PROXY STATEMENT

Annual General Meeting of Shareholders

To Be Held June 23, 2005

PROXY SOLICITATION AND VOTING

General

This Proxy Statement is being furnished in connection with the Board of Director's solicitation of proxies from the shareholders of American Safety Insurance Holdings, Ltd. for use at the Annual General Meeting of Shareholders.

The Company is a specialty insurance holding company organized under the laws of Bermuda which, through its subsidiaries, develops, underwrites, manages and markets primary casualty insurance and reinsurance programs in the alternative insurance market in all 50 states for environmental remediation, contracting and other specialty risks. Unless otherwise indicated by the context, the term "Company" or "American Safety" shall refer to American Safety Insurance Holdings, Ltd. and its subsidiaries.

The enclosed proxy is for use at the Annual General Meeting if a shareholder is unable to attend the Annual General Meeting in person or wishes to have his shares voted by proxy, even if he attends the Annual General Meeting. The person giving a proxy may revoke it at any time before its exercise, by notice to the Secretary of the Company, by submitting a proxy having a later date, or by appearing at the Annual General Meeting and voting in person. All shares represented by valid proxies received pursuant to this solicitation, and not revoked before their exercise, will be voted in the manner specified therein. If a proxy is signed and no specification is made, the shares represented by the proxy will be voted **FOR** each of the Proposals described in this Proxy Statement and in accordance with the best judgment of the persons exercising the proxy with respect to any other matters presented for action at the Annual General Meeting.

This Proxy Statement and the enclosed proxy are being mailed to the Company's shareholders on or about April 29, 2005.

Record Date and Outstanding Shares

The Board of Directors set April 18, 2005 as the record date for the Annual General Meeting. Only shareholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual General Meeting. As of the record date, there were 6,798,255 common shares of the Company issued and outstanding.

Quorum and Voting Rights

A quorum for the transaction of business at the Annual General Meeting consists of the holders of at least one-third of the outstanding common shares of the Company entitled to vote at the Annual General Meeting present in person or represented by proxy.

Each holder of common shares of the Company is entitled to one vote per share on each matter to come before the Annual General Meeting, other than a holder subject to the 9.5% voting limitation as set forth in the Company's Bye-Laws. Each of the Proposals requires the affirmative vote of a majority of the common shares of the Company present in person or represented by proxy at the Annual General Meeting. The Company does not have cumulative voting.

Abstentions and broker non-votes are not counted in determining the number of votes cast in connection with the matters presented for action at the Annual General Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

Under New York Stock Exchange rules, brokers or other nominees who are New York Stock Exchange members are expected to have discretionary voting power for the election of directors (Proposal 1) and the ratification of the independent accountants (Proposal 3). Accordingly, abstentions and broker non-votes (if any) with respect to Proposals 1 and 3 will not be counted as votes cast and will have no effect on the result of the vote, although they will count toward the presence of a quorum.

With respect to the proposal to approve the amendment to the 1998 Director Stock Award Plan (Proposal 2), brokers or other nominees who are New York Stock Exchange members will not have discretionary voting authority. As a result, if your shares are being voted by a broker or other nominee who is a New York Stock Exchange member, such shares will be voted in favor of (or against) these proposals only if you have provided specific voting instructions to your broker or other nominee. Failure to provide such instructions will result in a broker non-vote.

Solicitation of Proxies

In addition to this solicitation by mail, the officers and employees of the Company, without additional compensation, may solicit proxies in favor of the Proposals, if deemed appropriate, by personal contact, letter, telephone or other means of communication. Brokers, nominees and other custodians and fiduciaries will be requested to forward proxy solicitation material to the beneficial owners of the common shares of the Company where appropriate, and the Company will reimburse them for their reasonable expenses incurred in connection with such transmittals. The costs of solicitation of proxies for the Annual General Meeting will be borne by the Company.

ELECTION OF DIRECTORS

(Proposal 1)

General

The members of the Board of Directors of the Company are elected by the shareholders. The directorships of the Company are divided into three classes, with the members of each class serving three year terms, and the shareholders of the Company electing one class annually. The Board of Directors has nominated three persons for election at the Annual General Meeting as directors of the Company to serve three year terms which will expire in 2008 (Proposal 1). Each nominee has agreed to his nomination and to serve as a director, if elected. Management of the Company has no reason to believe that any nominee will not serve, if elected.

Set forth below is information about each nominee for election as a director, and each incumbent director whose term of office expires in 2006 or 2007. The ages indicated below are current as of the date hereof.

AMENDMENT TO

1998 DIRECTOR STOCK AWARD PLAN

(Proposal 2)

The Board of Directors requests that the shareholders of the Company approve an amendment to increase the annual retainer award of common shares of the Company issued to Board members (who are not full-time employees) under the 1998 Director Stock Award Plan (the Director Plan) from \$15,000 to \$30,000 in market value.

The Board of Directors believes the amendment is appropriate in order to continue to attract and retain qualified individuals to serve as non-employee directors of the Company. The annual retainer award was set at \$15,000 in 2003. Since that time, the Company has grown considerably. In addition, with the implementation of the Sarbanes-Oxley Act of 2002, increased demands are being placed on directors, including increased responsibilities and additional time commitments. Such increased demands are changing the way non-management directors are compensated throughout the marketplace, and the Board of Directors believes this increase is in line with such changes. The Board of Directors approved the increase on January 21, 2005, subject to shareholder approval.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE **FOR** PROPOSAL 2 TO AMEND THE 1998 DIRECTOR STOCK AWARD PLAN.

RATIFICATION OF AUDITORS

(Proposal 3)

The Board of Directors requests that the shareholders of the Company ratify the Audit Committee's reappointment of BDO Seidman LLP as the Company's independent registered public accountants for the fiscal year ending December 31, 2005.

BDO Seidman LLP has served as the Company's independent auditors since July 26, 2004. No representative of BDO Seidman LLP is expected to attend the Annual General Meeting.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE **FOR** PROPOSAL 3 TO RATIFY THE REAPPOINTMENT OF BDO SEIDMAN LLP.

CORPORATE GOVERNANCE

Meetings and Committees of the Board of Directors

The Board of Directors of the Company had two meetings and acted by unanimous consent one time during 2004. All directors attended at least 75% all of the meetings of the Board of Directors and the committees thereof on which they served during 2004.

Independence

The New York Stock Exchange listing standards require listed companies to have a board of directors with at least a majority of independent directors. The Board has determined that each current director and each nominee for election, with the exception of Mr. Crim (who is currently employed by the Company), qualifies as an independent director. In determining each director's independence, the Board did consider that Messrs. Brueggen, Mueller and Birdwell are officers of American Safety Risk Retention Group, Inc. This entity is consolidated with the Company for accounting purposes and, for purposes of independence analysis, is considered an affiliate of the Company, and thus does not prevent these directors from being considered independent.

Committees of the Board

The Board of Directors has established five standing committees: the audit committee, the compensation committee, the nominating and corporate governance committee, the executive committee and the finance committee.

The audit committee is composed of independent directors and reviews the scope of the Company's audit, recommends to the Board of Directors the engagement of independent accountants, and reviews such accountants' reports. The audit committee operates pursuant to a written charter, a copy of which is available on our website, www.americansafetyinsurance.com. The current members of the audit committee are Messrs. Birdwell, Brueggen and Weaver. The Board has determined that each member of the audit committee is financially literate. The Board has determined that Mr. Brueggen is qualified as an audit committee financial expert within the meaning of the Securities and Exchange Commission regulations, and that he, therefore, meets the requirement under the New York Stock Exchange listing standards that at least one member of the audit committee have accounting or related financial management expertise. The audit committee held six meetings during 2004.

The compensation committee recommends to the Board of Directors matters regarding executive compensation and stock options. The current members of the compensation committee are Messrs. Brueggen, Geneen and Mauldin. The compensation committee held three meetings during 2004.

The nominating and corporate governance committee is composed entirely of independent directors. The committee operates pursuant to a written charter, which is available on our website, www.americansafetyinsurance.com. The committee has as its purposes identifying individuals qualified to become members of the Board and recommending to the Board candidates for election or reelection as directors; monitoring and recommending corporate governance and other Board practices; and overseeing performance reviews of the Board, its committees and the individual members of the Board. The current members of the nominating and corporate governance committee are Messrs. Birdwell, Brueggen, Geneen and Mueller. The nominating and corporate governance committee held two meetings in 2004.

The executive committee exercises the general power and authority of the Board of Directors between meetings of the Board of Directors. The current members of the executive committee are Messrs. Birdwell, Brueggen, Crim and Mueller. The executive committee acted by unanimous written consent two times during 2004.

The finance committee is responsible for recommending portfolio allocations to the Board of Directors, approving the Company's guidelines which provide standards to ensure portfolio liquidity and safety, approving investment managers and custodians for portfolio assets, and considering other matters regarding the financial affairs of the Company. The current members of the finance committee are Messrs. Birdwell, Brueggen and Lackner. The finance committee held two meetings during 2004.

Executive Sessions

The independent directors meet in executive sessions, at which only independent directors are present, on a regularly scheduled basis after each meeting of the Board of Directors and as needed.

Board Attendance at Annual General Meeting

It is the policy of the Company and the Board of Directors that all directors attend the Annual General Meeting and be available for questions from shareholders, except in the case of unavoidable conflicts. All of the Company's directors attended the 2004 Annual General Meeting of Shareholders.

Shareholder Communications to the Board

Shareholders and other parties interested in communicating directly with the Company's Board of Directors or any individual may contact them by writing c/o the Secretary of the Company, 44 Church Street, Hamilton HM HX, Bermuda. The Secretary will receive the correspondence and forward it to the individual director or directors to whom the correspondence is directed or the chairman of the nominating and corporate governance committee. The Secretary will not forward any correspondence that is unduly hostile, threatening, illegal, not reasonably related to the Company or its business or similarly inappropriate correspondence.

Consideration of Director Nominees

The nominating and corporate governance committee has been delegated the task of seeking qualified candidates for directors and evaluating and recommending for subsequent ratification by the Board for nomination candidates for election or reelection as directors.

With respect to the committee's evaluation of director nominee candidates, the committee has no formal requirements or minimum standards for the individuals that it nominates. The committee evaluates each candidate for nomination to election to the Board based on certain minimum requisite qualifications set forth by the Board. Some factors that the committee generally views as relevant and is likely to consider in its evaluation of candidates include, but are not limited to:

Career experience, particularly experience germane to the Company's business;

Personal and professional ethics; Expertise that may serve the Company and complement the other Board members;

Ability to devote significant time and effort to Board and Board committee responsibilities;

Whether or not a candidate is independent; and

Whether a candidate is an audit committee financial expert (as defined by the SEC).

The committee does not assign a particular weight to these individual factors. Rather, the committee looks for a mix of factors, when considered in combination with the expertise and credentials of the other candidates and the existing Board, that will provide shareholders with an experienced and diverse Board of Directors.

With respect to the identification of nominee candidates, the committee does not have a formalized process. Instead, its members and the senior management of the Company generally recommend candidates of whom they are aware personally or by reputation. The Company historically has not utilized a recruiting firm to assist in the process, but may do so in the future.

The nominating and corporate governance committee welcomes recommendations from shareholders. The nominating and corporate governance committee evaluates a candidate for director recommended by a shareholder in the same manner that the committee evaluates a candidate recommended by other means. In order to make a recommendation, the nominating and corporate governance committee asks that a shareholder send the nominating and corporate governance committee:

A resume for the candidate, detailing the candidate's work experience and credentials;

A written confirmation from the candidate that he or she (1) would like to be considered as a candidate and would serve if nominated and elected, (2) consents to the disclosure of his or her name, (3) is, or is not, independent as that term is defined in the charter of the nominating and corporate governance committee, and (4) has no plans to change or influence the control of the Company.

Edgar Filing: AMERICAN SAFETY INSURANCE HOLDINGS LTD - Form DEF 14A

The name of the recommending shareholder as it appears in the Company's books, the number of shares that owned by that shareholder and written confirmation that the shareholder consents to the disclosure of his or her name. (If the recommending person is not a shareholder of record, he or she should provide proof of share ownership);

Personal and professional references, including contact information; and Any other information relating to the candidate required to be disclosed in a proxy statement for election of directors under Regulation 14A of the Securities Exchange Act of 1934 (the Exchange Act).

This information should be sent to the nominating and corporate governance committee, c/o Secretary, American Safety Insurance Holdings, Ltd., 1845 The Exchange, Atlanta, Georgia 30339, who will forward the information along to the chairman of the committee. In order to be considered at the 2006 Annual General Meeting of Shareholders, the Secretary must receive this information by December 30, 2005.

In addition to the procedures described above for recommending prospective nominees, shareholders may directly nominate directors for consideration at the Annual General Meeting of Shareholders.

Each of the nominees for election as a director was nominated by the Board. Each of the nominees is currently a director.

Director Compensation

Pursuant to the Company's 1998 Directors Stock Award Plan, as amended, all directors (who are not full-time employees) were awarded an annual retainer award in the form of common shares of the Company having a fair market value of \$15,000. The Board has approved the immediate increase in the annual retainer award of common shares to \$30,000 in market value for Board service, subject to shareholder approval. Such increase will be effective immediately, if approved. The retainer award shares are granted to the directors who are serving as directors immediately after each Annual General Meeting, and the fair market value of the common shares is determined as of that date. The retainer award shares vest as of the day immediately preceding the next Annual General Meeting following the date of grant.

During 2004, directors were also paid \$500 per day for attendance at each meeting of the Board of Directors or each meeting of a committee of the Board of Directors on which they serve. Directors also are reimbursed for their reasonable travel expenses in connection with their Board service.

Code of Business Conduct and Ethics

The Board of Directors has approved a Code of Business Conduct and Ethics in accordance with rules of the Securities and Exchange Commission and the New York Stock Exchange listing standards applicable to all directors, officers and employees, including the principal executive officers, principal financial officers, principal and senior accounting officers or controller, or person performing similar functions. The Code of Business Conduct and Ethics is intended to provide guidance to directors and management to assure compliance with law and promote ethical behavior. The Company's Code of Business Conduct and Ethics is available on our website, www.americansafetyinsurance.com.

Compensation Committee Interlocks and Insider Participation

The compensation committee, consisting of Mr. Geneen, Mr. Brueggen and Mr. Mauldin, is made up of non-employee directors who have never served as executive officers of the Company. During 2004, none of the Company's executive officers served on the board of directors of any entities whose directors or officers serve on the Company's compensation committee.

COMPENSATION COMMITTEE REPORT

The compensation committee of the Company's Board of Directors is composed of three directors and recommends to the Board of Directors matters regarding executive compensation. The Committee meets semi-annually, and on an as needed basis and provides regular reports to the Board of Directors. The compensation for each of the Company's executive officers consists of a base salary, an annual discretionary bonus, stock options, health insurance and other benefits. The compensation committee generally reviews salary recommendations with the Company's Chief Executive Officer with regard to Company executive officers and employees other than the Chief Executive Officer. The compensation committee reviews salary recommendations based upon an evaluation of the individual's performance of the position held, the Company's operating results, and the individual's contribution to the Company's operating results. The base salary is intended to be competitive with base salaries paid by other insurance companies to executives with similar qualifications, experience and responsibilities. In addition to the base salary, each executive is eligible for an annual discretionary bonus based on the Company's performance and an award of stock options. The intended purpose of granting stock options to the Company's executives is to align the interests of each executive with the interests of the Company's shareholders. Stock options are granted under the Company's Incentive Plan at the prevailing market price on the date of grant and would only have value if the Company's stock price increases. Grants of stock options generally are based on the position held by the executive and the evaluation of the executive's past and expected future contributions to the Company's operating results.

Chief Executive Officer Compensation

The compensation of Mr. Stephen R. Crim, President and Chief Executive Officer of the Company, is determined pursuant to the principles noted above and specific consideration is given to Mr. Crim's responsibilities and his contribution to the Company's operating results. In 2004, Mr. Crim's annual base salary was \$325,000, in accordance with an employment agreement entered into with the Company in 2002. This contract also provides for an annual discretionary bonus, and other customary executive benefits including stock options and health insurance. Pursuant to the contract, such annual discretionary bonus is such amount as may be determined by the Board of Directors, in its discretion. No specific performance criteria or objectives are utilized in making this determination. No bonuses were awarded in 2004.

Mr. Crim entered into a three year employment agreement with the Company in March 2005, which provided for an annual base salary of \$360,000 in 2005, \$380,000 in 2006 and \$400,000 in 2007, an annual discretionary bonus, and other customary executive benefits including

stock options and health insurance.

Other Executive Compensation Arrangements

Joseph D. Scollo, Jr., Executive Vice President of the Company, entered into a three year employment agreement with the Company in March 2005, which provided for an annual base salary of \$270,000 in 2005, \$285,000 in 2006 and \$300,000 in 2007, an annual discretionary bonus, and other customary executive benefits including stock options and health insurance.

AUDIT COMMITTEE REPORT

The audit committee of the Company's Board of Directors is composed of independent directors and operates under a written charter adopted by the Board of Directors. The charter is reviewed, as needed, by the audit committee. Each member of the audit committee is independent as defined by the listing standards of the New York Stock Exchange, and the committee complies with other New York Stock Exchange requirements.

Management of the Company is responsible for the Company's internal controls and financial reporting process. The primary function of the audit committee is to assist the Board of Directors in fulfilling these responsibilities by reviewing management's supervision of: (i) the financial reports and other financial information provided by the Company to any governmental body or the public; (ii) the Company's systems of internal controls regarding finance, accounting, legal compliance and ethics established by management and the Board of Directors; and (iii) the Company's auditing, accounting and financial reporting processes generally.

The audit committee also recommends to the Board of Directors the appointment of the Company's independent registered public accounting firm. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The audit committee is responsible for monitoring and overseeing these processes.

In the performance of its functions, the audit committee has performed the duties required by its charter, including meetings and discussions with management and the independent registered public accounting firm, and has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The audit committee has also discussed with the independent registered public accounting firm the matters required to be discussed by the Statement on Auditing Standards Number 61, *Communication with Audit Committees*, which include, among other items, matters related to the conduct of the audit of the Company's consolidated financial statements. The audit committee has also received written disclosures and the letter from the independent registered public accounting firm required by Independence Standards Board Standard Number 1, *Independence Discussions with Audit Committees*, and has discussed with the independent registered public accounting firm such firm's independence with respect to the Company.

Based on the reports by, and discussions with, management and the independent registered public accounting firm, the audit committee recommended to the Board of Directors that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for year ended December 31, 2004.

Change in Independent Registered Principal Public Accounting Firm

Effective July 26, 2004 the Company dismissed KPMG as the principal accountant to audit the Company's financial statements and engaged BDO Seidman LLP to serve as the Company's independent registered principal public accountant.

KPMG's reports on the Company's financial statements for the fiscal year ended December 31, 2003 and 2002 did not contain an adverse opinion or disclaimer of opinion nor were such reports qualified or modified as to uncertainty, audit scope, or accounting principles. The decision to change accountants was approved by the audit committee of the Board of Directors of the Company. During the Company's fiscal years ended December 31, 2003 and 2002 and the subsequent interim period, there were no disagreements with KPMG on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure that, if not resolved to KPMG's satisfaction, would have caused KPMG to make reference to the subject matter of the disagreement in connection with its report. During the fiscal years ended December 31, 2003 and 2002 and the subsequent interim period up to the date of KPMG's dismissal, the Company has had no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company requested that KPMG furnish it with a letter addressed to the Securities and Exchange Commission stating whether or not it agrees with the statements made above. A copy of such letter is incorporated herein by reference from Exhibit 16.1 of the Form 8-K filed by the Company on August 2, 2004.

Prior to the engagement of BDO Seidman LLP, the Company (or someone on behalf of the Company) had not consulted with BDO Seidman LLP during its two most recent fiscal years and through the date of this report in any matter regarding: (A) either the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's financial statements, and neither was a written report provided to the Company nor was oral advice provided that BDO Seidman LLP concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or (B) the subject of either disagreement or a reportable event as defined in Item 304(a)(1)(iv) and (v) of Regulation S-K.
