Independent Auditors Report

The Manager

The Westin Gaslamp Quarter, San Diego:

We have audited the accompanying balance sheets of the Westin Gaslamp Quarter, San Diego Hotel (the Hotel) as of December 31, 2010 and 2009, and the related statements of operations, owner's equity in Hotel, and cash flows for the years then ended. These financial statements are the responsibility of the Hotel's management. Our responsibility is to express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America.

Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hotel's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Westin Gaslamp Quarter, San Diego Hotel as of December 31, 2010 and 2009, and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

WESTIN GASLAMP QUARTER, SAN DIEGO HOTEL

Notes to Financial Statements

December 31, 2010 and 2009

(1) Description of Business

The Westin Gaslamp Quarter, San Diego Hotel (the Hotel), is a full service 450-room hotel located at 910 Broadway Circle, San Diego, California. The Hotel is owned by Starwood CMBS I, LLC (CMBS I), a Delaware limited liability company.

The accompanying financial statements are presented in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the accompanying notes. Such estimates and assumptions could change in the future as more information becomes known, which could impact the amounts reported and disclosed herein. Actual results could differ from those estimates.

On March 22, 2011, Pebblebrook Hotel Trust (Pebblebrook) executed a purchase and sale agreement to acquire the Hotel for cash consideration of approximately \$110 million. In addition, the Hotel is currently undergoing a renovation project. Pebblebrook expects to reimburse the seller for approximately \$13 million in renovation costs paid by seller. Total aggregate purchase consideration is expected to be approximately \$123 million. The transaction is expected to close in April 2011.

The Hotel is managed by an affiliate of CMBS I. No intercompany management agreement is in place and no management fees have been charged to the Hotel.

(2) Summary of Accounting Policies

(a) Cash and Cash Equivalents

The Hotel considers all liquid temporary cash investments with maturities of three months or less at the date of purchase to be cash and cash equivalents.

(b) Property and Equipment

Building and improvements, fixtures, furniture, and equipment are stated at cost. The cost of additions, alterations, and improvements is capitalized. Expenditures for repairs and maintenance are expensed as incurred.

Depreciation and amortization are computed on the straight-line basis over the following estimated useful lives:

Building and improvements	5	40
	years	
Furniture, fixtures and equipment	3	10
	years	

(c) Revenue Recognition

Hotel revenues are recognized when the services are provided. Revenues consist of room sales, food and beverage sales, and other department revenues such as telephone and gift shop.

(d) Accounts Receivable

Accounts receivable, which primarily represent amounts due from Hotel guests, are presented net of allowances, which were not material at December 31, 2010 or 2009.

WESTIN GASLAMP QUARTER, SAN DIEGO HOTEL

Notes to Financial Statements

December 31, 2010 and 2009

(e) *Impairment of Long-Lived Assets*

The Hotel evaluates its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the asset exceeds the fair value of the asset. No impairment losses were recognized in either period presented.

(f) *Marketing and Advertising Expenses*

Marketing and advertising costs are expensed as incurred. The Hotel incurred marketing and advertising costs of \$2,393,901 and \$2,066,652 for the years ended December 31, 2010 and 2009, respectively.

(g) *Income Taxes*

The Hotel is not directly subject to federal, state or local income taxes. However the owner of the Hotel is a limited liability company and may be subject to certain income taxes and the members of the limited liability company are responsible for reporting their share of taxable income or loss on their respective income tax returns.

(3) *Subsequent Events*

The Hotel has evaluated the need for disclosures and/or adjustments resulting from subsequent events through March 31, 2011, the date the financial statements were available to be issued. See note 1 for disclosure.
