SECTION 1 - REGISTRANT'S BUSINESS AND OPERATIONS

ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

As part of the merger transaction described in Item 2.01 below, the Registrant entered into a three-year employment agreement with Ronald A. Waldorf, President of its Eye Dynamics division. The Employment Agreement provides for a salary of \$150,000 per year, subject to cost of living adjustments. The Agreement also calls for the issuance of options to purchase up to 1.3 million shares of Common Stock, vesting over three years. The options are exercisable at \$.18 per share, equal to the closing price of the Common Stock on the OTC Bulletin Board on the day prior to the merger transaction.

SECTION 2 -FINANCIAL INFORMATION

ITEM 2.01 COMPLETION OF ACQUISITION OR DISPOSITION OF ASSETS.

On December 23, 2005 the Registrant completed the merger contemplated by the Agreement and Plan of Merger (the "Merger Agreement"), between the Registrant, OrthoNetx, Inc. ("OrthoNetx") and Eye Dynamics Acquisition Corp., a direct wholly owned subsidiary of the Registrant ("Merger Sub").

Edgar Filing: AcuNetx, Inc. - Form 8-K

In accordance with the Merger Agreement, Merger Sub was merged into OrthoNetx, with OrthoNetx, Inc. continuing as the surviving corporation in such merger as a wholly owned subsidiary of Registrant (the "Merger"). Subject to certain adjustments described in the Merger Agreement, each outstanding share of Common Stock of OrthoNetx was converted into approximately .81 shares of Common Stock of Registrant.

As provided in the Merger Agreement, immediately following the Merger the Registrant's name was changed to AcuNetx, Inc. and five additional persons were appointed to the Board of Directors: Terry R. Knapp, Randolph C. Robinson, Robert S. Corrigan, William Danielczyk and Stephen Moses. Mr. Moses was also elected as Chairman of the Board. Ronald A. Waldorf and Charles E. Phillips remain on the Board of Directors. Also, Terry Knapp, President of OrthoNetx, was appointed Chief Executive Officer, Ronald A. Waldorf was appointed President of the Eye Dynamics division, and Douglas MacCarthy was appointed Vice President-Operations, Chief Financial Officer and Secretary.

A condition to the closing of the transaction was the completion of a private securities offering by OrthoNetx with gross proceeds of \$1.5 million, which condition was subject to waiver by Registrant. As of the closing, OrthoNetx had received cash proceeds of \$600,000 in the private placement, as well as subscriptions to purchase an additional \$800,000. Registrant waived the requirement of \$1.5 million in cash proceeds, and determined to proceed with the transaction based on the actual cash and subscriptions received.

SECTION 3 -SECURITIES AND TRADING MARKETS

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES

On December 23, 2005, in accordance with the Agreement and Plan of Merger described in Section 2.01 above, the Registrant issued 30,153,810 shares of its Common Stock, and assumed warrants to purchase an additional 1,805,562 shares of Common Stock. The shares were issued in exchange for all of the outstanding shares of Common Stock of OrthoNetx, Inc. The warrants are exercisable at an exercise price of \$.33 per share, and expire in two years from the date of issuance.

The securities were issued pursuant to the exemption provided by Section 3(a)(10) of the Securities Act of 1933, as amended (the "Securities Act"), which exempts from the registration requirements "...any security which is issued in exchange for one or more bona fide outstanding securities, claims or property interests, or partly in such exchange and partly for cash, where the terms and conditions of such issuance and exchange are approved, after a hearing upon the fairness of such terms and conditions at which all persons to whom it is proposed to issue securities in such exchange shall have the right to appear, by ... any State ... or other governmental authority expressly authorized by law to grant such approval." The securities were issued following a "fairness hearing" conducted by the California Commissioner of Corporations.

In addition, the Registrant has received subscriptions to purchase 4,444,445 shares and warrants to purchase 2,222,223 shares. The warrants, when issued, will be exercisable at \$.33 per share, and will expire two years from the date of issuance.
