-

**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On December 15, 2006, Lou Neeb was named the new Chief Executive Officer of Mexican Restaurants, Inc., replacing Curt Glowacki, who resigned as Chief Executive Officer and President of the Company. As previously disclosed, Mr. Glowacki's resignation was not the result of any disagreement between Mr. Glowacki and the Company regarding any matter relating to the Company's operations, policies or practices.

Upon taking the CEO position, Mr. Neeb, previously an independent director and a member of the Company's Audit Committee, stepped down as a member of the Audit Committee in order to comply with Nasdaq's audit committee requirements as set forth in Nasdaq Marketplace Rule 4350, leaving two directors on that committee. The Company notified the Nasdaq Staff of this event by letter of December 21, 2006. The Company was then formally notified by Nasdaq by a Nasdaq Staff Deficiency Letter on December 26, 2006 of Nasdaq's receipt of the Company's letter and of the Company's failure to keep in compliance with Nasdaq's requirement for listed issuers to have an audit committee comprised of at least three directors, all of whom must be independent within the meaning of the Nasdaq Marketplace Rules as set forth in Marketplace Rule 4350. A copy of the December 26, 2006 letter from the Nasdaq Staff is attached hereto as Exhibit 99.1. Consistent with Nasdaq Marketplace Rule 4350(d)(4), in its letter Nasdaq provided the Company with a cure period in order to regain compliance until the earlier of the Company's next annual shareholders' meeting or December 15, 2007. A special committee of the Company's Board of Directors to conduct a search for a new Chief Executive Officer, and an independent director if an existing independent director is unable to serve on the Audit Committee, is in the process of being selected by the Board.

A copy of the Company's press release with respect to this matter is attached hereto as Exhibit 99.2.
