All the reports and other documents we subsequently file pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act after the date of this registration statement and before the filing of a post-effective amendment which indicates that all of the shares of common stock offered have been sold or which deregisters all shares of the common stock then remaining unsold shall be deemed to be incorporated by reference in and a part of this registration statement from the date of filing of the documents.

Any statement contained in a document incorporated, or deemed to be incorporated, by reference in this registration statement shall be deemed to be modified or superseded for purposes of this registration statement to the extent that a statement contained in this registration statement or incorporated by reference or in any other subsequently filed document that also is or is deemed to be incorporated by reference modifies or supersedes the statement. Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Colorado Business Corporation Act permits a corporation organized under it to indemnify its directors, officers, employees, and agents for various acts. Our bylaws provide that we will indemnify any our directors, officers, employees or agents to the maximum extent provided by law.

The Colorado Business Corporation Act would permit us to indemnify any officer, director, employee, or agent against expenses, fines, penalties, settlements, or judgments arising in connection with a legal proceeding to which such person was a party because of such person's status as an officer, director, employee, or agent of ours, to the extent that such person's actions were in good faith, were believed to be in our best interest, and were not unlawful. Therefore, if we cannot show that an officer, director, employee, or agent who incurred liability as a result of such person's position as such did not act in good faith or in the belief that his or her actions were in our best interests, not opposed to our best interests, or not unlawful, we would be required to indemnify such person. Furthermore, indemnification would be mandatory with respect to a director or officer who was wholly successful in defense of a proceeding.

The circumstances under which indemnification is granted in connection with an action brought on our behalf are generally the same as those mentioned above. However, with respect to actions against directors, indemnification is granted only with respect to reasonable expenses actually incurred in connection with the defense or settlement of the action. In these actions, the person to be indemnified must have acted in good faith and in a manner the person reasonably believed was in our best interest; the person must not have been adjudged liable to us; and the person must not have received an improper personal benefit.

Indemnification may also be granted under the terms of agreements that may be entered into in the future according to a vote of shareholders or directors. In addition, we purchase and maintain insurance that protects our officers and directors against any liabilities incurred in connection with their services in these positions.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The following is a list of all exhibits filed as part of this registration statement or, as noted, incorporated by reference into this registration statement:

Item 9. Undertakings.

We hereby undertake:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.
- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers, and controlling persons of the company pursuant to the foregoing provisions, or otherwise, we have been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by us of expenses incurred or paid by a director, officer, or controlling person of the company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, we will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
