ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On September 1, 2005, USA Truck, Inc. (the Company), Bank of America, N.A., as Administrative Agent, SunTrust Bank, as Documentation Agent, and the other lenders named therein entered into an Amended and Restated Credit Agreement (the Restated Facility), which restates in its entirety and makes certain amendments to our existing senior credit facility dated as of April 28, 2000, as previously amended through March 10, 2005 (the Existing Credit Agreement). The Restated Facility amended the Existing Credit Agreement to, among other things, increase the maximum borrowing amount to \$100 million, including up to \$25 million of letters of credit, extend the maturity date to September 1, 2010, provide for reduced facility fees, letter of credit fees and applicable interest margins. Reference is made to the Restated Facility, which is filed with this report as Exhibit 10.1, for the detailed terms and provisions of the facility.

The Restated Facility is collateralized by accounts receivable, eligible encumbered equipment and eligible unencumbered equipment. The Restated Facility provides an accordion feature allowing us to borrow up to an additional \$75 million in the aggregate in one or more increases no less than six (6) months prior to the maturity date, subject to certain conditions. The maximum borrowing may not exceed \$175 million without the consent of the lenders named therein.

As of September 1, 2005, we had approximately \$20.6 million outstanding under the Restated Facility, including letters of credit of \$1.7 million, which represents amounts carried forward from the Existing Credit Agreement. At that date, approximately \$79.4 million remained available for additional borrowings under the Restated Facility. We intend to use borrowings under the Restated Facility, together with cash flows from operations and other sources of financing, to purchase tractors and trailers and for general working capital purposes.

Other than the relationships established by the Restated Facility and routine commercial banking services, we and our affiliates have no material relationships with the agent bank or any participating bank. Jerry Orlor, President of the Company, is an advisory director of the Fort Smith, Arkansas branch of BancorpSouth. Joe Powers, a director of the Company, serves as Chairman of the Advisory Board of the Fort Smith, Arkansas branch of Regions Bank.

ITEM 2.03 CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information required by this item is included in Item 1.01 and incorporated by reference herein. The amount of the direct financial obligations described above as of September 1, 2005, represent amounts that were outstanding under the Existing Credit Agreement at that date and carried forward under the Restated Facility, and not new indebtedness incurred by us on that date.
