INFORMATION ABOUT THE ANNUAL MEETING

1

Who is entitled to vote at the meeting?

You may vote at the Annual Meeting if you owned Common Stock as of the close of business on Record Date which is November 4, 2010. Each share of Common Stock is entitled to one vote.

How do I vote?

You can vote in three ways:

- by attending the Annual Meeting at 2:30 p.m., local time, on December 14, 2010, at the Warwick Hotel Denver, 1776 Grant Street, Denver, Colorado 80203, and at any adjournment or postponements thereof and voting thereat;
- by completing, signing, dating and returning the enclosed Proxy Card (applicable only to stockholders of record); or
 - by following the instructions on the vote instruction form (applicable only to beneficial holders).

What if I return my Proxy Card but do not include voting instructions?

Proxies that are signed and returned but do not include voting instructions will be voted FOR the re-election of the three candidates as directors, FOR amending the Company's Articles of Incorporation to increase the authorized amount of common stock, no par value, from 14,000,000 shares to 19,000,000 shares and FOR ratifying the appointment of Comiskey & Company, P.C., as the Company's independent certified public accountants for the fiscal year ending July 31, 2011.

Will my shares be voted if I do not provide my Proxy?

If you hold your shares directly in your own name, they will not be voted if you do not provide a Proxy or attend the annual meeting and vote in person.

Your shares may be voted under certain circumstances if they are held in the name of a brokerage firm. Brokerage firms generally have the authority to vote customers' un-voted shares on certain "routine" matters. With the sole exception of the ratification of Comiskey & Company, P.C. as independent auditors for the year ending July 31, 2011, no matters submitted for shareholder approval herein are "routine" matters. When a brokerage firm votes its customers' un-voted shares, these shares are counted for purposes of establishing a quorum. At our Annual Meeting these shares will be counted as voted by the brokerage firm with respect to ratifying the Board of Directors' reappointment of Comiskey & Company, P.C. as Company's auditors for the year ending July 31, 2011.

How do I vote if I hold shares registered in the name of a broker or bank?

If, on Record Date which is November 4, 2010, your shares were not held in your name, but rather were held in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and a Notice of Proxy Materials was forwarded to you by that organization. The organization holding your account is considered to be the shareholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares held in your account. You are also invited to attend the Annual Meeting. However, since you are not the shareholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent and bring such proxy to the annual meeting. If you want to attend the Annual Meeting, and vote at the Annual Meeting, you must provide proof of beneficial ownership as of the Record Date, such as your most recent account statement showing ownership as of November 4, 2010, a copy of the voting instruction card provided by your

broker or other agent, or other similar evidence of ownership. Whether or not you plan to attend the Annual Meeting, we urge you to vote by proxy in advance of the Annual Meeting to ensure your vote is counted.

Can I change my mind after I return my Proxy?

Yes. You may change your vote at any time before your Proxy is voted at the Annual Meeting. If you are a shareholder of record, you can do this by giving written notice to your respective corporate secretary, by submitting another Proxy with a later date, or by attending the Annual Meeting and voting in person. If you are a shareholder in "street" or "nominee" name, you should consult with the bank, broker or other nominee regarding that entity's procedures for revoking your voting instructions.

How many shares are eligible to be voted at the Annual Meeting?

The record date for the Annual Meeting is November 4, 2010. Only shareholders of record at the close of business on November 4, 2010, will be entitled to vote at the Annual Meeting. At the close of business on that date, there were issued and outstanding _____ shares of the Company's Common Stock entitled to one vote per share.

How many votes must be present to hold the meeting?

Your shares are counted as present at the meeting if you attend the meeting and vote in person or if you properly return a Proxy by mail. In order for us to conduct our meeting, one third (33%) of our outstanding shares of Common Stock as of November 4, 2010 must be present in person or by proxy at the meeting. This is referred to as a quorum. In order to assure that there is a quorum, it may be necessary for certain officers, directors, regular employees and other representatives of the Company to solicit Proxies by telephone, facsimile or in person. These persons will receive no extra compensation for their services.

On November 4, 2010, there were _____ shares of Common Stock outstanding and entitled to vote. If a quorum is not present, then either the chairman of the meeting or the shareholders entitled to vote at the meeting may adjourn the meeting until a later time. Abstentions and broker "non-votes" are counted as present or represented for purposes of determining the presence or absence of a quorum. A broker "non-vote" occurs when a broker holding shares for a beneficial owner votes on one proposal, but does not vote on another proposal because, in respect of such other proposal, the broker does not have discretionary voting power and has not received instructions from the beneficial owner. The Company's executive officers and directors have advised the Company that they intend to vote their shares (including those shares over which they hold voting power), representing approximately 3% as of September 13, 2010, of the outstanding shares of Common Stock (excluding the shares held in a Rabbi Trust), in favor of each of the proposals above.

What vote is required to re-elect directors?

Directors are elected by a plurality of the votes cast. Abstentions and broker "non-votes" (shares held by brokers or nominees as to which they have no discretionary authority to vote on a particular matter and have received no instructions from the beneficial owners or persons entitled to vote thereon) will have no effect on the vote for re-election of directors.

What vote is required to amend the Company's Articles of Incorporation to increase the authorized amount of common stock, no par value, from 14,000,000 shares to 19,000,000 shares?

To amend the Articles of Incorporation to increase the authorized amount of common stock requires the affirmative vote of at least a majority of the Company's outstanding shares of Common Stock. Thus, any abstentions, "broker non-votes", or other limited proxies will have the effect of a vote against the increase in authorized amount of common stock.

What vote is required to ratify the Board of Directors reappointment of Company's auditors for the year 2011?

Ratification of the Board of Directors reappointment of Comiskey & Company, P.C. as Company's auditors for the year 2011 will require an affirmative vote of the majority of the votes cast in person or by proxy, provided that a quorum is present at the Meeting. Only proxies indicating votes "FOR," "AGAINST" or "ABSTAIN" on this proposal or providing the designated proxies with the right to vote in their judgment and discretion on this proposal are counted to determine the number of shares present and entitled to vote. Abstentions will have no effect on the results of the vote on this proposal. Representatives from Comiskey & Company, P.C. are expected to attend the Annual Meeting. As a result, the Company anticipates that a representative from Comiskey & Company, P.C. will be available to make a statement or respond to any questions at the Annual Meeting.

How will voting on any other business be conducted?

Although we do not know of any business to be conducted at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business comes before the Annual Meeting, your signed Proxy Card gives authority to the Proxy holders to vote on those matters at their discretion.

Who will bear the costs of this solicitation?

We will bear the entire cost of solicitation of proxies, including preparation, assembly, printing and mailing of this Proxy Statement, the Proxy Card and any additional information furnished to shareholders. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding in their names shares of Common Stock beneficially owned by others to forward to the beneficial owners. We may reimburse persons representing beneficial owners of Common Stock for their costs of forwarding solicitation materials to the beneficial owners. Original solicitation of proxies by mail may be supplemented by telephone, facsimile or personal solicitation by our directors, officers or other regular employees.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL
OWNERS AND MANAGEMENT

The following table sets forth certain information regarding beneficial ownership of our Common Stock as of September 13, 2010 by: (i) each person who is known by the Company to own beneficially more than 5% of the Company's outstanding Common Stock; (ii) each of the Company's executive officers and directors; and (iii) all executive officers and directors as a group. The calculation excludes 1,129,110 shares which are held by the Rabbi Trust for the benefit of Thomas V. Geimer. Further, Mr. Geimer does not have voting power over the shares that are held in the Rabbi Trust. Common Stock not outstanding but deemed beneficially owned by virtue of the right of an individual to acquire shares is treated as outstanding only when determining the amount and percentage of Common Stock owned by such individual. Except as noted, each person or entity has sole voting and sole dispositive power with respect to the shares shown:

BOARD OF DIRECTORS AND COMMITTEE MEETINGS

The Board of Directors currently consists of three members, each of whom is proposed for election at the Annual Meeting.

The Board of Directors maintains a Compensation Committee and an Audit Committee. The members of the Compensation Committee and the Audit Committee are Mr. Gerretson and Mr. Kucera, the Company's independent directors. The Audit Committee's financial expert is Charles E. Gerretson. Effective as of June 9, 2000, the Board of Directors of the Company adopted a written charter for the Audit Committee. Effective November 3, 2005, the Audit Committee adopted a revised written charter for the Audit Committee, a copy of which was filed with the Company's Proxy Statement at Appendix A on November 17, 2005.

The Company does not have a nominating committee, or other committee of the board that performs similar functions.

Nominating Committee Functions

Since we do not have a nominating committee, all of the members of the Board of Directors participate in the consideration of director nominees. We do not currently have a written nominating committee charter or similar

document.

Process for Identifying and Evaluating Nominees for the Board of Directors

Our Board of Directors may employ a variety of methods for identifying and evaluating director nominees. If vacancies are anticipated or arise, our Board of Directors considers various potential candidates which may come to our attention through current board members, professional search firms, stockholders or other persons. These candidates may be evaluated by our Board of Directors at any time during the year.

Our Board of Directors considers candidates recommended by stockholders when the nominations are properly submitted as described in “Consideration of Stockholder Recommendations” below. Following verification of the stockholder status of persons proposing candidates, our Board of Directors will make an initial analysis of the qualifications of any candidate recommended by stockholders or others pursuant to the criteria summarized herein to determine whether the candidate is qualified for service on the board, before deciding to undertake a complete evaluation of the candidate. If our Board of Directors determines that additional consideration is warranted, it may use a third-party search firm to gather additional information about the prospective nominee’s background and experience. Other than the verification of compliance with procedures and stockholder status, and the initial analysis performed before undertaking a complete evaluation, our Board of Directors will treat a potential candidate nominated by a stockholder like any other potential candidate.

In evaluating a director candidate, our Board of Directors will review his or her qualifications including capability, availability to serve, conflicts of interest, general understanding of business, understanding of the Company’s business and technology, educational and professional background, personal accomplishment and other relevant factors. Our Board of Directors has not established any specific qualification standards for director nominees, although from time to time the Board of Directors may identify certain skills or attributes as being particularly desirable to help meet specific needs that have arisen. Our Board of Directors may also interview prospective nominees in person or by telephone. After completing this evaluation, the Board of Directors will determine the nominees.

Consideration of Stockholder Recommendations

Our Board of Directors considers director candidates recommended by stockholders. Candidates recommended by stockholders are evaluated on the same basis as are candidates recommended by our Board of Directors. Any stockholder wishing to recommend a candidate for nomination by the Board of Directors should provide the following information in a letter addressed to the Board in care of our Secretary: (i) the name and address of the stockholder recommending the person to be nominated; (ii) a representation that the stockholder is a holder of record of our stock, including the number of shares held and the period of holding; (iii) a description of all arrangements or understandings between the stockholder and the recommended nominee; (iv) information as to any plans or proposals of the type required to be disclosed in Schedule 13D and any proposals that the nominee proposes to bring to the Board of Directors if elected; (v) any other information regarding the recommended nominee that would be required to be included in a proxy statement filed pursuant to Regulation 14A pursuant to the Securities Exchange Act of 1934 and (vi) the consent of the recommended nominee to serve as a director if elected. Additional information may be requested to assist our Board of Directors in determining the eligibility of a proposed candidate to serve as a director.

In addition, the notice must meet any other requirements contained in our bylaws. Stockholders may nominate candidates directly by complying with our bylaws and applicable law, including the deadlines described under “Stockholder Proposals for the 2011 Annual Meeting of Stockholders”, below.

During the fiscal year ended July 31, 2010, the board of directors held five (5) board meetings with all board members present. During the fiscal year ended July 31, 2010, the Audit Committee held four (4) meetings with no director attending fewer than 75% of the aggregate of all the meetings of the Audit Committee. The Compensation Committee held two (2) meetings during the fiscal year ended July 31, 2010.

As noted above, the members of the Audit Committee are Charles E. Gerretson and John D. Kucera, both of whom are independent directors as defined in Section 803 of the NYSE Alternext US LLC listing standards, as applicable and as may be modified or supplemented.

Effective as of June 9, 2000, the Board of Directors of the Company adopted a written charter for the Audit Committee. Effective November 3, 2005, the Audit Committee adopted a revised written charter for the Audit Committee, a copy of which is attached hereto at Appendix A.

Audit Committee Report

The Audit Committee has reviewed and discussed with management the Company's audited financial statements for the year ended July 31, 2010.

The Audit Committee has also discussed with Comiskey & Company, P.C. the matters required to be discussed by Statement on Auditing Standards No. 61, Communication with Audit Committees, as amended, by the Auditing Standards Board of the American Institute of Certified Public Accountants.

Additionally, in the event of a Change in Control, any unpaid amounts due under the initial term of the agreement for both base salary and deferred compensation would be payable plus five times the sum of the base salary and deferred compensation. The 1996 Stock Option Plans

The Board of Directors of the Company has adopted an incentive stock option plan (the "Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 700,000 shares of the Company's Common Stock. The purpose of the Qualified Plan is to make options available to management and employees of the Company in order to provide them with a more direct stake in the future of the Company and to encourage them to remain with the Company. The Qualified Plan provides for the granting to management and employees of "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code").

The Board of Directors of the Company has adopted a non-qualified stock option plan (the "Non-Qualified Plan") which provides for the grant of options to purchase an aggregate of not more than 300,000 shares of the Company's Common Stock. The purpose of the Non-Qualified Plan is to provide certain key consultants, independent contractors, technical advisors and directors of the Company with options in order to provide additional rewards and incentives for contributing to the success of the Company. These options are not incentive stock options within the meaning of Section 422 of the Code.

The Qualified Plan and the Non-Qualified Plan (the "Stock Option Plans") are administered by a committee (the "Committee") appointed by the Board of Directors which determines the persons to be granted options under the Stock Option Plans and the number of shares subject to each option. No options granted under the Stock Option Plans are transferable by the optionee other than by will or the laws of descent and distribution and each option is exercisable, during the lifetime of the optionee, only by such optionee. Any options granted to an employee terminate 90 days after his ceasing to be an employee, except in limited circumstances, including death of the employee, and where the Committee deems it to be in the Company's best interests not to terminate the options.

The exercise price of all incentive stock options granted under the Qualified Plan must be equal to the fair market value of such shares on the date of grant as determined by the Committee, based on guidelines set forth in the Qualified Plan. The exercise price may be paid in cash or (if the Qualified Plan shall meet the requirements of rules adopted under the Exchange Act) in Common Stock or a combination of cash and Common Stock. The term of each option and the manner in which it may be exercised will be determined by the Committee, subject to the requirement that no option may be exercisable more than 10 years after the date of grant. With respect to an incentive stock option granted to a participant who owns more than 10% of the voting rights of the Company's outstanding capital stock on the date of grant, the exercise price of the option must be at least equal to 110% of the fair market value on the date of grant and the option may not be exercisable more than five years after the date of grant.

The Stock Option Plans were approved by our shareholders at a special shareholders meeting held on November 8, 1996. At the annual meeting of shareholders held on December 12, 2002, shareholders approved the following amendments to the Qualified Plan and the Non-Qualified Plan: (i) the Committee was given the power to amend and alter the Qualified Plan and the Non-Qualified Plan so long as the amendments do not affect any outstanding options; (ii) provide that any shares cancelled, terminated, or expired pursuant to the Qualified Plan and the Non-Qualified Plan be made available for purposes of the Qualified Plan and the Non-Qualified Plan; (iii) provide that the cashless exercise provision of the Qualified Plan and the Non-Qualified Plan be in the sole discretion of the Committee; and (iv) extended the expiration date of the Qualified Plan and the Non-Qualified Plan until December 12, 2012.

As of July 31, 2010, 759,000 options had been granted pursuant to the Qualified Plan with 117,500 of these options exercised, 231,500 options that expired, leaving 172,500 available for grant and 350,000 options had been granted pursuant to the Non-Qualified Plan with 125,000 of these options exercised, 80,000 options that expired, 50,000 that were cancelled and 60,000 available for grant.

2004 Omnibus Stock Option Plan

On December 14, 2004, the shareholders approved the Company's 2004 Omnibus Stock Option Plan (the "Omnibus Plan"). The Omnibus Plan authorizes the issuance of up to five hundred thousand (500,000) shares of the Company's Common Stock. The purpose of the Omnibus Plan is to promote the growth of the Company by permitting the Company to grant options ("Options") to purchase shares of its Common Stock, to attract and retain the best available personnel for positions of substantial responsibility and to provide certain key employees, independent contractors, consultants, technical advisors and directors of the Company with a more direct stake in the future of the Company and provide an additional incentive to contribute to the success of the Company.

The Omnibus Plan is administered by the Compensation Committee of the Board or any committee of the Board performing similar functions, as appointed from time to time by the Board (the "Omnibus Committee"). Pursuant to the terms of the Omnibus Plan, the Omnibus Committee may grant either "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code of 1986 (the "Code") or nonqualified stock options, provided that incentive stock options may not be granted to independent contractors and consultants. The exercise price of all incentive stock options granted under the Omnibus Plan must be equal to the fair market value of such shares on the date of grant as determined by the Omnibus Committee, based on guidelines set forth in the Omnibus Plan. The exercise price of nonqualified stock options granted under the Omnibus Plan shall be not less than 50% of the fair market value of a share on the date of grant of such Option. The Omnibus Committee may grant on behalf of the Company, Options to purchase shares of the Company's Common Stock to any key employee, independent contractor, consultant, technical advisor or director.

As of July 31, 2010, 620,000 options had been granted pursuant to the Omnibus Plan with 5,000 of these options exercised, 130,000 expired leaving 10,000 available for grant.

As of July 31, 2010, the Board of Directors had authorized deferred compensation totaling \$1,125,000 since fiscal year 1996 to Mr. Geimer of which \$1,050,000 had been funded. Directors and executive officers and 10% owners are required by Securities and Exchange Commission regulation to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on review of copies of such reports furnished to us and verbal representations that no other reports were required to be filed during the fiscal year ended July 31, 2010, all Section 16(a) filing requirements applicable to its directors, executive officers and 10% owners were met.

PROPOSAL 2

PROPOSED AMENDMENT TO THE ARTICLES OF
INCORPORATION TO INCREASE THE AUTHORIZED
SHARES OF COMMON STOCK

The Board of Directors has approved a resolution, subject to Shareholder approval, to amend the Company's Articles of Incorporation to increase the total number of authorized shares of Common Stock from 14,000,000 shares of Common Stock to 19,000,000 shares of Common Stock. The form of amendment (the "Amendment") to the Articles of Incorporation is attached as Appendix B, and reference is made to the Amendment for the complete terms thereof.

The Company's Articles of Incorporation currently authorize the issuance of 14,000,000 shares of Common Stock, no par value. As of November 4, 2010, ___ shares of Common Stock were issued and outstanding. The Amendment will not affect the number of shares of Common Stock issued and outstanding, but will only affect the total number of shares of Common Stock authorized for issuance by the Company.

The Board of Directors believes that adoption of this Proposal will increase acceptance of the Company's common stock by the financial community and the investing public and, accordingly, should enhance shareholder value. Further, the Board of Directors believes that the adoption of this Proposal will provide flexibility to the Company in the event it is required to raise capital through the sale of shares of Common Stock in the future.

The Company has no current plans to issue any of the increased shares.

If approved by the Shareholders, the Amendment to the Articles of Incorporation will increase the Company's authorized capital stock to 19,000,000 shares of Common Stock from 14,000,000 shares of Common Stock. There will be no further vote by the Shareholders prior to any issuance of these shares of Common Stock.

Approval of the Amendment requires the affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to notice of, and to vote at, the Annual Meeting. If the Amendment is approved by the Shareholders, it will become effective as of the date and time it is filed with the office of the Secretary of State of Colorado. The filing will be made as soon as practicable following the approval of the Amendment by the Shareholders.

Board Recommendation

The Board recommends a vote FOR the adoption of the Amendment to the Company's Articles of Incorporation to increase the authorized shares of Common Stock from 14,000,000 shares to 19,000,000 shares, and each of the Resolutions with respect thereto set forth in Appendix B hereto.
