PROXY STATEMENT

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

ANNUAL MEETING OF SHAREHOLDERS

May 24, 2007

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Unico American Corporation, a Nevada corporation (the "Company"), for use at the Annual Meeting of Shareholders of the Company to be held at the Woodland Hills Hilton and Towers at Warner Center, 6360 Canoga Avenue, Woodland Hills, California 91367, on May 24, 2007, at 2:00 p.m. local time. Accompanying this Proxy Statement is a proxy card, which you may use to indicate your vote as to each of the proposals described in this Proxy Statement.

All proxies that are properly completed, signed, and returned to the Company prior to the Annual Meeting and which have not been revoked, will be voted. A shareholder may revoke his or her proxy at any time before it is voted either by filing with the Secretary of the Company at its principal executive offices a written notice of revocation or a duly executed proxy bearing a later date, or by appearing in person at the Annual Meeting and expressing a desire to vote his or her shares in person.

The close of business on April 6, 2007, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting or any adjournment thereof. As of the record date, the Company had outstanding 5,597,191 shares of common stock, the only outstanding voting security of the Company. For each share held on the record date, a shareholder is entitled to one vote on all matters to be considered at the Annual Meeting. The Company's Articles of Incorporation do not provide for cumulative voting. Directors are elected by a plurality of the votes cast and abstentions and broker non-votes are counted for the purposes of determining the existence of a quorum at the meeting but not for purposes of determining the results of the vote.

The Company will bear the cost of the Annual Meeting and the cost of soliciting proxies, including the cost of preparing, assembling and mailing the proxy material. In addition to solicitation by mail, officers and other employees of the Company may solicit proxies by telephone, facsimile, or personal contact without additional compensation.

The Company's principal executive offices are located at 23251 Mulholland Drive, Woodland Hills, California 91364-2732. The approximate mailing date of this Proxy Statement and the Company's proxy card is April 20, 2007.

ELECTION OF DIRECTORS

The Company's By-Laws provide for a range of three to eleven directors and allow the Board of Directors to set the exact number of authorized directors within that range. The current number of authorized directors established by the Board of Directors is seven (7). Directors are elected at each Annual Meeting of Shareholders to serve thereafter until their successors have been duly elected and qualified. Each nominee is currently a director having served in that capacity since the date indicated in the following table. All nominees have advised the Company that they are able and willing to serve as directors. If any nominee refuses or is unable to serve (an event which is not anticipated), the persons named in the accompanying proxy card will vote for another person nominated by the Board of Directors. Unless otherwise directed in the accompanying proxy card, the persons named therein will vote FOR the election of the seven nominees listed in the following table.

Except for Cary L. Cheldin, who is the son of Erwin Cheldin, none of the executive officers or directors of the Company are related to any other officer or director of the Company. The executive officers of the Company are elected by the Board of Directors. Each of the executive officers, other than Erwin Cheldin, serves in his present office pursuant to an employment agreement with the Company. The employment agreement of Cary L. Cheldin terminates May 15, 2011, and the employment agreements of Messrs. Aaron and Gilpatrick expire May 15, 2009. Erwin Cheldin serves as President, Chairman of the Board of Directors and Chief Executive Officer of the Company at the pleasure of the Board of Directors

Messrs. Erwin Cheldin, Cary L. Cheldin, Lester A. Aaron, and George C. Gilpatrick who hold approximately 50.03% of the voting power of the Company have

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

agreed to vote the shares of common stock held by each of them so as to elect each of them to the Board of Directors and to vote on all other matters as they may agree. As a result of this Agreement, the Company is a "Controlled Company" as defined in the NASDAQ Stock Market ("NASDAQ") Marketplace Rule 4350(c)(5). A Controlled Company is exempt from the requirements of NASDAQ Marketplace Rule 4350(c) requiring that (i) the Company have a majority of independent directors on the Board of Directors, (ii) the Compensation Committee be composed solely of independent directors, (iii) the compensation of the executive officers be determined by a majority of the independent directors or a compensation committee comprised solely of independent directors and (iv) director nominees be elected or recommended either by a majority of the independent directors or a nominating committee comprised solely of independent directors.

During the year ended December 31, 2006, the Company's Board of Directors held one meeting. Non-employee directors met without any management directors or employees present four times during the year ended December 31, 2006. Non-employee directors receive \$2,000 each quarter as compensation for the committee meetings they attend and \$1,000 for each board meeting they attend. All incumbent directors attended 100% of the combined total meetings of the Board of Directors and the committees on which they served.

2

The compensation of the Company's non-employee directors for the last completed fiscal year is as follows:

Name	Fees Earned or Paid in	
	Cash	Total
----	----	-----
	\$	\$
----	-	-
David A. Lewis, CPCU	9,000	9,000
Warren D. Orloff	9,000	9,000
Donald B. Urfrig	9,000	9,000

The Board of Directors has established an Audit Committee presently consisting of David A. Lewis, Warren D. Orloff and Donald B. Urfrig. The Audit Committee of the Board of Directors oversees the accounting and financial reporting processes of the Company and the audits of its financial statements. The Audit Committee which has a written charter met four times during the year ended December 31, 2006, and held one meeting subsequent to the year ended December 31, 2006, to discuss accounting and financial statement matters related to the year ended December 31, 2006. The charter is attached as Appendix A. Messrs. Lewis, Orloff and Urfrig are independent as defined in the NASDAQ listing standards. The Board of Directors has determined that the Company does not have an "Audit Committee Financial Expert" as defined by the SEC serving on the Audit Committee. The Board of Directors believes that the members of the Audit Committee are able to read and understand financial statements of the Company, are familiar with the Company and its business, and are capable of fulfilling the duties and responsibilities of an Audit Committee without the necessity of having an "Audit Committee Financial Expert" as a member.

The Board of Directors has also established a Compensation Committee presently consisting of Messrs. Cary Cheldin, Aaron, and Orloff. This Committee considers and recommends to the Board of Directors compensation for executive officers. The Compensation Committee held one meeting during the year ended December 31, 2006. The Compensation Committee does not have a charter.

The Company does not have a Nominating Committee of the Board of Directors. The

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

Board of Directors presently consists of only seven members and has not added a new member since 2001. Since the executive officers control approximately 50% of the voting power of the outstanding common stock of the Company and occupy four of the seven seats on the Board of Directors, the Board of Directors believes that it is appropriate not to have a Nominating Committee. If there were a new nominee for Director to be considered, it is expected that all of the Directors would participate in the process. The Board of Directors does not have a formal policy with regard to the consideration of any director candidates recommended by shareholders. The Board of Directors, however, would consider qualified nominees recommended by shareholders. Shareholders who wish to recommend a qualified nominee should submit complete information as to the identity and qualifications of the person recommended to the Secretary of the Company at 23251 Mulholland Drive, Woodland Hills, California 91364-2732. Absent special circumstances, the Board of Directors will continue to nominate qualified incumbent Directors whom the Board of Directors believes will continue to make important contributions to the Board of Directors. The Board generally requires that nominees be persons of sound ethical character, be able to represent all shareholders fairly, have no material conflicts of interest, have demonstrated professional achievement, have meaningful experience and have a general appreciation of the major business issues facing the Company. The Board of Directors does not have a formal process for identifying and evaluating nominees for Director.

Communications with the Board of Directors

The Company provides a process for shareholders to send communications to the Board of Directors or any of the Directors. Shareholders may send written communications to the Board of Directors or any Director, c/o Secretary, Unico American Corporation, 23251 Mulholland Drive, Woodland Hills, California 91364. All communications will be compiled by the Secretary of the Company and submitted to the members of the Board of Directors or to the individual Director to whom it was addressed on a periodic basis. The Company does not have a policy with regard to Directors' attendance at the Annual Meeting of Shareholders. Four of the Directors attended the 2005 Annual Meeting of Shareholders.

Code of Ethics

The Company has adopted a Code of Ethics that applies to its principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. A copy of the Code of Ethics may be obtained, without charge, upon written request to the Secretary, Unico American Corporation, 23251 Mulholland Drive, Woodland Hills, California 91364.

EXECUTIVE COMPENSATION AND OTHER INFORMATION

Compensation Discussion and Analysis

Objectives and Overview

Our compensation package for executive officers at present primarily consists of a base salary, an annual incentive bonus and contributions under the Profit Sharing and Money Purchase Plans. Our executive compensation program is designed to retain and reward individuals who are capable of leading the Company in achieving its business objectives. Our philosophy is to maintain a competitive base salary for executive officers

and to provide an incentive program that rewards executive officers based upon their contribution to the Company's operational and financial performance. Base compensation is determined on a calendar year basis, annual incentive bonuses are paid in December of each year, and other incentives are determined when deemed appropriate. The Compensation Committee reviews annually the compensation of executive officers and submits its compensation recommendations to the entire Board of Directors for its approval. In December 2006, the Compensation Committee made its recommendations to the Board of Directors as to incentive bonuses for 2006. These recommendations were approved by the Board of Directors. The Compensation Committee usually makes its annual base compensation recommendations to the Board of Directors sometime early in the applicable year. We have entered into employment agreements with Cary L. Cheldin, Lester A. Aaron, and George C. Gilpatrick. These employment agreements provide for minimum base compensation and minimum annual incentive bonus compensation. Erwin Cheldin, our president and chief executive officer, is not covered by an employment agreement.

Base Compensation

When determining its recommendations to the Board of Directors as to base compensation for the executive officers, the Compensation Committee takes into account the executive officer's duties and responsibilities and the competitive pay levels in the industry with its emphasis on the median of the survey data. The Committee recommends to the Board of Directors adjustments to base compensation when it determines that an executive officer's base compensation is not competitive after taking into account his duties and responsibilities and the Company contributions under the Profit Sharing Plan and Money Purchase Plan. In 2006, taking into account these factors, the Compensation Committee determined that Erwin Cheldin's base compensation was competitive and recommended that his base compensation for 2006 not be increased. It also recommended that Cary L. Cheldin, Lester A. Aaron, and George C. Gilpatrick each receive an increase in 2006 base compensation of approximately 5% over the prior year. The Board of Directors approved these recommendations.

Annual Incentive Bonus

In determining its recommendations as to incentive bonuses for the executive officers, the Compensation Committee first evaluates, and gives primary weight to, the operational and financial performance of the executive management team as a group. After the team results are evaluated, individual effectiveness in contributing to the achievement of those results is considered. The financial results, which are reviewed by the Compensation Committee, include the Company's net income, revenues and expenses for the four fiscal quarters ending September 30. The Compensation Committee does not quantify any single element in its bonus recommendations to the Board of Directors. The Compensation Committee aggregates all elements reviewed and subjectively determines its recommendation based on all information available.

The Compensation Committee in determining its recommendations as to bonuses to be paid to the executive officers in December 2006 considered and evaluated our operating results for the three years ended December 31, 2005, as well as the improvements in results through the third quarter of 2006. Primarily due to the improved results reported in 2005 and the nine months ended September 30, 2006, the Compensation Committee recommended that a \$30,000 bonus be paid to Erwin Cheldin, the chief executive officer, for the year ended December 31, 2006. The Compensation Committee also considered the contributions of Cary L. Cheldin, executive vice president, to the improvement in operating results and the minimum bonus provided under his employment agreement. Cary L. Cheldin also serves as the president of Crusader Insurance Company, the Company's insurance

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

company subsidiary. Crusader Insurance Company accounted for approximately 89% of the Company's 2006 consolidated net revenues and primarily accounted for the Company's improved operating results. The Compensation Committee also considered that no stock options were granted to him since a grant of incentive options covering 25,000 shares were granted to him on June 24, 1994. Taking these factors into consideration, the Committee recommended a bonus should be paid to Cary L. Cheldin in the amount of \$300,000 for the year ended December 31, 2006. Considering the improved results and their performance and contributions, the Committee also recommended that the bonuses to be paid to Messrs. Aaron and Gilpatrick for the year ended December 31, 2006 be \$114,000 and \$81,500, respectively.

Section 162(m) of the Internal Revenue Code

Section 162(m) of the Internal Revenue Code, enacted as part of the Omnibus Budget Reconciliation Act of 1993 (OBRA) limits to \$1,000,000 the deductibility for any year beginning after December 31, 1993, of compensation paid by a public corporation to the chief executive officer and the next four most highly compensated executive officers unless such compensation is performance based within the meaning of Section 162(m) and the regulations thereunder. For the year ended December 31, 2006, we do not contemplate that there will be nondeductible compensation paid the executive officers of the Company as a result of Section 162(m).

The amount of the bonus is determined by the Board of Directors, in its discretion, but it is not to be less than the amount of the aggregate bonuses paid to the employee during the immediately preceding calendar year, less any amounts paid as a discretionary bonus since the immediately preceding January. Cause, as defined in the agreement, includes chronic alcohol or drug addiction by Mr. Cheldin, fraud or unlawful appropriation of any money or other assets or properties of the Company by Mr. Cheldin, a material breach by Mr. Cheldin of the terms of his employment agreement which is not cured within ten (10) days after the Company has given Mr. Cheldin written notice describing such material breach, the conviction of Mr. Cheldin of any felony involving moral turpitude or any other serious crime involving moral turpitude, Mr. Cheldin's gross moral turpitude relevant to his office or employment with the Company, and Mr. Cheldin's willful engagement in misconduct which is demonstrably and materially injurious to the Company.

- o If the agreement is terminated by the Company without cause or by Mr. Cheldin on account of a breach of the agreement by the Company, Mr. Cheldin is entitled to (a) immediate payment in full of his salary for the remainder of the term of the agreement, without discount or mitigation, (b) his bonus for the remainder of the term of the agreement (without giving effect to the termination) and (c) his benefits for the remainder of the term of the agreement (without giving effect to the termination).
- o The Company has the option to terminate the agreement if Mr. Cheldin becomes permanently disabled and is no longer able to perform the essential functions of his position with reasonable accommodation, provided that the Company has provided the required disability insurance benefit as part of his benefits. The agreement terminates on the death of Mr. Cheldin which is not considered a termination by the Company without cause.

The following table quantifies estimated payments and benefits described above to which Mr. Cheldin would be entitled to under his employment agreement if his employment had been terminated on December 31, 2006 by the Company without cause or by Mr. Cheldin on account of a breach of the agreement by the Company.

George C. Gilpatrick. The Company entered into an employment agreement with George C. Gilpatrick which became effective on May 15, 2006. The agreement has a term of five years. This agreement is terminable by the Company or Mr. Gilpatrick at any time upon written notice. Mr. Gilpatrick's agreement provides for, among other things:

- o An annual base salary of no less than \$188,500. The annual base salary is subject to increase from time to time at the discretion of the Board of Directors.
- o An annual bonus provided that the Company's consolidated net income (prior to deductions for income taxes and current bonuses paid to all executive officers of Company, including Mr. Gilpatrick, but after deducting discretionary bonuses paid to all employees) for the most recent four fiscal quarters ending prior to such payment date is equal to or greater than \$4 million. The amount of the bonus is determined by the Board of Directors, in its discretion, but it is not to be less than the amount of the aggregate bonuses paid to the employee during the immediately preceding calendar year, less any amounts paid as a discretionary bonus since the immediately preceding January. If the agreement is terminated by the Company for cause or by Mr. Gilpatrick for other than a breach by the Company, payments of base salary, bonus, and benefits shall cease. Mr. Gilpatrick is entitled only to payments of accrued but unpaid salary and vacation for periods or partial periods that occurred prior to the date of termination. Option/SAR Grants in Last Fiscal Year

No stock options or stock appreciation rights were granted to any executive officer during the year ended December 31, 2006.

Options/SAR Exercises in Last Fiscal Year and Unexercised Options/SAR at Fiscal Year End

No stock options or stock appreciation rights were exercised by any executive officer during the year ended December 31, 2006, and no options or stock appreciation rights were held by any executive officer at December 31, 2006.

Omnibus Stock Plan

The Company's 1999 Omnibus Stock Plan (the "1999 Plan") that covers 500,000 shares of the Company's common stock (subject to adjustment in the case of stock splits, reverse stock splits, stock dividends, etc.) was adopted by the Board of Directors in March 1999 and approved by shareholders on June 4, 1999. The 1999 Plan is divided into a Stock Option Program under which eligible persons may be granted options to purchase shares of common stock, a Stock Appreciation Program under which eligible persons may be granted the right to receive a payment in the form of cash, stock or a combination of the foregoing, and a Restricted Stock Program under which eligible persons may be issued shares of common stock directly either through an immediate purchase or as a bonus. The 1999 Plan and each Program are administered by the Board of Directors or a committee authorized by the Board and consisting of at least two directors each of whom is not an officer or employee of the Company and meets the qualifications set forth in Rule 16b-3 promulgated under the Securities Exchange Act of 1934, as amended. Presently, the 1999 Plan is being administered by the Board of Directors.

Employees, consultants, advisors and directors of the Company are eligible to participate in the 1999 Plan. However, only employees are entitled to receive "incentive stock options" (as provided in Section 422 of the Internal Revenue Code of 1986, as amended) under the Stock Option Program. Under the Stock Option Program, both incentive stock options and options which do not qualify as incentive stock options may be granted. The term of an option may not exceed ten

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

years (or five years in the case of the grant of an incentive stock option to a holder of more than ten percent (10%) of the outstanding common stock). The exercise price per share of common stock under an option may not be less than the fair market value of the common stock on the date of the option grant. In the case of the grant of an incentive stock option to a holder of more than 10% of the outstanding common stock, the exercise price may not be less than 110% of the fair market value of the common stock on the date of the option grant. Under the Stock Appreciation Program, stock appreciation rights may be granted separately or in tandem with a stock option. Stock appreciation rights entitle the holder thereof to receive upon exercise of such right without payment to the Company an amount which is not greater than the fair market value of a share of common stock on the date of exercise of the stock appreciation right over the fair market value of a share of common stock on the date of grant of the stock appreciation right. Under the Restricted Stock Program, the Company may issue shares of its common stock directly to eligible persons for consideration consisting of

9

cash, notes or past services rendered by the recipient. The purchase price of the shares may not be less than the fair market value of the Company's common stock on the date of issue. If a recipient terminates his or her employment or other arrangements with the Company before the shares are fully vested, then the recipient is required to surrender to the Company for cancellation all unvested shares and the Company must repay the recipient cash or cash equivalent consideration paid by him or her for those unvested shares and cancel the unpaid principal balance, if any, on any promissory notes attributable to surrender the shares.

In the event of a "change of control event" as defined in the 1999 Plan, all unvested options, stock appreciation rights and restricted stock issuances will immediately become exercisable or vest, as the case may be. The 1999 Plan administrator may override the acceleration of these rights either in the agreement setting forth those rights or prior to the "change of control event." A "change of control event" occurs if (a) more than twenty percent (20%) of the Company's common stock or combined voting power is acquired by a person or entity other than Mr. Erwin Cheldin, the Company or an employee benefit plan of the Company, but not including any acquisition directly from the Company; (b) a majority of the Company's Board of Directors ceases to consist of the present directors or persons whose election or nomination was approved by a majority of the then incumbent Board of Directors (excluding any director who assumes his or her position as a result of an actual or threatened proxy contest); (c) the Company is reorganized, merged or consolidated into another entity; or (d) the shareholders approve the liquidation or dissolution of the Company or the sale of all or substantially all of its assets; unless with respect to (c) or (d), after the event more than eighty percent (80%) of the common stock or the outstanding voting securities of the Company, the surviving company or the company that purchases the Company's assets is still held by persons who were formerly the shareholders of the Company, and no person or entity other than Mr. Erwin Cheldin, the Company, any employee benefit plan of the Company or the resulting company or a twenty percent (20%) shareholder prior to the transaction holds more than twenty percent (20%) of such company's common stock or combined voting power.

All outstanding options, stock appreciation rights and/or unvested stock issuances under the 1999 Plan will terminate upon consummation of (a) a dissolution of the Company or (b) in case no provision has been made for the survival, substitution, exchange or other settlement of any outstanding option, stock appreciation rights and/or unvested stock issuances, a merger or consolidation of the Company with another corporation in which the shareholders

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

of the Company immediately prior to the merger will own less than a majority of the outstanding voting securities of the surviving corporation after the merger, or a sale of all or substantially all of the assets and business of the Company to another corporation.

Report of the Audit Committee

Neither the following report of the Audit Committee nor any other information included in this Proxy Statement pursuant to Item 7(d)(3) of Schedule 14A promulgated under the Securities Exchange Act of 1934 or pursuant to Item 407(d)1-3 of Regulation S-K constitutes "soliciting material" and none of such information should be deemed to be "filed" with the Securities and Exchange Commission or incorporated by reference into any other filing of the Company under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent that the Company specifically incorporates such information by reference in any of those filings.

Management is responsible for the Company's financial reporting process including its system of internal control and for the preparation of consolidated financial statements in accordance with U.S. generally accepted accounting principles (GAAP). The Company's independent auditors are responsible for auditing those financial statements. Our responsibility is to monitor and oversee these processes. It is not our duty or our responsibility to conduct auditing or accounting reviews or auditing or accounting procedures. We are not employees of the Company; and we may not be, and we may not represent ourselves to be or to serve as, accountants or auditors by profession or experts in the fields of accounting or auditing. Therefore, we have relied on management's representation that the financial statements have been prepared with integrity and objectivity and in conformity with GAAP and on the representations of the independent auditors included in their report on the Company's financial statements. Our oversight does not provide us with an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, our considerations and discussions

Edgar Filing: UNICO AMERICAN CORP - Form DEF 14A

with management and the independent auditors do not assure that the Company's financial statements are presented in accordance with GAAP, that the audit of the Company's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America, or that the Company's independent accountants are in fact "independent."

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2006, with the Company's management.

11

The Audit Committee has discussed with KPMG LLP the matters required to be discussed pursuant to Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU ss.380). Additionally, the Audit Committee has received from KPMG LLP the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee also has discussed with KPMG LLP matters relating to their independence.

Based on the review and discussions described above, the Audit Committee recommended to the Board of Directors of the Company that the audited financial statements of the Company be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2006.

RELATED PARTY TRANSACTIONS

The Company presently occupies a 46,000 square foot building located at 23251 Mulholland Drive, Woodland Hills, California, under a master lease expiring March 31, 2012. Erwin Cheldin, the Company's president, chairman and principal stockholder, is the owner of the building. The Company signed an extension to the lease with 4% increase in rent effective April 1, 2007. The lease provides for an annual gross rent of \$1,025,952 through March 31, 2007, and \$1,066,990 from April 1, 2007 through March 31, 2012. In addition, the lease extension provides for two five year options with a rent increase of 5% for each option period. The Company believes that at the inception of the lease agreement and at each subsequent extension, the terms of the lease were at least as favorable to the Company as could have been obtained from non-affiliated third parties. Accordingly, the Board has adopted a policy for the review, approval and ratification of such transactions by the Audit Committee. Under this policy, a transaction shall be consummated or continued if the Audit Committee approves or ratifies the transaction in accordance with the guidelines and determines that the transaction is on terms comparable to those that could be obtained in arm's length dealings with an unrelated third party or the transaction involves compensation approved by the Compensation Committee. For purposes of this policy, a "related party transaction" is a transaction, arrangement or relationship, or any series of similar transactions, arrangements

Executive officers, directors, and greater than 10% beneficial owners are required by regulation of the SEC to furnish the Company with copies of all Section 16(a) forms they file. To the Company's knowledge, based solely on review of copies of such reports furnished to the Company and written representations that no other reports were required during the year ended December 31, 2006, all Section 16(a) filing requirements applicable to its executive officers, directors, and greater than 10% beneficial owners were complied with.
