Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On July 8, 2010, Celsion Corporation (the "Company") received notification from the NASDAQ Stock Market that it approved the Company's application to list its common stock on The NASDAQ Capital Market (the "Capital Market"). The Company's common stock will be transferred to the Capital Market as of the opening of business on July 12, 2010. The Company's common stock will continue to be traded under the symbol "CLSN" and trading of its common stock will be unaffected by this transfer.

The Company's decision to transfer its stock to the Capital Market is in response to a letter dated July 6, 2010 from the NASDAQ Stock Market stating that the Company's listed securities did not meet the minimum \$50 million Market Value of Listed Securities ("MVLS") requirement for continued listing on the NASDAQ Global Market pursuant to Listing Rule 5450(b)(2)(A). The Company determined that transferring its common stock to the NASDAQ Capital Market would provide the Company with the greatest flexibility.

On July 9, 2010, the Company issued a press release announcing the July 8, 2010 approval to list its securities on the Capital Market and the receipt of the July 6, 2010 letter from the NASDAQ Stock Market. The full text of this press release is attached hereto as Exhibit 99.1
