Item 1.01. Entry into a Material Definitive Agreement.

On February 27, 2009, Universal Stainless & Alloy Products, Inc. (the "Company") entered into a new credit agreement (the "Credit Agreement") with PNC Bank, National Association, providing for a \$12.0 million term loan maturing on February 28, 2014 and a \$15.0 million revolving credit facility expiring June 30, 2012. The Credit Agreement replaces the Company's prior credit agreement entered into in June 2005, which was scheduled to expire in June 2009.

Edgar Filing: UNIVERSAL STAINLESS & ALLOY PRODUCTS INC - Form 8-K

The credit facility established by the Credit Agreement (the "Credit Facility") is unsecured. The interest rate on borrowings under the Credit Facility is based on LIBOR (London Interbank Offered Rates) and is subject to adjustment based upon the Company's maintenance of certain financial ratios. A quarterly nonrefundable commitment fee is payable based upon the unused availability under the revolving credit facility.

The Credit Agreement contains customary affirmative and negative covenants for credit facilities such as the Credit Facility, including limitations on the Company with respect to indebtedness, liens, investments, mergers and acquisitions, dispositions of assets and transactions with affiliates. The Credit Agreement also provides for customary events of default under the Credit Facility, including failure to pay principal, interest or fees when due, failure to pay other indebtedness, failure to comply with covenants, the fact that any representation or warranty made by the Company is untrue or incorrect in any material respect, commencement of certain insolvency or receivership events affecting the Company and occurrence of a change in control of the Company. Upon the occurrence of an event of default, the commitments of the lender may be terminated, and all outstanding obligations of the Company under the Credit Facility may be declared immediately due and payable.

The foregoing is a summary of the material terms and conditions of the Credit Agreement and not a complete discussion of the document. Accordingly, the foregoing is qualified in its entirety by reference to the full text of the Credit Agreement, which will be filed as an exhibit to the Company's Annual Report on Form 10-K for its year ended December 31, 2008.

On March 4, 2009, the Company issued a press release regarding the Credit Agreement. A copy of the press release is attached hereto as Exhibit 99.1.

ITEM 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.
