**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers**

At the annual meeting of stockholders, on May 20, 2010, the stockholders of The Williams Companies, Inc. (the Company ) approved the amendment and restatement of The Williams Companies, Inc. 2007 Incentive Plan (the Plan ), which previously had been approved by the Company s Board of Directors subject to stockholder approval. The Plan permits grants of stock options including incentive stock options, stock appreciation rights, performance shares, performance units, restricted stock, restricted stock units, other stock-based awards, and non-equity incentive awards (collectively, Awards ). The Company s Board of Directors, the Compensation Committee of the Board of Directors, and/or a committee consisting of the CEO (if he/she is also a member of the Board of Directors), as applicable, have the authority to determine the type of Award as well as the amount, terms and conditions of each Award under the Plan, subject to the limitations and other provisions of the Plan.

The Plan is intended to allow selected employees and officers to acquire or increase equity ownership, thereby strengthening their commitment to the Company s success and stimulating their efforts on the Company s behalf, and to assist the Company in attracting new employees and officers and retaining existing employees and officers. The Plan is also intended to provide annual cash incentive compensation opportunities to designated executives that are competitive with those of other major corporations, to optimize the profitability and growth through incentives which are consistent with the Company s goals, to provide grantees with an incentive for excellence in individual performance to promote teamwork among employees, officers, and non-management directors, and to attract and retain highly qualified persons to serve as non-management directors and to promote ownership by such non-management directors of a greater proprietary interest, thereby aligning such non-management directors interests more closely with the interests of the stockholders of the Company.

A total of thirty million shares of the Company s common stock are authorized for the granting of Awards under the Plan. The number of shares available for Awards, as well as the terms of outstanding Awards, are subject to adjustment as provided in the Plan for stock splits, stock dividends, recapitalizations and other similar events. The Plan will expire on May 17, 2017. The Board may from time to time, amend, alter, suspend, discontinue or terminate the Plan, subject, in certain circumstances, to stockholder approval.

The above description of the Plan is not intended to be complete and is qualified in its entirety by the specific language in the Plan, a copy of which is filed as Exhibit 99.1 to this Current Report on Form 8-K and incorporated herein by reference. In addition, a more detailed summary of the Plan can be found in the Company s Definitive Proxy Statement on Schedule 14A which was filed with the Securities and Exchange Commission on April 8, 2010 (the Proxy Statement ).
