Item 1.01. Entry into a Material Definitive Agreement

On September 30, 2010, AdCare Health Systems, Inc. (the Company) issued two secured promissory notes (the Senior Loans) totaling \$15,820,000. The Senior Loans mature on September 30, 2035 and accrue interest at a variable rate equal to the published Wall Street Journal prime interest rate (currently 3.25%) plus 1.5%; but no less than 5.5% per annum. The Senior Loans have a prepayment penalty of 10% for any prepayment prior to September 30, 2011 which is reduced by 1% each year until September 30, 2019 when it remains at 1% thereafter.

The Senior Loans are collateralized by the real and personal property of the Attalla and Coosa facilities described in Item 2.01 below. The Company is also required to maintain a certificate of deposit in the amount of \$1,582,000 as collateral. The Senior Loans have a conditionally approved loan guarantee from the United States Department of Agriculture Rural Development (USDA RD) for 70% of the outstanding loan amount. The notes are also personally guaranteed by Christopher Brogdon, the Company's Chief Acquisition Officer. The Company has agreed to compensate Mr. Brogdon \$100,000 for his personal guarantee. The Company is also required to maintain certain financial covenants.

The Senior Loans have one-time guarantee and structuring fees totaling 3% of the loan amounts payable on the closing date. In addition to the one-time fees, the Senior Loans are subject to an annual renewal fee due to the USDA RD in an amount equal to 0.25% of the guaranteed portion of the outstanding principal balance as of December 31 each year.

Also, on September 30 2010, Coosa Nursing ADK, LLC and the Company entered a promissory note with the seller (Seller's Note) in the amount of \$600,000. The Seller's Note bears interest of 8% per annum. Coosa Nursing ADK, LLC is required to make monthly payments of \$100,000 plus accrued interest on the unpaid balance beginning November 1, 2010. The Seller's Note matures April 1, 2010. The Seller's Note was guaranteed personally by Mr. Brogdon.

Also on September 30, 2010, the Company entered into an additional financing agreement (the Other Loan and Warrants) for a promissory note up to a maximum of \$3,500,000 bearing interest at 10% per annum plus a maximum of 350,000 warrants to purchase common stock of the Company. As of September 30, 2010, an initial tranche of \$3,150,000 was disbursed and 315,000 warrants were issued. The second tranche is expected to occur in October 2010 for \$350,000 with the remaining 35,000 warrants.

The Warrants are exercisable at \$4.25 per share and expire on October 1, 2013. The Other Loan matures on January 1, 2011, but may, at the election of the Company, be initially extended to April 1, 2011. If extended, the interest rate will increase to 18% per annum retroactive to September 30, 2010. Interest payments are due quarterly beginning January 1, 2011. Additionally, if the Other Loan is extended, the Company will be required to convey to the note holder a forty percent equity interest in each of the Attalla and Coosa facilities described in Item 2.01 below. If the Other Loan is extended beyond October 1, 2012, the Company will also be required to make a semi-annual principal payment equal to 4% of the principal amount of the note which shall be contingent upon the Attalla and Coosa facilities generating cash flow sufficient to make such payments.

Cantone Research, Inc., (Cantone) was the exclusive placement agent for the Other Loan and Warrants and received compensation equal to 4% of the note for its services plus a non-accountable expense allowance of \$15,000.

The Company will issue to Cantone up to 116,900 additional warrants exercisable at \$4.25 per share. The warrants will expire on October 1, 2013. Also, the Company will pay Cantone, in cash, an amount equal to 6% of the cash received by the Company, from time to time, upon the exercise of each warrant. If the Other Loan is extended, the Company will pay Cantone a facility fee equal to 2% per annum of the unpaid principal amount of the note outstanding from time to time. The facility fee will be payable in arrears,

contemporaneously with each payment of interest under the note and at the final payment of the principal amount of the note. The Company will also pay to Cantone a semi-annual administrative fee in the amount of \$7,500, on the fifteenth day of each January and July beginning January 15, 2012.

AdCare Health Systems Acquires Two Alabama Nursing Homes

Acquisition Increases AdCare's Annualized Revenue Run-Rate by \$18 Million

SPRINGFIELD, Ohio, October 1, 2010 - AdCare Health Systems, Inc. (NYSE AMEX: ADK), a recognized innovator in senior living and health care facility management, has closed the previously announced purchase agreement for two privately-held nursing homes in Gladsden, Alabama for \$18.5 million.

The two facilities have a total of 306 beds, which currently generate about \$18 million in annualized revenue and are expected to be immediately accretive to earnings. Combined with other transactions closed earlier in the year, AdCare's estimated annualized revenue run-rate now exceeds \$96 million, which represents an increase of approximately 261% from \$26.7 million in the year ended 2009.

AdCare financed this purchase through a local bank, with a guarantee by the United States Department of Agriculture (USDA). The guarantee is provided through a program developed by the government to supply long-term financing for rural projects at favorable rates.

This transaction is the fourth we've closed since we began our M&A campaign at the end of last year, said Chris Brogdon, AdCare's vice chairman and chief acquisitions officer. We expect all of our new facilities to be significant cash generators for AdCare, especially as they come under our highly capable management and benefit from our larger economy of scale.

As we move toward closing the remaining transactions we announced, additional opportunities continue to emerge in the southern region in the U.S. as well as in the Midwest, said Brogdon. We are working to establish the terms and necessary financings for several new potential acquisitions in our pipeline of equal or greater potential.

Brogdon joined AdCare in September 2009 when the company announced a new M&A growth strategy to build upon its strong reputation for operational efficiency and high-quality living environments.
