PROXY STATEMENT

INFORMATION CONCERNING SOLICITATION AND VOTING

This Proxy Statement and the accompanying proxy are being furnished with respect to the solicitation of proxies by the Board of Directors of China Pharma Holdings, Inc., a Nevada corporation (the “Company”, “we” or “us”), for our Annual Meeting of Stockholders for the fiscal year ended December 31, 2014 (the “Annual Meeting”). The Annual Meeting will be held on Tuesday, December 8, 2015, at 9:00 p.m., local time 8:00 a.m. Eastern Time, and at any adjournment(s) or postponement(s) thereof, at Conference Room, 2nd Floor, Jiahai Building, No. 17 Jinpan Road, Haikou, Hainan Province, China 570216.

The date on which the Proxy Statement and form of proxy card are intended to be sent to stockholders is October 29, 2015.

The purpose of the Annual Meeting is for the election of our directors, the advisory vote on executive compensation, and the advisory vote on the frequency of the advisory vote on executive compensation. We will also transact such other business as may properly come before the Annual Meeting or any adjournment thereof.

Who May Vote

Only stockholders of record of our common stock, par value \$.001 per share (“common stock”), as of the close of business on October 20, 2015 (the “Record Date”) are entitled to notice and to vote at the Annual Meeting and any adjournment or adjournments thereof.

A list of stockholders entitled to vote at the Annual Meeting will be available at the Annual Meeting and for ten days prior to the Annual Meeting, during office hours, at our executive offices located at 2nd Floor, No. 17 Jinpan Road, Haikou, Hainan Province, The People's Republic of China 570216, by contacting the Secretary of the Board.

The presence at the Annual Meeting of one-third of the outstanding shares of common stock as of the Record Date, in person or by proxy, is required for a quorum. Should you submit a proxy or voter instructions, even though you abstain as to one or more proposals, or you are not present in person at the Annual Meeting, your shares shall be counted for the purpose of determining if a quorum is present.

Broker “non-votes” are included for the purposes of determining whether a quorum of shares is present at the Annual Meeting. A broker “non-vote” occurs when a nominee holder, such as a brokerage firm, bank or trust company, holding shares of record for a beneficial owner does not vote on a particular proposal because the nominee holder does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

As of the Record Date, we had issued and outstanding 43,579,557 shares of common stock. Each holder of our common stock on the Record Date is entitled to one vote for each share then held on all matters to be voted at the Annual Meeting. No other class of voting securities was then outstanding.

Voting Your Proxy

You may vote by proxy via phone, fax, internet and mail by following the instructions provided in the Proxy Materials mailed to you or your household. You may submit your vote over the Internet or mail until 11:59 a.m. (New York City time) on December 7, 2015.

You may also vote in person at the Annual Meeting. If your shares are held through a broker, trust, bank, or other nominee, please refer to the Proxy Materials and any other information forwarded to you by such holder of record to obtain a valid proxy from it. You will need to bring this legal proxy with you to the Annual Meeting in order to vote in person.

The shares represented by any proxy duly given will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, the shares will be voted FOR the election of the nominees to our Board of Directors. In addition, if other matters come before the Annual Meeting, the persons named in the accompanying form of proxy will vote in accordance with their best judgment with respect to such matters. However, without voting instructions, brokers are prohibited from giving proxies to vote on executive compensation matters, including the advisory vote on executive compensation and the advisory vote on the frequency of the advisory vote on executive compensation.

Each share of our common stock outstanding on the Record Date will be entitled to one vote on all matters. Assuming a quorum is present, a plurality of the votes cast at the Annual Meeting by the stockholders entitled to vote in the election, either in person or by proxy, is required to elect the director nominees. An affirmative vote of a majority of the shares entitled to vote and present, in person or by properly executed proxy, is required to approve, on a non-binding advisory basis, the executive compensation. For the frequency of the advisory vote on executive compensation, a plurality of votes cast by the shares present or represented by proxy and entitled to vote at the Annual Meeting will be deemed to have received the advisory approval. In counting the votes cast, only those cast “for” and “against” a matter are included.

Shares which abstain or which are withheld from voting as to a particular matter, and shares held in “street name” by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to a particular matter, will not be counted as votes in favor of such matter, and will also not be counted as shares voting on such matter. Accordingly, abstentions, withheld votes, and “broker non-votes” will have no effect on the voting on matters that require the affirmative vote of a plurality or a majority of the votes cast or the shares voting on the matter.

Stockholders have no cumulative voting rights or dissenter’s or appraisal rights relating to the matters to be acted upon at the Annual Meeting.

Revoking Your Proxy

Even if you submit a proxy or voter instructions, you may revoke your proxy and change your vote. You may revoke your proxy or voter instructions by submitting a new proxy or voter instructions over the Internet following the procedure to vote your shares online described in the Notice of Internet Availability of Proxy Materials. You may also revoke your proxy by mail requesting a copy be mailed to you, executing a subsequently-dated proxy or voter instructions card, and mailing it in the pre-addressed envelope, which requires no additional postage if mailed in the United States. You may also revoke your proxy by your attendance and voting in person at the Annual Meeting. Mere attendance at the meeting will not revoke a proxy or voter instructions. We will vote the shares in accordance with the directions given in the last proxy or voter instructions submitted in a timely manner before the Annual Meeting. You may revoke your vote over the Internet until 11:59 a.m. (EST) on December 7, 2015. If you revoke your vote by mail,

please be aware that we can recognize the revoked vote only if we receive it by close of business of the day before the Annual Meeting.

If the Annual Meeting is postponed or adjourned for any reason, at any subsequent reconvening of the Annual Meeting, all proxies will be voted in the same manner as the proxies would have been voted at the original convening of the Annual Meeting (except for any proxies that have at that time effectively been revoked or withdrawn), even if the proxies had been effectively voted on the same or any other matter at a previous meeting.

You are requested, regardless of the number of shares you own or your intention to attend the Annual Meeting, to vote your shares as described above.

Solicitation of Proxies

We will pay for expenses of solicitation of proxies for the Annual Meeting. We may solicit proxies by mail, and our officers and employees may solicit proxies personally or by telephone and will receive no extra compensation from such activities. We will reimburse brokerage houses and other nominees for their expenses incurred in sending proxies and proxy materials to the beneficial owners of shares held by them.

Delivery of Proxy Materials to Households

Only one copy of this Proxy Statement and/or other Proxy Materials, as applicable, will be delivered to an address where two or more stockholders reside with the same last name or whom otherwise reasonably appear to be members of the same family based on the stockholders' prior express or implied consent.

Vote Required and Board of Directors' Recommendation

Assuming a quorum is present, a plurality of the votes cast at the Annual Meeting by the stockholders entitled to vote in the election, either in person or by proxy, is required to elect the director nominees. For purposes of the election of directors, abstentions and broker non-votes will have no effect on the result of the vote.

The Board of Directors recommends a vote "FOR" each nominee.

PROPOSAL NO. 2
ADVISORY VOTE ON EXECUTIVE COMPENSATION
(Say-On-Pay)

The Company seeks a non-binding advisory vote from its stockholders to approve the compensation of the Company's executive officer as described under "Executive Compensation" and the tabular disclosure regarding our named executive officer's compensation (together with the accompanying narrative disclosure) in this Proxy Statement.

This proposal, commonly known as a "say-on-pay" proposal, gives the Company's stockholders the opportunity to express their views on our executive officer's compensation. Because your vote is advisory, it will not be binding upon the Board of Directors. However, the Nominating and Compensation Committee will take into account the outcome of the vote when making future executive officer compensation decisions. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officer as described pursuant to applicable SEC rules in this Proxy Statement.

The Company believes that its compensation policies and decisions are designed to deliver a performance-based pay philosophy, are aligned with the long-term interests of the Company's stockholders and are competitive. Our principal compensation policies, which enable it to attract and retain talented executive officers to lead the Company in the achievement of our business objectives, include:

The Company makes annual cash compensation decisions based on assessment of our performance against measurable financial goals, as well as each executive's individual performance.

The Company emphasizes long-term incentive compensation awards that collectively reward executive officers based on our performance, external and internal peer equity compensation practices, and the executive officer's job responsibilities.

The Company designs pay practices to retain a highly talented and experienced senior executive team.

The Company encourages stock ownership by our senior executive officers.

As a result, the Company is presenting this proposal, which gives you as a stockholder the opportunity to approve, on an advisory basis, the Company's executive officer compensation as disclosed in this proxy statement under the heading entitled "Executive Compensation" by voting for or against the following resolution:

"RESOLVED, that the Company's stockholders approve the compensation of the named executive officer on an advisory basis, the compensation of the individual identified in the Summary Compensation Table, as disclosed in this Proxy Statement (which disclosure includes the compensation tables and the accompanying narratives within the Executive Compensation section)."

Vote Required and Board of Directors' Recommendation

This Say-on-Pay proposal is advisory and non-binding. To be approved, on a non-binding advisory basis, this proposal must receive the affirmative vote of a majority of the shares entitled to vote and present, in person or by properly executed proxy, at the Annual Meeting. However, the approval or disapproval of this proposal by stockholders will

not require the Board or the Nominating and Compensation Committee to take any action regarding the Company's executive compensation practices. The final decision on the compensation and benefits of the Company's named executive officer and on whether, and if so, how to address stockholder disapproval remains with the Board and the Nominating and Compensation Committee. Brokers are prohibited from giving proxies to vote on executive compensation matters unless the beneficial owner of such shares has given voting instructions on the matter. This means that if your broker is the record holder of your shares, you must give voting instructions to your broker with respect to Proposal No. 2 if you want your broker to vote your shares on Proposal No. 2.

The Board of Directors believes that the compensation of the executive officer is appropriate and recommends a vote FOR the approval of the executive compensation as described in the compensation tables and otherwise in this proxy statement.

PROPOSAL NO. 3

ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE TO APPROVE OUR
EXECUTIVE COMPENSATION PRACTICES

The Company seeks a non-binding advisory vote from its stockholders regarding the desired frequency for holding a non-binding advisory vote to approve the compensation of our executive officers as described in our annual proxy statements.

This proposal gives our stockholders the opportunity to express their views as to whether the non-binding advisory vote on our executive compensation practices should occur every one, two, or three years. Because your vote is advisory, it will not be binding upon the Board. However, the Board will take into account the outcome of the vote when deciding the frequency of the non-binding advisory vote on its future executive compensation decisions.

The Company recommends that a non-binding advisory vote to approve the compensation of its executive officer(s) as described in its annual proxy statements occur every three years. The Company believes that holding this vote every three years will be the most effective timeframe because it will provide its Board and Compensation Committee with sufficient time to engage with its stockholders following each such vote, to understand any concerns its stockholders may have, and to implement any changes they deem appropriate in response to the vote results. In addition, one aspect of its executive compensation philosophy is the alignment of its executive officer(s)' long-term interests with those of its stockholders, and a vote every three years will provide stockholders with additional time to evaluate the effectiveness of its executive compensation philosophy as it relates to its performance. Nevertheless, although it is the Company's current intention to hold such advisory vote every three years, it may determine that a different frequency is appropriate, either in response to the vote of its stockholders on this Proposal or for other reasons.

Vote Required; Board of Directors Recommendation

While the Company believes its recommendation is appropriate at this time, our stockholders are not voting to approve or disapprove its recommendation, but are instead asked to provide an advisory vote on whether the non-binding advisory vote on the approval of its executive compensation practices should be held every one, two or three years. The option among those choices that obtains a plurality of votes cast by the shares present or represented by proxy and entitled to vote at the Annual Meeting will be deemed to have received the advisory approval of our stockholders.

The Board of Directors recommends that the stockholders cast their advisory votes for holding the non-binding advisory vote to approve its executive compensation practices every "THREE YEARS".

CORPORATE GOVERNANCE

Board Composition

Our Board of Directors is comprised of five members. Directors are divided into two classes, independent directors and non-independent directors. Independent directors will hold office for a term of one (1) year, expiring on the date of the next annual meeting, or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Non-independent directors will hold office for a term of three (3) years or when their respective successors shall have been elected and shall qualify, or upon their prior death, resignation or removal. Ms. Zhilin Li, our President and Chief Executive Officer, is the Chairman of the Board and a non-independent director. Ms. Heung Mei Tsui, an affiliate of the company, is a non-independent director. Messrs. G. Michael Bennett, Yingwen Zhang and Baowen Dong are our independent directors and serve as members of the Audit, Nominating and Compensation Committees.

Director Independence

Our Board has determined that Messrs. Gene Michael Bennett, Baowen Dong and Yingwen Zhang satisfy the criteria for independence under NYSE MKT and SEC rules for independence of directors and of committee members.

Board Leadership Structure

The Board believes that the combined role of Chief Executive Officer and Chairman is most suitable for our company because Ms. Li, serves as our company's President and Chief Executive Officer since 2005, is the individual most familiar with our business and industry, including the regulatory structure and other industry-specific matters, as well as being the person most capable of effectively identifying strategic priorities and leading the discussion and execution of strategy. Independent directors and management have different perspectives and roles in strategy development. The Chief Executive Officer brings company-specific experience and expertise, while the Company's independent directors bring experience, oversight, and expertise from outside the Company and its industry. The Board believes that the combined role of Chief Executive Officer and Chairman of the Board promotes the development and execution of our strategy and facilitates the flow of information between management and the Board, which is essential to effective corporate governance. The Board believes the combined role of Chief Executive Officer and Chairman, together with our independent directors, is in the best interest of stockholders because it provides the appropriate balance between independent oversight of management and development of strategy.

Risk Management

The Board is involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board, but the full Board retains responsibility for general oversight of risks. The Nominating and Compensation Committee is responsible for overseeing the management of risks related to the Company's executive compensation plans and arrangements, and also for managing risks associated with the independence of the Board of Directors and potential conflicts of interest. The Audit Committee oversees management of financial risks, including risks related to liquidity, credit, operations and regulatory compliance, among others, and the processes in place to monitor and control such exposures. Our Board and its committees have access at all times to the Company's management to discuss any matters of interest, including matters bear risks. We believe that our Board leadership structure enables senior management to communicate identified risks to our Board and its committees, and affords a free flow of communications regarding risk identification and mitigation.

Audit Committee

The Audit Committee assists the Board in monitoring:

19

- our accounting, auditing, and financial reporting processes;
- the integrity of our financial statements;
