Item 1.01 Entry into a Material Definitive Agreement.

On April 2, 2008, eMagin Corporation (the “Company”) entered into a Securities Purchase Agreement, pursuant to which it sold to certain qualified institutional buyers and accredited investors (the “Investors”) an aggregate of 1,586,539 shares of the Company’s common stock, par value \$0.001 per share (the “Shares”), and warrants to purchase an additional 793,273 shares of common stock, for an aggregate purchase price of \$1,650,000. The purchase price of the common stock was \$1.04 per share and the strike price of the corresponding warrant was \$1.30 per share. The warrants expire April 2, 2013.

The Company entered into a Registration Rights Agreement with the Investors to register the resale of the Shares sold in the offering and the shares of common stock issuable upon exercise of the warrants. Subject to the terms of the Registration Rights Agreement, the Company is required to file a registration statement on Form S-1 with the Securities and Exchange Commission (the “SEC”) within 45 days of the closing, to use its best efforts to cause the registration statement to be declared effective under the Securities Act of 1933 (the “Act”) as promptly as possible after the filing thereof, but in no event later than 90 days after the filing date and no later than 120 days after the filing date (in the event of SEC review of the registration statement).

The Company claims an exemption from the registration requirements of the Act for the private placement of these securities pursuant to Section 4(2) of the Act and/or Regulation D promulgated thereunder since, among other things, the transaction did not involve a public offering, the investors were accredited investors and/or qualified institutional buyers, the investors had access to information about the company and their investment, the investors took the securities for investment and not resale, and the Company took appropriate measures to restrict the transfer of the securities.
