**Item 9. Regulation FD Disclosure**

Seabulk International, Inc. today announced that it has agreed to purchase two 48,000-dwt product tankers from principals of World-Wide Shipping of Singapore for a total purchase price of approximately \$62 million. The purchase price will be financed by a combination of bank borrowings and available cash. The tankers, the World Trumpet and World Trust, are modern double-hull vessels built in 2000 at the Daewoo Shipyard in Korea and suitable for worldwide trading. Delivery of the vessels is expected in March. They will be the first foreign-flag product tankers to join the Seabulk fleet. Seabulk currently has 10 product tankers operating in the domestic Jones Act market.

This information shall not be deemed to be filed for purposes of Section 18 of the Exchange Act or otherwise subject to the liability of that section, except if the registrant specifically states that the information is to be considered filed under the Exchange Act or incorporates it by reference into a filing under the Securities Act or the Exchange Act.
