### Section 5 Corporate Governance & Management

#### Item 5.02

#### Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On May 6, 2014, the Company's Board of Directors approved a modification to the Company's 2014 Cash Incentive Compensation Plan for Executive Officers and the related performance criteria under the plan. Under the modified plan, incentive compensation will be based upon attainment of targeted goals for adjusted EBITDA rather than adjusted earnings per share. The Board elected to make these modifications as a means of retaining and properly incentivizing the participants in the plan.

For purposes of the modified plan, adjusted EBITDA is defined as Company earnings before interest, taxes, depreciation, and amortization adjusted for extraordinary items such as proxy-related advisory and settlement costs or other extraordinary items that are determined in the discretion of the Board's Compensation Committee. The

maximum percentages of base salary that plan participants are eligible to receive have not changed under the modified version of the plan; however, given that the measurement period for the 2014 Cash Incentive Compensation Plan will be the three remaining quarters of 2014 (i.e., the second, third, and fourth quarters), participants in the plan will only be eligible to receive up to a maximum of 75% of their potential award.
