# Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form DEF 14A

TO BE HELD ON TUESDAY, APRIL 24, 2001

The Board of Directors of First Community Bancshares, Inc. (the "Corporation") solicits the enclosed proxy for use at the Annual Meeting of Stockholders of First Community Bancshares, Inc., which will be held on Tuesday, April 24, 2001 at 2:30 p.m. local time at Fincastle Country Club, Double Gates, Bluefield, Virginia, and at any adjournment thereof.

The expenses of the solicitation of the proxies for the meeting, including the cost of preparing, assembling and mailing the notice, proxy statement and return envelopes, the handling and tabulation of proxies received, and charges of brokerage houses and other institutions, nominees or fiduciaries for forwarding such documents to beneficial owners, will be paid by the Corporation. In addition to the mailing of the proxy material, solicitation may be made in person, by telephone or by other means by officers, directors or regular employees of the Corporation.

This Proxy Statement and the proxies solicited hereby are being first sent or delivered to stockholders of the Corporation on or about March 24, 2001.

## VOTING

Shares of Common Stock (par value \$1 per share) represented by proxies in the accompanying form, which are properly executed and returned to the Corporation, will be voted at the Annual Meeting in accordance with the stockholder's instructions contained therein. In the absence of contrary instructions, shares represented by such proxies will be voted FOR the election of the nominees as described herein under "Election of Directors," FOR removal of James L. Harrison, Sr. as a Director and FOR ratification of the selection of Ernst & Young as independent public auditors for the year ended December 31, 2001. Any stockholder has the power to revoke his proxy at any time before it is voted.

The Board of Directors has fixed March 9, 2001 as the record date for stockholders entitled to notice of and to vote at the Annual Meeting. Shares of Common Stock outstanding on the record date are entitled to be voted at the Annual Meeting and the holders of record will have one vote for each share so held in the matters to be voted upon by the stockholders. There are no cumulative voting rights.

Directors are elected by a plurality of votes present in person or by proxy and entitled to vote, assuming a quorum is present. All other matters coming before the meeting will be determined by majority vote of those present in person or by proxy and entitled to vote. Abstentions and broker non-votes for shares represented at the meeting thus have no direct effect on the election of directors but have the effect of negative votes on other matters to be considered.

As of the close of business on March 9, 2001, the outstanding shares of the Corporation consisted of 9,051,335 shares of Common Stock.

### TRANSACTIONS WITH DIRECTORS AND OFFICERS

Some of the directors and officers of the Corporation and members of their immediate families are at present, as in the past, customers of the Corporation's subsidiary bank, and have had and expect to have transactions with the bank. In addition, some of the directors and officers of the Corporation are, as in the past, also officers of or partners in entities that are customers of the bank and have had and expect to have transactions with the bank. Such transactions were made in the ordinary course of business, were made on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with other persons, and did not involve more than normal risk of collectibility or present other unfavorable features.

Two of the directors, Messrs. Harrison and Stafford, II, are members of professional firms which provide accounting, legal and/or other services on a fee basis to the Company. Mr. Harrison is a practicing CPA with Brown, Edwards & Company, a regional accounting firm. Brown, Edwards & Company performs limited scope audit services and provides accounting and advisory services to the Company. The Company paid \$60,350 for these professional services in the year 2000.

Mr. Stafford, II is a practicing attorney with Brewster, Morhous & Cameron, a Bluefield, WV law firm which provides general legal services to the Company. The Company paid \$79,564 for these professional services in the year 2000.

REPORT ON EXECUTIVE COMPENSATION

The Board of Directors maintains a Compensation Committee (the "Committee") whose role is the establishment and management of employment terms and the form and levels of compensation paid to the President and Chief Executive Officer ("CEO"). The CEO manages compensation of other executive officers named in the Compensation Table.

## Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form DEF 14A

It is the responsibility of the Compensation Committee to develop proposed contractual terms of employment and establish a framework for a competitive compensation package for the CEO and other senior executives that adequately rewards performance and provides incentives for retention. In carrying out its responsibilities, the Compensation Committee considers: i) the need to retain competent and effective management personnel; ii) competitive terms and levels of compensation relative to other companies of comparable size and operation within the commercial banking industry; iii) past performance of the CEO as measured against predetermined goals and objectives; iv) comparative performance of the CEO as benchmarked against peer groups of comparable commercial banks; and v) the achievement of overall corporate goals.

The Committee establishes current compensation based primarily on review of competitive salary practices by similarly sized banking organizations locally and nationally giving appropriate weight to regional differences in cost of living and contrasting relative performance of the Company and the designated peer group. In performing this analysis, the Committee utilized the Sheshunoff Executive Compensation Survey as well as compensation data from other specifically identified banking peers.

In 2000, with a change in senior management, the Committee reviewed the employment contract of the President and Chief Executive Officer. Based on that review and upon the Committee's recommendation to the Board of Directors, a new employment contract ("contract") was adopted for the President and Chief Executive Officer. The new three-year contract contains similar terms of employment and provides for salary continuation for a period of 35 months in the event of termination within three years of a change in control of ownership. The contract also provides for salary continuation for a period of 30 months in the event of termination without cause, absent a change in control of ownership.

The Committee recommended to the Board of Directors a two-tiered incentive compensation strategy for the President and Chief Executive Officer based upon the Company meeting specific financial benchmarks and an additional discretionary incentive based upon both the financial and non-financial performance of company.

This report shall not be deemed to be incorporated by reference into any filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, unless First Community Bancshares, Inc. specifically incorporates this report by reference. It will not otherwise be filed under such Acts.

### REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee is composed of independent directors, and acts under a written charter adopted and approved by the Board of Directors. Each of the members of the Audit Committee is independent as defined by Corporation policy and by the listing standards of the National Association of Securities Dealers. A copy of the Audit Committee Charter is attached to this proxy statement as Appendix A.

The responsibilities of the Audit Committee include recommending to the Board an accounting firm to be engaged as the Corporation's independent auditors. Additionally, and as appropriate, the Audit Committee reviews and

## Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form DEF 14A

evaluates, and discusses and consults with management, internal audit personnel and the independent auditors regarding, the following:

- the plan for, and independent auditors' report on, each audit of the Corporation's financial statements
- the Corporation's financial disclosure documents, including all financial statements and reports sent to shareholders
- changes in the Corporation's accounting practices, principles, controls or methodologies, or in its financial statements
- significant developments in accounting rules
- the adequacy of the Corporation's internal accounting controls, and accounting, financial and auditing personnel
- the establishment and maintenance of an environment at the Corporation that promotes ethical behavior

This year the Audit Committee revised its Audit Committee Charter, incorporating the new standards set forth in Securities Exchange Commission regulations and the listing standards of the National Association of Securities Dealers. After appropriate review and discussion, the Audit Committee determined that the Committee fulfilled its responsibilities under the Audit Committee Charter.

The Audit Committee is responsible for recommending to the Board that the Corporation's financial statements be included in its annual report. The Committee took a number of steps in making this recommendation and held six meetings during fiscal year 2000. First, the Audit Committee discussed with its independent public auditors those matters the accountant communicated to and discussed with the Audit Committee under applicable auditing standards, including information regarding the scope and results of the audit. These communications and discussions are intended to assist the Audit Committee in overseeing the financial reporting and disclosure process. Second, the Audit Committee discussed the accountant's independence with that firm and received a letter from the accountant concerning independence as required under applicable independence standards for auditors of public companies. This discussion and disclosure informed the Audit Committee of the auditors' independence, and assisted the Audit Committee in evaluating such independence. Finally, the Audit Committee reviewed and discussed, with the Corporation management and the accounting firm, the Corporation's audited consolidated balance sheet at December 31, 2000 and consolidated statement of income, cash flows and stockholders' equity for the year then ended. Based on discussions with the auditors concerning the audit, the independence discussions, and the financial statement review, and such other matters deemed relevant and appropriate by the Audit Committee, the Audit Committee recommended to the Board (and the Board approved) that these financial statements be included in the Corporation's 2000 Annual Report on Form 10-K filed with the Securities and Exchange Commission.

STOCK OPTIONS

In 1999, the Company instituted a Stock Option Plan to encourage and facilitate investment in the common stock of the Company by key executives and to assist in the long-term retention of service by those executives. The Plan covers key executives as determined by the Company's Board of Directors from time to time. Options under the Plan were granted in the form of non-statutory stock options with the aggregate number of shares of common stock available for grant under the Plan set at 275,000 shares. Total options currently available under the Plan at December 31, 2000 represent the rights to acquire 191,932 shares with deemed grant dates of January 1st for each year 1999 through 2003 resulting in the deemed grant of 38,387 shares in each year of the five-year deemed grant period. All stock options granted pursuant to the Plan vest ratably on the first through the seventh anniversary dates of the deemed grant date. The option price of each stock option is equal to the fair market value of the Company's common stock on the date of each deemed grant during the five-year grant period. Vested stock options granted pursuant to the Plan are exercisable for a period of five years after the date of the grantee's retirement (provided retirement occurs at or after age 62), disability, or death. If employment is terminated other than by retirement at or after age 62, disability, or death, vested options must be exercised within 90 days after the effective date of termination. Any option not exercised within such period will be deemed cancelled.

In the event of a change of control or upon dissolution of the corporation, the stock options granted under the Plan continue to vest and are exercisable in accordance with the terms of the original grant. Change of control provisions further provide that any optionee who is terminated without cause by the corporation, its successor or affiliate during the 12 months preceding, or at any time following a change of control, and any participant who remains employed by the corporation or any affiliate during the 90-day period following a change of control and thereafter resigns, shall continue to receive grants on the deemed grant dates and vest as if the optionee continued to be employed, and optionee, or his estate, shall be entitled to exercise such options within five years after death or attainment of age 62, whichever first occurs.

entered into Life Insurance Endorsement Method Split Dollar Agreements (the "Agreements") with the executives covered under the Retention Plan. Under the Agreements, the Company shares 80% of death benefits (after recovery of cash surrender value) with the designated beneficiaries of the executives under life insurance contracts referenced in the Retention Plan. The Company as owner of the policies retains a 20% interest in life proceeds and a 100% interest in the cash surrender value of the policies.

The Retention Plan also contains provisions for change of control, as defined, which allow the executives to retain benefits under the Plan in the event of a termination of service, other than for cause, during the twelve months prior to a change in control or anytime thereafter, unless the executive voluntarily terminates his employment within 90 days following the change in control.

Because the Retention Plan was designed to retain the future services of key executives, no benefits are payable under the Plan in the event of voluntary or involuntary termination prior to retirement age of 62.

### EMPLOYEE STOCK OWNERSHIP PLAN

The individuals listed in the Summary Compensation Table are covered under an Employee Stock Ownership and Savings Plan ("ESOP"). Contributions under the ESOP feature are made annually at the discretion of the Board of Directors. Allocations of those contributions to participants' accounts are made on the basis of relative W-2 compensation (up to \$170,000). Allocations to the accounts of the individuals named in the Summary Compensation Table for the 2000 year were: Buzzo -- \$13,225; Lilly -- \$12,364; Mendez -- \$17,000; Schumacher -- \$11,958.

### SAVINGS PLAN

The Plan also provides a 401(k) Savings feature and matches employee contributions at the rate of 25% up to 6% of compensation. Matching contributions for 2000 for the covered persons listed in the Summary Compensation Table were as follows: Buzzo -- \$1,340; Lilly -- \$1,261; Mendez -- \$2,323; and Schumacher -- \$1,214.

### WRAP PLAN

The Corporation maintains a non-qualified Supplemental 401(k) Plan ("Plan") for the purpose of providing deferred compensation which cannot be accumulated under the Basic Plan provisions above because of deferral and covered compensation limitations on tax-qualified pension plan benefits. The Company makes a non-qualified matching credit on employee contributions at the rate of 25% up to 6% of compensation under the 401(k) feature of the basic plan and also makes contributions in lieu of basic plan ESOP contributions for compensation in excess of the \$170,000 compensation limit. Contributions under this Plan in 2000 for the covered persons listed in the Summary Compensation Table were as follows: Buzzo -- \$641; Lilly -- \$604; Mendez -- \$1,262; and Schumacher -- \$581.

## 2. REMOVAL OF DIRECTOR

In June of 2000, James L. Harrison, Sr. was terminated as President and Chief Executive Officer of the Corporation, President and Director of First Community Bank, N.A., a subsidiary of the Corporation, and Director of United First Mortgage, Inc., a subsidiary of the bank. Termination from these positions

## Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form DEF 14A

followed an employee complaint and an investigation which established to the satisfaction of the Board of Directors of the Corporation that serious violations of personnel policies of the Corporation and the bank had occurred.

Corporate law generally requires a vote of the stockholders to remove a director, and the Articles of Incorporation of the Corporation further provide that a director of the Corporation can only be removed for cause relating to the performance of his duties as a director. The removal of Mr. Harrison as director of the bank and the mortgage company was possible because the Corporation is the sole shareholder of the bank, and the bank is the sole shareholder of the mortgage company. However, the Corporation's board of directors does not have the authority under applicable law to remove Mr. Harrison as a director of the Corporation, even if such cause exists.

The chairman of the Corporation's board of directors requested Mr. Harrison's resignation from the Corporation's board, but he declined to honor this request. Accordingly, the Executive Committee of the Board of Directors is asking the stockholders to accomplish this result at a meeting of the Corporation duly called for such purpose. The Committee has unanimously concluded, after consultation with counsel and extensive discussion, that the conduct which led to Mr. Harrison's dismissal reflects on his performance as a director and constitutes due cause for removal, and that it is inappropriate for a former employee terminated under these circumstances to continue service in such a critical position as director of the Corporation.

Because applicable law requires that removal be accomplished by the affirmative vote of the holders of more than two-thirds of the outstanding common stock of the Corporation, your vote is especially important. If you do not return your proxy, this has the effect of a vote against removal.

THE BOARD OF DIRECTORS OF THE CORPORATION UNANIMOUSLY (WITH THE EXCEPTION OF MR. HARRISON) SUPPORTS THIS REQUEST, AND ASKS THAT YOU VOTE IN FAVOR OF REMOVAL.

### 3. RATIFICATION OF THE SELECTION OF INDEPENDENT AUDITORS

Pursuant to the Bylaws of the Corporation, stockholders will be asked to ratify the selection of Ernst & Young, Charleston, West Virginia, as independent auditors of the Corporation and its subsidiaries for the fiscal year ended December 31, 2001. Ernst & Young served as independent auditors for the Corporation for the fiscal year ended December 31, 2000. The firm Deloitte & Touche previously served as independent auditors and examined the financial statements of the Corporation and its subsidiaries from 1985 through 1999. The Audit Committee of the Board of Directors recommended to the Board of Directors a change in the independent auditors for 2000 based upon proposals received in January 2000. Ernst & Young was selected as a qualified national firm based upon its qualifications, proposed staffing, estimated fees and its proximity to the Company's operations from its Charleston, West Virginia office. Ernst & Young has no relationship with the Corporation or its subsidiaries except in its capacity as proposed Independent Auditor. In connection with its audit of the Corporation's financial statements for the year ended December 31, 2001, Ernst & Young will review the Corporation's annual reports to stockholders and its filings with the Securities and Exchange Commission and will conduct reviews of quarterly reports to stockholders.

The Audit Committee of the Board of Directors has recommended to the Board of Directors that Ernst & Young be appointed as independent auditors for the year ended December 31, 2001. The Board of Directors has made that appointment and recommends that the stockholders ratify the selection of Ernst & Young as independent auditors for the ensuing year.

## Edgar Filing: FIRST COMMUNITY BANCSHARES INC /NV/ - Form DEF 14A

A representative of Ernst & Young is expected to be present at the meeting. Inquiries or questions of Ernst & Young may be directed to Mr. Paul Arbogast, Managing Partner, Ernst & Young, 900 United Center, Charleston, West Virginia 25301, (304) 343-8971.

### INDEPENDENT AUDITOR FEES

Fees for the last annual audit which included services in conjunction with the required quarterly and annual reporting to both shareholders and the Securities Exchange Commission were \$85,000. All other fees were \$69,500, including audit related services of \$34,500 for tax planning assistance and the review of a business combination completed in the fourth quarter of 2000, and fees of \$35,000 for non-audit services incurred in conjunction with the proposed creation of an additional loan subsidiary. Audit related services generally include fees for statutory audits, business acquisitions, accounting consultations, and SEC registration statements. The Company's Audit Committee has considered whether the provision of additional non-audit services by Ernst & Young is compatible with maintaining auditor independence.

### RESPONSIBILITIES AND PROCESSES

The primary responsibility of the Audit Committee is to safeguard the Company's assets and to oversee the financial integrity of the Company's accounting, auditing and reporting practices and such other duties as directed by the Board. The Committee is to report significant developments or issues to the Board of Directors. The Committee will report on its review of quarterly financial statements included in the filing of the Company's Quarterly Report on Form 10-Q and report on its review of the annual financial statements included in the filing of the Company's Annual Report on Form 10-K. The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate.

The Committee shall discuss with the auditors their independence from management and the Company and the matters included in the written disclosures

required by the Independence Standards Board. Annually, the Committee shall evaluate the work of the independent auditors and recommend to the Board the selection of the Company's independent auditors for the ensuing year, subject to stockholders' approval.

- The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits including the adequacy of staffing and compensation. Also, the Committee shall discuss with management, the internal auditors, and the independent auditors, the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk, and the legal and ethical compliance programs. Further, the Committee shall meet separately with the internal auditors and the independent auditors, with and without management present, to discuss the results of their examinations.
- The Committee shall review the interim financial statements with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The Chairman of the Committee may represent the entire Committee for the purposes of this review.
- The Committee shall review with management and the independent auditors the financial statements to be included in the Company's Annual Report on Form 10-K (or the annual report to stockholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the Committee shall discuss the results of the annual audit and all other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards, including the written disclosures and letter required by the Independence Standard Board Standard No. 1.
