PROXY STATEMENT

**Annual Meeting of Stockholders
June 25, 2009**

Introduction

This proxy statement contains information about the 2009 Annual Meeting of Stockholders (the Annual Meeting) of Converted Organics Inc. (the Company) to be held at The Marriott's Custom House, 3 McKinley Square, Boston, MA 02109, on June 25, 2009, at 9:30 a.m. local time, and at any postponements or adjournments thereof. The Company's Board of Directors is using this proxy statement to solicit proxies for use at the Annual Meeting. This proxy statement and the enclosed proxy card are being mailed on or about May 26, 2009 to stockholders entitled to vote at the Annual Meeting.

Purpose of the Annual Meeting

The purpose of the meeting is to vote on the following matters:

1. To elect Edward J. Gildea to the Board of Directors to serve until his terms expire in 2012 and until his successor is duly elected and qualified;
2. To ratify the appointment of CCR LLP as the Company's independent auditor for the fiscal year ending December 31, 2009;
3. To approve an amendment to the Company's Certificate of Incorporation, which would increase the number of authorized shares of common stock from 40,000,000 to 75,000,000; and
4. To transact such other business as may properly come before the meeting.

As of the date of this proxy statement, the Company is not aware of any business to come before the meeting other than the items noted above.

Who Can Vote

Stockholders of record as of the close of business on April 30, 2009 (the Record Date) are entitled to receive notice of, to attend, and to vote at the Annual Meeting. As of April 30, 2009, there were 15,251,708 shares of Company common stock issued and outstanding. Holders of Company common stock are entitled to one vote per share. Cumulative voting is not permitted. The enclosed proxy card shows the number of shares that you are entitled to vote.

How to Vote

You may give instructions on how your shares are to be voted by marking, signing, dating and returning the enclosed proxy card in the accompanying postage-paid envelope.

A proxy, when executed and not revoked, will be voted in accordance with its instructions. If no choice is indicated on the proxy, the shares will be voted FOR the nominee of the Board of Directors (Proposal No. 1), FOR ratification of the appointment of the Auditor (Proposal No. 2), FOR increasing the number of authorized shares of common stock (Proposal No. 3), and as the proxy holders may determine in their discretion with respect to any other matters that properly come before the Annual Meeting.

Revoking a Proxy

A stockholder may revoke any proxy given pursuant to this solicitation by attending the Annual Meeting and voting in person, or by delivering to the Company's Corporate Secretary at the Company's principal

executive offices referred to above, prior to the Annual Meeting, a written notice of revocation or a duly executed proxy bearing a date later than that of the previously submitted proxy. Please note that a stockholder's mere attendance at the Annual Meeting will not automatically revoke that stockholder's previously submitted proxy.

Quorum and Voting Requirements

A quorum of stockholders is necessary to hold a valid meeting. A quorum will exist if stockholders holding a majority of the outstanding shares of common stock entitled to vote are present at the meeting in person or by proxy.

Abstentions and broker-dealer non-votes will be counted as shares present in determining whether this quorum has been reached. If a quorum is not present, the meeting may be adjourned until a quorum is obtained.

Assuming the presence of a quorum at the Annual Meeting:

1. The candidate receiving the highest number of votes cast in favor of his election shall be elected;
2. The affirmative vote of a majority of the common shares present at the meeting and entitled to vote is required to ratify the appointment of CCR LLP as the Company's auditors for the 2009 fiscal year; and
3. The affirmative vote of a majority of the outstanding shares of common stock, as of April 30, 2009, is required to amend the Company's Certificate of Incorporation to increase the number of authorized shares of common stock.

Votes shall be counted by one or more persons who shall serve as the inspectors of election. The inspectors of election will canvas the shareholders present in person at the meeting, count their votes and count the votes represented by proxies presented. Abstentions and broker non-votes are counted for purposes of determining the number of shares represented at the meeting. Broker non-votes occur when a broker nominee (who has voted on one or more matters at the meeting) does not vote on one or more other matters at the meeting because it has not received instructions to so vote from the beneficial owner and does not have discretionary authority to so vote.

For purposes of determining the votes cast with respect to all proposals, only those votes cast for, against or abstain are included. However, if a proxy is signed but no specification is given, the shares will be voted FOR Proposals 1, 2 and 3 (i.e. to elect the Board's nominees to the Board of Directors, to ratify the selection of CCR LLP as the Company's independent auditors for the fiscal year ending December 31, 2009, and to amend the Company's Certificate of Incorporation to increase the number of authorized shares of common stock). For purposes of determining the votes cast with respect to Proposal 3, a majority of the Company's outstanding shares as of April 30, 2009, must vote FOR the proposal for the proposal to pass. Therefore, any abstentions, broker non-votes, or other limited proxies will have the effect of a vote against Proposal 3. Shares represented by such abstentions and broker non-votes will however be counted in determining whether there is a quorum.

Dissenter's Rights of Appraisal

No action will be taken in connection with the proposals described in this Proxy Statement for which Delaware law, our Certificate of Incorporation or Bylaws provide a right of a shareholder to dissent and obtain appraisal of or payment for such shareholder's shares.

Proxy Solicitation Costs and Methods

The Company will pay all costs of soliciting proxies. In addition to mailing proxy solicitation material, the Company's management, employees and agents also may solicit proxies in person, by telephone, or by other electronic means of communication.

Communication with the Board of Directors

The Company has no formal written policy regarding communication with the Board of Directors. However, if a shareholder wishes to communicate with the Board of Directors, they may send a letter directed to the Corporate Secretary, Converted Organics Inc., 7A Commercial Wharf West, Boston, MA 02110.

Board Classifications, Committees and Meetings

Our Board of Directors comprises four members divided into three classes as nearly equal in number as possible. Currently, Messrs. Stoltenberg and Cell serve as Class 1 directors, whose terms expire in 2010, Mr. DeVillars serves as a Class 2 director, whose term expires in 2011, and Mr. Edward Gildea serves as a Class 3 director, whose term expires in 2009.

Our Board of Directors is subject to the independence requirements of the NASDAQ Stock Market. Pursuant to the requirements, the Board undertook its annual review of director independence. During this review, the Board considered transactions and relationships between each director or any member of his or her immediate family and the Company and its subsidiaries and affiliates. The purpose of this review was to determine whether any such relationships or transactions existed that were inconsistent with a determination that the director is independent. Of the four members of the Board, Messrs. Cell, DeVillars and Stoltenberg were determined to be independent directors as defined by the NASDAQ Stock Market.

During the fiscal year ended December 31, 2008, the Board of Directors held eleven meetings in person or telephonically and acted by written consent on three occasions. Also during fiscal year 2008, the Audit Committee of the Board of Directors met six times, the Compensation Committee of the Board of Directors met twice and acted by written consent once, and the Nominating and Governance Committee met once.

Our Board of Directors has three standing committees: an Audit Committee, a Compensation Committee and a Nominating and Governance Committee.

Audit Committee. Our Audit Committee oversees our accounting and financial reporting processes, internal systems of accounting and financial controls, relationships with independent auditors, and audits of financial statements. Specific responsibilities include the following:

- appointing, evaluating and terminating our independent auditors;
- evaluating the qualifications, independence and performance of our independent auditors;
- approving the audit and non-audit services to be performed by the independent auditors;

reviewing the design, implementation, adequacy and effectiveness of our internal controls and critical accounting policies;

overseeing and monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters;

with management and our independent auditors, reviewing any earnings announcements and other public announcements regarding our results of operations; and

preparing the report that the Securities and Exchange Commission requires in our annual proxy statement.

Our Audit Committee comprises Messrs. Stoltenberg, DeVillars and Cell. Mr. Stoltenberg serves as Chairman of the Audit Committee. The Board has determined that all members of the Audit Committee are independent under the rules of the Securities and Exchange Commission and the NASDAQ Stock Market. The Board has determined that Mr. Stoltenberg qualifies as an audit committee financial expert, as defined by the rules of the Securities and Exchange Commission.

Compensation Committee. Our Compensation Committee assists our Board of Directors in determining the development plans and compensation of our officers, directors and employees. Specific responsibilities include the following:

- approving the compensation and benefits of our executive officers;
- reviewing the performance objectives and actual performance of our officers; and
- administering our stock option and other equity compensation plans.

Our Compensation Committee comprises Messrs., Cell, DeVillars and Stoltenberg. Mr. Cell serves as Chairman of the Compensation Committee. The Board has determined that all members of the Compensation Committee are independent under the rules of the NASDAQ Stock Market.

Nominating and Governance Committee. Our Nominating and Governance Committee assists the Board by identifying and recommending individuals qualified to become members of our Board of Directors, reviewing correspondence from our stockholders, and establishing, evaluating and overseeing our corporate governance guidelines. Specific responsibilities include the following:

- evaluating the composition, size and governance of our Board of Directors and its committees and make recommendations regarding future planning and the appointment of directors to our committees;
- determining procedures for selection of the CEO and other senior management; and
- evaluating and recommending candidates for election to our Board of Directors.

Our Nominating and Governance Committee comprises Messrs. DeVillars, Cell and Stoltenberg. Mr. DeVillars serves as Chairman of our Nominating and Governance Committee. The Board has determined that all members of the Nominating Committee are independent under the rules of the NASDAQ Stock Market.

Nomination of Director Candidates

The Company receives suggestions for potential director nominees from many sources, including members of the Board, advisors and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairperson of the Company's Nominating and Governance Committee in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Nominating and selection procedures are described in the written charter of the Company's Nominating and Governance Committee, a copy of which is available on the Company's website at www.convertedororganics.com. Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level

leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. The Nominating and Governance Committee seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, to the Company and its stockholders.

Candidates whose evaluations are favorable are then chosen by the Nominating and Governance Committee to be recommended for selection by the full Board. The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to the Company's Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected shall submit a written notice of his or her nomination of a candidate to the Chairperson of the Company's Nominating and Governance Committee (c/o the Corporate Secretary), providing the candidate's name, biographical data and other relevant information together with a consent from the nominee. The submission must be received at the Company's principal executive offices a reasonable time before the Company begins to print and mail its proxy materials so as to permit the Nominating and Governance Committee and, if necessary, the Board of Directors, to evaluate the qualifications of the nominee.

The Company currently does not employ an executive search firm, or pay a fee to any other third party, to locate qualified candidates for director positions.

Board Member Attendance at Annual Meetings.

All current Board members and all nominees for election to our Board of Directors are required to attend our annual meetings of stockholders, provided, however, that attendance shall not be required if personal circumstances affecting the Board member or director nominee make his or her attendance impracticable or inappropriate. Three out of five of our then directors attended the 2008 annual meeting of stockholders.

Compensation Committee and Insider Participation

None of the members of our Compensation Committee is one of our officers or employees. None of our executive officers currently serves, or in the past year has served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers serving on our Board of Directors or Compensation Committee.

Code of Ethics

We have adopted a code of ethics that applies to our officers (including our principal executive, financial and accounting officers), directors, employees and consultants. The text of our code of ethics can be found on our Internet website at www.convertedorganics.com.

Compensation Committee Composition and Responsibility

All members of the Compensation Committee are independent directors in accordance with the rules of the NASDAQ Stock Market. There are currently three directors who serve on the Compensation Committee: Robert E. Cell, as Chair, Edward Stoltenberg, and John DeVillars.

The Compensation Committee operates under a written charter approved by the Board. The current Compensation Committee charter may be viewed by accessing the *Investor Relations* link on the Company website (<http://www.ConvertedOrganics.com>). The Compensation Committee has, as stated in its charter, two primary responsibilities: (i) assisting the Board in carrying out its responsibilities in determining the compensation of the CEO and executive officers of the Company; and (ii) establishing compensation policies that will attract and retain qualified personnel through an overall level of compensation that is comparable to, and competitive with, others in the industry

and in particular, peer institutions.

The Compensation Committee, subject to the provisions of our Amended and Restated 2006 Stock Option Plan, also has authority in its discretion to determine the employees of the Company to whom stock options shall be granted, the number of shares to be granted to each employee, and the time or times at which options should be granted. The CEO makes recommendations to the Compensation Committee about equity awards to the employees of the Company (other than the CEO). The Compensation Committee also has authority to interpret the Plans and to prescribe, amend, and rescind rules and regulations relating to the Plans.

The CEO reviews the performance of the executive officers of the Company (other than the CEO) and, based on that review, the CEO makes recommendations to the Compensation Committee about the compensation of executive officers (other than the CEO). The CEO does not participate in any deliberations or approvals by the compensation committee or the Board with respect to his own compensation. The Compensation Committee makes recommendations to the Board about all compensation decisions involving the CEO and the other executive officers of the Company. The Board reviews and votes to approve all compensation decisions

involving the CEO and the executive officers of the Company. The Compensation Committee and the Board will use data, showing current and historic elements of compensation, when reviewing executive officer and CEO compensation.

In 2008, the Company utilized the services of Pearl Meyer & Partners (Pearl Meyer), an executive compensation consulting firm, to assist the Compensation Committee in making compensation decisions. Pearl Meyer was engaged by the Company in order to determine whether executive compensation and non-employee Board of Directors compensation were competitive with industry standards for similarly situated public companies. Pearl Meyer was instructed to research and develop an Executive Compensation Competitive Analysis and a Board of Director Compensation Competitive Analysis for non-employee Board members. Pearl Meyer was also instructed to review and update the Company's compensation peer group for comparison purposes. The Company's compensation program is based on providing competitive salaries based upon Pearl Meyer's survey data. The Company considered and analyzed the comparable companies in its peer group and created a new list of comps based upon the advice of Pearl Meyer. The salaries of current employees and the CEO were considered, however, the Company decided not to make any changes because of its financial condition.

Employment Agreements

Effective as of February 16, 2007, the Company entered into an employment agreement with Mr. Gildea to ensure the continuity of executive leadership, to clarify his roles and responsibilities, and to make explicit the terms and conditions of executive employment. Provisions concerning a change of control of the Company, and terms of compensation in that event, are included in the employment agreement consistent with what the Compensation Committee believes to be best industry practices. The change of control provisions in the employment agreement is designed to ensure that Mr. Gildea devotes his full energy and attention to the best long term interests of the shareholders in the event that business conditions or external factors make consideration of a change of control appropriate. Change of Control, as defined by the Employment Agreement, includes (i) the acquisition of any person or group (as defined by the Securities Exchange Act of 1934, as amended) of beneficial ownership of 20% of the total shares or more than 35% of the outstanding shares of common stock of the Company except for acquisitions of stock from the Company, by the Company, and by employee benefit plans maintained by the Company or any of its Affiliates; (ii) individuals who constitute the Company's Board of Directors cease, for any reason to constitute at least a majority of the Board unless the new members of the Board were nominated by the existing Board members for other than an election contest; (iii) consummation of a reorganization, merger, consolidation or sale or other disposition of all or substantially all of the assets of the Company unless the transaction merger, consolidation or sale was initiated or approved by the Board of Directors; or (iv) approval by the stockholders of the Company of a complete liquidation or dissolution of the Company.

The employment agreement with Mr. Gildea for him to serve as President and Chief Executive Officer of the Company provides for a base salary of \$220,000, which may be increased at the discretion of the Board. The employment agreement also provides for participation in the various benefit programs provided by the Company, including group life insurance, sick leave and disability, retirement plans and medical and dental insurance programs to the extent they are offered by the Company and to the extent that Mr. Gildea is eligible to participate in such plans under the terms of such plans.

In the event Mr. Gildea's employment is terminated or in the event that Mr. Gildea resigns for good reason following a change of control, Mr. Gildea is entitled to a lump sum of three years base salary plus three times his incentive compensation paid in the preceding twelve months or the plan's target, whichever is greater, plus continued participation in the insurance benefits for a three year period. All stock options granted to Mr. Gildea would immediately vest and remain exercisable for three months following the date of termination.

Resignation for good reason under the employment agreement, means, among other things, the resignation of Mr. Gildea as a result of (i) the Company, without the express written consent of Mr. Gildea, materially breaches the agreement which breach is not cured within 30 (thirty) days following written notice

by Mr. Gildea; (ii) the Board of Directors, without cause, substantially changes Mr. Gildea's core duties or removes his responsibility for those core duties, so as to effectively cause him to no longer be performing the duties of President and CEO of the Company; (iii) the Company's Board of Directors, without cause, places another executive above Mr. Gildea or one of the named officers in the Company or requires Mr. Gildea to be based in an office that is more than 100-miles from Mr. Gildea's principal place of employment; or (iv) a change of control, as defined, occurs. The estimated expense to the Company of Mr. Gildea's termination in the event of a change in control as of December 31, 2008 is \$660,000. The estimated expense to the Company of Mr. Gildea's resignation for good reason or termination without cause in the absence of a change in control as of December 31, 2008 is \$220,000.

ELECTION OF THE BOARD OF DIRECTORS

Our Certificate of Incorporation provides that the Board of Directors be divided into three classes. Each director serves a term of three years. At each annual meeting, the stockholders elect directors for a full term or the remainder thereof, as the case may be, to succeed those, whose terms have expired. Each director holds office for the term for which elected or until his or her successor is duly elected. Currently, Messers. Stoltenberg and Cell serve as Class 1 directors, whose terms expire in 2010, Mr. DeVillars serves as a Class 2 director, whose term expires in 2011, and Mr. Edward Gildea serves as a Class 3 director, whose term expires in 2009.

The Board of Directors has nominated Mr. Edward J. Gildea to serve as Class 3 director until 2012 or until his respective successor is elected and qualified.

Vote Required

The candidate receiving the highest number of votes cast in favor of his election shall be elected as director.

Recommendation

The Board recommends that stockholders vote FOR the election of Mr. Edward J. Gildea.

Unless marked otherwise, proxies received will be voted FOR the election of the nominee.

PROPOSAL NO. 2

RATIFICATION OF THE SELECTION OF CCR LLP AS INDEPENDENT PUBLIC ACCOUNTANT

The Board of Directors appointed CCR LLP as the Company's independent public accounting firm for 2009. Prior to 2009, CCR LLP has served as the Company's independent public accountant since 2005.

In the past three fiscal years there have been no disagreements with CCR LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope of procedure.

One or more representatives of CCR LLP will attend the Annual Meeting and be available to respond to questions.

The Board recommends the shareholders ratify the appointment of CCR LLP as the Company's independent public accountant for the year 2009. If the shareholders do not ratify the appointment, other independent auditors will be appointed by the Board upon recommendation of the Audit Committee.

Vote Required

The affirmative vote of a majority of the common shares present at the meeting and entitled to vote is required to approve the selection of CCR LLP as independent public accountant.

Recommendation

The Board recommends that stockholders vote FOR the ratification of the selection of CCR LLP as the Company's independent public accountant for the year 2009.

PROPOSAL NO. 3

AMEND THE COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES THAT THE COMPANY MAY ISSUE TO 75,000,000 SHARES OF COMMON STOCK

General

The Company's Board of Directors unanimously approved and recommended for adoption by the shareholders the Amendment to the Certificate of Incorporation (the Amended and Restated Articles), the text of which is attached to this Proxy Statement as Annex A. The following proposal is to approve the Amended and Restated Articles, but does not approve any issuance of shares of common stock, and no shareholder approval for such issuances is required or being sought.

Background and Reasons for the Proposed Amended and Restated Articles

As of April 30, 2009, there were 40,000,000 shares of our common stock authorized, of which, 15,251,708 shares were issued and outstanding and 10,000,000 shares of preferred stock, of which, 0 shares were issued and outstanding.

The Amended and Restated Articles would increase the number of shares of the Company's common stock that it is authorized to issue from 40,000,000 to 75,000,000 shares of common stock. The par value of the Company's common stock will not be affected by the amendment.

The Company previously sought shareholder approval to decrease the number of authorized shares because it did not foresee a need in the foreseeable future where it would need such a significant number of shares and the decreased number also greatly reduced the amount of taxes the Company was required to pay to the state of Delaware.

The Company now seeks shareholder approval to increase the number of authorized shares because doing so will allow the Company to maintain sufficient shares of common stock for future business and financial purposes. The proposed amendment would increase the number of authorized shares of common stock from 40,000,000 to 75,000,000. Authorized but unissued shares of common stock may be used by the Company for any purpose permitted under Delaware law, including but not limited to, paying stock dividends to stockholders, raising capital, providing equity incentives to employees, officers and directors, and entering into transactions that the Board believes provide the potential for growth and profit. Furthermore, the Company may utilize its securities to make future acquisitions. Although the Company has no present obligation to issue additional shares of common stock (except pursuant to employee benefit plans or outstanding derivative securities), the Company may, in the future, issue common stock in connection with the activities described above or otherwise.

Although the Company has no present obligation to issue additional shares of common stock, the Company is currently seeking additional capital and is actively pursuing various financing options which will likely require the issuance of Company common stock and which may be dilutive to the Company's current common stockholders. The Company may complete any financings prior to the annual meeting by the issuance of securities currently authorized and available for issuance. If the proposed amendment is approved to the extent the Company has previously issued all of the shares of common stock currently authorized, the Company may issue the newly authorized shares of Company common stock without a further vote of the stockholders of the Company, except as provided under the rules of the NASDAQ Stock Market. These future issuances may be dilutive to the Company's current common stockholders and may cause a reduction in the market price of the Company's common Stock.

The increase in the authorized shares of common stock will not have any immediate effect on the rights of existing stockholders. However, as discussed above, if the stockholders approve the proposed amendment, the Board of Directors may cause the issuance of additional shares without further vote of the stockholders of the Company, except as provided under the rules of the NASDAQ Stock Market. Current holders of common stock do not have preemptive or similar rights, which means that current stockholders do not have a prior right

to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership. The issuance of additional shares of common stock would decrease the proportionate equity interest of the Company's current stockholders and, depending upon the price paid for such additional shares, could result in dilution to the Company's current stockholders.

The proposed amendment could, under certain circumstances, have an anti-takeover effect, although this is not the intention of this proposal. For example, in the event of a hostile attempt to take over control of the Company, it may be possible for the Company to endeavor to impede the attempt by issuing shares of common stock, which would dilute the voting power of the other outstanding shares and increasing the potential cost to acquire control of the Company. The proposed amendment therefore may have the effect of discouraging unsolicited takeover attempts, potentially limiting the opportunity for the Company's stockholders to dispose of their shares at a premium, which is often offered in takeover attempts, or that may be available under a merger proposal. The proposed amendment may have the effect of permitting the Company's current management, including the current Board of Directors, to retain its position, and place it in a better position to resist changes that stockholders may wish to make if they are dissatisfied with the conduct of the Company's business. However, the Board of Directors is not aware of any attempt to take control of the Company, and the Board of Directors has not presented this proposal with the intent that it be utilized as a type of anti-takeover device.

If the proposed amendment is adopted, it will become effective upon filing of the Amended and Restated Articles with the Secretary of State of the State of Delaware. However, if the Company's stockholders approve the proposed amendment, the Board of Directors retains discretion under Delaware law not to implement the proposed amendment. If the Board of Directors were to exercise such discretion, the number of authorized shares would remain unchanged.

Vote Required

The affirmative vote of a majority of the outstanding shares of common stock, as of April 30, 2009 is required to increase the number of authorized shares of common stock.

Recommendation

The Board recommends that stockholders vote FOR increasing the number of authorized shares of common stock.

OTHER MATTERS TO COME BEFORE THE MEETING

If any business not described herein should properly come before the meeting the Proxy Committee will vote the shares represented in accordance with their best judgment. At this time the proxy statement went to press, the company knew of no other matters which might be presented for Stockholder action at the meeting.
