PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

Our Board of Directors is soliciting proxies for our 2003 Annual Meeting of Stockholders (the Annual Meeting). This Proxy Statement contains important information for you to consider when deciding how to vote on the matters brought before the Annual Meeting. Please read it carefully.

This Proxy Statement, a Proxy Card and the 2003 Annual Report to Stockholders will be mailed to stockholders on or about May 30, 2003.

QUESTIONS AND ANSWERS

Q: What is the record date for the Annual Meeting and how many shares of our common stock were outstanding on or about the filing of this Proxy Statement?

A: Our Board of Directors set May 23, 2003 as the record date for the Annual Meeting. On April 30, 2003, the approximate date of filing of this Proxy Statement with the Securities and Exchange Commission, approximately 21,530,451 shares of our common stock were outstanding.

Q: Who is entitled to vote and how many votes do I have?

A: All stockholders who own shares of our common stock on May 23, 2003 are entitled to vote at the Annual Meeting. Every stockholder is entitled to one (1) vote for each share of common stock held.

Q: How do I vote?

A: You may vote in person by attending the Annual Meeting or by completing and returning your proxy by mail or electronically using the Internet. To vote your proxy by mail, mark your vote on the enclosed Proxy Card, then follow the directions on the Proxy Card. To vote your proxy using the Internet, see the instructions on the Proxy Card, and have the Proxy Card available when you access the Internet website. The home page will prompt you to enter your control number, then follow the instructions to record your vote. If you do not mark any selections, your shares will be voted as recommended by our Board of Directors. Whether you plan to attend the Annual Meeting or not, we encourage you to vote by proxy as soon as possible.

Q: Can I change my vote?

A: You can revoke your proxy before the time of voting at the Annual Meeting in several ways:

by mailing a revised proxy dated later than the prior proxy;

by voting again at the Internet website;

by voting in person at the Annual Meeting; or

by notifying our corporate secretary in writing that you are revoking your proxy.

Your revocation must be received before the Annual Meeting to be counted.

Q: What constitutes a quorum for the Annual Meeting?

A:

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEFR14A

At least a majority of the shares of our common stock outstanding as of the record date must be present at the Annual Meeting in person or by proxy in order to hold the Annual Meeting and conduct business. This is called a quorum. Your shares are counted as present at the Annual Meeting if you are either (i) present and vote in person at the Annual Meeting or (ii) have properly submitted a proxy via mail or Internet. Abstentions, broker non-votes and votes withheld from director nominees are considered as shares present at the Annual Meeting for the purposes of determining a quorum. A broker non-vote occurs when a broker or other nominee who holds shares for the owner of the shares does not vote on a particular proposal

because the nominee does not have discretionary voting authority for that proposal and has not received voting instructions from the owner of the shares.

Q: What is the voting requirement to approve each of the proposals?

A: For Proposal I, the two (2) individuals receiving the highest number of FOR votes will be elected. To pass, Proposal II requires the affirmative FOR vote of at least a majority of the shares of our common stock present at the Annual Meeting and entitled to vote.

Q: How are votes counted?

A: For Proposal I, the election of directors, you may vote FOR all of the nominees or you may elect to have your vote WITHHELD with respect to one or more of the nominees. Votes that are withheld will be excluded entirely and will have no effect in the election of directors. Similarly, if you hold your shares in a brokerage account in your broker's name (this is called street name) and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote in the election of directors, your shares will have no effect in the election of directors.

For Proposal II, the ratification of the appointment of the independent auditors, you may vote FOR, AGAINST or ABSTAIN. If you abstain from voting on Proposal II, it has the same effect as a vote against Proposal II. If you hold your shares in street name and you do not vote or instruct the broker how to vote the shares, or your broker does not have discretionary authority to vote, your shares will not be counted in the tally of the number of shares cast on Proposal II and therefore may have the effect of reducing the number of shares needed to approve Proposal II.

Finally, if you just sign your Proxy Card with no further instructions, your shares will be counted as a vote FOR each director nominee and FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the fiscal year ending December 31, 2003.

Q: Who is soliciting my vote and who pays for the solicitation of proxies?

A: This Proxy Statement is furnished in connection with the solicitation of your vote by our Board of Directors. We pay the costs of soliciting proxies from stockholders. We may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding the voting materials to the beneficial owners. Directors, officers and regular employees may solicit proxies on our behalf personally, by telephone or by facsimile, without additional compensation.

Q: How does the Board of Directors recommend voting on the proposals?

A: Our Board of Directors recommends that you vote your shares FOR each of the nominees to the Board of Directors and FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors for the current fiscal year ending December 31, 2003.

Q: When are the stockholder proposals for the 2004 Annual Meeting of Stockholders due?

A: We anticipate holding our 2004 Annual Meeting of Stockholders on or about May 15, 2004. Stockholder proposals for our 2004 Annual Meeting of Stockholders, whether intended for inclusion in the Proxy Statement for such meeting or for presentation directly at such meeting, must be received at our principal executive offices by the close of business on January 30, 2004. In addition, notice of any stockholder proposals must be given in accordance with our Bylaws and all other applicable requirements including the rules and regulations of the United States Securities and Exchange Commission. If a stockholder fails to give notice of a stockholder proposal as required by our Bylaws or other applicable requirements, then the proposal will not be included in the Proxy Statement for the 2004 Annual Meeting and the stockholder will not be permitted to present the proposal to the stockholders for a vote at the 2004 Annual Meeting.

Q: Where are Introgen's principal executive offices?

A: Our principal executive offices are located at 301 Congress Avenue, Suite 1850, Austin, Texas 78701. Our telephone number is (512) 708-9310.

RATIFICATION OF APPOINTMENT OF THE INDEPENDENT AUDITORS

The Board of Directors has appointed, subject to ratification by our stockholders, Ernst & Young LLP, as independent auditors, to audit our books, records and accounts for the current fiscal year ending December 31, 2003. Ernst & Young has audited our financial statements beginning with the year ended December 31, 2002.

Change of Auditors

On March 6, 2002, we dismissed Arthur Andersen LLP as our independent auditors, effective upon completion of Arthur Andersen LLP's services in connection with the filing of our Annual Report on Form 10-K for the six-month transition period ended December 31, 2001.

Arthur Andersen LLP's reports on our financial statements for each of the years ended June 30, 2000 and 2001 and for the six-month transition period ended December 31, 2001 did not contain an adverse opinion or a disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

The decision to change independent auditors was recommended by the Audit Committee of our Board of Directors and was approved by our Board of Directors.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Arthur Andersen LLP, would have caused it to make reference to the subject matter of the disagreement in connection with its report.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 20, 2002, Arthur Andersen LLP did not advise us of any reportable events as described in Item 304(a)(1)(v) of Regulation S-K under the Securities Act of 1933, as amended.

On March 6, 2002, we engaged, subject to stockholder approval, Ernst & Young LLP as our independent auditors for the year ending December 31, 2002. We received such stockholder approval on May 1, 2002.

During each of the two years ended June 30, 2000 and 2001, the six-month transition period ended December 31, 2001, and through March 6, 2002, we did not consult Ernst & Young LLP on any matters described in Items 304(a)(2)(i) or 304(a)(2)(ii) of Regulation S-K under the Securities Act of 1933 (as amended).

Audit Fees

Fees charged by Ernst & Young LLP for the audit of our annual financial statements for the fiscal year ended December 31, 2002, and for the review of the financial statements included in our quarterly reports on Form 10-Q were approximately \$70,485.

Financial Information Systems Design and Implementation Fees

Ernst & Young LLP did not render professional services relating to financial information systems design and implementation for the fiscal year ended December 31, 2002.

All Other Fees

Fees charged by Ernst & Young LLP for services other than those described above under **Audit Fees** provided for the fiscal year ended December 31, 2002, totaled approximately \$10,915, all of which was for tax return preparation and tax advisory services. Our Audit Committee has determined that the fees paid to Ernst & Young LLP for the tax return preparation and tax advisory services are compatible with maintaining Ernst & Young's independence. Each of the services rendered by Ernst & Young LLP was pre-approved by our Audit Committee.

A representative of Ernst & Young LLP is expected to be available at the Annual Meeting to make a statement if such representative desires to do so and to respond to appropriate questions.

The Board of Directors recommends that the stockholders vote FOR the ratification of the appointment of Ernst & Young LLP as our independent auditors. In the event of a negative vote on such ratification, the Board of Directors will reconsider its appointment of Ernst & Young LLP as our independent auditors.

We did not use an alternative formula for a grant date valuation, as we do not believe that any formula will determine with reasonable accuracy a present value based on future unknown or volatile factors.

Employment Contracts and Change-In-Control Arrangements

Edgar Filing: INTROGEN THERAPEUTICS INC - Form DEFR14A

We have an employment agreement with David G. Nance, under which he serves as our President and Chief Executive Officer. The agreement continues through July 31, 2003, and renews automatically for one-year terms until either party gives timely written notice of non-renewal. Mr. Nance's initial base salary under this agreement was \$275,000 per annum, which is subject to a 10% increase effective August 1 of each year. His base salary was raised to \$302,500 per annum effective August 1, 2000, to \$332,750 per annum effective August 1, 2001, to \$366,025 per annum effective August 1, 2002 and will be raised to \$402,628 effective August 1, 2003. Under this

agreement, Mr. Nance was granted an option to purchase 50,000 shares of our common stock upon the completion of our initial public offering in October 2000. This agreement provides that he is to be granted an option to purchase an additional 50,000 shares of our common stock on each August 1; accordingly, he was granted such an option on August 1, 2001, was granted an option to purchase an additional 60,000 shares of our common stock on August 1, 2002 and will be granted a similar option to purchase 60,000 shares of common stock on August 1, 2003. The Compensation Committee granted Mr. Nance the option to purchase 60,000 shares of our common stock on August 1, 2002, rather than an option to purchase 50,000 shares of common stock as required under his employment agreement, due to its decision to discontinue option grants to directors who are also employees of the company. Accordingly, the Compensation Committee granted the 60,000 options to Mr. Nance with the understanding that he will not receive options in his capacity as director. Such options are exercisable at a price determined by the administrator of our 2000 Stock Option Plan and are fully vested when granted.

All of the options granted under our 1995 Stock Plan and the 2000 Stock Option Plan shall immediately vest and become exercisable upon our merger with or into another corporation, entity or person, or the sale of all or substantially all our assets to another corporation, entity or person, unless such options are assumed or an equivalent option or right substituted by the successor corporation or a parent or subsidiary of the successor corporation.

Certain Relationships and Related Transactions

We sold and issued 100,000 shares of a new class of Series A Non-Voting Convertible Preferred Stock, \$.001 par value per share, convertible into 2,343,721 shares of our common stock, to Aventis Pharmaceuticals Inc. for \$25,000,000 pursuant to a purchase agreement executed on June 30, 2001. We received the cash payment and issued the shares on July 2, 2001. Aventis Pharmaceuticals Inc., formerly known as Aventis Pharmaceuticals Products Inc., is an affiliate of Aventis Holdings Inc., which holds greater than five percent of our outstanding common stock.

Mahendra G. Shah, Ph.D., one of our directors, was, until January 1, 2001, an employee of EJ Financial Enterprises, Inc., one of our stockholders. John N. Kapoor, Ph.D., the Chairman of our Board of Directors, is the sole stockholder of EJ Financial Enterprises. We have a consulting agreement with EJ Financial Enterprises pursuant to which EJ Financial Enterprises provides services to us for \$175,000 per year. The Agreement provides for the assistance of EJ Financial Enterprises with our business development, license negotiation, market analysis and general corporate development. This agreement is automatically renewable each July 1 for one-year terms, unless either party gives 30 days advance notice of termination.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee is currently, or has ever been at any time since our formation, one of our officers or employees. No member of the Compensation Committee serves as a member of the board of directors or compensation committee of any entity that has one or more officers serving as a member of our Board of Directors or Compensation Committee.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee is composed of two independent directors and operates under a written charter adopted by the Board of Directors. The members of the Compensation Committee are Charles E. Long (Chairman) and William H. Cunningham, Ph.D. The Compensation Committee administers our 2000 Stock Option Plan, reviews forms of compensation to be provided to our officers, employees and consultants, including stock compensation, grants options to purchase our common stock to our employees, executive officers, directors and consultants, and reviews and makes recommendations to the Board of Directors regarding all forms of compensation to be provided to the members of the Board of Directors, including stock compensation. The Compensation Committee believes it has fulfilled its responsibilities under its charter for the fiscal year ended December 31, 2002.

Compensation Philosophy and Objectives. Our basic philosophy is to align executive compensation with increases in stockholder value through achievement of certain milestones, including milestones related to our pre-clinical and clinical development. This is primarily accomplished through the use of stock options, which provide compensation in direct proportion to increases in stockholder value. In addition, we believe it is important to emphasize teamwork, entrepreneurship and active participation by all employees. This is accomplished through providing options to a majority of full-time, exempt domestic employees and similarly situated international employees, and through cash incentives, through which both executives and employees receive cash bonuses based on company-wide financial goals.

Executive Compensation Programs. Our executive compensation programs consist of three principal elements: base salary, cash bonus and stock options. We emphasize incentive compensation in the form of stock options and bonuses, rather than base salary. The Compensation Committee has adopted a guideline that executives should be paid competitive base salaries. The Board of Directors sets the initial compensation for executives after consideration of the recommendations of the Compensation Committee. The Compensation Committee annually reviews and in some cases adjusts compensation for executives. Prior to making its recommendations and determinations, the Compensation Committee reviews historical compensation levels of the executives, evaluations of past performance, assessments of expected future contributions of the executives, competitive pay levels and programs provided by other comparable companies, and general industry pay practices. In making its recommendations and determinations, the Committee does not utilize any particular indices or formulae to arrive at each executive's recommended pay level.

Total compensation for executive officers also includes long-term incentives in the form of stock options, which are generally provided through initial stock option grants at the date of hire and periodic additional stock option grants. Stock options are instrumental in promoting the alignment of long-term interests between our executive officers and stockholders due to the fact that executives realize gains only if the stock price increases over the fair market value at the date of grant and the executives exercise their options. In determining the amount of such grants, the Committee evaluates the job level of the executive, responsibilities of the executive, and competitive practices in the industry. Options are generally granted at 100% of fair market value at the date of grant. Options generally vest ratably over a period of four years. The long-term value realized by executives through option exercises can be directly linked to the enhancement of stockholder value.

Chief Executive Officer Compensation. The compensation of our chief executive officer is determined using the same philosophy and policies as for all executive officers as well as by the terms of his employment agreement. The compensation includes base salary, cash bonus and stock options as compensation for his services as an officer and director. Our chief executive officer currently has an employment agreement that is described under Executive Compensation Employment Contracts and Change-In-Control Arrangements. The annual compensation for Mr. Nance for his service as our chief executive officer was based upon the written employment agreement we executed with Mr. Nance and as adopted by the Board of Directors in the year 2000. The Compensation Committee evaluates the employment agreement in relation to Introgen's performance on an annual basis and will review Mr. Nance's compensation prior to renewal of his employment agreement in July 2003.

Section 162(m). Section 162(m) of the Internal Revenue Code of 1986, as amended, imposes a limit on tax deductions for annual compensation in excess of one million dollars paid by a corporation to its chief executive

officer and the other four most highly compensated executive officers. Deductions are, however, permitted if certain conditions are met, including a requirement that the plan under which such compensation is paid be re-approved by stockholders every five years. None of the compensation paid by us in the fiscal year ended December 31, 2002 was subject to the limitation on deductibility. The Compensation Committee will continue to assess the impact of Section 162(m) on its compensation practices and determine what further action, if any, is appropriate.

The Audit Committee is composed of three independent directors in compliance with the Marketplace Rules of the Nasdaq Stock Market and operates under a written charter adopted by the Board of Directors.
