Item 1.01 Entry Into A Material Definitive Agreement

On May 21, 2014 (the “Closing Date”), United Natural Foods, Inc. (the “Company”) entered into a First Amendment Agreement (the “Amendment”) among the Company, United Natural Foods West, Inc. (“UNFI West” and together with the Company, collectively, the “U.S. Borrowers”), and UNFI Canada, Inc. (the “Canadian Borrower” and, together with the U.S. Borrowers, the “Borrowers”), the financial institutions that are parties thereto as lenders (collectively, the “Lenders”), Bank of America, N.A. as administrative agent for the Lenders and Bank of America, N.A. (acting through its Canada branch), as Canadian agent for the Lenders, which amends the Company’s Second Amended and Restated Loan and Security Agreement dated as of May 24, 2012 (the “Credit Agreement”).

The material changes to the terms of the Credit Agreement are described below, which descriptions are qualified in their entirety by reference to the full text of the Amendment filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.

Availability

The Amendment increased the maximum borrowings under the senior secured revolving loan facility (the “Amended Credit Facility”) to an aggregate amount of \$600.0 million from \$550.0 million, of which up to (i) \$550.0 million is available to the U.S. Borrowers and (ii) \$50.0 million is available to the Canadian Borrower. The Amendment also provides for (i) a \$50.0 million sublimit of availability for letters of credit of which there is a further \$4.0 million sublimit for the Canadian Borrower, and (ii) a \$45.0 million sublimit for short-term borrowings on a swingline basis of which there is a further \$3.5 million sublimit for the Canadian Borrower. Under the Amendment, the Borrowers may, at their option, increase the aggregate amount of the Amended Credit Facility in an amount of up to \$150.0 million (but in not less than \$10.0 million increments) without the consent of any Lenders not participating in such increase, subject to certain customary conditions and the Lenders committing to provide the increase in funding. There can be no assurance that additional funding would be available.

Maturity

The Amended Credit Facility is scheduled to mature on May 21, 2019, extending the maturity date from May 24, 2017.

Certain Covenants and Representation and Warranties

The Amendment changed the fixed charge coverage ratio financial covenant in the Credit Agreement, which now requires the Company to maintain a fixed charge coverage ratio of at least 1.00 to 1.00 (defined as the Company’s consolidated EBITDA (as defined in the Credit Agreement) minus the unfinanced portion of Capital Expenditures (as defined in the Credit Agreement) to the Company’s consolidated Fixed Charges (as defined in the Credit Agreement)) as of the end of any period of four fiscal quarters while Aggregate Availability (as defined in the Credit Agreement) is less than the greater of (i) \$50.0 million and (ii) 10% of the aggregate borrowing base. Previously the aggregate availability threshold was \$35.0 million.

The Amendment also permits the Company to enter into a real-estate backed term loan facility which the Company anticipates that it will close in the fourth quarter of fiscal 2014 or first quarter of fiscal 2015. The Amendment provides that the debt under the term loan facility shall not exceed \$200.0 million at any time. The liens on the collateral securing the term loan facility will be subject to the intercreditor agreement contained in the Credit Agreement, and prepayments of the term loan will be subject to certain restrictions contained in the Amendment.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

(a) The information set forth in Item 1.01 above is incorporated herein by reference.

Item 8.01 Other Events

On May 22, 2014, the Company and its wholly-owned subsidiary, UNFI West, entered into a Stock Purchase Agreement by and among the Company, UNFI West, Tony's Fine Foods ("Tony's"), Scott Berger, as Representative and the shareholders named therein (the "Shareholders") (the "Stock Purchase Agreement") pursuant to which UNFI West agreed to acquire all of the outstanding equity securities of Tony's (the "Stock Acquisition") for a purchase price of approximately \$195.3 million (the "Purchase Price"), approximately \$187.8 million of which will be paid in cash with the remaining portion of the purchase price being paid with approximately 112,000 shares of the Company's common stock. The Purchase Price is subject to a post-closing net working capital adjustment based on a comparison of Tony's' net working capital as of the closing to Tony's' average net working capital over the thirteen four-week fiscal periods ended prior to the closing. The Company expects to finance the cash portion of the Purchase Price with a combination of available cash and borrowings under the Amended Credit Facility. A portion of the borrowings under the Amended Credit Facility are expected to be refinanced into an approximately \$150 million real-estate backed term loan facility that the Company anticipates it will enter into in the fourth quarter of fiscal 2014 or first quarter of fiscal 2015.

The closing of the Stock Acquisition is conditioned upon, among other things, customary closing conditions, including: (1) compliance with the Hart-Scott-Rodino Antitrust Improvements Act of 1976 as amended, (2) the accuracy of the representations and warranties of each party as of the closing, (3) the performance in all material respects by the parties of their respective covenants, agreements and obligations under the Stock Purchase Agreement, and (4) in the case of the Company and UNFI West: (i) the absence of any change or event which has had, since May 21, 2014, a material adverse effect on the business of Tony's and (ii) receipt of certain third-party consents necessary to consummate the Stock Acquisition.

The Stock Purchase Agreement contains customary representations and warranties and covenants from the Company and UNFI West, as well as Tony's and the Shareholders. Pursuant to the Stock Purchase Agreement, the Company and UNFI West, on the one hand, and the Shareholders, on the other, will, if the Stock Acquisition is consummated, be obligated to indemnify each other, subject to certain temporal and financial limitations, for, among other things, losses resulting from breaches or misrepresentations under the Stock Purchase Agreement. Moreover, \$15 million of the Purchase Price is expected to be deposited in an escrow account at the closing to satisfy indemnification claims made by the Company or UNFI West, if any, under the terms of the Stock Purchase Agreement. Seventy-five percent of the funds initially deposited into the escrow account and not then subject to pending indemnification claims of the Company or UNFI West or previously released from the escrow account will be released to the Shareholders on the eighteen (18) month anniversary of the closing with the remaining escrowed funds, not then subject to a pending indemnification claim, being released on the twenty-four (24) month anniversary of the closing.
