### 2. AMOUNT AND TERMS OF THE LOANS.

2.1. Revolving Credit. The Bank agrees, on the terms and conditions hereinafter set forth, to make loans (in the form of advances or the issuance of Letters of Credit with expiration dates not to exceed the Termination Date) (the "Revolving Credit Loan") to the Borrower from time to time during the period from the date of this Agreement up to but not including the Termination Date in the aggregate principal amount not to exceed at any time outstanding (or committed under Letters of Credit) FIFTEEN MILLION ONE HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$15,150,000.00) (" \$15,150,000 Revolving Line") as such amount may be reduced pursuant to Section 2.2 (the "Commitment"). Each Revolving Credit Loan which shall not utilize the Commitment in full shall be in an amount not less than Ten Thousand Dollars (\$10,000.00). Within the limits of the Commitment, the Borrower may borrow, repay pursuant to Section 2.7, and reborrow under this Section 2.1. On such terms and conditions, the Loans may be outstanding as Prime Loans or LIBOR Loans. Each type of Loan shall be made and maintained at the Bank's Lending Office for such type of Loan. Each Letter of Credit shall be evidenced by the execution of Bank's customarily required documents and payment of its customary fees.

-7-

2.2. Reduction of Commitment. The Borrower shall have the right, upon at least three (3) Business Days' written notice to the Bank, to terminate in whole or reduce in part the unused portion of the Commitment, provided that each partial reduction shall be in the amount of not less than One Hundred Thousand Dollars (\$100,000.00). The Commitment, once reduced or terminated, may not be reinstated, without Bank's prior written consent.

2.3. Notice and Manner of Borrowing. The Borrower shall give the Bank written or telefax notice (effective upon receipt) of any Revolving Credit Loans under this Agreement, by no later than 1:30 p.m. (Tulsa Time) on the date upon which the Loan is requested, specifying: (1) the amount of the Loan; and (2) the duration of the Interest Period applicable thereto, if a LIBOR loan. The Bank will make the proceeds of the Loan available to the Borrower on the day of the Loan request in immediately available funds by crediting the amount thereof to the Borrower account with the Bank.

2.4. Conversions and Renewals. The Borrower may elect from time to time to convert all or a part of one type of Loan into another type of Loan or to renew all or part of a Loan by giving the Bank notice by at least 1:30 p.m. (Tulsa Time) on the date of conversion or renewal, specifying: (1) the renewal or conversion date; (2) the amount of the Loan to be converted or renewed; (3) in the case of conversions, the type of Loan to be converted into; and (4) in the case of renewals of or a conversion into LIBOR Loans, the duration of the Interest Period applicable thereto; provided that the LIBOR Loans can be converted only on the last day of the Interest Period for such Loan. If the Borrower shall fail to give the Bank the notice as specified above for the renewal or conversion of a LIBOR Loan, then the interest rate shall automatically be converted into a Prime Loan on the last day of the Interest Period for such LIBOR Loan.

2.5. Interest. The Borrower shall pay interest to the Bank on the outstanding and unpaid principal amount of the Revolving Credit Loans made under this Agreement at a rate per annum as follows:

## Edgar Filing: AAON INC - Form 8-K

### 2.5.1. Rates.

(1) For a Prime Loan at a rate equal to the Prime Rate less one-half percent (1/2%), floating, per ---- annum;

(2) For a LIBOR Loan at a rate equal to the LIBOR Interest Rate plus one and sixty-hundredths percent (1.60%) per annum.

Any change in the interest rate based on the Prime Rate resulting from a change in the Prime Rate shall be effective as of the opening of business on the day on which such change in the Prime Rate becomes effective. Interest on each Loan shall be calculated on the basis of a year of 360 days for the actual number of days elapsed.

-8-

2.5.2. Interest Payments. Interest on the Loans shall be paid with immediately available funds at the Principal Office for the account of the applicable Lending Office as follows:

(1) For each Prime Loan, on the last day of each month and at maturity for such Loan;

(2) For each LIBOR Loan, on the last day of the Interest Period with respect thereto.

2.5.3. Past Due Interest Rates. Any principal amount which is not paid when due (at maturity, by acceleration, or otherwise) shall bear interest thereafter until paid in full, payable on demand, at a rate per annum equal to:

(1) For each Prime Loan at a rate equal to the Prime Rate plus six and one-half percent (6 1/2%) per annum; and

(2) For each LIBOR Loan at a rate equal to the LIBOR Interest Rate plus nine percent (9%) per annum from the time of default in payment of principal until the end of the then current Interest Period therefor, and thereafter at a rate equal to the Prime Rate plus six and one-half percent (6 1/2%) per annum.

2.6. Note. All Revolving Credit Loans made by the Bank under this Agreement shall be evidenced by, and repaid with interest in accordance with, a single promissory note of the Borrower in substantially the form of Schedule "2.6" duly completed, in the principal amount of FIFTEEN MILLION ONE HUNDRED FIFTY THOUSAND AND NO/100 DOLLARS (\$15,150,000.00), dated the date of this Agreement, payable to the Bank for the account of the applicable Lending Office and maturing as to principal on the Termination Date (the "Revolving Credit Note"). The Bank is hereby authorized by the Borrower to endorse on the schedule attached to the Revolving Credit Note the amount and type of each Revolving Credit Loan and each renewal, conversion, and payment of principal amount received by the Bank for the account of the applicable Lending Office on account of the Revolving Credit Loans, which endorsement shall, in the absence of manifest error, confirm and evidence the outstanding balance of the Revolving Credit Loans made by the Bank; provided, however, that the failure to make such notation with respect to any Revolving Credit Loan or renewal, conversion, or payment shall not limit or otherwise affect the obligations of the Borrower under this Agreement or the Revolving Credit Note.

## Edgar Filing: AAON INC - Form 8-K

2.7. Method of Payment. The Borrower shall make each payment under this Agreement and under the Revolving Credit Note not later than 1:30 p.m. (Tulsa Time) on the date when due in lawful money of the United States to the Bank at its Principal Office for the account of the applicable Lending Office in immediately available funds. The Borrower hereby authorize the Bank, if and to the extent payment is not made when due under this Agreement or under the Revolving Credit Note, to charge from time to time against any account of the Borrower with the Bank any amount so due. Whenever any payment to be made under this Agreement or under the Revolving Credit Note shall be stated to be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of the payment of interest and the commitment fee, as the case may be, except, in the case of a LIBOR Loan, if the result of such extension would be to extend such payment into another calendar month, such payment shall be made on the immediately preceding Business Day.

-9-

2.8. Use of Proceeds. The proceeds of the Loans hereunder shall be used by the Borrower to consolidate debt, fund working capital and be available for standby and commercial letters of credit. The Borrower will not, directly or indirectly, use any part of such proceeds for the purpose of purchasing or carrying any margin stock within the meaning of Regulation U of the Board of Governors of the Federal Reserve System or to extend credit to any Person for the purpose of purchasing or carrying any such margin stock, or for any purpose which violates, or is inconsistent with, Regulation X of such Board of Governors.

2.9. Illegality. Notwithstanding any other provision in this Agreement, if the Bank determines that any applicable law, rule, or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank, or comparable agency charged with the interpretation or administration thereof, or compliance by the Bank (or its Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank, or comparable agency shall make it unlawful or impossible for the Bank (or its Lending Office) to (1) maintain its commitment, then upon three (3) days notice to the Borrower by the Bank the commitment of the Bank shall terminate; or (2) maintain or fund its LIBOR Loans, then upon three (3) days written notice to the Borrower by the Bank the outstanding principal amount of the LIBOR Loans, together with interest accrued thereon, and any other amounts payable to the Bank under this Agreement shall be repaid (a) immediately upon demand of the Bank if such change or compliance with such request, in the judgment of the Bank, requires immediate repayment; or (b) at the expiration of the last Interest Period to expire before the effective date of any such change or request.

2.10. Disaster. Notwithstanding anything to the contrary herein, if the Bank determines (which determination shall be conclusive) that:

(1) Quotations of interest rates for the relevant deposits referred to in the definition of LIBOR Interest Rate are not being provided in the relevant amounts or for the relative maturities for purposes of determining the rate of interest on a LIBOR Loan as provided in this Agreement; or

(2) The relevant rates of interest referred to in the definition of LIBOR Interest Rate upon the basis of which the rate of interest for any such type of loan is to be determined do not accurately cover the cost to the bank of making or maintaining such type of Loans;

then the Bank shall forthwith give three (3) days written notice thereof to the Borrower, whereupon (a) the obligation of the Bank to make LIBOR Loans shall be suspended until the Bank notifies the Borrower that the circumstances giving rise to such suspension no longer exist; and (b) the Borrower shall repay in full the then outstanding principal amount of each LIBOR Loan together with accrued interest thereon, on the last day of the then current Interest Period applicable to such Loan.

2.11. Increased Cost. The Borrower shall pay to the Bank from time to time such amounts as the Bank may determine to be necessary to compensate the Bank for any costs incurred by the Bank which the Bank determines are attributable to its making or maintaining any LIBOR Loans hereunder or its obligation to make any such Loan hereunder, or any reduction in any amount receivable by the Bank under this Agreement or the Revolving Credit Note in respect of any such Loans or such obligation (such increases in costs and reductions in amounts receivable being herein called "Additional Costs"), resulting from any change after the date of this Agreement in U.S. federal, state, municipal, or foreign laws or regulations (including Regulation D), or the adoption or making after such date of any interpretations, directives, or requirements applying to a class of banks including the Bank or under any U.S. federal, state, municipal, or any foreign laws or regulations (whether or not having the force of law) by any court or governmental or monetary authority charged with the interpretation or administration thereof ("Regulatory Change"), which: (1) changes the basis of taxation of any amounts payable to the Bank under this Agreement or the Revolving Credit Note in respect of any of such Loans (other than taxes imposed on the overall net income of the Bank or of its Lending Office for any of such Loans by the jurisdiction where the Principal Office or such Lending Office is located); or (2) imposes or modifies any reserve, special deposit, compulsory loan, or similar requirements relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, the Bank (including any of such Loans or any deposits referred to in the definition of LIBOR Interest Rate; or (3) imposes any other condition affecting this Agreement or the Revolving Credit Note (or any of such extensions of credit or liabilities). The Bank will notify the Borrower of any event occurring after the date of this Agreement which will entitle the Bank to compensation pursuant to this Section 2.11 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation.

-10-

Determinations by the Bank for the purpose of this Section 2.11 of the effect of any Regulatory Change on its costs of making or maintaining Loans or on amounts receivable by it in respect of the Loans, and of the additional amounts required to compensate the Bank in respect of any Additional Costs, shall be conclusive, provided that such determinations are made on a reasonable basis.

2.12. Risk-Based Capital. In the event Bank determines that (1) compliance with any judicial, administrative, or other governmental interpretation of any law or regulation or (2) compliance by the Bank or any corporation controlling the Bank with any guideline or request from any central bank or other governmental authority (whether or not having the force of law) has the effect of requiring an increase in the amount of capital required or expected to be maintained by the Bank or any corporation controlling the Bank, and the Bank determines that such increase is based upon its obligations hereunder, and other similar obligations, the Borrower shall pay to the Bank such additional amount as shall be certified by the Bank to be the amount allocable to the Bank's obligations to the Borrower hereunder. The Bank will notify the Borrower of any event occurring after the date of this Agreement that

## Edgar Filing: AAON INC - Form 8-K

will entitle the Bank to compensation pursuant to this Section 2.12 as promptly as practicable after it obtains knowledge thereof and determines to request such compensation.

Determinations by the Bank for purposes of this Section 2.12 of the effect of any increase in the amount of capital required to be maintained by the Bank and of the amount allocable to the Bank's obligations to the Borrower hereunder shall be conclusive, provided that such determinations are made on a reasonable basis.

2.13. Funding Loss Indemnification. The Borrower shall pay to the Bank, upon the request of the Bank, such amount or amounts as shall be sufficient (in the reasonable opinion of the Bank) to compensate it for any loss, cost, or expense incurred as a result of:

(1) Any failure by the Borrower to borrow or convert, as the case may be, a LIBOR Loan on the date for borrowing or conversion, as the case may be, specified in the relevant notice under Section 2.3 or 2.4, as the case may be.

### 3. CONDITIONS PRECEDENT.
