PROXY STATEMENT

NOTICE OF ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MARCH 2, 2007

VOTING AND PROXY

This statement is furnished in connection with the solicitation by the Board of Directors of Aethlon Medical, Inc. (hereinafter referred to as the "Company", "we", "our" or "us") of proxies to be used at the Annual Meeting of Shareholders to be held at the Company's executive offices located at 3030 Bunker Hill Street, Suite 4000, San Diego, California on March 2, 2007 at 11:00 a.m. (Pacific Time), and at any meeting following adjournment thereof (the "Meeting"). The Notice of Annual Meeting, this Proxy Statement and the accompanying proxy card are being mailed to shareholders on or about February 12, 2007.

RECORD DATE

The record date for the Meeting is February 6, 2007 (the "Record Date"). Only shareholders of record at the close of business on the Record Date will be entitled to vote at the Meeting.

SHAREHOLDERS ENTITLED TO VOTE

Each share of the Company's common stock, \$.001 par value, ("Common Stock") outstanding at the close of business on the Record Date will be entitled to one vote on all matters submitted to a vote at the Meeting. As of December 31, 2006, there were 27,670,375 shares of Common Stock outstanding. Each outstanding share is entitled to one vote on each matter properly brought before the Meeting.

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

QUORUM

A majority of the shares entitled to vote, present in person or represented by proxy at the Meeting, shall constitute a quorum. Votes cast by proxy or in person at the Annual Meeting will be tabulated by the Inspectors of Election in conjunction with information received from our transfer agent. The Inspectors of Election will also determine whether or not a quorum is present.

Shares which abstain from voting as to the proposals, and shares held in "street name" by brokers or nominees who indicate on their proxies that they do not have discretionary authority to vote such shares as to the proposals ("broker non-votes"), will be counted for purposes of determining whether the affirmative vote of a majority of the shares present at the meeting and entitled to vote on the proposals has been obtained, but will have the effect of reducing the number of affirmative votes required to achieve the majority vote on the proposals.

2

REQUIRED VOTE

The affirmative vote of the holders of a majority of the shares of Common Stock present at the meeting in person or by proxy is also required to approve all proposals brought before the meeting.

PROXIES

All shares entitled to vote and represented by properly executed proxies received prior to the Meeting, and not revoked, will be voted as instructed on those proxies. If no instructions are indicated, the shares will be voted as recommended by the Board of Directors.

If any other matters are properly presented at the Meeting for consideration, the persons named in the enclosed form of proxy and acting thereunder will have discretion to vote on those matters in accordance with their own judgment to the same extent as the person signing the proxy would be entitled to vote. The Company does not anticipate that any other matters will be raised at the Meeting.

Any proxy may be revoked at any time before it is voted by (i) filing with the Secretary of the Company, at or before the taking of the vote at the Meeting, a written notice of revocation or duly executed proxy, in either case dated later than the prior proxy relating to the same shares or (ii) attending the Meeting and voting in person (although attendance at the Meeting will not of itself revoke a proxy). Any written notice of revocation or subsequent proxy should be sent so as to be delivered to Aethlon Medical, Inc., 3030 Bunker Hill Street, Suite 4000, San Diego, California 92109, Attention: Secretary, or hand delivered to the Secretary, before the taking of the vote at the Meeting.

A copy of our Annual Report on Form 10-KSB for the fiscal year ended March 31, 2006 is being mailed concurrently herewith to all shareholders of record as of the Record Date. The Annual Report does not constitute a part of the proxy solicitation material for the Annual Meeting.

Joyce on company practices and maintained and manage relationships with certain employees and vendors.

Calvin M. Leung, a former director (resigned as of June 28, 2006) and shareholder of Aethlon Medical, was previously engaged as our consultant providing as needed business advisory services to management, including business development services and introductions to potential investors and merger candidates, and he and his affiliates have invested approximately \$939,500 in Aethlon Medical to date, through equity and convertible debt securities. \$448,000 was invested via convertible promissory notes from November 2001 through May 2002. The notes accrued interest at rates ranging from 6.75% to 12% per annum. Mr. Leung invested \$300,000 via the exercise of stock options received while our consultant for which he received 600,000 shares of restricted common stock. Mr. Leung and his affiliates also invested during 2003 a total of \$146,500 in cash for 586,000 shares of our restricted common stock. Finally, Mr. Leung and his affiliates invested approximately \$45,000 from September 2003 to February 2004 via the exercise of warrants that resulted in the issuance of 180,000 shares of our restricted common stock. Mr. Leung worked as our consultant from January 7, 2001 to January 7, 2003. We do not expect Mr. Leung to provide consulting services now. He, and related entities, currently owns 1,985,859 of our common shares.

Certain of our officers and other related parties have advanced us funds, agreed to defer compensation or paid expenses on behalf of us to cover short-term working capital deficiencies in the aggregate amount of approximately \$1,074,000. Of this amount, we owe Dr. Richard H Tullis, our Chief Scientific Officer approximately \$262,900 in deferred salary. We owe Mr. Franklyn S Barry, a director, a total of approximately \$281,000 for deferred salary and consulting fees from pre-merger in 1999 through May 2003. We owe approximately \$38,475 to

11

James Joyce and Associates, a company founded by our current Chief Executive Officer, for deferred consulting fees on services provided prior to our merger in 1999. We previously repaid Mr. Barry a total of \$40,000 in cash. Additionally, we owe John Murray, our former Chief Financial Officer, a total of approximately \$25,000 for deferred salary and medical benefits for services rendered from September 2000 through May 2001. We owe Robert S. Stefanovich, a former Chief Financial Officer, a total of approximately \$76,000 for deferred salary, vacation and medical benefits for services rendered from July 2001 until July 2002. Additionally, we owe Dr. Clara Ambrus, the founder of Hemex, Inc., approximately \$190,500 for services rendered from pre-merger in 1999 through March 2002. We owe Edward Broenniman, a board member, and Linda Broenniman, his wife, an aggregate of approximately \$144,000 for services rendered prior to our merger in 1999. Mr. Broenniman has been paid a total of \$50,000 against this debt. We owe approximately \$34,500 to directors for deferred directors' fees. These non interest-bearing liabilities have been included as due to related parties in the accompanying financial statements.

Effective January 1, 2000, we entered into an agreement with Dr. Julian Ambrus, the son of Dr. Clara Ambrus, who was the original founder of Hemex, Inc. Under this agreement, an invention and related patent rights for a method of removing HIV and other viruses from the blood using the Hemopurifier(TM) were assigned to us by the inventors in exchange for (a) a royalty to be paid on future sales of the patented product or process equal to 8.75% of net sales, as defined and (b) 12,500 shares of our restricted common stock. Upon the issuance of the first United States patent relating to the invention, we were obligated

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

to issue an additional 12,500 shares of our restricted common stock to the inventors. If the market price of our common stock on the date the patent was issued was below \$8 per share, the number of shares to be issued was that amount which equates to \$100,000 of market value. On March 4, 2003, the related patent was issued and, as a result, we issued 196,078 shares of our restricted common stock. Such shares were recorded at par value since the original patent acquisition purchase transaction had been measured at \$100,000 and recorded as "patents" in the March 2000 consolidated balance sheet. The 196,078 shares merely satisfied a contingent obligation under the original purchase agreement.

We believe that each of the related party transactions above, due to their related party nature, are not necessarily on terms that would have been obtained from unaffiliated third parties.

MEETINGS OF THE BOARD OF DIRECTORS

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

The Board of Directors does not have a Nominating Committee.

DIRECTOR NOMINATION PROCESS

Nominees to our Board of Directors are selected by our Board of Directors. Each nominee to our Board of Directors expressed a willingness to serve during the 2007 fiscal year and, based on a review of their qualifications, were deemed to be suitable candidates for nomination.

Our Board of Directors does not have a formal policy with regard to the consideration of any director candidates recommended by shareholders. While the Board of Directors may consider candidates recommended by shareholders, there is currently no requirement that it do so. To date, no shareholder has recommended a candidate for nomination to the Board. We do not pay a fee to any third party to identify or evaluate or assist in identifying or evaluating potential nominees.

We do not have specific minimum qualifications that must be met before a nominee to our Board of Directors may be considered. Instead, the members of the Board look at the total qualifications presented by the candidate which may include, but not be limited to, business experience, experience in our industry, an understanding of the accounting principles applicable to the our industry and generally accepted accounting principles, and education. A candidate for director must agree to abide by our Code of Business Conduct and Ethics.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors is currently composed of two directors who are independent directors as defined under Nasdaq Rule 4200(a)(14). The Audit Committee operates under a written charter adopted by the Board of Directors.

13

The Audit Committee oversees our financial reporting process on behalf of the Board of Directors. Management is responsible for our financial statements and the financial reporting process, including the system of internal controls. The independent auditors are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. In fulfilling its oversight responsibilities, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements that have been included in our Annual Report on Form 10-KSB for the year ended March 31, 2006.

The Audit Committee has discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, COMMUNICATION WITH AUDIT COMMITTEES, as amended. In addition, the Audit Committee has discussed with the independent auditors the auditors' independence from the Company and its management including the matters in the written disclosures provided to the Audit Committee as required by Independence Standards Board Standard No. 1, INDEPENDENCE DISCUSSIONS WITH AUDIT COMMITTEES.

Based on the foregoing, the Audit Committee recommended to the Board of Directors, and the Board of Directors approved, the inclusion of the audited financial statements in the Annual Report on Form 10-KSB for the 2006 fiscal year for filing with the Securities and Exchange Commission. The Audit Committee

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

has also recommended the selection of the Company's independent auditors for the fiscal year ending March 31, 2007.

LIMITATION OF LIABILITY AND INDEMNIFICATION MATTERS

The Company's Certificate of Incorporation limits the liability of directors to the maximum extent permitted by Nevada law. Such limitation of liability does not apply to liabilities arising under the federal securities laws and does not affect the availability of equitable remedies such as injunctive relief or rescission.

The Company's Bylaws provide that the Company shall indemnify its directors and executive officers and may indemnify its other officers and employees and other agents to the fullest extent permitted by law. The Company believes that indemnification under its Bylaws covers at least negligence and gross negligence on the part of indemnified parties. The Company's Bylaws also permit it to secure insurance on behalf of any officer, director, employee, or other agent for any liability arising out of his or her actions in such capacity, regardless of whether the Bylaws permit such indemnification.

At present, there is no pending litigation or proceeding involving any director, officer, employee, or agent of the Company where indemnification will be required or permitted. The Company is not aware of any threatened litigation or proceeding that might result in a claim for such indemnification.

14

2. RATIFICATION OF THE APPOINTMENT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Subject to ratification by the stockholders, the Board has selected the firm of SQUAR, MILNER, PETERSON, MIRANDA & WILLIAMSON, L.L.P. as the Company's independent auditors for its fiscal year ending March 31, 2007. Squar, Milner, Peterson, Miranda & Williamson, L.L.P. has acted in such capacity for the Company since 2001 and has reported that neither the firm nor any of its partners has any material direct or indirect financial interest in the Company.

Representatives of Squar, Milner, Peterson, Miranda & Williamson, L.L.P. will be present at the Special Meeting of Stockholders, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

AUDIT FEES

The following table sets forth fees billed to the Company by Squar, Milner, Peterson, Miranda & Williamson, L.L.P. during the fiscal years ended March 31, 2006 and March 31, 2005 for: (i) services rendered for the audit of the Company's annual financial statements and the review of its quarterly financial statements, (ii) services that were reasonably related to the performance of the audit or review of the Company's financial statements and that are not reported as Audit Fees, (iii) services rendered in connection with

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

tax compliance, tax advice and tax planning, and (iv) all other fees for services rendered. The Audit Related Fees for the fiscal year ended 2005 were incurred as a result of consultations between the executive officers of the Company and Squar, Milner, Peterson, Miranda & Williamson, L.L.P. relating to services rendered in connection with a Form SB-2 registration statement. The Audit Related Fees for the fiscal year ended 2006 were incurred as a result of consultations between the executive officers of the Company and Squar, Milner, Peterson, Miranda & Williamson, L.L.P. relating to services rendered in connection with a Form S-8 registration statement, a Post-Effective Amendment of a Form SB-2 registration statement and a Form SB-2 registration statement.

		March 31, 2006	March 31, 2005
		-----	-----
(i)	Audit Fees	\$66,500	\$86,615
(ii)	Audit Related Fees	\$55,500	\$51,579
(iii)	Tax Fees	\$0	\$0
(iv)	All Other Fees	\$0	\$0

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE APPOINTMENT OF SQUAR, MILNER, REEHL & WILLIAMSON, L.L.P. AS INDEPENDENT AUDITORS OF THE COMPANY FOR THE FISCAL YEAR ENDING MARCH 31, 2007.

15

3. APPROVAL OF AMENDMENT TO ARTICLES OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK FROM 50,000,000 TO 100,000,000

We believe that an increase in the number of authorized shares of our common stock is prudent in order to assure that a sufficient number of shares of our common stock are available for issuance in the future if our Board of Directors deems it to be in our and our stockholders' best interests. A total of an additional 50,000,000 shares of common stock has been determined by our Board of Directors to be a reasonable estimate of what might be required in this regard for the foreseeable future to accommodate fundraising and other opportunities involving the issuance of our capital stock. Immediately following this increase, the Company will have approximately 45,491,123 shares of common stock authorized but unissued and available for issuance.

The remaining authorized but unissued shares of common stock will be available for issuance from time to time as may be deemed advisable or required for various purposes, including the issuance of shares in connection with financings or acquisition transactions and the issuance or reservation of common stock for employee stock options. The Company's Board will be able to authorize the issuance of shares for these transactions without the necessity, and related costs and delays, of either calling a special stockholders' meeting or waiting for the regularly scheduled annual meeting of stockholders in order to increase the authorized capital. If in a particular transaction stockholder approval were required by law, applicable stock exchanges or markets, or were otherwise deemed advisable by the Board, then the matter would be referred to the stockholders for their approval notwithstanding that the Company might have the requisite number of voting shares to consummate the transaction.

The Charter Amendment is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in any debt instruments or the certificate of incorporation or the bylaws of the Company in

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

effect on the date of this Proxy Statement. However, the Company's stockholders should note that the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of the Company or the Board more difficult or time consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of common stock could be issued by the Board to dilute the percentage of common stock owned by any stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Nevada law with respect to a merger or other business combination involving the Company. Aethlon Medical is not aware of any proposed attempt to take over the company. The Company has no present intention to use the increased authorized common stock for anti-takeover purposes.

The text of the Charter Amendment is attached to this Proxy Statement as Exhibit A. The Amendment will become effective once it is filed with the Secretary of State of Nevada.

Upon filing the Amendment with the Secretary of State of Nevada, the Company's authorized shares will increase from fifty million shares to one-hundred million shares of which one-hundred million shares shall be common stock.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE STOCKHOLDERS VOTE "FOR" THE APPROVAL OF THE INCREASE IN AUTHORIZED SHARES.

16

INDEMNIFICATION OF EXECUTIVE OFFICERS

Our Articles of Incorporation permit us to limit the liability of our officers and directors to the fullest extent permitted under Section 78.037 of the Nevada General Corporation Law. As permitted by Section 78.037 of the Nevada General Corporation Law, our Bylaws and Articles of Incorporation also include provisions that eliminate the personal liability of each of its officers and directors for any obligations arising out of any acts or conduct of such officer or director performed for or on behalf of the Company. To the fullest extent allowed by Section 78.751 of the Nevada General Corporation Law, we will defend, indemnify and hold harmless its directors or officers from and against any and all claims, judgments and liabilities to which each director or officer becomes subject to in connection with the performance of his or her duties and will reimburse each such director or officer for all legal and other expenses reasonably incurred in connection with any such claim of liability. However, we will not indemnify any officer or director against, or reimburse for, any expense incurred in connection with any claim or liability arising out of the officer's or director's own negligence or misconduct in the performance of duty.

The provisions of our Bylaws and Articles of Incorporation regarding indemnification are not exclusive of any other right we have to indemnify or reimburse our officers or directors in any proper case, even if not specifically provided for in our Articles of Incorporation or Bylaws.

We believe that the indemnity provisions contained in our bylaws and the limitation of liability provisions contained in our certificate of incorporation are necessary to attract and retain qualified persons for these positions. No pending material litigation or proceeding involving our directors, executive officers, employees or other agents as to which indemnification is being sought exists, and we are not aware of any pending or threatened material

Edgar Filing: AETHLON MEDICAL INC - Form DEF 14A

litigation that may result in claims for indemnification by any of our directors or executive officers.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that, in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

INTERESTS OF CERTAIN PERSONS IN OR IN OPPOSITION TO THE MATTERS TO BE ACTED UPON

No director, executive officer, or any associate thereof, or any other person has any interest, direct or indirect, by security holdings or otherwise, in the ratification of Squar, Milner, Peterson, Miranda & Williamson, L.L.P. as the Company's auditors or in the increase in the number of authorized shares of the Company's common stock from 50,000,000 to 100,000,000 which is not shared by the shareholders of the Company.
