### PROXY STATEMENT

This statement is being furnished in connection with the solicitation of proxies on behalf of the Board of Directors of Rada Electronic Industries Ltd. to be voted at the Annual and Extraordinary General Meeting of Shareholders, or the Meeting, to be held on Thursday, December 12, 2002 at 10 a.m. and any adjournment thereof. Shareholders will be asked to vote upon: (i) The election of three (3) directors as Class C directors for terms expiring in 2005; (ii) the Ratification of the appointment of Luboshitz Kasirer, independent certified public accountants in Israel, a member firm of Ernst & Young International, as our independent auditors for the year ending December 31, 2002 and authorization for the Audit Committee and the Board of Directors to fix their remuneration, (iii) Consideration and receipt of our Auditor's Report, Directors' Report, and the Consolidated Financial Statements for the year ended December 31, 2001, and (iv) an increase of our authorized ordinary share capital and the amendment of our Memorandum and Articles of Association to reflect such increase.

Our Annual Report to Shareholders for the year ended December 31, 2001 that includes our audited financial statements for the fiscal year ended December 31, 2001 is enclosed but is not part of the proxy solicitation materials. The Annual Report, the proxy card and this Proxy Statement are being mailed to shareholders on or about November 13, 2002.

Shares eligible to be voted and for which a proxy card is properly signed and returned at least 24 hours prior to the beginning of the Meeting will be voted as directed. If directions are not given or directions are not in accordance with the options listed on a signed and returned proxy card, such shares will be voted FOR the nominees for director and each proposition for which the Board of Directors recommends a vote FOR. Unsigned or unreturned proxies, including those not returned by banks, brokers, or other record holders, will not be counted for quorum or voting purposes. You may revoke your proxy at any time prior to the exercise of authority granted in the proxy by giving a written notice of revocation to our Corporate Secretary, by submitting a subsequently dated, validly executed proxy, or by voting in person at the Meeting.

As of November 13, 2002, the record date for the determination of shareholders entitled to vote at the Meeting, there were outstanding 18,510,716 ordinary shares. Each ordinary share entitles the holder to one vote. The ordinary shares have a par value of NIS 0.05 per share. The presence of two shareholders, holding at least one third of our voting rights, represented in person or by proxy at the Meeting, will constitute a quorum. If, within half an hour from the time appointed for the holding of a general meeting, a quorum is not present, the meeting shall stand adjourned to the same day in the next week at the same time and place, and if, at such adjourned meeting, a quorum is not present within half an hour from the time appointed for holding the meeting any two shareholders present in person or by proxy shall constitute a quorum. ## Edgar Filing: RADA ELECTRONIC INDUSTRIES LTD - Form 6-K

An affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting, in person or by proxy and voting thereon is required to approve each of the proposals to be presented at the Annual General Meeting, except Item 4, the increase of our authorized ordinary share capital and the amendment of our Memorandum and Articles of Association, which requires the affirmative vote of 75% of the ordinary shares represented at the Annual General Meeting, in person or by proxy, and voting thereon.

A broker who is the record owner of ordinary shares beneficially owned by a customer will have discretionary authority to vote such ordinary shares in the election of directors and all other proposals herein if the broker has not received voting instructions from the beneficial owner by the tenth day before the Meeting, provided that this Proxy Statement was transmitted to the beneficial owner at least 15 days before the Meeting. Abstentions and broker "non-votes" are not counted in determining outcomes of matters being acted upon. Abstentions are counted only for determining a meeting quorum. A broker "non-vote" occurs when a nominee holding ordinary shares of our company for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that proposal and has not received instructions from the beneficial owner.

We will bear the cost of soliciting proxies from our shareholders. Proxies will be solicited by mail and may also be solicited personally or by telephone by our directors, officers and employees. We will reimburse brokerage houses and other custodians, nominees and fiduciaries for their expenses in accordance with the regulations of the Securities and Exchange Commission concerning the sending of proxies and proxy material to the beneficial owners of stock.

## Edgar Filing: RADA ELECTRONIC INDUSTRIES LTD - Form 6-K

Our Board of Directors is divided into three classes. Generally, at each annual meeting one class of directors will be elected for a term of three years. In addition to these three classes of directors, we have two "outside directors" as defined by the Israeli Companies Law who hold office for a term of three years. All the members of our board of directors (except the outside directors as detailed below) may be reelected upon completion of their term of office.

The incumbent Class A directors and Class B directors will hold office until the 2003 and 2004 Annual General Meetings of Shareholders, respectively, or until their successors are duly elected and qualified. The term of the director currently serving as a Class C director expires with this Meeting.

The Board of Directors proposes the election of Messrs. Adrian Berg, Ben Zion Gruber and Peter N. Kyros Jr. to serve as Class C directors to hold office for three years until the Annual General Meeting of Shareholders to be held in 2005, and until their successors are elected and qualified. Mr. Adrian Berg is currently serving as a member of the Board of Directors.

Should any of the nominees be unavailable for election, the proxies will be voted for a substitute nominee designated by the Board of Directors. None of the nominees are expected to be unavailable.

Under the Companies Law, the affirmative vote of the holders of a majority of the ordinary shares represented at the Annual General Meeting in person or by proxy and entitled to vote and voting thereon will be necessary for shareholder approval of the election as directors of Messrs. Adrian Berg, Ben Zion Gruber and Peter N. Kyros Jr.

### BOARD OF DIRECTORS AND COMMITTEES

#### Independent and Outside Directors

The Israeli Companies Law requires Israeli companies with shares that have been offered to the public in or outside of Israel to appoint at least two outside directors. No person may serve as an outside director if the person's position or other activities create, or may create, a conflict of interest with the person's responsibilities as an outside director or may otherwise interfere with the person's ability to serve as an outside director. If, at the time outside directors are to be appointed, all current members of the board of directors are of the same gender, then at least one outside director must be of the other gender.

Outside directors are elected by shareholders. The shareholders voting in favor of their election must include at least one-third of the shares of the non-controlling shareholders of the company who are present at the meeting. This minority approval requirement need not be met if the total shareholdings of those non-controlling shareholders who vote against their election represent 1% or less of all of the voting rights in the company. Outside directors serve for a three-year term, which may be renewed for only one additional three-year term. Outside directors can be removed from office only by the same special percentage of shareholders as can elect them, or by a court, and then only if the outside directors cease to meet the statutory qualifications with respect to their appointment or if they violate their duty of loyalty to the company.

Any committee of the board of directors must include at least one outside director and the audit committee must include all of the outside directors. An outside director is entitled to compensation as provided in regulations adopted under the Companies Law and is otherwise prohibited from receiving any other compensation, directly or indirectly, in connection with such service.

#### Audit Committee

The Israeli Companies Law provides that public companies must appoint an audit committee, which must consist of at least three members and include all of the company's outside directors. The chairman of the board of directors, any director employed by the company or providing services to the company on a regular basis, any controlling shareholder and any relative of a controlling shareholder may not be a member of the audit committee.

The Nasdaq Stock Market requires us to have at least three independent directors on our board of directors and to establish an audit committee. The members of our audit committee are Ms. Snir and Messrs. Tropp and Agmon. Each of these directors meets the independent requirements of the Nasdaq, and Ms. Snir and Mr. Tropp qualify as outside directors under the Israeli Companies Law.

### APPOINTMENT OF AUDITORS (Item 2 on the Proxy Card)

Our Board of Directors first appointed Luboshitz Kasirer, independent certified public accountants in Israel, then a member firm of Arthur Andersen, as our auditors in 1999 and has reappointed the firm, which is now a member firm of Ernst & Young International, as our auditors since such time. Luboshitz Kasirer has no relationship with us or any of our affiliates except as auditors. As a result of Luboshitz Kasirer's knowledge of our operations the Board of Directors is convinced that this firm has the necessary personnel, professional qualifications and independence to act as our auditors. Our Audit Committee and Board of Directors recommend that Luboshitz Kasirer be selected as our auditors for the fiscal year ending December 31, 2002 and recommend that the shareholders ratify and approve the selection. The remuneration of Luboshitz Kasirer will be fixed by the Audit Committee and Board of Directors according to the scope and nature of their services.

The following resolution will be offered by the Board of Directors at the Meeting:

"RESOLVED, that the appointment of Luboshitz Kasirer, independent certified public accountants in Israel, a member firm of Ernst & Young International, to conduct the annual audit of our financial statements for the year ending December

The current authorized and registered ordinary share capital of the Company is NIS 1,300,000, divided into 26,000,000 ordinary shares of NIS 0.05 par value each. As a result of the issuance of ordinary shares and warrants to the shareholders that participated in our last private placement, as approved by our shareholders on June 9, 2002, we have increased our issued share capital to 18,510,716 ordinary shares and are required to reserve an additional 14,825,198 ordinary shares for issuance pursuant to currently existing options and warrants. Our Board of Directors has unanimously adopted a resolution to increase our authorized ordinary share capital by NIS 950,000 divided into 19,000,000 ordinary shares of NIS 0.05 par value each, and to amend our Memorandum and Articles of Association to reflect such increase.

"RESOLVED, that our Memorandum and Articles of Association be amended to increase the number of our authorized and registered ordinary share capital to 45,000,000 ordinary shares of NIS 0.05 par value each."

The Board believes that the proposed increase of the authorized ordinary share capital of the Company will enable the Company to fulfill its current obligations to all of the holders of its options and warrants and will provide for future flexibility in raising capital and expand the Company's present and future potential to take business actions in order to advance the Company's interests.
