Item 1.01. Entry into a Material Definitive Agreement.

On November 9, 2010, Western Gas Partners, LP (the Partnership), together with its general partner, entered into an Underwriting Agreement (the Underwriting Agreement) with Morgan Stanley & Co. Incorporated, Barclays Capital Inc., Citigroup Global Markets Inc., Deutsche Bank Securities Inc., UBS Securities LLC and Wells Fargo Securities, LLC, as representatives of the several underwriters, relating to the public offering of 7,500,000 common units representing limited partnership interests in the Partnership at the public offering price less underwriting discounts and commissions. Pursuant to the Underwriting Agreement, the Partnership has also granted the underwriters a 30-day option to purchase up to an additional 1,125,000 common units at the same price.

The transaction under the Underwriting Agreement is expected to close on November 15, 2010, subject to customary closing conditions. The net proceeds from the sale of the common units sold pursuant to the Underwriting Agreement (assuming no exercise of the underwriters—option to purchase additional common units) are expected to be approximately \$219.8 million (including the proportionate capital contribution by the Partnership—s general partner and after deducting underwriting discounts and commissions and estimated expenses).

The offering was made pursuant to the Partnership s shelf registration statement on Form S-3 (File No. 333-160000), which became effective on August 17, 2009.

The Underwriting Agreement contains customary representations, warranties and agreements by the Partnership, and customary conditions to closing, indemnification obligations of the Partnership and the underwriters, including for liabilities under the Securities Act of 1933, other obligations of the parties and termination provisions. The foregoing description of the Underwriting Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 hereto and incorporated by reference herein.

Relationships

From time to time, certain of the underwriters and their related entities have engaged, and may in the future engage, in commercial and investment banking transactions with the Partnership in the ordinary course of their business. They have received, and expect to receive, customary compensation and expense reimbursement for these commercial and investment banking transactions.
