Item 3.03. Material Modification to Rights of Security Holders.

On December 12, 2013, AdCare Health Systems, Inc. (the “Company”) changed its state of incorporation from the State of Ohio to the State of Georgia (the “Reincorporation”) pursuant to a Declaration of Conversion, adopted on December 12, 2013 (the “Declaration of Conversion”). The Reincorporation was accomplished by the filing of: (i) a certificate of conversion with the Secretary of State of the State of Ohio; and (ii) a certificate of conversion and articles of incorporation (the “Georgia Articles of Incorporation”) with the Secretary of State of the State of Georgia. Pursuant to the Declaration of Conversion, the Company’s Board of Directors (the “Board”) also adopted new bylaws (the “Georgia Bylaws”).

The Reincorporation and the Declaration of Conversion (including the Georgia Articles of Incorporation and the Georgia Bylaws) was previously submitted to a vote of, and approved by, the shareholders of the Company’s common stock, no par value (the “Common Stock”), at its 2013 Annual Meeting of Shareholders held on December 12, 2013 and adjourned to December 13, 2013 in Atlanta, Georgia (the “Meeting”). Upon the effectiveness of the Reincorporation: the affairs of the Company ceased to be governed by Ohio law and the Company’s existing articles of incorporation and existing code of regulations, and the affairs of the Company became subject to Georgia corporation laws, the Georgia Articles of Incorporation and the Georgia Bylaws;

the resulting Georgia corporation: (i) was deemed to be the same entity as the Ohio corporation for all purposes under the laws of Georgia; (ii) continued to have all of the rights, privileges, immunities, franchises and powers of the Ohio corporation, except for such changes that result from being subject to Georgia law and becoming subject to the Georgia Articles of Incorporation and the Georgia Bylaws; (iii) continued to possess all of the properties of the Ohio corporation; and (iv) continued to have all of the liabilities and obligations of the Ohio corporation;

each share of the Common Stock and the Company’s 10.875% Series A Cumulative Redeemable Preferred Shares (the “Series A Preferred Stock”) outstanding at the effective time of the Reincorporation converted into an outstanding share of the Georgia corporation’s common stock and Georgia corporation’s Series A Preferred Stock, respectively, after the Reincorporation;

each option, warrant or other right to acquire shares of the Ohio corporation’s outstanding (including the convertible promissory notes issued by the Ohio corporation) converted into, after the Reincorporation,

an outstanding option, warrant or other right to acquire shares of the Georgia corporation's common stock;

each employee benefit plan, incentive compensation plan or other similar plan of the Ohio corporation continued to be, after the Reincorporation, an employee benefit plan, incentive compensation plan or other similar plan of the Georgia corporation; and

each director or officer of the Ohio corporation continued to hold, after the Reincorporation, his or her respective office with the Georgia corporation until his or her successor is duly elected and qualified or until his or her earlier death, resignation or removal.

The Reincorporation effected a change in the legal domicile of the Company and other changes of a legal nature, the most significant of which are described in: (i) the Company's proxy statement filed with the Securities and Exchange Commission (the "SEC") on Schedule 14A (the "Proxy Statement") on October 29, 2013 under the section entitled "Proposal 1 - Reincorporation of the Company from the State of Ohio to the State of Georgia"; and (ii) the Company's Supplement No. 1 to Proxy Statement filed with the SEC on Schedule 14A on November 15, 2013 (together with the Proxy Statement, the "Proxy Materials"), which description is incorporated in its entirety herein by reference. The Reincorporation did not affect any of the Company's material contracts with any third parties, and the Company's rights and obligations under such material contractual arrangements continue to be rights and obligations of the Company after the Reincorporation. The Reincorporation itself did not result in any change in headquarters, business, jobs, management, location of any of the Company's offices or facilities, number of employees, assets, liabilities or net worth (other than as a result of the costs incident to the Reincorporation) of the Company.

Item 5.07. Submission of Matters to a Vote of Security Holders.

The matters listed below were submitted to a vote of the shareholders of the Common Stock at the Meeting. The proposals are described in detail in the Proxy Materials. In addition, because the shareholders of the Company approved the Reincorporation, Proposal 3 (the election of ten directors pursuant to Ohio law and Ohio governing documents) was not presented to the shareholders for a vote. The number of votes cast for and against each proposal and the number of withheld votes, abstentions and broker non-votes are set forth below.
