INFORMATION STATEMENT  
PURSUANT TO SECTION 14F OF THE  
SECURITIES EXCHANGE ACT OF 1934  
AND RULE 14F-1 THEREUNDER**

**HEALTHSPORT, INC. IS NOT SOLICITING PROXIES IN CONNECTION WITH THE MATTERS DESCRIBED IN THIS INFORMATION STATEMENT, AND NO VOTE OR OTHER ACTION BY HEALTHSPORT, INC. S STOCKHOLDERS IS REQUIRED TO BE TAKEN IN CONNECTION WITH THIS INFORMATION STATEMENT.**

This Information Statement is being furnished to the holders of record on November 12, 2009 of the outstanding shares of common stock, \$0.0001 par value ( **Common Stock** ), of HealthSport, Inc., a Delaware corporation ( **we** , **us** , or the **Company** ), in connection with the designation by Supplemental Manufacturing & Ingredients, LLC, an Arizona limited liability company ( **SMI** ), of a majority of the members of the board of directors of the Company, pursuant to the terms of a Stock Purchase Agreement dated November 6, 2009 (the **Stock Purchase Agreement** ) by and among the Company and SMI. This Information Statement is being provided solely for informational purposes and not in connection with a vote of the Company s stockholders.

The Stock Purchase Agreement (which is described in more detail below) provides that we shall take all necessary action to:

secure the resignation of three of the existing members of our board of directors;

increase the size of our board of directors from six directors to seven directors; and

appoint four individuals designated by SMI to serve as directors of a seven member board of directors of the Company.

The appointment of SMI s designees will take place at the closing of the transactions contemplated by the Stock Purchase Agreement and no sooner than 10 days following the filing of this Information Statement with the Securities and Exchange Commission and its mailing to our holders of record.

This Information Statement is being furnished pursuant to Section 14(f) of the Securities Exchange Act of 1934, as amended (the **Exchange Act** ), and Rule 14f-1 promulgated thereunder. The information contained in this Information Statement concerning SMI and the SMI designees has been furnished to the Company by SMI, and we assume no responsibility for the accuracy or completeness of any such information.

**Change in Control Transaction**

The Stock Purchase Agreement provides that we will issue to SMI 66,666,667 shares (the **Shares** ) of our common stock in exchange for cash and a promissory note representing an aggregate value of \$10,000,000 (the **SMI Financing** ). At the time of closing of the transactions contemplated by the Stock Purchase Agreement (the **Closing** ) and in accordance

with the terms of the Stock Purchase Agreement, SMI will pay to the Company \$2,000,000 and will issue a promissory note (the **Promissory Note** ) to the Company in the amount of \$8,000,000. The promissory Note will be payable in five installments as follows:

\$500,000 on or before November 15, 2009;

\$400,000 on or before December 31, 2009;

\$1,650,000 on or before February 28, 2010;

\$2,500,000 on or before April 30, 2010; and

\$2,950,000 on or before June 30, 2010.

The Promissory Note will mature on June 30, 2010 and will accrue interest at the rate of 4% per annum. We will issue and deliver 13,333,333 shares of our common stock to SMI at the time of closing. We will issue certificates for the remaining 53,333,334 shares of our common stock in the name of SMI; however, the 53,333,334 shares will be held by a third party escrow agent pursuant to an escrow agreement and a pledge agreement (the **Pledge Agreement** ). The 53,333,334 shares will be delivered to SMI as SMI makes the scheduled installment payments pursuant to the Promissory Note.

The sale of the Shares to SMI represents a transfer of a majority of the outstanding common stock and voting control of the Company. As of November 17, 2009, which is prior to the Closing, the Company had 56,441,051 shares of common stock issued and outstanding. Following the Closing, the Company will have a total of 123,107,718 shares of common stock issued and outstanding. SMI will own approximately 55% of the issued and outstanding shares of the Company's common stock after the Closing. The stockholders of the Company immediately prior to the Closing will own approximately 45% of the shares of the Company's issued and outstanding common stock immediately after the closing. SMI secured the funds to purchase the Shares, and consequently control of the Company, from a combination of working capital and investment capital.

The Pledge Agreement permits our board of directors to vote the pledged shares while such shares are being held in escrow pursuant to the Pledge Agreement. The proxy granted by SMI under the Pledge Agreement shall be irrevocable and continue with respect to any shares so long as they remain subject to the Pledge Agreement. SMI will therefore own a majority of our common stock and will appoint a majority of our board of directors.

In addition to the issuance of the Shares, the Stock Purchase Agreement provides for the issuance of additional shares of common stock in the following circumstances:

1. *Exercise or Conversion of Outstanding Convertible Securities.* If at any time after the Closing, but prior to June 30, 2011, the Shares (plus any other shares of common stock issued to SMI pursuant to the following paragraph) equal less than 55% of the Deemed Outstanding (as defined below), then, provided that all amounts then currently due under the Promissory Note have been paid in full and the Promissory Note is not otherwise in default, the Company is required to issue to SMI, without additional consideration, such number of additional shares of common stock such that the Shares together with the shares issued pursuant to this paragraph and the following paragraph (collectively, the **Supplemental Shares** ) shall equal 55% of the Deemed Outstanding. For purposes of this paragraph, the Deemed

Outstanding as of any particular date shall mean the shares of the Company's common stock then issued and outstanding, excluding all shares of common stock issued after the Closing other than (a) the Supplemental Shares and (b) issuances of common stock resulting from the exercise or conversion of options, warrants or other derivative securities (whether debt or equity) that were either (x) outstanding as of the Closing or (y) reserved for issuance, as of the Closing, under any stock option plan, restricted stock plan, or other stock plan.

2. *Undisclosed Liabilities.* In the event the Company has failed to disclose certain liabilities (which undisclosed liabilities must exceed \$100,000 individually and \$300,000 in the aggregate) in connection with the SMI Financing, the Company shall be required to issue to SMI, without additional consideration, such number of Supplemental Shares as is equal to 55% of the total amount of those undisclosed liabilities. For purposes of this paragraph, certain pending lawsuits against the Company are deemed to be undisclosed and the fees, costs and other amounts paid by the Company as a result of such lawsuits shall require the issuance of additional shares hereunder provided the dollar thresholds referenced above have been met.

3. *Other Dilutive Issuances.* If on June 30, 2010, the Shares plus any Supplemental Shares equal less than 55% of the Company's common stock issued and outstanding as of June 30, 2010, then, provided the Promissory Note has been paid in full, SMI shall have the right and option to purchase such number of additional shares of common stock (the **Option Shares**) such that the Shares together with all Supplemental Shares and the Option Shares shall equal 55% of the Company's common stock issued and outstanding as of June 30, 2010. The purchase price for the Option Shares shall be \$.15 per share (as adjusted for stock splits, stock dividends and recapitalizations). The right to purchase Option Shares hereunder shall expire on August 31, 2010.

The Stock Purchase Agreement contains representations and warranties of the Company and SMI relating to, among other things, (a) proper corporate organization, (b) due authorization of the SMI Financing, (c) valid issuance of the Shares, (d) accuracy of the Company's SEC filings, (e) the capital structure of the Company, (f) SMI's accredited investor status, (g) SMI's opportunity to conduct its own investigation of the Company, and (h) restrictions on transfer of the Shares.

We anticipate that the Closing will occur within approximately 15 to 20 days from the date of the Stock Purchase Agreement. However, there are certain conditions to the closing of the transactions contemplated by the SMI Financing, including (a) the Company shall have issued this information statement on Schedule 14f-1 to its registered stockholders and that a minimum of ten days shall have passed from the date of such mailing, (b) the accuracy of representations and warranties, (c) the performance of all obligations and covenants, (d) the absence of any threatened legal proceeding against the Company or SMI challenging the SMI Financing and (e) the delivery of the Shares, Promissory Note, Pledge Agreement and such other documents as the parties may reasonably require. No assurances can be given that these conditions will be met or that the SMI Financing transaction will close.

The Stock Purchase Agreement, and the SMI Financing, may be terminated: (a) by mutual consent, (b) by either party if the Closing does not occur by November 30, 2009, or

(c) upon a breach of a representation or warranty by the other party which is not cured within ten days after written notice is provided.

**Voting Securities**

The Company's Common Stock is the only class of equity security that is currently outstanding and entitled to vote at a meeting of the Company's stockholders. Each share of Common Stock entitles the holder thereof to one vote. As of November 17, 2009, there were 56,441,051 shares of the Company's Common Stock outstanding.
