Item 2.02 Results of Operations and Financial Condition

On December 15, 2004, the Company held a conference call to discuss its fiscal 2004 fourth quarter and year ended October 31, 2004 results, as reflected in the attached press release dated December 15, 2004 released earlier that day. The press release refers to free cash flow for the fourth quarter of \$5.5 million, which is defined as total cash flow from operations of \$7.1 million less all capital expenditures of \$1.6 million. A replay of our audio webcast can be accessed through the Investor Relations/Events tab at www.powellind.com. The webcast contains forward-looking statements, which are made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Readers are cautioned that such forward-looking statements involve risks and uncertainties in that actual results may differ materially from those projected in the forward-looking statements. In the course of operations, the Company is subject to certain risk factors, including but not limited to competition and competitive pressures, sensitivity to general economic and industrial conditions, international political and economic risks, availability and price of raw materials and execution of business strategy. The information in this Current Report is being furnished pursuant to Item 2.02, Results of Operations and Financial Condition. Pursuant to general instruction B.6. of Form 8-K, the information in this Current Report shall not be deemed filed for the purposes of Section 18 of the Securities Exchange Act of 1934 or otherwise subject to the liabilities of that Section. The
