PROXY STATEMENT

This proxy statement provides information about the annual meeting of shareholders of Entertainment Properties Trust to be held at the Leawood Town Centre Theatre, Leawood, Kansas, on May 10, 2006, beginning at 10:00 a.m., and at any postponement or adjournment of the meeting.

This proxy statement and the enclosed proxy card were first mailed to shareholders on or about April 7, 2006.

ABOUT THE MEETING

What am I voting on?

The Board of Trustees is soliciting your vote for:

- o The election of two Class III trustees for a three year term
- o The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2006

Our management will report on the performance of the Company during 2005 and respond to questions from shareholders.

Who is entitled to vote at the meeting?

Holders of record of our common shares at the close of business on February 15, 2006, are entitled to receive notice of the annual meeting and to vote their common shares held on that date at the meeting.

How many votes do I have?

Each common share has one vote. The enclosed proxy card shows the number of common shares you are entitled to vote.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

What constitutes a quorum?

The presence at the meeting, in person or by proxy, of the holders of a majority of our common shares outstanding on the record date will constitute a quorum, permitting the meeting to proceed. On the record date, 25,673,034 common shares of the Company were outstanding. Proxies received but marked as abstentions and broker non-votes will be included in calculating the number of common shares present at the meeting for the purpose of establishing a quorum.

How do I vote?

If you complete and properly sign the enclosed proxy card and return it to us before the meeting, your common shares will be voted as you direct. If you are a shareholder of record and attend the meeting in person, you may deliver your completed proxy card at the meeting. You are also invited to vote in person at the meeting. You may request a ballot when you arrive.

If your shares are held in the name of a bank, broker or other nominee and you wish to vote at the meeting, you must obtain a proxy form from the institution that holds your shares.

If you are a participant in our dividend reinvestment and direct share purchase plan, your plan shares will be voted as you instruct on your proxy card.

Does EPR have a policy for confidential voting?

We have a confidential voting policy. Your proxy will be kept confidential and will not be disclosed to third parties, other than our inspector of election and personnel involved in processing the proxy cards and tabulating the vote.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote or revoke your proxy at any time before the meeting by sending a written notice of revocation or a duly executed proxy with a later date to the Secretary of the Company. Your proxy will also be revoked if you attend the meeting and vote in person. If you merely attend the meeting but do not vote in person, your previously granted proxy will not be revoked.

What are the Board's recommendations?

Unless you give other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote your common shares in accordance with the recommendations of the Board of Trustees. The Board recommends you vote:

- o For the election of the persons nominated as Class III trustees
- o For the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2006

If any other matter properly comes before the meeting, the proxy holders will vote as recommended by the Board of Trustees or, if no recommendation is given, in their own discretion.

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

How many votes are needed to approve each item?

Election of Trustees. The affirmative vote of a plurality of the common shares voted at the meeting is required for the election of the Class III trustees. This means the two nominees in Class III receiving the greatest number of votes will be elected. We will not count abstentions in the election of trustees. If you check "WITHHOLD AUTHORITY" under the nominees' names on your proxy card, your shares will be voted against both nominees. You may also vote against a nominee by striking through his name on your proxy card.

Ratification of appointment of independent registered public accounting firm. The affirmative vote of a majority of the common shares voted at the meeting is required to ratify the appointment of KPMG LLP as our independent registered public accounting firm. We will not count abstentions in the ratification of KPMG LLP as our independent registered public accounting firm.

How will broker non-votes be counted?

Broker non-votes (which occur when a broker or other nominee has not received directions from its customers and does not have discretionary authority to vote the customers' shares) will not have the effect of a vote against either proposal.

What does it mean if I receive more than one proxy card?

Some of your shares may be held in more than one account. Please date, sign and return all of your proxy cards to ensure all your common shares are voted.

What if I receive only one set of proxy materials although there are multiple shareholders at my address?

If you and other residents at your mailing address own common shares in street name, your broker, bank or other nominee may have sent you a notice that your household will receive only one annual report and proxy statement for each company in which you hold shares through that broker, bank or nominee. This practice is called "householding." If you did not respond that you did not want to participate in householding, you are deemed to have consented to that process. If these procedures apply to you, your nominee will have sent one copy of our annual report and proxy statement to your address. You may revoke your consent to householding at any time by contacting us at 30 W. Pershing Road, Suite 201, Kansas City, Missouri 64108, (816) 472-1700, Attention: Secretary. If you did not receive an individual copy of our annual report and proxy statement, we will send copies to you if you contact us at the above address or telephone number. If you and other residents at your address have been receiving multiple copies of our annual report and proxy statement and desire to receive only a single copy of these materials, you may contact your broker, bank or other nominee or contact us at the above address or telephone number.

How are trustees compensated?

Each non-employee trustee receives:

- o An annual retainer of \$30,000, which must be taken in common shares, valued at the latest closing price

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o \$1,500 in cash for each Board meeting he attends
- o \$1,000 in cash for each committee meeting he attends
- o Reimbursement for any out-of-town travel expenses incurred in attending Board or committee meetings and other expenses incurred on behalf of the Company

The Chairman of the Board and the Chairmen of the audit, compensation and nominating/company governance committees receive additional annual retainers of \$10,000, \$10,000, \$7,500 and \$5,000, respectively, which may be taken in cash or in common shares valued at 125% of the cash retainer amount.

Employees of the Company or its affiliates who are trustees are not paid any additional compensation for their service on the Board.

Robert J. Druten received options to purchase 10,000 common shares on the effective date of our initial public offering in 1997. Options to purchase 3,333 common shares were granted to each non-employee trustee on the date of each annual meeting from 1998 to 2003. Options to purchase 5,000 common shares have been granted to each non-employee trustee on the date of each annual meeting since 2004. All of these options have an exercise price per share equal to the closing price of our common shares on the annual meeting date. The options vest after one year and expire after ten years unless terminated earlier because of a trustee's termination from the Board. All of the options were issued under our 1997 Share Incentive Plan.

COMPANY GOVERNANCE

Our Board of Trustees is committed to effective company governance. We have adopted Company Governance Guidelines, Independence Standards for Trustees and a Code of Business Conduct and Ethics for all officers, employees and trustees. Those documents and the amended and restated charters of our audit committee, nominating/company governance committee and compensation committee may be found at the Company Governance section of our website at www.eprkc.com and are available in print to any shareholder who requests them.

Company Governance Guidelines

Our Company Governance Guidelines address a number of topics, including the role and responsibilities of our Board, the qualifications of independent trustees, the ability of shareholders to communicate directly with the independent trustees, Board committees, separation of the offices of Chairman and CEO, trustee compensation, and management succession. Our nominating/company governance committee reviews our Company Governance Guidelines on a periodic basis to ensure their continued effectiveness.

6

Who are our independent trustees and how was that determined?

Our Company Governance Guidelines and the governance rules of the New York Stock Exchange ("NYSE") require that a majority of our trustees be independent. To qualify as independent, our Board must affirmatively determine that a trustee has no material relationship with the Company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). To assist our Board in making this determination, the Board has used our Independence Standards for Trustees as categorical standards to evaluate the independence of our independent trustees. Using those standards, the Board

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

reviewed the independence of Messrs. Druten, Earnest, Olson and Brady. Based upon that review, the Board has affirmatively determined that Messrs. Druten, Earnest, Olson and Brady, who constitute a majority of our Board of Trustees and who serve on our audit, nominating/company governance and compensation committees, have no material relationship with the Company and are thus independent in accordance with NYSE rules.

The following is a summary of our Independence Standards for Trustees. For a complete description of those standards, please review our Independence Standards for Trustees at the Company Governance section of our website at www.eprkc.com.

- o A trustee is not independent if:
 - o The trustee is, or has been within the last 3 years, an employee of EPR, or an immediate family member of the trustee is, or has been within the last 3 years, an executive officer of EPR;
 - o The trustee has received, or has an immediate family member who has received, during any 12 month period within the last 3 years, more than \$100,000 in direct compensation from EPR, other than trustee and committee fees and pensions or other forms of deferred compensation (provided such compensation is not contingent on future service);
 - o (A) The trustee or an immediate family member is a current partner of the firm that is our internal or external auditor, (B) the trustee is a current employee of the firm, (C) the trustee has an immediate family member who is a current employee of the firm and who participates in the firm's audit, assurance or tax compliance (but not tax planning) practice, or (D) the trustee or an immediate family member was within the last 3 years (but is no longer) a partner or employee of the firm and personally worked on EPR's audit within that time;
 - o The trustee or an immediate family member is, or has been within the last 3 years, employed as an executive officer of another company where any of EPR's present executive officers at the same time serves on that company's compensation committee; or
 - o The trustee is a current employee, or an immediate family member is a current executive officer, of a company that has made payments to, or received payments from, EPR for property or services in an amount which, in any of the last 3 years, exceeds the greater of \$1 million or 2% of such other company's consolidated gross revenues.
- o A person who is an executive officer or affiliate of an entity that provides non-advisory financial services such as lending, check clearing, maintaining customer accounts, stock brokerage services or custodial and cash management services to EPR or its affiliates may be determined by the Board to be independent if the following conditions are satisfied:

7

- o The entity does not provide financial advisory services to EPR;
- o The annual interest and/or fees payable to the entity by EPR do not exceed the numerical limitation described above;

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

- o Any loan provided by the entity is made in the ordinary course of business of EPR and the lender and does not represent EPR's principal source of credit or liquidity;
 - o The trustee has no involvement in presenting, negotiating, underwriting, documenting or closing any such non-advisory financial services and is not compensated by EPR, the entity or any of its affiliates in connection with those services;
 - o The Board affirmatively determines that the terms of the non-advisory financial services are fair and reasonable and advantageous to the Company and no more favorable to the provider than generally available from other providers;
 - o The provider is a recognized financial institution, non-bank commercial lender or securities broker;
 - o The trustee abstains from voting as a trustee to approve the transaction; and
 - o All material facts related to the transaction and the relationship of the person to the provider are disclosed by EPR in its Exchange Act reports and proxy statement.
- o No person who serves, or whose immediate family member serves, as a partner, member, executive officer or comparable position of any firm providing accounting, consulting, legal, investment banking or financial advisory services to EPR, or as a securities analyst covering EPR, shall be considered independent until after the end of that relationship.
 - o No person who is, or who has an immediate family member who is, an officer, director, more than 5% shareholder, partner, member, attorney, consultant or affiliate of any tenant of the Company or any affiliate of such tenant shall be considered independent until three years after the end of the tenancy or such relationship.

How often did the Board meet during 2005?

The Board of Trustees met seven times in 2005. No trustee attended less than 90% of the meetings of the Board and committees on which he served. Our trustees discharge their responsibilities throughout the year, not only at Board of Trustee and committee meetings, but also through personal meetings, actions by unanimous written consent and communications with members of management and others regarding matters of interest and concern to the Company.

Do the independent trustees hold regular executive sessions?

The independent trustees meet regularly in separate executive sessions without management. Mr. Druten serves as the presiding trustee at those meetings.

8

How can shareholders communicate directly with the Board?

Any shareholder is welcome to send a written communication to the non-management trustees about any matter of interest related to the Company. You may communicate with the non-management trustees by either sending a letter to

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

our address listed on the cover page of this proxy statement, or by visiting the Company Governance section of our website at www.eprkc.com, clicking on "Procedures for Confidential Anonymous Submissions," and following the instructions for making a confidential submission. Your written or electronic communication will be forwarded directly to the non-management trustees and will not be screened by management. Shareholders may also make proposals and nominate candidates for trustee for consideration at any annual meeting in accordance with the procedures described in "Submission of Shareholder Proposals and Nominations" below.

What committees has the Board established?

The Board of Trustees has established an audit committee, a nominating/company governance committee and a compensation committee. All of our non-management trustees serve on all three committees. The Board believes this promotes access to a variety of views on all three committees and helps ensure that all of the committees have a broad perspective on the Company's operations as a whole. The Board has affirmatively determined that all of the committee members are independent, as described above in "Who are our independent trustees and how was that determined?" The members of our audit committee also meet the additional independence standards prescribed by SEC Rule 10A-3. Each committee has adopted a written charter that governs its duties and responsibilities. Copies of the committee charters may be obtained at the Company Governance section of our website at www.eprkc.com.

Audit Committee. The audit committee oversees the accounting, auditing and financial reporting policies and practices of the Company. The committee is directly responsible for assisting the Board of Trustees in its oversight of the integrity of our financial statements, our compliance with legal and regulatory requirements, the qualifications and independence of our independent registered public accounting firm, and the performance of management's internal audit function and internal control over financial reporting. The Board of Trustees has determined that all of the members of the audit committee are "audit committee financial experts" as defined by SEC rules, by virtue of their experience and positions held as described in their biographies listed above. Mr. Olson serves as Chairman of the audit committee. The committee met five times in 2005.

Nominating/Company Governance Committee. The nominating/company governance committee evaluates and nominates candidates for election to the Board of Trustees and assists the Board in ensuring the effectiveness of our governance policies and practices. Candidates for nomination to the Board are evaluated and recommended on the basis of the value they would add to the Board in light of their integrity, experience, training and judgment, their financial literacy and sophistication and knowledge of corporate and real estate finance, their knowledge of the real estate and/or entertainment industry, their independence from Company management and other factors. The committee will consider nominations made by shareholders in compliance with the procedures described in "Submission of Shareholder Proposals and Nominations" below. The committee will use the same criteria to evaluate nominees recommended in good faith by shareholders as it uses to evaluate its own nominees, but may give greater weight to nominees recommended by holders of more than 5% of our outstanding common shares. Mr. Brady serves as Chairman of the nominating/company governance committee. The committee met once in 2005.

Compensation Committee. The compensation committee approves Company goals and objectives relevant to the compensation of our CEO, evaluates our CEO's

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

performance in light of those goals and objectives, determines and approves our CEO's compensation in accordance with such evaluation, and makes recommendations to the Board regarding the compensation of our other executive officers and our independent trustees, as well as incentive compensation and equity-based plans that are subject to Board approval. Mr. Earnest serves as Chairman of the compensation committee. The committee met three times in 2005.

What is our policy regarding trustee attendance at annual meetings?

Our trustees are expected to attend each annual meeting of shareholders, although conflict situations can arise from time to time. All of our trustees attended the 2005 annual meeting.

Family relationships.

No family relationships exist between any of our trustees or executive officers.

Employment Agreements

In 2000, we entered into employment agreements with David M. Brain, Fred L. Kennon and Gregory K. Silvers, each for a term of three years, with automatic one-year extensions on each anniversary date. The employment agreements generally provide for:

- o An original annual base salary of \$325,000 for Mr. Brain, \$205,000 for Mr. Kennon and \$175,000 for Mr. Silvers, subject to any increases awarded by the compensation committee. The 2005 base salary amounts for Messrs. Brain, Kennon and Silvers are listed in the Summary Compensation Table.
- o An annual incentive bonus in an amount established by the compensation committee if performance criteria adopted by the compensation committee are achieved.
- o A loan to Mr. Brain of \$1,407,645 for the purchase of 80,000 common shares and loans of \$281,250 to each of Mr. Kennon and Mr. Silvers for the purchase of 20,000 common shares each under the Share Purchase Program. The loans, which were made by us prior to passage of the Sarbanes-Oxley Act, are evidenced by ten-year recourse promissory notes, with principal and accrued interest payable at maturity. A portion of each officer's share purchase loan will be forgiven upon his death or permanent disability, or if he is terminated without cause or terminates his employment for good reason, as defined in the employment agreement. The entire amount of each executive's loan will be forgiven if he is terminated without cause following a hostile change in control of the Company. The officers are entitled to reimbursement for taxes on income resulting from loan forgiveness.
- o A rolling three-year term, subject to termination by the Company with or without cause.
- o Salary and bonus continuation following an officer's death, disability or termination without cause.

Mr. Brain is entitled to severance compensation equal to his base salary and bonus for the remainder of a three-year employment period if he resigns following a change in control of the Company or upon his death, termination by the Company without cause or termination by Mr. Brain for good reason. Messrs. Kennon and Silvers are entitled to similar severance compensation upon their death, termination by the Company without cause or termination by the executive for good reason.

We entered into an employment agreement with Mr. Peterson in 2005 on terms similar to those of Messrs. Brain, Kennon and Silvers, except that no share purchase loan has been or will be made to Mr. Peterson. The agreement is for a term of two years with automatic one-year extensions on each anniversary date, and provides for an original base salary of \$181,500, subject to any increases awarded by the compensation committee.

How are our executive officers compensated?

We have adopted various compensation programs to attract and retain quality executive officers, to provide incentives to maximize our Funds from Operations, and to provide executive officers with an interest in the Company parallel to that of our shareholders.

Our executive compensation programs are administered by the compensation committee, which is authorized to select from among EPR's eligible employees the individuals to whom awards will be granted and to establish the terms and conditions of those awards. No member of the compensation committee is eligible to participate in any compensation program other than as a non-employee trustee of the Company.

Annual Incentive Program. The Annual Incentive Program provides for incentive bonuses to executives designated by the compensation committee if selected performance criteria are achieved. The performance criteria and the amount of the bonuses are established each year by the compensation committee. Bonuses are payable in cash, restricted common shares or a combination of cash and restricted common shares at the election of the executive.

Share Incentive Plan. We encourage our executive officers to own common shares in the Company. To assist executives with this goal, we provide officers the opportunity to acquire shares through various programs:

- o Share Purchase Program. We may allow executives to purchase common shares from us at fair market value. The shares may be subject to transfer restrictions and other conditions imposed by the compensation committee.
- o Restricted Share Program. We may award restricted common shares to executives, subject to conditions adopted by the compensation committee. In general, restricted shares may not be sold until the restrictions expire or are removed by the compensation committee. Restricted shares have full voting and dividend rights from the date of issuance. All restrictions on restricted shares lapse upon a change in control of the Company.
- o Share Option Program. We may grant options to our officers and employees to purchase common shares subject to conditions imposed by the compensation committee.

Long-Term Incentive Program. The compensation committee may award incentive compensation to our executive officers, payable 75% in the form of restricted common shares and 25% in the form of either options or payment of the difference between the annual premium payable by the Company on term life insurance for the benefit of the executive and the annual premium for the same amount of whole life insurance for that executive plus related income tax, or a combination of options and premium differential payment plus related tax, at the election of the executive.

Under the Share Incentive Plan, a maximum of 3,000,000 common shares, subject to adjustment upon significant Company events, are reserved for issuance under the Plan. There is no limit on the number of total options or restricted common shares an individual may receive under the Plan. The maximum number of shares or options which may be awarded to an employee subject to the deductibility limitation of Section 162(m) of the Internal Revenue Code is 250,000 for each twelve-month performance period (or, to the extent the award is paid in cash, the maximum dollar amount equal to the cash value of that number of shares).

Compensation committee interlocks and insider participation

No member of the compensation committee is or has been at any time an officer or employee of the Company or any of its subsidiaries. No member of the compensation committee had any contractual or other relationship with the Company during 2005. No executive officer of EPR serves or has served as a director or as a member of the compensation committee of any entity of which any member of EPR's compensation committee or any independent trustee serves as an executive officer.

As we have previously reported, Morgan G. Earnest II, who serves as

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

Chairman of our compensation committee, is Executive Vice President of Capmark Financial Group, Inc., whose Canadian affiliate GMAC Commercial Mortgage of Canada provided US \$97 million in mortgage financing in 2004 secured by our Canadian properties. The Canadian loan meets the conditions for institutions

15

providing non-advisory financial services to the Company described in "Company Governance - Who are our independent trustees and how was that determined?" Mr. Earnest received no direct or indirect compensation from any party in connection with the loan. The loan was approved by our independent trustees other than Mr. Earnest. The independent trustees other than Mr. Earnest have determined that the loan does not constitute a material relationship between Mr. Earnest and the Company and that Mr. Earnest is thus independent and qualified to serve as an independent trustee and a member of the audit, nominating/company governance and compensation committees.

COMPENSATION COMMITTEE REPORT

The Board of Trustees has appointed a compensation committee consisting of all of the non-management trustees. All members of the compensation committee are independent as described in "Company Governance - Who are our independent trustees and how was that determined?" The primary responsibilities of the compensation committee are to (i) review and approve Company goals and objectives relevant to the CEO's compensation, evaluate the CEO's performance in light of those goals and objectives, and determine and approve the CEO's compensation level based on that evaluation, and (ii) make recommendations to the Board regarding the compensation of the Company's other executive officers and the independent trustees, as well as incentive compensation and equity-based plans that are subject to Board approval.

The committee has adopted an amended and restated charter which is available for review on the Company's website at www.eprkc.com.

What is the Company's executive compensation philosophy?

EPR's compensation philosophy has several key objectives:

- o create a well-balanced and competitive compensation program utilizing base salary, annual incentives, equity-based compensation and long-term incentive compensation
- o reward executives for performance on measures designed to increase shareholder value
- o use restricted share awards to ensure that executives are focused on providing appropriate dividend levels and building shareholder value
- o create alignment between the Company's executives and its shareholders by encouraging key executives to purchase shares

The compensation committee used the following programs to meet its compensation objectives for executive officers:

Base Salary. The compensation committee established base salaries of \$481,000 for Mr. Brain, \$253,000 for Mr. Kennon, \$316,000 for Mr. Silvers and \$227,000 for Mr. Peterson for 2006. The salary levels were intended to provide a level of compensation competitive with those of other executives performing similar functions at comparable companies and to reward EPR's executives for their efforts on behalf of the Company and the Company's financial performance

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

during 2005.

Annual Incentive Awards. Under the Annual Incentive Plan, the compensation committee established specific annual "performance targets" for each covered executive. The performance targets were based on increases in Funds from Operations ("FFO") per share and other factors aimed at providing

16

shareholders with an acceptable rate of return. Performance bonuses are payable in cash, restricted common shares (valued at 125% of the cash bonus amount) or a combination of cash and restricted common shares, at the election of the executive. The compensation committee awarded bonuses of \$361,000 to Mr. Brain, \$190,000 to Mr. Kennon, \$190,000 to Mr. Silvers and \$90,750 to Mr. Peterson for 2005.

Long-Term Incentive Program. In 2006, the committee adopted a Long-Term Incentive Program under which compensation may be provided to executive officers of the Company. Under the program, 75% of the compensation is payable in the form of restricted common shares and 25% is payable in the form of either options or payment of the difference between the annual premium payable by the Company on term life insurance for the benefit of the executive and the annual premium for the same amount of whole life insurance for the executive plus related income tax, or a combination of options and premium differential payment plus related tax, at the election of the executive. The committee awarded \$1,352,000 to Mr. Brain, \$507,000 to Mr. Kennon, \$613,000 to Mr. Silvers and \$231,413 to Mr. Peterson under the plan for 2005.

How was the Company's President and CEO compensated?

EPR's President and CEO, David M. Brain, was compensated in 2005 pursuant to an employment agreement entered into in 2000. In establishing Mr. Brain's compensation, the compensation committee took into account the compensation of similar officers of REITs with comparable market capitalizations, Mr. Brain's contributions to the Company's financial performance and its increase in FFO and dividends per common share during 2005, the achievement of Company acquisition and financing strategies during 2005, and Mr. Brain's success in meeting the performance criteria established by the compensation committee.

Mr. Brain received a base salary of \$401,000 in 2005 and a bonus of \$361,000 for 2005. The incentive award paid to Mr. Brain was based on the Company's achievement of target financial results and shareholder return, including increases in FFO and dividends per share, as well as a subjective evaluation of Mr. Brain's performance during 2005. Based upon its review of the various factors described above, the committee believes Mr. Brain's compensation is reasonable and not excessive.

How will 2006 incentive compensation be determined?

The committee may rely on any of the following factors in determining executive incentive compensation levels for 2006: Funds from Operations, Cash Available for Distribution, return on equity, return on assets, return on acquisitions, net operating income, total shareholder return, dividend growth, financial statement management, and/or achievement of acquisition and financing targets. In evaluating Company performance, the committee may consider 2006 performance against historical performance, budgeted performance, peer organization performance, REIT indices performance, broad market indices performance and/or other factors.

How is EPR addressing Internal Revenue Code limits on deductibility of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

compensation?

Section 162(m) of the Internal Revenue Code generally disallows a tax deduction to public companies for compensation in excess of \$1,000,000 paid for any fiscal year to the company's chief executive officer and the four other most highly compensated executive officers. The statute exempts qualifying performance-based compensation from the deduction limit if stated requirements are met.

Although the compensation committee has designed the Company's executive compensation program so that compensation will be deductible under Section 162(m), at some future time it may not be

17

possible or practicable or in the Company's best interests to qualify an executive officer's compensation under Section 162(m). Accordingly, the compensation committee and the Board of Trustees reserve the authority to award non-deductible compensation in circumstances they consider appropriate.

AUDIT COMMITTEE REPORT

The Board of Trustees has appointed an audit committee consisting of all of the non-management trustees. All members of the audit committee are independent as described in "Company Governance - Who are our independent trustees and how was that determined?" The committee members also meet the additional independence standards of SEC Rule 10A-3. We believe all members of the audit committee are "audit committee financial experts," as defined by SEC rules, by virtue of their experience and positions held as described elsewhere in this proxy statement.

The primary responsibility of the audit committee is to assist Board oversight of the integrity of the Company's financial statements, the Company's compliance with legal and regulatory requirements, the qualifications and independence of the Company's independent registered public accounting firm, and the performance of the Company's internal audit function and internal control over financial reporting. The independent registered public accounting firm is responsible for auditing the Company's annual financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. The independent registered public accounting firm is also responsible for auditing the effectiveness of management's internal control over financial reporting and expressing an opinion on management's evaluation of the effectiveness of its internal control over financial reporting.

The committee has adopted an amended and restated charter which is available on the Company's website at www.eprkc.com.

The audit committee has sole authority to engage the independent registered public accounting firm to perform audit services (subject to shareholder ratification), audit-related services, tax services and permitted non-audit services and the fees therefor. The independent registered public accounting firm reports directly to the committee and is accountable to the committee.

The audit committee has adopted policies and procedures for the pre-approval of the performance of services by the independent registered public accounting firm on behalf of the Company. Those policies generally provide that:

- o the performance by the firm of any audit services, audit-related services, tax services or other permitted non-audit services, and the fees therefor, must be specifically pre-approved by the committee or,

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

in the absence of one or more of the committee members, a designated member of the committee

- o pre-approvals must take into consideration, and be conducted in a manner that promotes, the effectiveness and independence of the firm
- o each particular service to be approved must be described in detail and be supported by detailed back-up documentation

In fulfilling its oversight responsibilities, the audit committee reviewed the Company's 2005 audited financial statements with management and the independent registered public accounting firm. The committee discussed with the firm the matters required to be discussed in Statement of Auditing Standards No. 61, "Communications with Audit Committees," and the rules of the SEC and NYSE. This included a discussion of the firm's judgments regarding the quality, not just the acceptability, of the Company's accounting principles and the other matters required to be discussed with the committee under the rules of the NYSE and the Public Company Accounting Oversight Board ("PCAOB"). In addition, the committee received from the firm the written disclosures and letter required by Independence

21

Standards Board Standard No. 1, "Independence Discussions with Audit Committees." The committee also discussed with the firm its independence from management and the Company, including the matters covered by the written disclosures and letter provided by the firm.

The committee discussed with management and the firm the overall scope and plans for the audit of the financial statements. The committee meets periodically with management and the independent registered public accounting firm to discuss the results of their examinations, their evaluations of the Company, the Company's disclosure controls and procedures, internal control over financial reporting and internal audit function, and the overall quality of the Company's financial reporting. The committee held five meetings during 2005.

The audit committee discussed with management and the independent registered public accounting firm the critical accounting policies of the Company, the impact of those policies on the 2005 financial statements, the impact of known trends, uncertainties, commitments and contingencies on the application of those policies, and the probable impact on the 2005 financial statements if different accounting policies had been applied.

Based on the reviews and discussions referred to above, the audit committee recommended to the Board of Trustees, and the Board approved, that the audited financial statements be included in the Company's annual report on Form 10-K for the year ended December 31, 2005 for filing with the SEC.

The audit committee has engaged KPMG LLP as the Company's independent registered public accounting firm to audit the 2006 financial statements and management's internal control over financial reporting for 2006, subject to shareholder ratification, and has engaged KPMG to perform specific tax return preparation and compliance, tax consulting and tax planning services during 2006. See Item II - "Ratification of Appointment of Independent Registered Public Accounting Firm."

The audit committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The members of the audit committee are not professionally engaged in the practice of accounting and, notwithstanding the designation of

Edgar Filing: ENTERTAINMENT PROPERTIES TRUST - Form DEF 14A

the audit committee members as "audit committee financial experts" pursuant to SEC rules, are not experts in the field of accounting or auditing, including auditor independence. Members of the audit committee rely without independent verification on the information provided to them and the representations made to them by management and the independent registered public accounting firm, and look to management to provide full and timely disclosure of all material facts affecting the Company. Accordingly, the audit committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting policies, appropriate internal controls and procedures to ensure compliance with accounting standards and applicable laws and regulations, appropriate disclosure controls and procedures, appropriate internal control over financial reporting, or an appropriate internal audit function, or that the Company's reports and information provided under the Exchange Act are accurate and complete. Furthermore, the audit committee's considerations and discussions referred to above and in its charter do not assure that the audit of the Company's financial statements has been carried out in accordance with PCAOB rules, that the financial statements are free of material misstatement or presented in accordance with generally accepted accounting principles, that there were no significant deficiencies or material weaknesses in the Company's internal control over financial reporting, that the Company's independent registered public accounting firm is in fact "independent," or that the matters required to be certified by the Company's Chief Executive Officer and Chief Financial Officer in the Company's annual reports on Form 10-K and quarterly reports on Form 10-Q under the Sarbanes-Oxley Act and related SEC rules have been properly and accurately certified.

SUBMISSION OF SHAREHOLDER PROPOSALS AND NOMINATIONS

Do I have a right to nominate trustees or make proposals for consideration by the shareholders?

Yes. Our Declaration of Trust and Bylaws establish procedures which you must follow if you wish to nominate trustees or make other proposals for consideration at an annual shareholder meeting.

How do I make a nomination?

If you are a common shareholder of record and wish to nominate someone to the Board of Trustees, you must give written notice to the Company's Secretary. Your notice must be given not less than 60 days and not more than 90 days prior to the first anniversary of the date of the previous year's meeting. A nomination received less than 60 days or more than 90 days prior to the first anniversary of the date of the previous year's meeting will be deemed untimely and will not be considered. Your notice must include:

- o for each person you intend to nominate for election as a trustee, all information related to that person that is required to be disclosed in solicitations of proxies for the election of trustees in an election contest, or is otherwise required, pursuant to Regulation 14A under the Exchange Act (including the person's written consent to being named in the proxy statement as a nominee and to serve as a trustee if elected)
- o your name and address and the name and address of any person on whose behalf you made the nomination, as they appear on the Company's books
- o the number of common shares owned beneficially and of record by you and any person on whose behalf you made the nomination

How do I make a proposal?

If you are a common shareholder of record and wish to make a proposal to be considered at an annual shareholder meeting, you must give written notice to the Company's Secretary. Pursuant to Rule 14a-8 of the SEC, your notice must be received at the Company's executive offices not less than 120 calendar days before the date of the Company's proxy statement released to shareholders in connection with the previous year's meeting. Any proposal received less than 120 days before that date will be deemed untimely and will not be considered. Your notice must include:

- o a brief description of your proposal and your reasons for making the proposal
- o your name and address and the name and address of any person on whose behalf you made the proposal, as they appear on the Company's books
- o any material interest you or any person on whose behalf you made the proposal have in the proposal
- o the number of common shares owned beneficially and of record by you and any person on whose behalf you made the proposal

Are there any exceptions to the deadline for making a nomination or proposal?

Yes. If the date of the annual meeting is scheduled more than 30 days prior to or more than 60 days after the anniversary date of the previous year's meeting, your notice must be delivered:

- o not earlier than 90 days before the meeting; and
- o not later than (a) 60 days before the meeting or (b) the 10th day after the date we make our first public announcement of the meeting date, whichever is earlier

If the Board increases the number of trustees to be elected but we do not make a public announcement of the increased Board or the identity of the additional nominees within 70 days prior to the first anniversary of the previous year's meeting, your notice will be considered timely (but only with respect to nominees for the new positions created by the increase) if it is delivered to the Company's Secretary not later than the close of business on the 10th day following the date of our public announcement.

Must the Board of Trustees approve my proposal?

Our Declaration of Trust provides that the submission of any action to the shareholders for their consideration must first be approved by the Board of Trustees.

OTHER MATTERS

As of the date of this proxy statement, we have not been presented with any other business for consideration at the annual meeting. If any other matter is properly brought before the meeting for action by the shareholders, your proxy (unless revoked) will be voted in accordance with the recommendation of the Board of Trustees, or the judgment of the proxy holders if no recommendation is made.
