**Item 5. Other Events.**

On August 7, 2003, the Board of Directors declared a dividend of one Right for each outstanding share of the Company's common stock, par value \$.001 per share (the Common Stock), for shareholders of record at the close of business on August 18, 2003. The Rights Plan is embodied in the Rights Agreement (as amended from time to time, the Rights Agreement) entered into between the Company and American Stock Transfer & Trust Company, which is the agent that will administer the Rights Agreement.

Each Right generally entitles the holder to purchase, in certain circumstances, one one-thousandth (1/1,000) of a share of the Company's newly created Series B Junior Preferred Stock, par value \$.001 per share, at a price of \$10.00 per share. The Rights generally will not become exercisable until any person or entity acquires, or initiates a tender offer to acquire, at least 10% of the Company's then outstanding common stock. In such event, the Rights convert into the right to buy shares of common stock at effectively one-half of the Company's then-current stock price. The Rights are redeemable under certain circumstances at \$0.01 per Right and will expire, unless earlier redeemed, on August 18, 2013.

A complete description and terms of the Rights Plan is set forth in the Rights Agreement, a copy of which is incorporated herein by reference.
