Section 1 - Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

Item 1.02 Termination of a Material Definitive Agreement.

Section 2 - Financial Information

Item 2.03 Creation of a Direct Financial Obligation or an Obligation Under an Off-Balance Sheet Arrangement of a Registrant.

On March 27, 2013, AZZ incorporated, a Texas corporation ("AZZ"), entered into a Credit Agreement (the "Credit Agreement") with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer (in such capacity, "Bank of America"), and the other lenders party thereto. The Credit Agreement provides for a \$75 million term facility and a \$225 million revolving facility, which revolving facility includes a \$75 million sublimit for letters of credit and \$30 million sublimit for swing line loans. The revolving facility also provides for an "accordion" feature that allows AZZ to increase the amount of the revolving facility by up to \$75 million, subject to securing additional commitments from existing lenders or new lending institutions.

The Credit Agreement replaces that certain Second Amended and Restated Credit Agreement, dated as of May 25, 2006, among AZZ, Bank of America, as Administrative Agent, Swing Line Lender and L/C Issuer, and certain other lenders, as amended (including Bank of America) (the "Previous Credit Agreement"), which terminated and ceased to have effect on March 27, 2013. All letters of credit issued under the Previous Credit Agreement have been transferred to the Credit Agreement and will be treated in all respects as if they were issued under the Credit Agreement. AZZ did not incur any early termination penalties in connection with the termination of the Previous Credit Agreement.

AZZ will use funds borrowed under the Credit Agreement to finance the Acquisition (as defined below) and to provide working capital for the entities acquired thereby.

At AZZ's election, loans made under the Credit Agreement will bear interest at either (1) LIBOR or (2) a base rate equal to the highest of (a) the Federal Funds Rate (as defined in the Credit Agreement) plus 0.5%, (b) Bank of America's prime rate and (c) daily floating 30 day LIBOR plus, for either rate, the Applicable Margin (as defined in the Credit Agreement). The Applicable Margin is fixed at 1.75% for LIBOR loans and 0.75% for base rate loans until AZZ furnishes Bank of America with its financial statements for the fiscal quarter ended May 31, 2013 and thereafter is based on AZZ's Leverage Ratio (as defined in the Credit Agreement).

AZZ's obligations under the Credit Agreement are unsecured, but all of AZZ's subsidiaries (other than subsidiaries organized in a jurisdiction outside of the United States) have guaranteed such obligations.

The Credit Agreement contains certain affirmative and negative covenants, including negative covenants that limit or restrict, among other things, dividends, indebtedness, mergers and acquisitions, certain fundamental changes, asset sales, investments, liens and encumbrances, transactions with affiliates, burdensome agreements and other matters customarily restricted in such agreements. The Credit Agreement contains the following financial covenants, which are consistent with the financial covenants contained in the Previous Credit Agreement:

1. AZZ must maintain a Minimum Net Worth (as defined in the Credit Agreement) on a consolidated basis of \$230,087,012, plus the sum of 50% of Net Income (as defined in the Credit Agreement) earned in each fiscal quarter ending after February 29, 2012, plus the net proceeds from the issuance of any Equity Interests (as defined in the Credit Agreement) after February 29, 2012;

2. AZZ must maintain a Maximum Consolidated Leverage Ratio (as defined in the Credit Agreement) of 3.25 to 1.00;
3. AZZ must maintain a Minimum Consolidated Fixed Charge Coverage Ratio (as defined in the Credit Agreement) of 1.75 to 1.00; and
4. AZZ must not make Capital Expenditures (as defined in the Credit Agreement) in excess of (i) \$60 million during the fiscal year ending February 28, 2014 and (ii) \$50 million during any fiscal year ending thereafter.

If an event of default occurs and is continuing under the Credit Agreement, the commitments under the Credit Agreement may be terminated and the principal amount then outstanding, together with all accrued unpaid interest thereon, may be accelerated.

The Credit Agreement has a maturity date of March 27, 2018.

The summary above does not purport to be complete and is qualified in its entirety by reference to the actual text of the Credit Agreement filed as Exhibit 99.1 to this Current Report on Form 8-K.
