation Committee also selected and retained Exequity as its independent compensation consultant to provide advice on the Stage Stores 2017 Long-Term Incentive Plan (“2017 LTIP”) and advice on development of the Amended and Restated 2017 LTIP. The Compensation Committee assessed the independence of Willis Towers Watson and Exequity pursuant to NYSE and SEC rules and concluded that no conflict of interest exists that would prevent Willis Towers Watson or Exequity from independently advising the Compensation Committee during 2018.

During 2018, we paid Willis Towers Watson \$54,688 in connection with the Compensation Committee’s engagement of Willis Towers Watson for executive compensation consulting services. In addition, we paid Willis Towers Watson \$17,323 for data and surveys and \$213,580 for actuarial retirement services associated with a broad-based defined benefit plan that we sponsor, which covers substantially all employees who had met eligibility requirements and were enrolled prior to June 30, 1998 (“DB Plan”). The DB Plan was frozen effective June 30, 1998, and none of our named executive officers (as identified in the “Executive Compensation” section of this Proxy Statement) are participants in the DB Plan. The fees for services related to the DB Plan were paid to a different line of business within Willis Towers Watson and were not associated with the Willis Towers Watson executive compensation team that provided advice to the Compensation Committee. During 2018, we paid Exequity \$10,318 in connection with the Compensation Committee’s engagement of Exequity for consulting services related to the development of the Amended and Restated 2017 LTIP.

Corporate Governance and Nominating Committee

The primary purposes of the Corporate Governance and Nominating Committee are to: (1) maintain and review the Governance Guidelines and propose to the Board changes to the Governance Guidelines as corporate governance developments warrant; (2) identify qualified candidates for nomination as directors to the Board who meet the criteria for Board membership approved by the Board; (3) oversee the annual evaluation of the performance of the Board, the committees of the Board, the directors and management; (4) recommend to the Board director nominees for the next annual meeting of shareholders and for each committee of the Board; (5) review, and report to the Board, annually on the status of the CEO succession plan; and (6) evaluate director compensation to ensure that our directors are competitively compensated and recommend any proposed changes in director compensation to the Board for its approval. The Corporate Governance and Nominating Committee met four times during 2018.

Director Qualifications; Identifying and Evaluating Nominees

The Corporate Governance and Nominating Committee is responsible for recommending to the Board the appropriate skills and qualifications required of Board members and assessing the appropriate balance of skills and qualifications required of directors based on our needs from time to time. At a minimum, director nominees should possess the following skills and qualifications: broad experience, wisdom, integrity, the ability to make independent analytical inquiries, an understanding of our business environment, and the willingness to devote adequate time to Board duties. The Corporate Governance and Nominating Committee and the Board endeavor to have a Board representing a range of experience in business and in other areas that are relevant to our activities with a goal of achieving a Board that, as a whole, provides effective oversight of our management and business through, among other things, diversity (i.e., differences of viewpoint, professional experience, education, skill and other individual qualities and attributes that

contribute to the Board's heterogeneity). The consideration of diversity in identifying director nominees is integrated annually as part of the director nomination process by both the Board and the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee also considers the current composition of the Board and other relevant factors and attributes that it deems appropriate and important for nominees to make meaningful contributions to the Board and our business, including:

Leadership. Directors with experience in significant leadership positions over an extended period, particularly CEO and Chief Operating Officer positions, provide us with special insights. These individuals generally possess extraordinary leadership qualities and the ability to identify and develop those qualities in others. They demonstrate a practical understanding of organizations, processes, strategy, risk management and the methods to drive change and growth.

Strategic Planning Experience. Effective strategic planning is critical to our success. Therefore, extensive experience in strategic planning as a result of various executive leadership roles is very important to us.

Retail Industry Experience. Experience in the retail industry as executives, directors, consultants, professionals or in other capacities is important to help provide context to our decisions, results and operations, as well as to provide oversight to our management team.

Financial Expertise. An understanding of finance and financial reporting processes is important for our directors, as we measure our operating and strategic performance by reference to financial targets. In addition, accurate financial reporting and vigorous auditing are critical to our success. We seek to have a majority of the members of our Audit Committee qualify as “audit committee financial experts” (as defined by SEC rules) and we expect all of our directors to be financially knowledgeable.

Marketing Experience. As a retailer, marketing is critical to our success. Therefore, marketing expertise, both for brick-and-mortar stores and e-commerce, is very important to us.

Investor Relations Experience. As a public company, experience in the development, implementation and articulation of corporate strategy, experience with commercial and financial communications, and experience working directly with investment analysts, institutional investors and the broad financial community is valuable to us.

Real Estate Experience. As of the end of 2018, we operated 795 stores in 42 states. In light of this significant investment, real estate expertise is important to us.

In identifying and evaluating director nominees, the Corporate Governance and Nominating Committee may implement such processes as it deems appropriate, including retaining a third party to assist in identifying or evaluating potential nominees. Prior to his or her nomination to the Board, each director nominee must (1) be determined by the Corporate Governance and Nominating Committee to meet the minimum qualifications set forth above, (2) have at least one interview with the Corporate Governance and Nominating Committee and with any other director who requests an interview, and (3) complete and sign a comprehensive questionnaire in a form deemed appropriate by the Board.

In identifying potential director candidates, the Corporate Governance and Nominating Committee considers recommendations from our directors, CEO and shareholders. A shareholder wishing to recommend a prospective director nominee to the Board must send written notice to: Corporate Governance and Nominating Committee Chair, Stage Stores, Inc., Attn: General Counsel and Secretary, 2425 West Loop South, 11th Floor, Houston, Texas 77027. The written notice must include the prospective nominee’s name, age, business address, principal occupation, ownership of our common shares, information that would be required under the rules of the SEC in a proxy statement soliciting proxies for the election of that prospective nominee as a director, the written consent of all parties to be identified in the proxy materials and any other information that is deemed relevant by the recommending shareholder. Shareholder recommendations that comply with these procedures and that meet the factors outlined above will receive the same consideration that the recommendations of the Board receive. For the 2020 annual meeting of shareholders, recommendations for director nominees must be submitted in writing by December 27, 2019.

Communications with the Board

Shareholders and other interested parties may send written communications to the Board and, if applicable, to the Chairman and other individual directors, by mail or courier to our corporate office. Under a process approved by the Board for handling correspondence received by us and addressed to independent directors, our Secretary will forward all correspondence that we receive to the Board or, if applicable, to the Chairman or other individual director.

Communications should be addressed to the Board or applicable director at: Stage Stores, Inc., Attn: General Counsel and Secretary, 2425 West Loop South, 11th Floor, Houston, Texas 77027.

Our Audit Committee has established procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and the submission by our employees of concerns regarding questionable accounting or auditing matters. These procedures are incorporated into our Code of Ethics and (1) set forth a statement about

12

our commitment to comply with laws, (2) encourage employees to inform us of conduct amounting to a violation of applicable standards, (3) describe prohibited conduct, (4) include procedures for making confidential, anonymous complaints, and (5) provide assurances that there will be no retaliation for reporting suspected violations.

We have also established procedures to enable anyone who has a concern regarding non-accounting matters and violations of our Code of Ethics to report that concern through our normal company channels or anonymously. An anonymous ethics hotline is maintained by an independent third party and is available 24 hours a day, seven days per week.

(2) The restricted stock held by each individual is subject to forfeiture prior to vesting in accordance with the terms set forth in the applicable award agreement.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors and executive officers, and persons who beneficially own more than 10% of our outstanding common shares, to file with the SEC and the NYSE initial reports of ownership and reports of changes in ownership of our common shares. Directors, executive officers and greater than 10% shareholders are required by the SEC rules to furnish us with copies of all Section 16(a) reports they file. Based solely upon our review of filings with the SEC and written representations that no other reports were required, we believe that all of our directors and executive officers complied during 2018 with the reporting requirements of Section 16(a) of the Exchange Act.

Stock Ownership by Executive Officers

The Board has adopted stock ownership requirements for all officers at or above the executive vice president level that requires these executives to hold a significant financial stake in our common shares in order to align the long-term interests of our executives with those of our shareholders. Under the ownership requirements, on and after the fifth anniversary of his or her appointment as an executive vice president or higher (“Target Date”), each such officer must have developed and thereafter maintain an ownership position in our common shares with a minimum value (“Target Ownership Level”) as follows:

- Target Ownership Level for the CEO having a value equal to three times his or her base salary; and
- Target Ownership Level for all executive vice presidents or higher having a value equal to his or her base salary.

For purposes of assessing compliance with the ownership requirements, the value of stock means the greater of the fair market value of our common shares held of record on the date of determination by the executive and his or her spouse, or the value of our common shares at the time of acquisition. In determining whether the executive has achieved his or her Target Ownership Level, the executive may include the value of our common shares owned outright or beneficially owned and shares held in benefit plans, in any event acquired by him or her (1) in open market purchases, (2) from vested restricted stock awards, (3) from net shares held following the exercise of stock options and stock appreciation rights (“SARs”), (4) from earned performance share units, and (5) from deferred compensation plan acquisitions. The executive may also include the share value equivalents of gains on vested but unexercised stock

options and SARs. Individual and joint holdings of stock with an executive's spouse shall also be included in measuring achievement of the applicable Target Ownership Level. Exceptions to compliance with the ownership requirements may be made with the prior written consent of the Compensation Committee in the event of a financial hardship. As of the Record Date, each executive whose tenure dictates that he or she satisfy the Target Ownership Level has done so.

Stock Ownership by Directors

The Board also requires non-employee directors to hold a significant financial stake in our common shares in order to align the long-term interests of the directors with those of our shareholders. Each director must develop and maintain an original investment of at least four times the annual Board retainer in effect upon the director's initial election or appointment to the Board ("Original Investment"). If the annual Board retainer is increased, each director must develop and maintain an additional investment in our common shares equal to four times the increase in the retainer ("Additional Investment"). In determining whether a director has achieved the Original Investment and any Additional Investment, the director may include his or her (1) tax basis in any stock held directly or through a broker (i.e., acquisitions net of dispositions), (2) tax basis in vested restricted stock, (3) tax basis in vested but unexercised in-the-money stock options and SARs, and (4) director fees which the director has designated to be used for the acquisition of restricted stock or deferred stock units under our Non-Employee Director Equity Compensation Plan. Directors have three years from the date of their initial election to the Board to achieve the Original Investment, and three years from the date of an increase in the annual Board retainer to achieve any Additional Investment. As of the Record Date, each non-employee director has satisfied the stock ownership requirements.

Stock Holding Requirements for Executive Officers and Directors

In order to further align the interests of directors and executives with those of shareholders, the Board also imposes stock holding requirements for all directors and all officers at or above the executive vice president level. Under our stock holding requirements, each director and executive must retain 50% of all net shares received (i.e., those shares received from equity awards at vesting or exercise, after any withholding to satisfy taxes) until his or her applicable stock ownership requirement is achieved. If a director or executive becomes subject to a greater stock ownership requirement (e.g., due to promotion or an increase in the ownership requirement), the greater stock ownership requirement will apply as of its effective date and 50% of all net shares received must be retained until such time that the greater stock ownership requirement is achieved. Once the applicable stock ownership requirement is achieved, sufficient shares must be retained by the director or executive to continue meeting the stock ownership requirement until separation from service. Exceptions to the holding requirements may be made at the discretion of the Board or Compensation Committee if compliance would create financial hardship (e.g., illness, tuition or mortgage) or prevent a director or executive from complying with a court order.

Hedging Prohibited

Hedging or monetization transactions may be accomplished through a number of possible mechanisms, including through the use of financial instruments such as prepaid variable forwards, equity swaps, collars and exchange funds. Those hedging transactions may permit a person to continue to own our securities without the full risks and rewards of ownership. When that occurs, the person may no longer have the same objectives as our other shareholders. Therefore, the Board prohibits our directors, officers and other employees from all hedging or monetization transactions involving our common shares or other securities.

Pledging Prohibited

Securities pledged (or hypothecated) as collateral for a loan may be sold in foreclosure if the borrower defaults on the loan. Similarly, securities held in a margin account as collateral for a margin loan may be sold by the broker without the customer's consent if the customer fails to meet a margin call. Because a foreclosure sale or margin sale may occur at a time when the pledgor is aware of material nonpublic information or otherwise is not permitted to trade in our securities, the Board prohibits our directors, officers and other employees from holding our common shares or other securities in a margin account or otherwise pledging our common shares or other securities as collateral for a loan.

(2) Our named executive officers were not paid performance incentive bonuses for 2018 because the requisite performance thresholds were not met.

The amounts in this column reflect the grant date fair value for performance share units, performance units, restricted stock and restricted stock units for the named executive officers with respect to the fiscal year in accordance with FASB ASC Topic 718. These amounts do not represent the actual amounts that will be realized by the named executive officers with respect to such awards. Assumptions used in the calculation of these amounts are included in Note 12 to our audited consolidated financial statements in our Annual Report on Form 10-K for the fiscal year ended February 2, 2019. Further information regarding the 2018 awards is included in the Outstanding Awards at Fiscal Year-End table in this Proxy Statement.

(a) The aggregate incremental cost of non-business use of corporate aircraft is calculated based on the costs we incur in connection with operating a flight, including expenses for fuel, landing fees, flight planning, navigation charges, ground services, on-board catering, and other miscellaneous costs. Due to the fact that the corporate aircraft are used primarily for business travel, fixed costs which do not change based on usage, such as pilot salaries, hangar fees, management fees, purchase costs, depreciation and capitalized improvements to the aircraft, are excluded. We did not reimburse or otherwise “gross-up” Mr. Glazer for any income tax obligation associated with his non-business use of corporate aircraft. The benefit of non-business use of corporate aircraft was approved by the Compensation Committee as part of Mr. Glazer’s overall compensation package.

Compensation Elements

We believe that all of the executive compensation elements described below advance the primary purposes of our executive compensation program and the achievement of our short-term and long-term business objectives. The total compensation awarded to each named executive officer, as well as each element of compensation, is intended to foster our pay-for-performance philosophy and provide a competitive compensation package as compared to executives in similar positions at our competitors. Although the Committee does not have any specific formula for establishing the amount and mix of base salary and variable compensation, it does reference the Peer Group and additional comparative compensation data discussed above as a market check in making these determinations. The “Peer Group” generally consist of U.S. based, publicly-traded apparel and accessories retailers with annual sales between one-half and two times our annual sales with which we compete for business and talent; it was developed by Willis Towers Watson and approved by the Committee. The Committee also considers factors relating to each named executive officer’s individual position, performance versus objectives, professional history and experience, relevant skill set, scope of duties and the internal relationship of pay across all executive positions as it establishes compensation.

Base Salary

The Committee believes a competitive base salary serves an important role in attracting and retaining executive talent. Base salary is not intended to represent the primary method of rewarding performance. After receiving input from our CEO regarding the performance of the other named executive officers, the Committee uses its judgment regarding individual performance, market competitiveness, internal pay equity, length of service, job responsibilities and other factors to determine the appropriate base salary for each named executive officer.

Annual Performance Incentive Bonus

The Committee annually establishes a performance incentive bonus opportunity for our named executive officers. The amount of the annual performance incentive bonus earned by our named executive officers for 2018 was subject to our achievement of two performance components: (1) pre-tax earnings from continuing operations (constituting 75% of the opportunity) and (2) comparable sales relative to the Performance Group (constituting 25% of the opportunity). The “Performance Group” is a group of department store and apparel store retailers selected from the Dow Jones apparel and broadline retailers subsectors at the beginning of 2018 that generally possess attributes similar to us, including merchandise assortments, target guest, geography of store base and size of markets in which they operate. Annual performance incentive bonus targets are expressed as a percentage of base salary, with the target percentage increasing with job scope and responsibility.

At the beginning of each year, the Committee evaluates our annual operating plan to determine if pre-tax earnings and comparable sales remain appropriate for measuring the achievement of our objectives and to motivate our executives. Based on discussions with our CEO, Chief Human Resources Officer, CFO and independent compensation consultant, the Committee recommends, and our independent directors approve, a matrix of financial parameters establishing the threshold (minimum), target and maximum performance levels for pre-tax earnings and comparable sales at a time when achievement of those objectives is substantially uncertain.

Following the completion of each year and prior to paying any performance incentive bonuses, the Committee and our Audit Committee review our financial results for the completed performance period (i.e., fiscal year), and the Committee certifies the calculation of bonus amounts and reports the results and calculations to our Board.

Long-Term Incentive Compensation

The Committee believes that long-term incentive compensation is critical for aligning executive compensation with the creation of shareholder value. At its first quarter meeting, the Committee reviews the portfolio of long-term incentive vehicles, the targeted award size and the performance measures associated with any awards. The Committee also reviews recommendations provided by management and the Committee’s independent compensation consultant regarding long-term incentive design. The Committee, with the approval of our other independent directors, has historically made grants of equity awards each year. For 2018, long-term incentive compensation awards made to our named executive officers were in the form of performance share units, performance units, restricted stock and restricted stock units and made under the Stage Stores, Inc. 2017 Long-Term Incentive Plan (“2017 LTIP”).

The Committee believes that the use of multiple equity vehicles balances the equity-driven growth and performance aspects of performance share units and performance units with the retention aspects of restricted stock and restricted stock units. The grant date for annual equity awards is the date on which our Board approves the awards. From time to

time, our Board will consider making grants under other special circumstances, such as when recruiting new executive talent, upon the promotion of an executive and to retain key individuals. All grants other than the annual grants are effective as of the date of the event (e.g., the new hire or promotion date).

Restricted Stock and Restricted Stock Units

Restricted stock is common stock that includes vesting restrictions tied to continued employment. Restricted stock provides our named executive officers with the opportunity to earn full value shares of our common stock. Restricted stock units also include vesting restrictions tied to continued employment. Restricted stock units mirror the value of our common stock and settle in cash in an amount equal to the vesting date fair market value of our common stock on a one-for-one basis, with the payment limited to five times the grant date fair market value of our common shares. Restricted stock and restricted stock unit grants may either vest all at once at the end of a specified period or in increments over a specified period. Generally, the Committee awards restricted stock and restricted stock units with a four-year pro rata vesting schedule (i.e., 25% per year). If the executive's employment is terminated before vesting for any reason other than death, disability or retirement, the unvested portion of the restricted stock or restricted stock unit award will be forfeited. If the executive dies or becomes disabled, or a change in control occurs, the restricted stock or restricted stock unit award will fully vest.

Performance Share Units and Performance Units

The Committee views performance share units and performance units as a critical link between executive compensation and the creation of shareholder value. The number of units that vest, if any, is determined by our total shareholder return ("TSR") over a three-year performance cycle relative to the Performance Group established by our Board and the Committee at the beginning of the year in which the units are awarded. Performance share units can be settled in cash or stock, as determined by the Committee and performance units are settled in cash. If the executive's employment is terminated before the end of the performance cycle for any reason other than death, disability or retirement, the award is forfeited. If the executive dies or becomes disabled during the performance cycle, the executive will receive the target number of units awarded. If the executive retires during the performance cycle, the executive will receive the number of units earned based on actual TSR performance for the performance period, with that amount prorated for the portion of the performance period during which the executive was employed by or providing service to us. In the event of a change in control, the target number of units awarded will vest.

Benefits and Perquisites

We provide limited benefits and perquisites to our named executive officers because of the value our named executive officers place on these benefits. The perquisites and other benefits we provide to our named executive officers are summarized in the Summary Compensation Table and related footnotes. In addition, we provide our named executive officers with core benefits available to all full-time employees (e.g., coverage for medical, dental, prescription drugs, basic life insurance and long-term disability coverage) as well as a supplemental executive medical plan. The supplemental executive medical plan is an insured plan which reimburses officers at the executive vice president level and above for out-of-pocket medical and dental expenses not covered by the primary medical plan.

Employment Agreements

We are a party to three-year, automatically renewable employment agreements with each of our named executive officers. The employment agreements provide for a base salary and an annual performance incentive bonus opportunity. The employment agreements also provide for an automobile allowance, a financial planning allowance and participation in bonus and benefit plans available to our executive officers. Pursuant to their employment agreements, our named executive officers are entitled to compensation and other benefits if their employment terminates or if there is a change in control. Termination and change in control compensation and other benefits are established at the time a named executive officer signs an employment agreement. In exchange for the benefits provided to the named executive officers in their respective employment agreements, we receive a post-termination release of claims and various restrictive covenants in our favor (e.g., non-competition, non-solicitation and continuing cooperation).

Termination

Our named executive officers are entitled to compensation and other benefits in an amount the Committee believes is appropriate, taking into account the time it is expected to take a terminated executive to find another job. Compensation and other benefits upon termination are intended to ease the consequences to a named executive officer of an unexpected termination of employment.

Change in Control

The Committee and our Board recognize the importance to us and our shareholders of avoiding the distraction and loss of key management personnel that may occur in connection with any rumored, threatened or actual change in control. To that end, the Committee and our Board believe that including reasonable change in control provisions in our named executive officers' employment agreements protect shareholder interests by enhancing executive focus during rumored, threatened or actual change in control activity through (1) incentives to remain with us despite uncertainties while a transaction is under consideration or pending and (2) assurances of severance and other benefits in the event of termination.

To reduce the potential distraction due to personal uncertainties and risks that inevitably arise when a change in control is rumored, threatened or pending, the Committee and our Board have provided our named executive officers with what the Committee and our Board believed to be reasonable competitive change in control compensation and benefit provisions in their employment agreements. The employment agreements of our named executive officers provide for specific enhanced payments and benefits in the event of a change in control.

Double Trigger

The enhanced termination benefits payable under the named executive officers' employment agreements in connection with a change in control require a "double trigger" which means the named executive officer will only be eligible to receive change in control compensation and benefits pursuant to the employment agreement (1) if a change in control occurs and (2) during the period beginning six months before the change in control and ending 24 months after the change in control, (a) the executive's employment agreement is terminated by us or our successor without good cause, or (b) the executive's employment agreement is terminated by the executive with good reason. A double trigger was selected to enhance the likelihood that the named executive officers will remain with us after a change in control, since the executives will not receive the change in control compensation payments and benefits provided by their employment agreements following a voluntary resignation after the change in control. Thus, the named executive officers are protected from actual or constructive dismissal for 24 months after a change in control, while any new controlling party or group is better able to retain the services of a key asset.

The following table sets forth, as of the end of 2018, all equity awards outstanding under our equity compensation plans for each named executive officer. (2) Common shares reported in this column underlie unvested performance share units and performance units (at the target number of units) as of the end of 2018. If we achieved maximum TSR performance under the terms of an award, the named executive officer would receive twice the target number of performance share units or performance units. The awards cliff vest after a three-year performance cycle based on our TSR return relative to the Performance Group. The awards having a performance cycle ending on February 2, 2019, the end of 2018, were not earned and therefore forfeited by the named executive officers. The final day of each three-year performance cycle is as follows:

Retirement Plans

Deferred Compensation Plan

We sponsor the DC Plan which provides our named executive officers and certain other officers with the opportunity to participate in an unfunded, deferred compensation program that is not qualified under the IRC. Generally, the IRC and the Employee Retirement Income Security Act of 1974, as amended, restrict contributions to a tax-qualified 401(k) plan by highly compensated employees, and our named executive officers are unable to participate in our tax-qualified 401(k) plan. The DC Plan is intended to allow participants to defer income on a pre-tax basis. Under the DC Plan, participants may defer up to 50% of their base compensation and up to 100% of their bonus and earn a rate of return based on actual investments chosen by each participant. We have established a grantor trust for the purpose of holding assets to provide benefits to the participants. We will match 100% of each participant's contributions, up to 10% of the sum of their base salary and bonus.

The named executive officers have the opportunity to allocate the investment of the funds in their participant employee account among more than thirty investment options, including an option to invest in our common shares. In the case of the option to invest in our common shares, the DC Plan provides the opportunity to acquire our common shares on a pre-tax basis.

Frozen Defined Benefit Plan

We sponsor the DB Plan, a defined benefit pension plan for substantially all employees who met eligibility requirements and were enrolled prior to June 30, 1998. The DB Plan was frozen effective June 30, 1998. None of our named executive officers are participants in the DB Plan.

Potential Payments Upon Termination or Change In Control

This section addresses the rights of our named executive officers under their employment agreements and other compensation plans and arrangements in the event their employment with us is terminated or upon a change in control, as defined below. The payments that a named executive officer would be entitled to receive upon termination or a change in control are not considered by the Compensation Committee when making annual compensation decisions for the named executive officers and do not factor into decisions made by us regarding other compensation elements.

The narrative discussion and tables below set forth the compensation payable to each named executive officer (or his beneficiaries, as applicable) as a result of his termination of employment with us under various scenarios or upon a change in control. The amounts shown in the tables below are based on the assumption that the named executive officer's termination was effective as of February 2, 2019, the final day of 2018. The closing market price of our common shares on February 1, 2019, the final trading day of 2018, was \$0.96. The actual amounts that would be payable in connection with the termination of a named executive officer or a change in control could only be determined at the time of the actual triggering event.

Upon termination, each participating named executive officer would receive his aggregate balance in our DC Plan, including the DC Plan Matching Contributions as set forth in the Summary Compensation Table and related footnotes above, subject to any required waiting period. However, the named executive officers are not entitled to receive compensation for any unused vacation days upon termination.

Payments Upon Various Triggering Events at 2018 Fiscal Year-End

Termination by Us For Good Cause or Termination by Executive Without Good Reason

If we terminate a named executive officer for Good Cause (as defined below) or a named executive officer terminates his employment with us without Good Reason (as defined below), the executive will be entitled to receive any earned and unpaid base salary, and certain accrued and unpaid benefits, through the date of termination and will automatically forfeit any unvested restricted stock, restricted stock units, performance share units, performance units, SARs, stock options or similar rights as of the date of termination.

Termination by Reason of Death, Disability or Retirement

If a named executive officer's employment with us terminates as a result of his death, disability or retirement, (1) the executive will be entitled to receive any base salary earned and unpaid, and certain benefits accrued and unpaid, through the date of termination, (2) all unvested restricted stock, restricted stock units, SARs, stock options or similar rights held by the executive will fully vest as of, and (in the case of SARs and stock options) be exercisable for one year following, the date of termination and (3) all unvested performance share units and performance units will vest at the target level and be payable to the executive.

in the case of the other named executive officers, severance in an amount equal to the aggregate of his base salary plus performance incentive bonus at the target level as in effect as of the date of termination;

the performance incentive bonus for the fiscal year in which the termination occurs prorated through the date of termination; provided, however, the named executive officer will not receive any portion of the performance incentive bonus unless the Board determines that the performance incentive bonus was earned and the executive would have been entitled to receive it had the termination not occurred;

in the case of Mr. Glazer, all unvested restricted stock held by him will fully vest as of the date of termination and all unvested performance share units at or above the 50th percentile of achievement as of the termination date will vest on a prorated basis at the target level and be payable to him;

Change in Control - Termination Without Good Cause or Termination by Executive For Good Reason

If a change in control occurs, and during the period beginning six months before and ending 24 months after the change in control, we or our successor terminates the named executive officer's employment without Good Cause or the named executive officer terminates his employment with Good Reason, the named executive officer will be entitled to receive any base salary earned and unpaid, and certain benefits accrued and unpaid, through the date of the change in control or termination, and the following:

severance in an amount equal to three times, in the case of Mr. Glazer, and two times, in the case of the other named executive officers, the aggregate of his base salary plus performance incentive bonus at the target level as in effect as of the date of the change in control or termination;

the performance incentive bonus for the fiscal year in which the termination occurs prorated through the date of termination;

all unvested restricted stock, restricted stock units, SARs, stock options or similar rights will fully vest and all unvested performance share units and performance units will vest at the target level and be payable as of the date of the change in control;

continuation of healthcare benefits to which the named executive officer is participating as of the date of change in control or termination for a period of 36 months, in the case of Mr. Glazer, and 24 months in the case of the other named executive officers, from the date of the change in control or termination;

outplacement services for a period of 12 months from the date of the change in control or termination up to a maximum of \$15,000; and

financial planning allowance for a period of 36 months in the case of Mr. Glazer, and 24 months in the case of the other named executive officers, from the date of the change in control or termination.

If any payment to the named executive officer due to a change in control subjects the executive to any excise tax, we will not pay to the executive a gross-up payment to compensate him for the amount of the excise tax.

The payments and benefits provided in connection with a change in control are intended to help provide us with continuity of management and continued focus on the business by senior management in the event of a change in control.

In the following table, the benefits continuation amounts shown include the estimated premiums to be paid by us on behalf of the named executive officer for healthcare insurance.

Change in Control Described

A “change in control” shall be deemed to have occurred:

on such date, within the 12-month period following the date that any one person, or more than one person acting as a group (as defined in §1.409A-3(i)(5)(v)(B) of the Treasury Regulations), acquires ownership of stock that represents 25% or more of the combined voting power of our then outstanding securities (“Trigger Date”), that a majority of the individuals who, as of the Trigger Date, constitute the Board (“Incumbent Board”) are replaced by new members whose appointment or election is not endorsed by a majority of the members of the Incumbent Board before the date of such appointment or election;

as of the date that any one person, or more than one person acting as a group (as defined in §1.409A-3(i)(5)(v)(B) of the Treasury Regulations), acquires ownership of stock that, together with stock held by such person or group, constitutes more than 50% of either (1) the then outstanding shares of our common stock or (2) the combined voting power of our then outstanding voting securities entitled to vote generally in the election of directors; provided, however, if any one person or more than one person acting as a group, is considered to own more than 50% of the total fair market value or total voting power of our stock, the acquisition of additional stock by the same person or persons shall not be considered to cause a change in control; or

on the date any one person, or more than one person acting as a group (as defined in §1.409A-3(i)(5)(v)(B) of the Treasury Regulations), acquires (or has acquired during the 12-month period ending on the date of the most recent acquisition by such person or persons) all, or substantially all, of our assets, except for any sale, lease exchange or transfer resulting from any action taken by any creditor of ours in enforcing its rights or remedies against any of our assets in which such creditor holds a security interest. Provided further, a transfer of assets by us shall not be treated as a change in control if the assets are transferred to: (1) a shareholder of ours (immediately before the asset transfer) in exchange for or with respect to its stock; (2) an entity, 50% or more of the total value or voting power of which is owned, directly or indirectly, by us; (3) a person, or more than one person acting as a group, that owns, directly or indirectly, 50% or more of the total value or voting power of all our outstanding stock; or (4) an entity, at least 50% of the total value or voting power of which is owned, directly or indirectly, by a person described in this paragraph. For purposes of this paragraph and except as otherwise provided in clause (1), a person’s status is to be determined immediately after the transfer of the assets.

DIRECTOR COMPENSATION

The compensation of our non-employee directors is established by the Board at the recommendation of the Corporate Governance and Nominating Committee (referred to as the "CGNC" in this section). In developing its recommendations, the CGNC is guided by the following objectives: (1) non-employee directors should receive competitive compensation for the services they provide to a company of our size and complexity; and (2) compensation should align the interests of the directors with the long-term interests of our shareholders. As requested by the CGNC, its director compensation consultant (most recently, Willis Towers Watson) prepares competitive compensation analyses regarding both the Peer Group and the broader market for similarly situated companies and advises the CGNC on the level and design of compensation programs for non-employee directors. The Chair of the CGNC works directly with the CGNC's director compensation consultant, if any, to determine the scope of the work needed to assist the CGNC in its compensation determinations. We reimburse our directors for the actual expenses they incur while attending, or otherwise participating in, Board meetings, committee meetings and ad hoc committee assignments.

Directors who are also our full-time employees receive no additional compensation for serving on the Board.

Non-employee directors received the compensation described below for 2018.

Retainers and Fees

Board Retainer

Non-employee directors received a \$60,000 annual retainer for service on the Board, which was earned and paid pro rata over their term at the beginning of each month. The annual retainer is intended to compensate the director for attendance at regularly scheduled quarterly Board meetings (including by teleconference) and up to two special meetings of the Board, as well as consultation and participation in meetings held for periodic updates.

Chairman Retainer

In addition to the annual board retainer, the Chairman of the Board received a \$125,000 retainer for the fiscal year ended February 2, 2019, which was earned and paid pro rata over his term at the beginning of each month. For the fiscal year ending February 1, 2020, the retainer for the Chairman of the Board will be reduced to \$62,500. The chairman retainer is intended to compensate the Chairman for the additional duties set forth in the Governance Guidelines.

Committee Chair Fees

The Chair of the Audit Committee received a committee chair fee of \$20,000. The Chair of the Compensation Committee received a committee chair fee of \$15,000. The Chair of the Corporate Governance and Nominating Committees received a committee chair fee of \$12,500. The annual committee chair fee was earned and paid pro rata over the Chair's term at the beginning of each month.

Special Board Meeting Fee

Beginning with the seventh meeting of the Board, directors received a special board meeting fee of \$1,500 per meeting for their preparation and attendance at special meetings of the Board (including attendance by teleconference) called for the purpose of specific actions by the Board and held at times other than in conjunction with regular quarterly meetings of the Board. No additional meeting fee was paid for attendance at regular quarterly Board meetings and the first two special Board meetings.

Committee Meeting Fees

Non-employee directors received (1) a regular committee meeting fee of \$1,500 per meeting for their preparation and attendance at regular quarterly meetings of the committees on which they serve (including by teleconference), and (2) a special committee meeting fee of \$1,500 per meeting for (a) their preparation and attendance at committee meetings (including by teleconference) called for the purpose of specific actions by their committees and held at times other than in conjunction with regular quarterly meetings of their committees and (b) their preparation and attendance at ad hoc committee assignments held at times other than in conjunction with regular quarterly meetings of their committees or the Board. Non-committee members who voluntarily attend a committee meeting did not receive a fee.

Restricted Stock Awards

Initial Grant

Upon a non-employee director's initial appointment or election, the director receives a restricted stock award valued at \$100,000, based on the closing price of our common shares on the date of appointment or election, but prorated for the number of months the director will serve until the next annual meeting of our shareholders ("Initial Grant"). The Initial Grant cliff vests on the earlier of one year from the grant date or the date of the first annual meeting of our shareholders following the grant date.

Reelection Grant

Upon a non-employee director's reelection to the Board, the director receives a restricted stock award the value of which is based on the closing price of our common shares on the date of reelection ("Reelection Grant"). For the fiscal year ended February 2, 2019, the reelected non-employee directors received a Reelection Grant valued at \$100,000. For the fiscal year ending February 1, 2020, the reelected non-employee directors will be eligible to receive a Reelection Grant valued at \$50,000. The Reelection Grant cliff vests on the earlier of one year from the grant date or the date of the first annual meeting of our shareholders following the grant date.

Forfeiture of Grants

A director will forfeit any unvested Initial Grant and Reelection Grants if he or she ceases to be a director at any time prior to the vesting date other than due to (1) the fact that the director's age prohibits him or her from serving as a director per the Governance Guidelines, (2) death, (3) permanent disability (as determined by the Board) or (4) a change in control (as defined in the applicable equity incentive plan), at which time the unvested Initial Grant and Reelection Grant will fully vest.

Health Benefits

We have made arrangements with our medical provider to offer medical and dental coverage to the directors and their eligible family members. The cost to the directors is the same premiums our active employees pay through payroll deductions.

ITEM 2: SAY-ON-PAY VOTE (ADVISORY VOTE TO APPROVE EXECUTIVE COMPENSATION)

We are asking our shareholders to approve a non-binding, advisory resolution on the compensation of our named executive officers as disclosed in this Proxy Statement (commonly referred to as a “Say-on-Pay Vote”). The Board has adopted a policy providing for an annual Say-on-Pay Vote. In accordance with this policy and Section 14A of the Exchange Act, and as a matter of good corporate governance, the Board recommends that you vote FOR the following resolution:

RESOLVED, that the compensation paid to the named executive officers of Stage Stores, Inc., as disclosed in this Proxy Statement pursuant to Item 402 of SEC Regulation S-K is hereby APPROVED.

As described above in the Executive Compensation section of this Proxy Statement, the key objectives of our executive compensation program are to:

• Enable us to attract, motivate and retain the executive talent required to successfully manage and grow our business and to achieve our short-term and long-term business objectives;

• Maximize the long-term commitment of our executive officers to our success by providing compensation elements that align their interests with the interests of our shareholders by linking compensation elements directly to financial metrics that the Committee believes influence the creation of long-term shareholder value; and

• Reward our executive officers upon the achievement of short-term and long-term business objectives and the creation of shareholder value.

Say-on-Pay Vote Recommendation

This vote on executive compensation is advisory, which means that the vote is not binding on the Board, the Compensation Committee or us. Although non-binding, the Board and the Compensation Committee will continue to consider the results of Say-on-Pay Votes in determining future executive compensation.

The affirmative vote of a majority of the votes cast is required to approve this advisory resolution. Broker discretionary voting of uninstructed shares is not permitted for a shareholder vote on executive compensation. Abstentions and broker non-votes, if any, will not be counted as votes cast on this item, and they will have no effect on the outcome of this item. If no voting instructions are given (excluding broker non-votes), the persons named as proxy holders on the proxy card will vote the common shares in accordance with the recommendations of the Board. **THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ABOVE ADVISORY RESOLUTION ON EXECUTIVE COMPENSATION.**

ITEM 3: RATIFICATION OF THE APPOINTMENT OF DELOITTE & TOUCHE LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2019

The Audit Committee appointed Deloitte & Touche LLP as our independent registered public accounting firm for 2019. This selection is being presented to the shareholders for their ratification. Proxies solicited by the Board will, unless otherwise directed, be voted to ratify the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for 2019.

Deloitte & Touche LLP has been our independent registered public accounting firm since 2001. The Audit Committee has been advised by Deloitte & Touche LLP that it is an independent registered public accounting firm with respect to us within the meaning of the Exchange Act.

A representative of Deloitte & Touche LLP will be present at the Annual Meeting to respond to appropriate questions and to make a statement if so desired.

The affirmative vote of a majority of the votes cast is required to ratify the selection of Deloitte & Touche LLP. If you are a beneficial shareholder, your broker has discretionary authority under NYSE rules to vote your common shares on Item 3. Abstentions will not be counted as votes cast, and they will have no effect on the outcome of this item. If no voting instructions are given, the persons named as proxy holders on the proxy card will vote the common shares in accordance with the recommendations of the Board. In the event that the shareholders do not ratify the appointment of Deloitte & Touche LLP, the Audit Committee will reconsider (but may decide to maintain) its appointment of Deloitte & Touche LLP.

THE BOARD RECOMMENDS THAT YOU VOTE FOR THE FOLLOWING RESOLUTION RATIFYING OUR APPOINTMENT OF AN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM:

RESOLVED, that the appointment of Deloitte & Touche LLP, as the independent registered public accounting firm for Stage Stores, Inc. for 2019 is hereby **RATIFIED**.

AUDIT COMMITTEE MATTERS

Pre-Approval Policies

The Audit Committee has direct responsibility to select, retain, terminate, determine compensation and oversee the work of our independent registered public accounting firm. Pre-approval by the Audit Committee is required for any engagement of our independent registered public accounting firm and the Audit Committee has established a pre-approval policy to prevent the provision of services that would impair the independence of our independent registered public accounting firm. Under the policy, the Audit Committee annually pre-approves the audit and any non-audit services proposed to be provided by our independent registered public accounting firm. Requests to provide services that require pre-approval by the Audit Committee are submitted to the Audit Committee by our Chief Financial Officer, Controller or other officer and our independent registered public accounting firm. In determining whether to approve the engagement of our independent registered public accounting firm, the Audit Committee considers whether such services are consistent with the SEC's and the Public Company Accounting Oversight Board's rules on auditor independence. The Audit Committee also considers the amount of audit related fees in comparison to all other fees paid to our independent registered public accounting firm and reviews such comparison each year.

Principal Accountant Fees and Services

The fees billed to us by Deloitte & Touche LLP, our independent registered public accounting firm, during the two most recently completed fiscal years, were as follows:

(\$ in thousands)	2018	2017
	(\$)	(\$)
Audit Fees (1)	1,358	1,593
Audit-Related Fees	—	—
Tax Fees	—	—
All Other Fees (2)	20	19
Total Fees	1,378	1,612

Audit fees for 2018 and 2017 consisted of fees for (a) the audit of our annual financial statements, (b) the review of financial statements in our quarterly reports on Form 10-Q, (c) the audit of the effectiveness of our internal control over financial reporting, and (d) services that are provided by the independent registered public accounting firm in connection with statutory and regulatory filings.

All other fees for 2018 and 2017 consisted of fees for services related to the audit of the financial statements of our nonqualified DC Plan, which are included in the DC Plan's Annual Report on Form 11-K. All services were approved by the Audit Committee.

Audit Committee Report

The Audit Committee has reviewed and discussed the audited financial statements for 2018 with management and our independent registered public accounting firm, Deloitte & Touche LLP. The Audit Committee has discussed with Deloitte & Touche LLP the matters required to be discussed by Auditing Standard No. 1031, as adopted by the Public Company Accounting Oversight Board. The Audit Committee has received the written disclosures and the letter from Deloitte & Touche LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding Deloitte & Touche LLP's communications with the Audit Committee concerning independence, and has discussed with Deloitte & Touche LLP its independence. Based on these reviews and discussions, the undersigned members of the Audit Committee recommended to the Board that our audited financial statements for 2018 be included in our Form 10-K for filing with the SEC.

ITEM 4: APPROVE AMENDED AND RESTATED STAGE STORES 2017 LONG-TERM INCENTIVE PLAN

Based on the recommendation of the Compensation Committee (referred to as the "Committee" for purposes of this Item 4), the Board unanimously adopted the Amended and Restated 2017 LTIP on March 20, 2019. If our shareholders approve the Amended and Restated 2017 LTIP, it will become effective on June 6, 2019.

Our Board of Directors, the Committee and management believe that the effective use of stock-based long-term incentive compensation is vital to our ability to achieve strong performance in the future. We believe that the increase in the number of shares available for issuance by adopting the Amended and Restated 2017 LTIP is essential to permit our management to continue to provide long-term, equity-based incentives to present and future key employees, consultants and directors. It will allow the Company to maintain and enhance the key policies and practices adopted by our management and Board of Directors that align employee and shareholder interests and to link compensation to our performance. In addition, our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel.

The Amended and Restated 2017 LTIP is designed to promote our long-term financial success and business objectives in a manner consistent with our compensation philosophy. The Board believes that by offering our employees long-term equity and qualified performance-based compensation through the Amended and Restated 2017 LTIP, we promote the following key objectives of our compensation program:

- aligning the interests of employees, outside directors and consultants with those of our shareholders through increased participant ownership of our common shares; and
- attracting, motivating and retaining experienced and highly qualified employees, outside directors and consultants who will contribute to our financial success.

In order to enable the Company to continue to offer meaningful equity-based incentives, the Board believes that it is both necessary and appropriate to increase the number of shares available under the 2017 LTIP for these purposes. As of April 1, 2019, approximately 84,226 shares remained available for future grants under the 2017 LTIP. Additional details regarding our long-term incentive plans, including outstanding awards are presented in the sections that follow.

The Company expects to exhaust the existing share reserve of the 2017 LTIP on the date of the Annual Meeting of Shareholders and believes it is prudent to replenish the share reserve at this time. Accordingly, the Board of Directors believes it is in the best interests of the Company and its stockholders to amend and restate the 2017 LTIP to:

- Increase the maximum authorized newly available common shares under the 2017 LTIP by 1,950,000 common shares from 1,300,000 to 3,250,000; and

- Remove all references and provisions in the 2017 LTIP referencing or relating to Section 162(m) of the Internal Revenue Code of 1986, as amended, and including applicable rules, regulations and authoritative interpretations thereunder (“IRC”), that have become obsolete as a result of the repeal by the Tax Cuts and Jobs Act of 2017 (the “Tax Act”) of the performance-based exemption from Section 162(m).

A summary of the principal features of the Amended and Restated 2017 LTIP is provided below but is qualified in its entirety by reference to the complete text of the Amended and Restated 2017 LTIP, which is set forth as Annex A to this Proxy Statement.

Significant Historical Award Information

On June 1, 2017, the 2017 LTIP replaced the 2008 Equity Incentive Plan (“2008 EIP”). The total number of common shares available for awards under the 2017 LTIP is equal to the sum of: (1) 1,300,000 newly issued common shares; (2) any of the 65,654 common shares remaining available for issuance under the 2008 EIP as of April 3, 2017 but not subject to previously exercised, vested or paid awards; and (3) any common shares subject to the 2,625,718 outstanding awards as of April 3, 2017 under the 2008 EIP that on or after such date cease for any reason to be subject to such awards (other than by reason of exercise or settlement of the awards to the extent they are exercised for or settled in vested and nonforfeitable common shares), including, but not limited to, common shares withheld to satisfy taxes related to any such awards that are not stock options or stock appreciation rights.

The annual run rate for 2016, 2017 and 2018 was 5.26%, 2.43% and 2.28%, respectively, resulting in a three-year average run rate of 3.32%. The run rate was calculated as follows: total number of common shares underlying equity-related awards granted in any given fiscal year divided by the weighted-average number of common shares outstanding during that fiscal year. We have maintained a reasonable annual run rate by limiting the awards settled in shares and increasing the number of awards settled in cash. As part of our effort to manage the run rate, we have limited the grant of restricted shares of common stock to the Company’s CEO and Non-Employee Directors. While we historically have granted restricted shares of common stock to other eligible employees under the 2017 LTIP, we now grant restricted stock units and/or performance units that are settled in cash, instead of common stock. It is our intention to continue to manage our run rate over time to reasonable levels while ensuring that our executive compensation program is competitive and motivational.

Equity Compensation Plan Information as of Fiscal Year End

The following table summarizes information as of our fiscal year ended February 2, 2019 relating to our equity compensation plans pursuant to which our common shares may be issued.

Plan category	Number of securities to be issued upon exercises of outstanding options, warrants and rights (a)	Weighted-average price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column (a)) (c) (1)
Equity compensation plans approved by security holders:			
2008 Equity Incentive Plan (2)	—	—	—
Stage Stores, Inc. Amended and Restated 2003 Non-Employee Director Equity Compensation Plan (3)	—	—	225,000
2017 LTIP	—	—	1,034,124
Equity compensation plans not approved by security holders	—	—	—
Total	—	—	1,259,124

(1) We had 648,044 shares of unvested restricted stock outstanding under the 2008 EIP and 731,572 shares of unvested restricted stock outstanding under the 2017 LTIP. We also had 940,000 unvested performance share units outstanding under the 2008 EIP and 560,000 unvested performance share units outstanding under the 2017 LTIP, which represent the maximum number of common shares that may be earned under the respective plans.

(2) On June 1, 2017, the 2017 LTIP replaced the 2008 EIP. Consequently, no shares are available for grant under the 2008 EIP, and instead, shares rollover to the 2017 LTIP as they become available.

(3) Under the Stage Stores, Inc. Amended and Restated 2003 Non-Employee Director Equity Compensation Plan (“2003 NDEC Plan”), non-employee directors had the option to elect to receive their fees or retainers in restricted stock or deferred stock units in lieu of cash. No other grants were permitted under the 2003 NDEC Plan and grants made pursuant to it were not eligible for matching or a premium.

Equity Compensation Plan Information Subsequent to Fiscal Year End

Effective March 22, 2019, the 2003 NDEC Plan was terminated, including the shares previously authorized under it. Therefore, as of March 22, 2019, no shares are reserved for grant under the 2003 NDEC Plan.

Effective as of April 1, 2019:

- 844,347 and 1,906,572 (for a total of 2,750,919) restricted stock and performance share units were outstanding under the 2008 EIP and 2017 LTIP, respectively;
- None of the outstanding equity awards were in the form of stock options or stock appreciation rights;
- The 2008 EIP was frozen with the adoption of the 2017 LTIP, however, shares from the 2008 EIP are made available under the 2017 LTIP when forfeited or withheld to satisfy the tax obligation upon settlement; and
- 84,226 shares remained available for grant under the 2017 LTIP.

The Company made its annual grants for 2019 under the 2017 LTIP on March 26, 2019. The Company does not expect to make any further grants prior to the shareholder meeting, however, the remaining 84,226 shares currently available under the 2017 LTIP are insufficient for the Company to make reelection grants to the non-employee directors following the meeting.

Summary of Amended and Restated 2017 LTIP Administration

Selection of participants in the Amended and Restated 2017 LTIP, the level of participation of each participant and the terms and conditions of all awards will be determined by the Committee. Each member of the Committee will be an “independent director” for purposes of our Governance Guidelines, the Committee’s charter and the NYSE listing requirements; and a “non-employee director” within the meaning of Rule 16b-3 under the Exchange Act. Currently, the Committee is comprised of three directors, each of whom meets all of these criteria. Consistent with the purpose of the Amended and Restated 2017 LTIP, the Committee will have the discretionary authority to (1) interpret the Amended and Restated 2017 LTIP, (2) prescribe, amend and rescind rules and regulations relating to the Amended and Restated 2017 LTIP, and (3) make all other determinations necessary or advisable for the administration or operation of the Amended and Restated 2017 LTIP. The Committee may delegate authority to administer the Amended and Restated 2017 LTIP as it deems appropriate, subject to the express limitations set forth in the Amended and Restated 2017 LTIP.

Limits on Awards

No more than 1,300,000 common shares may be issued pursuant to grants of incentive stock options (“ISOs”) during the term of the Amended and Restated 2017 LTIP. A participant may receive multiple awards under the Amended and Restated 2017 LTIP. Awards shall be limited to the following per participant annual fiscal year amounts:

Award Type	Annual Limit per Participant
Stock Options	750,000 common shares
Stock Appreciation Rights (“SARs”)	750,000 common shares
Restricted Stock	750,000 common shares
Restricted Stock Units	750,000 common shares
Deferred Stock Units	750,000 common shares
Performance Shares, Performance Share Units and Performance Units	750,000 common shares or equivalent value
Cash-Based Awards	Greater of \$5,000,000 or the value of 750,000 common shares
Other Stock-Based Awards	750,000 common shares
Dividend and Dividend-Equivalent Rights	\$2,000,000
All Award types granted to an Outside Director	200,000 common shares

The common shares available for issuance under the Amended and Restated 2017 LTIP will include our authorized but unissued common shares and treasury shares. Subject to the terms of the Amended and Restated 2017 LTIP, common shares covered by an award will only be counted as used to the extent they are actually issued. To the extent that any award payable in common shares (1) terminates by expiration, forfeiture, cancellation or otherwise without the issuance of such common shares, (2) is settled in cash in lieu of common shares, (3) is withheld to satisfy tax withholding obligations with respect to full value awards, or (4) is exchanged with the Committee’s permission prior to the issuance of common shares for awards not involving common shares, the common shares covered thereby may again be made subject to awards under the Amended and Restated 2017 LTIP. However, common shares which are (a) not issued or delivered as a result of the net settlement of a stock option or stock-settled SAR, (b) withheld to satisfy tax withholding obligations on a stock option or SAR, (c) tendered to pay the exercise price of a stock option or the grant price of a SAR, or (d) repurchased on the open market with the proceeds of a stock option exercise will no longer be eligible to be again available for grant under the Amended and Restated 2017 LTIP. To the extent permitted by applicable law or stock exchange rule, common shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by us shall not be counted against the common shares available for grant pursuant to the Amended and Restated 2017 LTIP.

Minimum Vesting Requirements for Awards

Except with respect to a maximum of five percent of the shares authorized under the Amended and Restated 2017 LTIP, all awards granted under the Amended and Restated 2017 LTIP shall vest over a period that is not less than one year. However, the Committee may permit acceleration of vesting of awards in the event of a participant's death or disability or in the event of a change in control.

Eligibility and Participation

Consistent with the purposes of the Amended and Restated 2017 LTIP, the Committee has exclusive power (except as may be delegated as permitted in the Amended and Restated 2017 LTIP) to select the key employees, non-employee Directors and consultants, its subsidiaries and its affiliates who may participate in the Amended and Restated 2017 LTIP and be granted awards under the Amended and Restated 2017 LTIP. Eligible individuals may be selected individually or by groups or categories, as determined by the Committee in its discretion. As of the date of February 2, 2019, the Company had 13,643 employees total, 225 of whom (including six executive officers), plus six non-employee Directors, and no consultants were eligible to participate in the Amended and Restated 2017 LTIP.

Types of Awards

The Amended and Restated 2017 LTIP permits grants of (1) non-qualified stock options (“NQSOs”), (2) ISOs as defined in Section 422 of the IRC, (3) SARs, (4) restricted stock, (5) restricted stock units, (6) deferred stock units, (7) performance shares, (8) performance share units, (9) performance units, (10) cash-based awards, and (11) other stock-based awards.

Term, Amendment and Termination

The Amended and Restated 2017 LTIP will have a term of 10 years expiring on June 1, 2027, unless terminated earlier by the Board. Although the Board or the Committee may amend or alter the Amended and Restated 2017 LTIP, it may not do so without shareholder approval of any amendment or alteration to the extent shareholder approval is required by law, regulation or stock exchange rule. In addition, any amendment, alteration or termination of the Amended and Restated 2017 LTIP or an award agreement may not adversely affect any outstanding award to a participant without the consent of that participant other than amendments for the purpose of (1) causing the Amended and Restated 2017 LTIP to comply with applicable law, (2) permitting us to receive a tax deduction under applicable law, or (3) avoiding an expense charge to us or our affiliates.

Federal Income Tax Treatment of Awards

The following summary discussion of the United States federal income tax implications of awards under the Amended and Restated 2017 LTIP is based on the provisions of the IRC as of the date of this Proxy Statement. This summary is not intended to be exhaustive and does not, among other things, describe state, local or foreign tax consequences and such tax consequences may not correspond to the federal income tax treatment described herein. The exact federal income tax treatment of transactions could vary depending upon the specific facts and circumstances involved and participants are advised to consult their personal tax advisors with regard to all consequences arising from the grant, vesting or exercise of awards and the disposition of any acquired common shares.

Incentive Stock Options

ISOs may only be granted to our employees. No taxable ordinary income to the participant or a deduction to us will be realized at the time the ISO is granted or exercised. If the participant holds the common shares received as a result of an exercise of an ISO for at least two years from the grant date and one year from the exercise date, then (1) any gain realized on disposition of the common shares is treated as a long-term capital gain and any loss sustained will be a long-term capital loss and (2) we are not entitled to a deduction. If the common shares acquired by an exercise of an ISO are disposed of within either of these periods (i.e., a “disqualifying disposition”), then the participant must include in his or her income, as taxable compensation for the year of the disposition, an amount equal to the excess, if any, of the fair market value of the common shares upon exercise of the stock option over the stock option exercise price (or, if less, the excess of the amount realized upon disposition over the stock option exercise price). In such case, we will generally be entitled to a deduction, generally in the year of such a disposition, for the amount includible in the

participant's income as taxable compensation. The participant's basis in the common shares acquired upon exercise of an ISO is equal to the stock option exercise price paid, plus any amount includible in his or her income as a result of a disqualifying disposition. The rules that generally apply to ISOs do not apply when calculating any alternative minimum tax liability. The rules affecting the application of the alternative minimum tax are complex, and their effect depends on individual circumstances, including whether a participant has items of adjustment other than those derived from ISOs.

Non-Qualified Stock Options

A NQSO results in no taxable income to the participant or deduction to us at the time it is granted. A participant exercising a NQSO will, at that time, realize taxable compensation in the amount of the difference between the stock option exercise price and the then-current fair market value of the common shares. Subject to the applicable provisions of the IRC, a deduction for federal income tax purposes will be allowable to us in the year of exercise in an amount equal to the taxable compensation recognized by the participant.

The participant's basis in such common shares is equal to the sum of the stock option exercise price plus the amount includible in his or her income as compensation upon exercise. Any gain (or loss) upon subsequent disposition of the common shares will be a long-term or short-term gain (or loss), depending upon the holding period of the common shares.

If a participant tenders previously owned common shares in payment of the NQSO exercise price, then, instead of the treatment described above, the following generally will apply: (1) a number of new common shares equal to the number of previously owned common shares tendered will be considered to have been received in a tax-free exchange; (2) the participant's basis and holding period for such number of new common shares will be equal to the basis and holding period of the previously owned common shares exchanged; (3) the participant will have compensation income equal to the fair market value on the exercise date of the number of new common shares received in excess of such number of exchanged common shares; (4) the participant's basis in such excess shares will be equal to the amount of such compensation income; and (5) the holding period in such common shares will begin on the exercise date.

Stock Appreciation Rights

Generally, a participant that receives a SAR will not recognize taxable income at the time the SAR is granted. If a participant receives the appreciation inherent in a SAR in cash, the cash will be taxed as ordinary compensation income to the participant at the time it is received. If a participant receives the appreciation inherent in a SAR in common shares, the spread between the then-current fair market value of the common shares and the grant price will be taxed as ordinary compensation income to the participant at the time it is received. In general, there will be no federal income tax deduction allowed to us upon the grant or termination of a SAR. However, upon the settlement of either form of SAR, we will generally be entitled to a deduction equal to the amount of ordinary income the participant is required to recognize as a result of the settlement.

If the amount a participant receives upon disposition of the common shares that the participant acquired by exercising a SAR is greater than the sum of the aggregate exercise price that the participant paid plus the amount of ordinary income recognized by the participant upon exercise, the excess will be treated as a long-term or short-term capital gain, depending on the holding period of the common shares. Conversely, if the amount a participant receives upon disposition of the common shares that the participant acquired by exercising a SAR is less than the sum of the aggregate exercise price that the participant paid plus the amount of ordinary income recognized by the participant upon exercise, the difference will be treated as a long-term or short-term capital loss, depending on the holding period of the common shares.

Restricted Stock

Generally, a participant will not recognize income and we will not be entitled to a deduction at the time an award of restricted stock is made under the Amended and Restated 2017 LTIP, unless the participant makes a Section 83(b) election described below. A participant who has not made such an election will recognize ordinary compensation income at the time the restrictions on the common shares lapse in an amount equal to the fair market value of the common shares at such time. We will generally be entitled to a corresponding deduction in the same amount and at the

same time as the participant recognizes income. Any otherwise taxable disposition of the restricted stock after the time the restrictions lapse will result in a capital gain or loss to the extent the amount realized from the sale differs from the tax basis (i.e., the fair market value of the common shares on the date the restrictions lapse).

Deferred Stock Units

Generally, a participant who defers compensation into deferred stock units will not recognize income at the time the compensation would otherwise have been paid to the participant. Upon the settlement of the deferred stock unit, the participant will be taxed on the then-current fair market value of the shares or cash paid and we will be entitled to a deduction equal to the amount of ordinary compensation income the participant is required to recognize as a result of the settlement.

Other Awards

The current United States federal income tax consequences of other awards authorized under the Amended and Restated 2017 LTIP are generally in accordance with the following: (1) the fair market value of other stock-based awards is generally subject to ordinary compensation income tax at the time the restrictions lapse, unless the participant elects to accelerate recognition as of the date of grant; and (2) the amount of cash paid (or the fair market value of the common shares issued) to settle restricted stock units, performance shares, performance share units, performance units and cash-based awards is generally subject to ordinary compensation income tax. In each of the foregoing cases, we will generally be entitled to a corresponding federal income tax deduction at the same time the participant recognizes ordinary compensation income.

Dividend-Equivalent Rights

Participants may be granted dividend-equivalent rights in connection with any award other than a stock option or SAR. A participant who receives dividend-equivalent rights with respect to an award between the grant date and the date the award is exercised, payable or vests or when the restrictions lapse or expires (as the terms of the awards dictate) will recognize ordinary compensation income equal to the value of cash or common shares delivered and we will generally be entitled to a corresponding deduction for such dividends.

Section 83(b)

A participant may elect pursuant to Section 83(b) of the IRC to have compensation income recognized at the grant date of an Award of restricted stock, restricted stock units or performance units and to have the applicable capital gain holding period commence as of that date. If a participant makes this election, we will generally be entitled to a corresponding tax deduction equal to the value of the Award affected by this election. If the participant who has made an election subsequently forfeits the Award, then the participant will not be entitled to deduct the amount previously recognized as income.

Section 409A

Section 409A of the IRC imposes certain restrictions on amounts deferred under nonqualified deferred compensation plans and a 20% excise tax on amounts that are subject to, but do not comply with, Section 409A of the IRC. If the requirements of Section 409A are not complied with, holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% penalty tax and, potentially, interest and penalties. Section 409A of the IRC includes a broad definition of nonqualified deferred compensation plans, which includes certain types of equity incentive compensation. It is intended that the awards granted under the Amended and Restated 2017 LTIP will comply with or be exempt from the requirements of Section 409A of the IRC and the treasury regulations promulgated thereunder (and any subsequent notices or guidance issued by the Internal Revenue Service).

Vote Required and Board of Directors' Recommendation

The affirmative vote of a majority of votes cast is required to approve the amendment to the 2017 LTIP to increase the aggregate number of shares available to be granted under the 2017 LTIP. In accordance with the NYSE rules, abstentions are considered to be, and will be counted as, votes against this proposal. However, broker non-votes, if any, will not be counted as votes cast and, therefore, will have no effect on the outcome of this proposal. If no voting instructions are given (excluding broker non-votes), the persons named as proxy holders on the proxy card will vote the common shares in accordance with the recommendations of the Board.

Your Board of Directors recommends a vote FOR approval of the adoption of the Amended and Restated 2017 LTIP.

This Plan permits the grant of Nonqualified Stock Options, Incentive Stock Options, Stock Appreciation Rights, Restricted Stock, Restricted Stock Units, Deferred Stock Units, Performance Shares, Performance Share Units, Performance Units, Cash-Based Awards, and Other Stock-Based Awards.

This Plan was initially effective on March 23, 2017 (“Effective Date”) and obtained shareholder approval on June 1, 2017. The Plan is hereby amended and restated June 6, 2019 (the “Restatement Date”). The Restated Plan shall apply to any Awards granted after the Restatement Date. Any Awards issued prior to the Restatement Date shall continue to be governed by the terms of the Plan prior to the Restatement Date.

Purpose of this Plan. This Plan is intended to promote the Company’s long-term financial success by motivating performance through incentive compensation and to encourage Participants to acquire ownership interests in the Company. This Plan is also intended to provide a means whereby Employees, Directors, and Third Party Service Providers of the Company develop a sense of proprietorship and personal involvement in the development and financial success of the Company, and to encourage them to devote their best efforts to the business of the Company, thereby advancing the interests of the Company and its shareholders. A further purpose of this Plan is to provide a means through which the Company and its Affiliates may attract able individuals to become Employees or serve as Directors or Third Party Service Providers of the Company and its Affiliates and to provide a means whereby those individuals upon whom the responsibilities of the successful administration and management of the Company are of importance, can acquire and maintain stock ownership, thereby strengthening their concern for the welfare of the Company.

1.2 Duration of this Plan. Unless sooner terminated as provided herein, this Plan shall terminate ten (10) years from the Effective Date. After this Plan is terminated, no Awards may be granted but Awards previously granted shall remain outstanding in accordance with their applicable terms and conditions and this Plan’s terms and conditions.

1.3 Notwithstanding the foregoing, no Incentive Stock Options may be granted more than ten (10) years after the earlier of (a) adoption of this Plan by the Board, or (b) the Effective Date.

1.4 No New Grants Under Prior Plan. This Plan is the successor plan to the Prior Plan. After the Effective Date, no additional grants will be made under the Prior Plan.

The Committee may employ attorneys, consultants, accountants, agents, and other individuals, any of whom may be an Employee, and the Committee, the Company, and its officers and Directors shall be entitled to rely upon the advice, opinions, or valuations of any such individuals. All actions taken and all interpretations and determinations made by the Committee shall be final and binding upon the Participants, the Company, and all other interested individuals. References in this Plan to the Committee shall include the Board or any subset of the Board that satisfy the requirements for Committee membership set forth in Section 2.12.

3.2 Authority of the Committee. The Committee shall have full and exclusive discretionary power to interpret the terms and the intent of this Plan and any Award Agreement or other agreement or document ancillary to or in connection with this Plan, to determine eligibility for Awards and to adopt such rules, regulations, forms, instruments, and guidelines for administering this Plan as the Committee may deem necessary or proper. Such authority shall include, but not be limited to, (a) selecting Participants, (b) establishing all Award terms and conditions, including the terms and conditions set forth in Award Agreements and any ancillary document or materials, (c) granting Awards as an alternative to or as the form of payment for grants or rights earned or due under compensation plans or arrangements of the Company, (d) construing any ambiguous provision of this Plan or any Award Agreement, (e) establishing performance goals, and for Qualified Performance-Based Awards, establishing and certifying satisfaction of performance goals, (f) subject to Article 21, adopting modifications and amendments to this Plan or any Award Agreement, including without limitation, any that are necessary to comply with the laws of the countries and other jurisdictions in which the Company or its Affiliates operate, and (g) making any other determination and taking any other action that it deems necessary or desirable for the administration or operation of this Plan and/or any Award Agreement. A-5

(i) the Committee shall not delegate such responsibilities to any such officer for Awards granted to a Nonemployee Director or an Employee who is considered an Insider; and (ii) the officer(s) shall report periodically to the Committee regarding the nature and scope of the Awards granted pursuant to the authority delegated.

Article 4. Shares Subject to this Plan and Award Limitations

4.1 Number of Shares Available for Awards.

(a) Share Authorization. Subject to adjustment as provided in Section 4.4 herein, the maximum number of Shares to be issued to Participants under this Plan (the "Share Authorization") shall be:

(i) 3,250,000 Shares, plus

(ii) the 65,654 Shares remaining available for issuance under the Prior Plan as of April 3, 2017 but not subject to previously exercised, vested or paid awards, plus any Shares subject to the 2,625,718 outstanding awards as of April 3, 2017 under the Prior Plan that on or after April 3, 2017 cease for any reason to be subject to such awards (other than by reason of exercise or settlement of (iii) the awards to the extent they are exercised for or settled in vested and nonforfeitable Shares), including, but not limited to, shares withheld to satisfy taxes related to any such awards that are not stock options or stock appreciation rights.

(b) Limits on ISOs. The maximum number of Shares of the Share Authorization that may be issued pursuant to the exercise of ISOs granted under this Plan shall be 1,300,000 Shares.

Minimum Vesting Requirements for Awards. Except with respect to a maximum of five percent of the Share Authorization, all Awards granted under this Plan shall vest over a period that is not less than one (1) year.

(c) Notwithstanding the foregoing, the Committee may permit acceleration of vesting of Awards in the event of the Participant's death, Disability or a Change in Control.

Share Usage. Subject to the terms of this Plan, Shares covered by an Award shall only be counted as used to the extent they are actually issued. Any Shares related to Awards which (a) terminate by expiration, forfeiture, cancellation, or otherwise without the issuance of such Shares, (b) are settled in cash in lieu of Shares, (c) are withheld to satisfy tax withholding obligations with respect to Full Value Awards, or (d) are exchanged with the Committee's permission prior to the issuance of Shares for Awards not involving Shares, shall be available again to be issued under this Plan. Shares which are (i) not issued or delivered as a result of the net settlement of an Option or Share-settled SAR, (ii) withheld to satisfy tax withholding obligations on an Option or SAR issued under this 4.2 Plan, (iii) tendered to pay the Exercise Price of an Option or the Grant Price of a Stock Appreciation Right under this Plan, or (iv) repurchased on the open market with the proceeds of an Option exercise will no longer be eligible to be again available to be issued under this Plan. To the extent permitted by applicable law or stock exchange rule, Shares issued in assumption of, or in substitution for, any outstanding awards of any entity acquired in any form of combination by the Company or any Affiliate shall not be counted against Shares available for grant pursuant to this Plan. The Shares available for issuance under this Plan may be authorized and unissued Shares or treasury Shares. This Plan is not an "evergreen" plan whereby additional Shares would be added to this Plan on an annual basis without shareholder approval.

Annual Award Limits. The following limits (each an "Annual Award Limit" and, collectively, "Annual Award 4.3 Limits"), as adjusted pursuant to Section 4.4 and/or Section 21.2, shall apply to grants of such Awards under this Plan:

Any such adjustment shall be done in a manner consistent with Code Section 409A and, where applicable, Code Section 424. The Committee may also make appropriate adjustments in the terms of any Awards under this Plan to reflect such changes or distributions, including modifications of performance goals and changes in the length of Performance Periods, or as the Committee otherwise determines. The determination of the Committee as to the foregoing adjustments, if any, shall be at the discretion of the Committee and shall be conclusive and binding on Participants under this Plan.

Subject to the provisions of Article 21 and notwithstanding anything else herein to the contrary, without affecting the number of Shares reserved or available hereunder, the Committee may authorize the issuance or assumption of benefits under this Plan in connection with any merger, consolidation, acquisition of property or stock, or reorganization upon such terms and conditions as it may deem appropriate (including, but not limited to, a conversion of equity awards into Awards under this Plan), subject to compliance with the rules under Code Sections 409A, 422 and 424, to the extent applicable.

Article 5. Eligibility and Participation

5.1 Eligibility. Individuals eligible to participate in this Plan include all Employees, Directors, and Third Party Service Providers.

5.2 Actual Participation. Subject to the provisions of this Plan, the Committee may, from time to time, select from the Eligible Individuals, those individuals to whom Awards shall be granted. Awards need not be uniform as among Participants.

5.3 Conditions of Participation. By accepting an Award, each Participant agrees in his or her own behalf and in behalf of his or her beneficiaries (1) to be bound by the terms of the Award Agreement and this Plan and (2) that the Committee (or the Board) may amend this Plan and the Award Agreement without any additional consideration to the extent necessary to avoid penalties arising under Code Section 409A, even if those amendments reduce, restrict or eliminate rights or Awards granted under this Plan or an Award Agreement (or both) before those amendments; provided, however, that the Company or the Committee may (but neither is required to) reimburse an affected Participant or his or her beneficiary for any diminution in the value of an Award associated with any such change.

A-7

Article 6. Options

Grant of Options. Subject to the terms and provisions of this Plan, Options may be granted to Eligible Individuals in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee; provided that ISOs may be granted only to Employees of the Company or of any parent or subsidiary corporation (as permitted under Code Sections 422 and 424). However, unless legitimate business criteria exist (within the meaning of Treas. Reg. Section 1.409A-1(b)(5)(iii)(E)(1)), an Eligible Individual may only be granted Options to the extent that such individual provides services to the Company or an Affiliate of the Company that is part of the Company's controlled group for purposes of Code Section 409A.

Option Award Agreement. Each Option grant shall be evidenced by an Award Agreement that shall specify the Exercise Price, the term of the Option, the number of Shares to which the Option pertains, the conditions upon which an Option shall become vested and exercisable, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan. The Award Agreement also shall specify whether the Option is intended to be an ISO or a NQSO.

Exercise Price. The Exercise Price for each grant of an Option shall be determined by the Committee and shall be specified in the Award Agreement; provided, however, the Exercise Price must be at least equal to (a) 100 percent of the FMV of the Shares as determined on the Grant Date, or (b) 110 percent of the FMV of the Shares as determined on the Grant Date in the case of an ISO granted to an individual who owns or who is deemed to own shares possessing more than 10 percent of the total combined voting power of all classes of shares of the Company or any Affiliate, as determined under Code Section 422.

Term of Options. Each Option granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no Option shall be exercisable later than the seventh (7th) anniversary date of the Grant Date.

Exercise of Options. Options granted under this Article 6 shall be exercisable at such times and be subject to such restrictions and conditions as the Committee shall in each instance approve, which terms and restrictions need not be the same for each grant or for each Participant.

Options granted under this Article 6 shall be exercised by the delivery of a notice of exercise to the Company or an agent designated by the Company in a form specified or accepted by the Committee (setting forth the number of Shares with respect to which the Option is to be exercised, accompanied by full payment for the Shares), or by complying with any alternative exercise procedure(s) the Committee may authorize.

Payment. A condition of the issuance of the Shares as to which an Option shall be exercised shall be the payment of the Exercise Price. The Exercise Price of any Option shall be payable to the Company in full either: (a) in cash; (b) by tendering (either by actual delivery or attestation) previously acquired Shares having an aggregate Fair Market Value at the time of exercise equal to the Exercise Price (provided that except as otherwise determined by the Committee, the Shares that are tendered must have been held by the Participant for at least six (6) months (or such other longer period, if any, as the Committee may permit) prior to their tender to satisfy the Exercise Price if acquired under this Plan or any other compensation plan maintained by the Company or have been purchased on the open market); (c) by a cashless (broker-assisted) exercise; (d) by "net exercise," which is the surrender of Shares for which the Option is exercisable to the Company in exchange for a distribution of Shares equal to the amount by which the then Fair Market Value of the Shares subject to the exercised Option exceeds the applicable Exercise Price; (e) by a combination of (a), (b) (c) and/or (d); or (e) any other method approved or accepted by the Committee in its sole discretion.

Subject to any governing rules or regulations, as soon as practicable after receipt of written notification of exercise and full payment (including satisfaction of any applicable tax withholding), the Company shall deliver to the Participant evidence of book entry Shares or Share certificates in an appropriate amount based upon the number of Shares purchased under the Option(s).

Unless otherwise determined by the Committee, all payments under all of the methods indicated above shall be paid in United States dollars.

Other Conditions and Restrictions. The Committee may impose such other conditions and/or restrictions on any Shares acquired pursuant to the exercise of an Option granted under this Article 6 as it may deem advisable or desirable. Such conditions and restrictions may include, but shall not be limited to, minimum holding period

requirements, restrictions under applicable federal securities laws, under the requirements of any stock exchange or market upon which such Shares are then listed and/or traded, or under any blue sky or state securities laws applicable to such Shares.

A-8

Subject to the terms and conditions of this Plan, SARs may be granted to Eligible Individuals in such number, and upon such terms, and at any time and from time to time as shall be determined by the Committee. However, unless legitimate business criteria exist (within the meaning of Treas. Reg. Section 1.409A-1(b)(5)(iii)(E)(1)), an Eligible Individual may only be granted SARs to the extent that such individual provides services to the Company or an Affiliate of the Company that is part of the Company's controlled group for purposes of Code Section 409A.

SAR Award Agreement. Each SAR Award shall be evidenced by an Award Agreement that shall specify the Grant Price, the term of the SAR, and such other provisions as the Committee shall determine which are not inconsistent with the terms of this Plan.

Grant Price. The Grant Price for each grant of an SAR shall be determined by the Committee and shall be specified in the Award Agreement; provided, however, the Grant Price must be at least equal to 100 percent of the FMV of the Shares as determined on the Grant Date.

Term of SAR. Each SAR granted to a Participant shall expire at such time as the Committee shall determine at the time of grant; provided, however, no SAR shall be exercisable later than the seventh (7th) anniversary date of the Grant Date.

Exercise of SARs. SARs may be exercised upon whatever terms and conditions the Committee, in its sole discretion, imposes.

Settlement of SARs. Upon the exercise of a SAR, a Participant shall be entitled to receive payment from the Company in an amount determined by multiplying:

- (a) The excess of the Fair Market Value of a Share on the date of exercise over the Grant Price; by
- (b) The number of Shares with respect to which the SAR is exercised.

At the discretion of the Committee, the payment upon SAR exercise may be in cash, Shares, or any combination thereof, or in any other manner approved by the Committee in its sole discretion. The Committee's determination regarding the form of SAR payout shall be set forth in the Award Agreement pertaining to the grant of the SAR.

Other Conditions and Restrictions. The Committee may impose such other conditions and/or restrictions on any Shares received upon exercise of an SAR granted pursuant to this Plan as it may deem advisable or desirable. Other Conditions and Restrictions. The Committee may impose such other conditions and/or restrictions, including restrictive legends, on any Shares of Restricted Stock or Restricted Stock Units granted pursuant to this Plan as it may deem advisable or desirable. Such conditions and restrictions may include, but shall not be limited to, without limitation, a requirement that the Participant pay a stipulated purchase price for each Share of Restricted Stock or each Restricted Stock Unit, restrictions based upon the achievement of specific performance goals, acceleration of a Restriction Period based on the achievement of performance goals, time-based restrictions on vesting following the attainment of the performance goals, time-based restrictions, and/or restrictions under applicable laws or under the requirements of any stock exchange or market upon which such Shares are listed or traded, or holding

To the extent deemed appropriate by the Committee, the Company may retain the certificates representing Shares of Restricted Stock in the Company's possession until such time as all conditions and/or restrictions applicable to such

A-9

Shares have been satisfied or lapse. Except as otherwise provided in this Article 8, Shares of Restricted Stock covered by each Restricted Stock Award shall become freely transferable by the Participant after all conditions and restrictions applicable to such Shares have been satisfied or lapse (including satisfaction of any applicable tax withholding obligations), and Restricted Stock Units shall be settled in cash, Shares, or a combination of cash and Shares as the Committee, in its sole discretion shall determine.

Rights. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, to the extent permitted or required by law, as determined by the Committee, Participants holding Shares of Restricted Stock granted hereunder shall have the right to exercise full voting rights with respect to those Shares during the Period of Restriction. Unless otherwise determined by the Committee and set forth in a Participant's Award Agreement, a Participant receiving a Restricted Stock Award will have, with respect to the Restricted Stock, all of the rights of a shareholder of the Company holding the class of Shares that is the subject of the Restricted Stock, including, if applicable, the right to vote the shares and the right to receive any dividends or Dividend-Equivalent Rights pursuant to Article 17 of this Plan. Dividends paid out of escrow will be treated as remuneration for employment unless an election has been made under Section 8.5. A Participant shall have no voting rights with respect to any Restricted Stock Units granted hereunder. A Participant shall have no dividend rights with respect to any Restricted Stock Units granted hereunder unless the Participant is also granted Dividend-Equivalent Rights.

Section 83(b) Election. The Committee may provide in an Award Agreement that the Award of Restricted Stock is conditioned upon the Participant making or refraining from making an election with respect to the Award under Code Section 83(b). If a Participant makes an election pursuant to Code Section 83(b) concerning a Restricted Stock Award, the Participant shall be required to file promptly a copy of such election with the Company.

Article 9. Deferred Stock Units

In General. The Committee may, in accordance with the requirements of Code Section 409A, permit an Employee or Director to elect to defer receipt of all or a portion of his annual compensation, annual incentive bonus and/or long-term compensation (other than Options or SARs) ("Deferred Annual Amount") payable by the Company or an Affiliate and receive in lieu thereof an Award of elective Deferred Stock Units equal to the number which may be obtained by dividing (a) the amount of the Deferred Annual Amount, by (b) the Fair Market Value of a Share on the date such compensation and/or annual bonus would otherwise have been paid ("Deferred Stock Units").

Deferred Stock Units shall be evidenced by a deferral election form ("Deferral Election Form") containing such terms and conditions not inconsistent with this Plan or Code Section 409A as the Committee shall determine, including customary representations, warranties and covenants with respect to securities law matters. The Deferral Election Form shall serve as the Award Agreement for the Deferred Stock Units. Upon receipt of a Deferral Election Form, the Company shall establish a notional account for the Participant and will record in such account the number of Shares underlying the Deferred Stock Units awarded to the Participant. No Shares will be issued to the Participant at the time Deferred Stock Units are credited in connection with a Deferral Election Form.

Rights as a Stockholder. The Committee may, in its discretion, provide in the Deferral Election Form related to a Deferred Stock Unit, that Dividend Equivalent Rights shall be granted with respect to such Deferred Stock Unit, and if Dividend Equivalent Rights are granted, whether such Dividend Equivalent Rights shall be currently paid to, or credited to the account of, a Participant credited with Deferred Stock Units. Unless otherwise provided by the Committee in the Deferral Election Form, (a) any cash dividends or distributions credited to the Participant's account shall be deemed to have been invested in additional Deferred Stock Units on the record date established for the related dividend or distribution in an amount equal to the number which may be obtained by dividing (i) the value of such dividend or distribution on the record date by (ii) the Fair Market Value of a Share on such date, and such additional Deferred Stock Units shall be subject to the same terms and conditions as are applicable in respect of the Deferred Stock Units with respect to which such dividends or distributions were payable, and (b) if any such dividends or distributions are paid in Shares or other securities, such shares and other securities shall be subject to the same Restriction Period and other restrictions, if any, as apply to the Deferred Stock Units with respect to which they were paid. A Participant shall not have any rights as a shareholder in respect of Deferred Stock Units awarded pursuant to this Plan (including, without limitation, the right to vote on any matter submitted to the Company's shareholders) until such time as the Shares attributable to such Deferred Stock Units have been issued to such Participant or his beneficiary.

9.3 Vesting. Unless otherwise provided in the Deferral Election Form related to a Deferred Stock Unit, each Deferred Stock Unit, together with any Dividend-Equivalent Rights credited with respect thereto, shall not be subject to any Restriction Period and shall be non-forfeitable at all times.

9.4 Settlement. Subject to Article 24, and the last sentence of Section 9.1, unless otherwise provided in the Deferral Election Form related to a Deferred Stock Unit, the Company shall issue the Shares underlying any of a Participant's Deferred Stock Units (and any related Dividend-Equivalent Rights) credited to such Participant's account under this Plan within

A-10

ninety (90) days following the date of such Participant's Termination Event (or such other Code Section 409A-compliant distribution event as may be elected by the Participant in the initial Deferral Election Form in accordance with the rules and procedures of the Committee and Code Section 409A). The Committee may provide, or the Participant may elect, in the Deferral Election Form applicable to any Deferred Stock Unit that, in lieu of issuing Shares in settlement of that Deferred Stock Units, the Fair Market Value of the Shares corresponding to such Deferred Stock Units shall be paid in cash. For each Share received in settlement of Deferred Stock Units, the Company shall deliver to the Participant a certificate representing such Share, bearing appropriate legends, if applicable. Notwithstanding any other provision of this Plan to the contrary, any distribution that complies with Code Section 409A shall be deemed for all purposes to comply with this Plan requirements regarding the time and form of distributions.

Further Deferral Elections. If permitted by the Committee in the Deferral Election Form, a Participant may, elect to further defer receipt of Shares issuable in respect of Deferred Stock Units in accordance with the requirements of Code Section 409A. Any such redeferral election shall be valid only if: (a) such election does not take effect until at least twelve (12) months after the date on which it is made; (b) in the case of an election not related to a payment on account of Disability, death, or an unforeseeable emergency (within the meaning of Code Section 409A), the distribution is deferred for at least five (5) years from the date such distribution would otherwise have been paid; and (c) any election related to a distribution at a specified time or pursuant to a fixed schedule (within the meaning of Code Section 409A) is made at least twelve (12) months prior to the date on which distributions are otherwise scheduled to be paid. Performance goals may include minimum, maximum and target levels of performance, with the size of the Award or payout of Performance Shares, Performance Share Units or Performance Units or the vesting or lapse of restrictions with respect thereto, based on the level attained. The Committee may also provide in any such Award that any evaluation of performance against a performance goal may include or exclude events that occur during a Performance Period (including the income tax effects attributable thereto), singularly or in combination.

The Committee, at any time and from time to time, may grant to Eligible Individuals other types of equity-based or equity-related Awards not otherwise described by the terms of this Plan (including the grant or offer for sale of unrestricted Shares) in such amounts and subject to such terms and conditions, as the Committee shall determine. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares and may include, without limitation, Awards designed to comply with or take advantage of the applicable local laws of jurisdictions other than the United States.

Article 14. Transferability of Awards

During a Participant's lifetime, his or her Awards shall be exercisable only by the Participant (or by the Participant's legal representative in the event of the Participant's incapacity). Article 15. Impact of Termination Event on Awards

15.1 In General. Except as otherwise set forth in this Plan or determined by the Committee and set forth in the Award Agreement, upon a Participant's Termination Event with or to the Company or an Affiliate, for any reason whatsoever, except as otherwise set forth in this Article 15, in an Award Agreement or, with the consent of such individual, as determined by the Committee at any time prior to or after such termination, Awards granted to such Participant will be treated as follows:

(a) Any Options and SARs will (i) to the extent not vested and exercisable as of the date of such Termination Event with or to the Company or an Affiliate, terminate on the date of such termination, and (ii) to the extent vested and exercisable as of the date of such Termination Event with or to the Company or an Affiliate, remain exercisable for a period of ninety (90) days following the date of such termination (but in no event beyond the maximum term of such Award); provided, however, that a Participant may not exercise an ISO more than three (3) months following the date of such termination for any reason other than death or Disability (but in no event beyond the maximum term of such Award). Notwithstanding the foregoing, in the event that on the last business day of the term of an Option (other than an ISO) or SAR (i) the exercise of the Option or SAR is prohibited by applicable

law or (ii) Shares may not be purchased or sold by certain Employees or Nonemployee Directors due to the “black-out period” of a Company policy or a “lock-up” agreement undertaken in connection with an issuance of securities by the Company, the term of the Option or SAR shall be automatically extended for a period of thirty (30) days following the end of the legal prohibition, black-out period or lock-up agreement.

- (a) Any Options and SARs will (i) to the extent not vested and exercisable as of the date of such Termination Event with or to the Company or an Affiliate, immediately vest on the date of such termination, and remain exercisable for a period of one (1) year following the date of such termination (but in no event beyond the maximum term of such Award).
- (b) Any unvested portion of any Restricted Stock, Restricted Stock Units, or Deferred Stock Units will immediately vest on the date of such termination.
- (c) Any unvested portion of any Performance Shares, Performance Share Units, or Performance Units will immediately vest on the date of such termination at the target number of Shares or units.

15.5 Bona Fide Leave. Notwithstanding the fact that a Participant’s employment ostensibly terminates and except as otherwise provided in an Award Agreement, if the Participant is on a bona fide leave of absence, as defined in Treas. Reg. Section 1.409A-1(h)(1), then the Participant will be treated as having a continuing employment relationship (and not as having terminated employment for purposes of this Plan) so long as the period of the leave does not exceed six (6) months, or if longer, so long as the Participant retains a right to reemployment with the Company or an Affiliate under an applicable statute or by contract.

15.6 Change in Participant Status. If a Participant changes status from an Employee, Director, or Third Party Service Provider to an Employee, Director, and/or Third Party Service Provider, without interruption, the Committee, in its sole discretion, may permit any Award held by such Participant at the time of such change in status to be unaffected by such status change; provided, however, that an ISO held by an Employee shall be treated as a

NQSO on the first (1st) day that is three (3) months after the date that the Participant ceases to be an Employee.

A-16

Article 16. Substitution Awards

Awards may be granted under this Plan from time to time in substitution for stock options and other awards held by employees or directors of other entities who are about to become Employees, whose employer is about to become an Affiliate as the result of a merger or consolidation of the Company or its Affiliate with another corporation, or the acquisition by the Company or its Affiliate of substantially all the assets of another corporation, or the acquisition by the Company or its Affiliate of at least 50 percent of the issued and outstanding stock of another corporation as the result of which such other corporation will become a subsidiary. The terms and conditions of the substitute Awards so granted may vary from the terms and conditions set forth in this Plan to such extent as the Board at the time of grant may deem appropriate to conform, in whole or in part, to the provisions of the award in substitution for which they are granted to ensure that the requirements imposed under Code Section 409A and 424, to the extent applicable, are satisfied.

Article 17. Dividend-Equivalent Rights

Any Participant selected by the Committee may be granted Dividend-Equivalent Rights (in connection with any Award other than an Option or SAR) based on the dividends declared on Shares that are subject to the Award to which they relate, to be credited as of dividend payment dates, during the period between the date the Award is granted and the date the Award is exercised, vests or expires, as determined by the Committee. Such Dividend-Equivalent Rights shall be converted to cash or additional Shares by such formula and at such time and subject to such limitations as may be determined by the Committee. Notwithstanding the foregoing, if any Award for which Dividend-Equivalent Rights have been granted has its vesting or grant dependent upon the achievement of one or more performance goals, then the Dividend-Equivalent Rights shall accrue and only be paid to the extent the Award becomes vested. Under no circumstances may Dividend-Equivalent Rights be granted for any Option or SAR.

Article 18. Beneficiary Designation

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator, or legal representative.

Article 19. Rights of Participants

19.1 Employment/Service. Nothing in this Plan or an Award Agreement shall interfere with or limit in any way the right of the Company or its Affiliates to terminate any Participant's employment or service on the Board or to the Company or its Affiliates at any time or for any reason, nor confer upon any Participant any right to continue his employment or service as a Director or Third Party Service Provider for any specified period of time. Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company or any of its Affiliates and, accordingly, subject to Article 3 and Article 21, this Plan and the benefits hereunder may be terminated at any time in the sole and exclusive discretion of the Committee without giving rise to any liability on the part of the Company or its Affiliates. Nothing contained herein shall be deemed to alter the relationship between the Company or an Affiliate and a Participant, or the contractual relationship between a Participant and the Company or an Affiliate if there is a written contract regarding such relationship.

19.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award.

19.3 Rights as a Shareholder. Except as otherwise provided herein or in an Award Agreement, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares.

Article 20. Change in Control

20.1 Impact of Event. The Committee may provide in an Award Agreement terms under which Awards may vest and, as applicable, be exercisable or payable in the event of a Change in Control or in the event of a Participant's Termination Event with, upon or within a specified time period after a Change in Control. In addition, in the event of a Change in Control, the Committee may take one or more of the following actions with respect to any or

all outstanding Awards:

Require that Participants surrender their outstanding Options and SARs in exchange for one or more payments by (a) the Company, in cash or Shares as determined by the Committee, in an amount equal to the amount by which the then Fair Market Value of the Shares subject to the Participant's unexercised Options and SARs exceeds the

A-17

Exercise Price of the Options or the Grant Price of the SARs, as applicable, including for no consideration if the then Fair Market Value does not exceed the Exercise Price or Grant Price;

- (b) Determine that outstanding Options and SARs that are not exercised shall be assumed by, or replaced with comparable options or rights by, the surviving entity (or a parent or subsidiary of the surviving entity), and other outstanding Awards that remain in effect after the Change in Control shall be converted to similar grants of the surviving entity (or a parent or subsidiary of the surviving entity);
- (c) After giving Participants an opportunity to exercise their outstanding Options and SARs, whether vested or unvested, terminate any or all unexercised Options and SARs at such time as the Committee deems appropriate;
- (d) Provide that any Options and SARs outstanding as of the date of such Change in Control and not then exercisable become fully exercisable to the full extent of the original grant;
 - Provide that all remaining Restriction Periods be accelerated and any remaining restrictions applicable to any
- (e) Restricted Stock Awards lapse and such Restricted Stock become free of all restrictions and become fully vested and transferable to the full extent of the original grant;
 - Provide that all remaining Restriction Periods be accelerated and any remaining restrictions applicable to any
- (f) Restricted Stock Units lapse and such Restricted Stock Units become free of all restrictions and become fully vested and redeemed to the full extent of the original grant (i.e., the Restriction Period lapse);
 - Provide that any performance goal or other condition with respect to any Performance Units, Performance Shares,
- (g) and Performance Share Units be deemed to have been satisfied in full, and the Shares or cash subject to such Award be fully distributable;
 - Provide that any remaining restrictions, performance goals or other conditions with respect to any Deferred Stock
- (h) Units lapse and such Deferred Stock Unit be deemed to have been satisfied in full, and the Shares or cash subject to such Award be fully distributable; and
- (i) Provide that any Cash-Based Awards and Other Stock-Based Awards outstanding as of the date of such Change in Control and not then vested shall vest to the full extent of the original grant.

Notwithstanding the foregoing, with respect to any Award that provides for the deferral of compensation and is subject to Code Section 409A, unless the Committee determines otherwise in the Award Agreement, such Award shall be paid, distributed or settled, as applicable: (i) on the occurrence of a Change in Control if that Change in Control constitutes a “change in control event” within the meaning of Code Section 409A; or (ii) in accordance with the terms provided in the Award Agreement if that Change in Control does not constitute a “change in control event” within the meaning of Code Section 409A.

Article 21. Amendment, Modification, Suspension, and Termination

- Amendment, Modification, Suspension, and Termination. Subject to Section 21.3 and Section 21.5, the
- 21.1 Committee may, at any time and from time to time, alter, amend, modify, suspend, or terminate this Plan and/or any Award Agreement in whole or in part; provided, however, that no material amendment of this Plan shall be made without shareholder approval if shareholder approval is required by law, regulation, or stock exchange rule.
- Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. Except to the extent prohibited under Code Sections 409A and 424, to the extent applicable, the Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events
- 21.2 (other than those described in Section 4.4) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan.
- Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary (other than Section
- 21.3 21.4), no termination, amendment, suspension, or modification of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.
- 21.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Board of Directors may amend this Plan or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable for the purpose of (a) conforming this Plan or an Award Agreement to any present or

future law relating to plans of this or similar nature (including, but not limited to, Code Section 409A to the extent applicable), and to the administrative

A-18

regulations and rulings promulgated thereunder; (b) permitting the Company or its Affiliates to receive a tax deduction under applicable law; or (c) avoiding an expense charge to the Company or its Affiliates. By accepting an Award under this Plan, a Participant consents to any amendment made pursuant to this Section 21.4 to any Award granted under this Plan without further consideration or action.

21.5 Repricing Prohibition. Except to the extent (a) approved by the Company's shareholders, or (b) provided in Section 4.4, the Committee shall not have the power or authority to reduce, whether through amendment or otherwise, the Exercise Price or the Grant Price of any outstanding Option or SAR or to grant any new Award, or make any cash payment, in substitution for or upon the cancellation of Options or SARs previously granted.

Article 22. Withholding

22.1 Tax Withholding. The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, up to the maximum statutory amount to satisfy federal, state, provincial, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan. As soon as practicable after the date as of which the amount first becomes includible in the gross income of the Participant (but no later than the last business day of the calendar quarter during which the amount first becomes includible in gross income), the Participant shall pay to the Company or an Affiliate (or other entity identified by the Committee), or make arrangements satisfactory to the Company or other entity identified by the Committee regarding the payment of any federal, state, provincial, or local taxes of any kind (including any employment taxes) required by law to be withheld with respect to such income. The obligations of the Company under this Plan shall be conditional on such payment or arrangements, and the Company and its Affiliates shall, to the extent permitted by law, have the right to deduct any such taxes from any payment otherwise due to the Participant.

22.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock and Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder, unless the Participant has elected, with the approval of the Committee, to satisfy the withholding requirement, in whole or in part, by paying the taxes in cash or transferring to the Company Shares owned by the Participant that would satisfy the statutory total tax (but no more than such maximum) with respect to the Company's withholding obligation, the Participant shall be deemed to have elected to have the Company withhold a number of Shares that would satisfy the statutory total tax (but no more than such maximum) that could be imposed on the transaction.

All such elections shall be irrevocable, made by the Participant in a manner approved by the Committee, and shall be subject to any restrictions or limitations that the Committee, in its sole discretion, deems appropriate.

Article 23. Successors

All obligations of the Company under this Plan with respect to Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company. All obligations imposed upon a Participant, and all rights granted to the Company hereunder, shall be binding upon each Participant's heirs, legal representatives, and successors.

Article 24. General Provisions

24.1 Recovery of Compensation. Any Award issued under this Plan will be subject to any clawback policy developed by the Board or the Committee that is consistent with applicable law, whether such Award was granted before or after the effective date of any such clawback policy.

24.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the singular shall include the plural, and the plural shall include the singular.

24.4 Severability. In the event that any one or more of the provisions of this Plan shall be or become invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein

shall not be affected thereby.

A-19

Compliance with Legal and Exchange Requirements. This Plan, the granting and exercising of Awards thereunder, and any obligations of the Company under this Plan, shall be subject to all applicable federal and state laws, rules, and regulations, and to such approvals by any regulatory or governmental agency as may be required, and to any rules or regulations of any stock exchange on which the Shares are listed. The Company, in its discretion, may postpone the granting and exercising of Awards, the issuance or delivery of Shares under any Award or any other action permitted under this Plan to permit the Company, with reasonable diligence, to complete such stock exchange listing or registration or qualification of such Shares or other required action under

24.5 any federal or state law, rule, or regulation and may require any Participant to make such representations and furnish such information as it may consider appropriate in connection with the issuance or delivery of Shares in compliance with applicable laws, rules, and regulations. The Company shall not be obligated by virtue of any provision of this Plan to recognize the exercise of any Award or to otherwise sell or issue Shares in violation of any such laws, rules, or regulations, and any postponement of the exercise or settlement of any Award under this provision shall not extend the term of such Awards. Neither the Company nor its Affiliates, or the directors or officers of any such entities, shall have any obligation or liability to a Participant with respect to any Award (or Shares issuable thereunder) that shall lapse because of such postponement.

No Limitation on Compensation. Nothing in this Plan shall be construed to limit the right of the Company to 24.6 establish other plans or to pay compensation to its employees, in cash or property, in a manner which is not expressly authorized under this Plan.

Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award 24.7 under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in 24.8 order to comply with the laws in other countries in which the Company or its Affiliates operate or have Employees, Directors or Third Party Service Providers, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Affiliates shall be covered by this Plan;
- (b) Determine which Employees, Directors and/or Third Party Service Providers outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees, Directors and/or Third Party Service Providers outside the United States to comply with applicable foreign laws;
- (d) Establish subplans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any subplans and modifications to Plan terms and procedures established under this Section 24.8 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of 24.9 Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

Unfunded Plan. It is intended that this Plan be an “unfunded” plan for incentive compensation. The Committee may authorize the creation of trusts or other arrangements to meet the obligations created under this Plan to 24.10 deliver Shares or make payments; provided, however, that, unless the Committee otherwise determines, the existence of such trusts or other arrangements is consistent with the “unfunded” status of this Plan and Participants shall have no right, title, or interest whatsoever in or to any investments that the Company or its Affiliates may make to aid it in meeting its obligations under this Plan.

No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The 24.11 Committee shall determine whether cash, Awards, or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated (i.e., rounded down to the nearest whole Share).

No Impact on Benefits. Except as may otherwise be specifically stated under any employee benefit plan, policy 24.12 or program, no amount payable in respect of any Award shall be treated as compensation for purposes of calculating a Participant's right under any such plan, policy or program.

24.13 Compliance with Code Section 409A.

In General. This Plan is intended to be administered in a manner consistent with the requirements, where applicable, of Code Section 409A. All Award Agreements shall be construed and administered such that the Award either (i) qualifies for an exemption from the requirements of Code Section 409A or (ii) satisfies the requirements of Code Section 409A. To the extent that any provision of this Plan or an Award Agreement would cause a conflict with the requirements of Code Section 409A, or would cause the administration of this Plan or an Award to fail to satisfy the requirements of Code Section 409A, such provision shall be deemed amended to the extent practicable

(a) to avoid adverse tax consequences under Code Section 409A for the Participant (including his or her beneficiaries). In no event shall a Participant, directly or indirectly, designate the calendar year in which payment, distribution or settlement, as applicable, of an Award subject to Code Section 409A is made, except in accordance with Code Section 409A. Notwithstanding any provision in this Plan to the contrary, neither the Company nor the Committee shall have any liability to any person in the event such Code Section 409A applies to any Award in a manner that results in adverse tax consequences for the Participant or any of his or her beneficiaries.

Six-Month Delay for Specified Employees. Notwithstanding anything in this Plan or an Award Agreement to the contrary, if a Participant is a “specified employee,” within the meaning of Code Section 409A and as determined under the Company’s policy for determining specified employees, on the date of his “separation from service”, within the meaning of Code Section 409A, the distribution, payment or settlement, as applicable, of all of Participant’s Awards that are both (i) subject to Code Section 409A and (ii) distributable, payable or settleable, as appropriate, on account of a separation from service, shall be postponed for six (6) months following the date of the Participant’s separation from service. If a distribution, payment or settlement, as applicable, is delayed pursuant to this paragraph, the distribution, payment or settlement, as applicable, shall be made within the thirty (30)-day period following the first (1st) business day of the seventh (7th) month following the Participant’s separation from service; provided that if the Participant dies during such six (6)-month period, any postponed amounts shall be paid within ninety (90) days of the Participant’s death. This distribution, payment or settlement, as applicable, shall include the cumulative amount of any amount that could not be paid or provided during such period.

(c) Elective Deferrals. No Participant elective deferrals or re-deferrals of compensation (as defined under Code Section 409A and/or guidance thereto) other than in regard to Deferred Stock Units are permitted under this Plan. Instead, any such elective deferrals of compensation shall only be permitted pursuant to the Company’s nonqualified deferred compensation plan. To the extent elective deferrals or re-deferrals are permitted under this Plan, such elections shall be made in accordance with the requirements of Code Section 409A and the rules, procedures and forms specified from time to time by the Committee.

(d) Mandatory Deferrals. If, at the grant of an Award under this Plan, the Committee decides that the payment of compensation with respect to such Award shall be deferred compensation within the meaning of Code Section 409A, then, the Committee shall set forth the time and form of payment in the Award Agreement in a manner consistent with Code Section 409A.

(e) Timing of Payments. Payment(s) of compensation that is subject to Code Section 409A shall only be made in the form and upon an event or at a time permitted under Code Section 409A.

24.14 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

24.15 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (a) limit, impair, or otherwise affect the Company’s or an Affiliate’s right or power to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell, or transfer all or any part of its business or assets; or (b) limit the right or power of the Company or an Affiliate to take any action which such entity deems to be necessary or appropriate.

24.16 Headings and Captions. The headings and captions herein are provided for reference and convenience only, shall not be considered part of this Plan, and shall not be employed in the construction of this Plan.

24.17 Offset. Subject to the requirements of Code Section 409A, if applicable, (a) any amounts owed to the Company or an Affiliate by a Participant of whatever nature up to the fullest extent permitted by applicable law may be offset by the Company from the value of any Award to be transferred to the Participant, and (b) no Shares, cash

or other thing of value under this Plan or an Award Agreement shall be transferred unless and until all disputes between the Company and the Participant have been fully and finally resolved and the Participant has waived all claims to such against the Company and its Affiliates. However, no waiver of any liability (or the right to apply the offset described in this Section 24.17 may

24.18 Governing Law. This Plan and each Award Agreement shall be governed by the laws of the State of Texas, excluding any conflicts or choice of law rule or principle that might otherwise refer construction or interpretation of this Plan to the substantive law of another jurisdiction. This Plan shall be construed to comply with all applicable law and to avoid liability (other than a liability expressly assumed under this Plan or an Award Agreement) to the Company, an Affiliate or a Participant. Recipients of an Award under this Plan are deemed to submit to the exclusive jurisdiction and venue of the federal or state courts located in Harris County, Texas, to resolve any and all issues that may arise out of or relate to this Plan or any related Award Agreement. Delivery and Execution of Electronic Documents. To the extent permitted by applicable law, the Company may (a) deliver by email or other electronic means (including posting on a web site maintained by the Company or an Affiliate or by a third party under contract with the Company or an Affiliate) all documents relating to this Plan or any Award thereunder (including without limitation, prospectuses required by the Securities and Exchange Commission) and all other documents that the Company is required to deliver to its security holders (including without limitation, annual reports and proxy statements), and (b) permit Participants to electronically execute applicable Plan documents (including, but not limited to, Award Agreements) in a manner prescribed by the Committee.

24.19 No Representations or Warranties Regarding Tax Affect. Notwithstanding any provision of this Plan to the contrary, the Company, its Affiliates, the Board, and the Committee neither represent nor warrant the tax treatment under any federal, state, local or foreign laws and regulations thereunder (individually and collectively referred to as the "Tax Laws") of any Award granted or any amounts paid to any Participant under this Plan including, but not limited to, when and to what extent such Awards or amounts may be subject to tax, penalties and interest under the Tax Laws.

24.20 Indemnification. To the maximum extent permitted under applicable law and the Company's articles of incorporation and bylaws, each person who is or shall have been a member of the Board, a committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from any (a) loss, cost, liability, or expense (including attorneys' fees) that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under this Plan or any Award Agreement, and (b) from any and all amounts paid by him or her in settlement thereof, with the Company's prior written approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her; provided, however, that he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's articles of incorporation or bylaws, by contract, as a matter of law, or otherwise, or under any power that the Company may have to indemnify them or hold them harmless.

24.21 No Obligation to Disclose Material Information. Except to the extent required by applicable securities laws, none of the Company, an Affiliate, the Committee, or the Board shall have any duty or obligation to affirmatively disclose material information to a record or beneficial holder of Shares or an Award, and such holder shall have no right to be advised of any material information regarding the Company or any Affiliate at any time prior to, upon or in connection with receipt or the exercise or distribution of an Award. The Company makes no representation or warranty as to the future value of the Shares that may be issued or acquired under this Plan.

24.22 Entire Agreement. Except as expressly provided otherwise, this Plan and any Award Agreement constitute the entire agreement with respect to the subject matter hereof and thereof, provided that in the event of any inconsistency between this Plan and any Award Agreement, the terms and conditions of this Plan shall control.
