In this prospectus, we refer to the warrant and the shares of common stock issuable upon exercise of the warrant, collectively, as the securities. The warrant was originally issued by us pursuant to the Letter Agreement dated December 12, 2008, and the related Securities Purchase Agreement – Standard Terms, between us and the United States Department of the Treasury, which we refer to as the initial selling securityholder, in a transaction exempt from the registration requirements of the Securities Act of 1933, as amended, or the Securities Act.

If these securities are sold through underwriters, broker-dealers or agents, the selling securityholders will be responsible for underwriting discounts or commissions or agents' commissions.

We will not receive any proceeds from the sale of securities by the selling securityholders. Our common stock is traded on the Nasdaq Global Market under the symbol "NBN." ABOUT THIS PROSPECTUS

This prospectus is part of a registration statement we filed with the Securities and Exchange Commission, or the SEC, using a “shelf” registration process. Under this shelf registration process, the selling securityholders may, from time to time, offer and sell, in one or more offerings, the securities described in this prospectus.

We may provide a prospectus supplement containing specific information about the terms of a particular offering by the selling securityholders. The prospectus supplement may add, update or change information in this prospectus. If the information in this prospectus is inconsistent with a prospectus supplement, you should rely on the information in that prospectus supplement. You should read both this prospectus and, if applicable, any prospectus supplement. See “Where You Can Find More Information” for more information.

This prospectus and any accompanying prospectus supplement do not contain all of the information included in the shelf registration statement. We have omitted parts of the shelf registration statement in accordance with the rules and regulations of the SEC. For further information, we refer you to the shelf registration statement on Form S-3 of which this prospectus is a part, including its exhibits. Statements contained in this prospectus and any accompanying prospectus supplement about the provisions or contents of any agreement or other document are not necessarily complete. If the SEC rules and regulations require that an agreement or document be filed as an exhibit to the shelf registration statement, please see that agreement or document for a complete description of these matters.

You should rely only on the information contained or incorporated by reference in this prospectus and any prospectus supplement. We have not authorized anyone to provide you with any other information. If you receive any other information, you should not rely on it. No offer to sell these securities is being made in any jurisdiction where the offer or sale is not permitted. You should not assume that the information contained in this prospectus and, if applicable, any prospectus supplement or any document incorporated by reference in this prospectus or any prospectus supplement, is accurate as of any date other than the date on the front cover of this prospectus or on the front cover of the applicable prospectus supplement or documents or as specifically indicated in the document. Our business, financial condition, results of operations and prospects may have changed since that date.

In this prospectus, “Northeast Bancorp,” “we,” “our,” “ours,” and “us” refer to Northeast Bancorp, which is a bank holding company headquartered in Maine, and its subsidiaries on a consolidated basis, unless the context otherwise requires. References to “Northeast Bank” mean Northeast Bank, which is our principal bank subsidiary.

FORWARD-LOOKING STATEMENTS

This prospectus and the documents incorporated by reference may contain statements that are considered “forward looking statements” within the meaning of United States securities laws. In addition, Northeast Bancorp and its management may make other written or oral communications from time to time that contain forward-looking statements. Forward-looking statements, including statements about industry trends, management’s future expectations and other matters that do not relate strictly to historical facts, are based on assumptions by management, and are often identified by such forward-looking terminology as “expect,” “look,” “believe,” “anticipate,” “estimate,” “seek,” “may,” “will,” “trend,” “target,” similar statements or variations of such terms. Forward-looking statements may include, among other things, statements about Northeast Bancorp’s confidence in its strategies and its expectations about financial performance, market growth, market and regulatory trends and developments, acquisitions and divestitures, new technologies, services and opportunities and earnings.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

Forward-looking statements are subject to various risks and uncertainties, which change over time, are based on management's expectations and assumptions at the time the statements are made, and are not guarantees of future results. Management's expectations and assumptions, and the continued validity of the forward-looking statements, are subject to change due to a broad range of factors affecting the national and global economies, the equity, debt, currency and other financial markets, as well as factors specific to Northeast Bancorp and its subsidiaries, including Northeast Bank.

Actual outcomes and results may differ materially from what is expressed in our forward-looking statements and from our historical financial results due to the factors discussed elsewhere in this prospectus or disclosed in our other SEC filings. Forward-looking statements should not be relied upon as representing our expectations or beliefs as of any date subsequent to the time this prospectus is filed with the SEC. Northeast Bancorp undertakes no obligation to revise the forward-looking statements contained in this prospectus to reflect events after the time it is filed with the SEC. The factors discussed herein are not intended to be a complete summary of all risks and uncertainties that may affect our businesses. Though we strive to monitor and mitigate risk, we cannot anticipate all potential economic, operational and financial developments that may adversely impact our operations and our financial results.

Forward-looking statements should not be viewed as predictions, and should not be the primary basis upon which investors evaluate Northeast Bancorp. Any investor in Northeast Bancorp should consider all risks and uncertainties disclosed in our SEC filings described below under the heading "Where You Can Find More Information," all of which are accessible on the SEC's website at <http://www.sec.gov>.

RISK FACTORS

An investment in our securities involves significant risks. You should carefully consider the risks and uncertainties and the risk factors set forth in the documents and reports filed with the SEC, including its Annual Report on Form 10-K and Quarterly Reports on Form 10-Q, that are incorporated by reference into this prospectus, as well as any risks described in any applicable prospectus supplement, before you make an investment decision regarding the securities. Additional risks and uncertainties not presently known to us or that we currently deem immaterial may also affect our business operations.

USE OF PROCEEDS

We will not receive any proceeds from any sale of the securities by the selling securityholders.

DESCRIPTION OF WARRANT TO PURCHASE COMMON STOCK

The following is a brief description of the terms of the warrant that may be resold by the selling securityholders. This summary does not purport to be complete in all respects. This description is subject to and qualified in its entirety by reference to the warrant, a copy of which has been filed with the SEC and is also available upon request from us.

Shares of Common Stock Subject to the Warrant

The warrant is initially exercisable for 67,958 shares of our common stock. If we complete one or more qualified equity offerings on or prior to December 31, 2009 that result in our receipt of aggregate gross proceeds of not less than \$4.227 million, which is equal to 100% of the aggregate liquidation preference of our Series A preferred stock, the number of shares of common stock underlying the warrant then held by the selling securityholders will be reduced by 50%. The number of shares subject to the warrant are subject to the further adjustments described below

under the heading “—Adjustments to the Warrant.”

Exercise of the Warrant

The initial exercise price applicable to the warrant is \$9.33 per share of common stock for which the warrant may be exercised. The warrant may be exercised at any time on or before December 12, 2018 by surrender of the warrant and a completed notice of exercise attached as an annex to the warrant and the payment of the exercise price for the shares of common stock for which the warrant is being exercised. The exercise price may be paid either by the withholding by Northeast Bancorp of such number of shares of common stock issuable upon exercise of the warrant equal to the value of the aggregate exercise price of the warrant determined by reference to the market price of our common stock on the trading day on which the warrant is exercised or, if agreed to by us and the warrant holder, by the payment of cash equal to the aggregate exercise price. The exercise price applicable to the warrant is subject to the further adjustments described below under the heading “—Adjustments to the Warrant.”

Upon exercise of the warrant, certificates for the shares of common stock issuable upon exercise will be issued to the warrant holder. We will not issue fractional shares upon any exercise of the warrant. Instead, the warrant holder will be entitled to a cash payment equal to the market price of our common stock on the last day preceding the exercise of the warrant (less the pro-rated exercise price of the warrant) for any fractional shares that would have otherwise been issuable upon exercise of the warrant. We will at all times reserve the aggregate number of shares of our common stock for which the warrant may be exercised. We have listed the shares of common stock issuable upon exercise of the warrant with Nasdaq.

The Warrant will expire at 5:00 p.m. New York City time, on December 12, 2018.

Rights as a Shareholder

The warrant holder shall have no rights or privileges of the holders of our common stock, including any voting rights, until (and then only to the extent) the warrant has been exercised.

Transferability

The initial selling securityholder may not transfer more than one-half of the warrant shares until the earlier of the date on which Northeast Bancorp has received aggregate gross proceeds from a qualified equity offering of at least \$4.227 million and December 31, 2009. The warrant, and all rights under the warrant, are otherwise transferable.

Adjustments to the Warrant

Adjustments in Connection with Stock Splits, Subdivisions, Reclassifications and Combinations. The number of shares for which the warrant may be exercised and the exercise price applicable to the warrant will be proportionately adjusted in the event we pay dividends or make distributions of our common stock, subdivide, combine or reclassify outstanding shares of our common stock.

Anti-dilution Adjustment. Until the earlier of December 12, 2011 and the date the initial selling securityholder no longer holds the warrant (and other than in certain permitted transactions described below), if we issue any shares of common stock (or securities convertible or exercisable into common stock) for less than 90% of the market price of the common stock on the last trading day prior to pricing such shares, then the number of shares of common stock into which the warrant is exercisable and the exercise price will be adjusted. Permitted transactions include issuances:

- as consideration for or to fund the acquisition of businesses and/or related assets;

- in connection with employee benefit plans and compensation related arrangements in the ordinary course and consistent with past practice approved by our board of directors;

- in connection with public or broadly marketed offerings and sales of common stock or convertible securities for cash conducted by us or our affiliates pursuant to registration under the Securities Act, or Rule 144A thereunder on a basis consistent with capital-raising transactions by comparable financial institutions (but do not include other private transactions); and

- in connection with the exercise of preemptive rights on terms existing as of December 12, 2008.

Other Distributions. If we declare any dividends or distributions other than our historical, ordinary cash dividends, the exercise price of the warrant will be adjusted to reflect such distribution.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

Certain Repurchases. If we effect a pro rata repurchase of common stock both the number of shares issuable upon exercise of the warrant and the exercise price will be adjusted.

Business Combinations. In the event of a merger, consolidation or similar transaction involving Northeast Bancorp and requiring shareholder approval, the warrant holder's right to receive shares of our common stock upon exercise of the warrant shall be converted into the right to exercise the warrant for the consideration that would have been payable to the warrant holder with respect to the shares of common stock for which the warrant may be exercised, as if the warrant had been exercised prior to such merger, consolidation or similar transaction.

DESCRIPTION OF COMMON STOCK

General

We have 15,000,000 shares of authorized common stock, \$1.00 par value per share, of which 2,321,332 shares were outstanding as of January 29, 2009.

Holders of our common stock are entitled to receive dividends if, as and when declared by our board of directors out of any funds legally available for dividends. Holders of our common stock are also entitled, upon our liquidation, and after claims of creditors and the preferences of Series A preferred stock, and any other class or series of preferred stock outstanding at the time of liquidation, to receive pro rata our net assets. We pay dividends on our common stock only if we have paid or provided for all dividends on our outstanding series of preferred stock, for the then current period and, in the case of any cumulative preferred stock, all prior periods.

Our Series A preferred stock has, and any other series of preferred stock upon issuance will have, preference over our common stock with respect to the payment of dividends and the distribution of assets in the event of our liquidation or dissolution. Our preferred stock also has such other preferences as currently, or as may be, fixed by our board of directors.

Holders of our common stock are entitled to one vote for each share that they hold and are vested with all of the voting power except as our board of directors has provided, or may provide in the future, with respect to preferred stock or any other class or series of preferred stock that the board of directors may hereafter authorize. Shares of our common stock are not redeemable, and have no subscription, conversion or preemptive rights.

Our common stock is listed on the Nasdaq Global Market. Outstanding shares of our common stock are validly issued, fully paid and non-assessable. Holders of our common stock are not, and will not be, subject to any liability as shareholders.

Transfer Agent and Registrar

The transfer agent and registrar for our common stock is Registrar and Transfer Company.

Restrictions on Ownership

The Bank Holding Company Act requires any “bank holding company,” as defined in the Bank Holding Company Act, to obtain the approval of the Federal Reserve Board prior to the acquisition of 5% or more of our common stock. Any person, other than a bank holding company, is required to obtain prior approval of the Federal Reserve Board to acquire 10% or more of our common stock under the Change in Bank Control Act. Any holder of 25% or more of our common stock, or a holder of 5% or more if such holder otherwise exercises a “controlling influence” over us, is subject to regulation as a bank holding company under the Bank Holding Company Act. In addition, Maine law requires the prior approval of the Superintendent of the Maine Bureau of Financial Institutions for (i) the acquisition of more than 5% of the voting shares of a Maine financial institution or any financial institution holding company that controls a Maine financial institution, or (ii) the acquisition by a Maine financial institution holding company of more than 5% of a financial institution or a financial institution holding company domiciled outside the State of Maine.

PLAN OF DISTRIBUTION

The selling securityholders and their successors, including their transferees, may sell the securities directly to purchasers or through underwriters, broker-dealers or agents, who may receive compensation in the form of discounts, concessions or commissions from the selling securityholders or the purchasers of the securities. These discounts, concessions or commissions as to any particular underwriter, broker-dealer or agent may be in excess of those customary in the types of transactions involved.

The securities may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale or at negotiated prices. These sales may be effected in transactions, which may involve crosses or block transactions:

- on any national securities exchange or quotation service on which the common stock may be listed or quoted at the time of sale, including, as of the date of this prospectus, the Nasdaq Global Market;

- in the over-the-counter market;

- in transactions otherwise than on these exchanges or services or in the over-the-counter market; or

- through the writing of options, whether the options are listed on an options exchange or otherwise.

In addition, any securities that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than pursuant to this prospectus.

In connection with the sale of the securities or otherwise, the selling securityholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of the common stock issuable upon exercise of the warrant in the course of hedging the positions they assume. The selling securityholders may also sell short the common stock issuable upon exercise of the warrant and deliver common stock to close out short positions, or loan or pledge the common stock issuable upon exercise of the warrant to broker-dealers that in turn may sell these securities.

The aggregate proceeds to the selling securityholders from the sale of the securities will be the purchase price of the securities less discounts and commissions, if any.

In effecting sales, broker-dealers or agents engaged by the selling securityholders may arrange for other broker-dealers to participate. Broker-dealers or agents may receive commissions, discounts or concessions from the selling securityholders in amounts to be negotiated immediately prior to the sale.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

In offering the securities covered by this prospectus, the selling securityholders and any broker-dealers who execute sales for the selling securityholders may be deemed to be “underwriters” within the meaning of Section 2(a)(11) of the Securities Act in connection with such sales. Any profits realized by the selling securityholders and the compensation of any broker-dealer may be deemed to be underwriting discounts and commissions. Selling securityholders who are “underwriters” within the meaning of Section 2(a)(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act and may be subject to certain statutory and regulatory liabilities, including liabilities imposed pursuant to Sections 11, 12 and 17 of the Securities Act and Rule 10b-5 under the Securities Exchange Act of 1934, or the Exchange Act.

In order to comply with the securities laws of certain states, if applicable, the securities must be sold in such jurisdictions only through registered or licensed brokers or dealers. In addition, in certain states the securities may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

The anti-manipulation rules of Regulation M under the Exchange Act may apply to sales of securities pursuant to this prospectus and to the activities of the selling securityholders. In addition, we will make copies of this prospectus available to the selling securityholders for the purpose of satisfying the prospectus delivery requirements of the Securities Act, which may include delivery through the facilities of the Nasdaq Global Market pursuant to Rule 153 under the Securities Act.

At the time a particular offer of securities is made, if required, a prospectus supplement will set forth the number and type of securities being offered and the terms of the offering, including the name of any underwriter, dealer or agent, the purchase price paid by any underwriter, any discount, commission and other item constituting compensation, any discount, commission or concession allowed or reallocated or paid to any dealer, and the proposed selling price to the public.

We have agreed to indemnify the selling securityholders against certain liabilities, including certain liabilities under the Securities Act. We have also agreed, among other things, to bear substantially all expenses (other than underwriting discounts and selling commissions) in connection with the registration and sale of the securities covered by this prospectus.

SELLING SECURITYHOLDERS

On December 12, 2008, we issued the securities covered by this prospectus to the United States Department of Treasury, which is the initial selling securityholder under this prospectus, in a transaction exempt from the registration requirements of the Securities Act. The initial selling securityholder, or its successors, including transferees, may from time to time offer and sell, pursuant to this prospectus or a supplement to this prospectus, any or all of the securities they own. The securities to be offered under this prospectus for the account of the selling securityholders are:

- a warrant to purchase 67,958 shares of our common stock, representing beneficial ownership of approximately 2.9% of our common stock as of January 22, 2009; and
- 67,958 shares of our common stock issuable upon exercise of the warrant, which shares, if issued, would represent ownership of approximately 2.8% of our common stock as of January 22, 2009.

For purposes of this prospectus, we have assumed that, after completion of the offering, none of the securities covered by this prospectus will be held by the selling securityholders.

Beneficial ownership is determined in accordance with the rules of the SEC and includes voting or investment power with respect to the securities. To our knowledge, the initial selling securityholder has sole voting and investment power with respect to the securities.

We do not know when or in what amounts the selling securityholders may offer the securities for sale. The selling securityholders might not sell any or all of the securities offered by this prospectus. Because the selling securityholders may offer all or some of the securities pursuant to this offering, and because currently no sale of any of the securities is subject to any agreements, arrangements or understandings, we cannot estimate the number of the securities that will be held by the selling securityholders after completion of the offering.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

Other than with respect to the acquisition of the securities, the initial selling securityholder has not had a material relationship with us.

Information about the selling securityholders may change over time and changed information will be set forth in supplements to this prospectus if and when necessary.

LEGAL MATTERS

The validity of the warrant and the common stock offered hereby will be passed upon for us by Pierce Atwood, LLC.

B. With respect to any criminal action or proceeding, to have had reasonable cause to believe that person's conduct was unlawful.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

The termination of any action, suit or proceeding by judgment, order or conviction adverse to that person, or by settlement or plea of NOLO CONTENDERE or its equivalent, shall not of itself create a presumption that a person did not act honestly or in the reasonable belief that such person's action was in or not opposed to the best interest of the corporation or its shareholders or, in the case of a person serving as a fiduciary of an employee benefit plan or trust, in or not opposed to the best interests of that plan or trust or its participants or beneficiaries and, with respect to any criminal action or proceeding, had reasonable cause to believe that person's conduct was unlawful.

1-A. Notwithstanding any provision of subsection 1, a corporation shall not have the power to indemnify any person with respect to any claim, issue or matter asserted by or in the right of the corporation as to which that person is finally adjudicated to be liable to the corporation unless the court in which the action, suit or proceeding was brought shall determine that, in view of all the circumstances of the case, that person is fairly or reasonably entitled to indemnity for such amounts as the court shall deem reasonable.

2. Any provision of subsection 1, 1-A or 3 to the contrary notwithstanding, to the extent that a director, officer, employee or agent of a corporation has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in subsection 1 or 1-A, or in defense of any claim, issue or matter therein, that director, officer, employee or agent shall be indemnified against expenses, including attorneys' fees, actually and reasonably incurred by that director, officer, employee or agent in connection therewith. The right to indemnification granted by this subsection may be enforced by a separate action against the corporation, if an order for indemnification is not entered by a court in the action, suit or proceeding wherein that director, officer, employee or agent was successful on the merits or otherwise.

3. Any indemnification under subsection 1, unless ordered by a court or required by the bylaws, shall be made by the corporation only as authorized in the specific case upon a determination that indemnification of the director, officer, employee or agent is proper in the circumstances and in the best interest of the corporation. That determination shall be made by the board of directors by a majority vote of a quorum consisting of directors who were not parties to that action, suit or proceeding, or if such a quorum is not obtainable, or even if obtainable, if a quorum of disinterested directors so directs, by independent legal counsel in a written opinion, or by the shareholders. Such a determination once made may not be revoked and, upon the making of that determination, the director, officer, employee or agent may enforce the indemnification against the corporation by a separate action notwithstanding any attempted or actual subsequent action by the board of directors.

4. Expenses incurred in defending a civil, criminal, administrative or investigative action, suit or proceeding may be authorized and paid by the corporation in advance of the final disposition of that action, suit or proceeding made in accordance with the procedure established in subsection 3 that, based solely on the facts then known to those making the determination and without further investigation, the person seeking indemnification satisfied the standard of conduct prescribed by subsection 1, or if so provided by the bylaws, these expenses shall in all cases be authorized and paid by the corporation in advance of the final disposition of that action, suit or proceeding upon receipt by the corporation of:

A. A written undertaking by or on behalf of the officer, director, employee or agent to repay that amount if that person is finally adjudicated:

(1) Not to have acted honestly or in the reasonable belief that such person's action was in or not opposed to the best interests of the corporation or its shareholders or, in the case of a person serving as a fiduciary of an employee benefit plan or trust, in or not opposed to the best interests of such plan or trust or its participants or beneficiaries;

(2) With respect to any criminal action or proceeding, to have had reasonable cause to believe that the person's conduct was unlawful; or

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

(3) With respect to any claim, issue or matter asserted in any action, suit or proceeding brought by or in the right of the corporation, to be liable to the corporation, unless the court in which that action, suit or proceeding was brought permits indemnification in accordance with subsection 2; and

B. A written affirmation by the officer, director, employee or agent that the person has met the standard of conduct necessary for indemnification by the corporation as authorized in this section.

The undertaking required under paragraph A shall be an unlimited general obligation of the person seeking the advance, but need not be secured and may be accepted without reference to financial ability to make the repayment.

5. The indemnification and entitlement to advances of expenses provided by this section shall not be deemed exclusive of any other rights to which those indemnified may be entitled under any bylaw, agreement, vote of stockholders or disinterested directors or otherwise, both as to action in that person's official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a director, officer, employee, agent, trustee, partner or fiduciary and shall inure to the benefit of the heirs, executors and administrators of such a person. A right to indemnification required by the bylaws may be enforced by a separate action against the corporation, if an order for indemnification has not been entered by a court in any action, suit or proceeding in respect to which indemnification is sought.

6. A corporation shall have power to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, trustee, partner, fiduciary, employee or agent of another corporation, partnership, joint venture, trust, pension or other employee benefit plan or other enterprise against any liability asserted against that person and incurred by that person in any such capacity, or arising out of that person's status as such, whether or not the corporation would have the power to indemnify that person against such liability under this section.

7. For purposes of this section, references to the "corporation" shall include, in addition to the surviving corporation or new corporation, any participating corporation in a consolidation or merger.

Northeast Bancorp's Bylaws provide for the indemnification of directors and officers. The general effect of the Bylaw provisions is to indemnify any director or officer against any liability arising from any action or suit to the full extent permitted by Maine law as referenced above. Advances against expenses may be made under the Bylaws and any other indemnification agreement that may be entered into by Northeast Bancorp and the indemnity coverage provided thereunder may include liabilities under the federal securities laws as well as in other contexts. Reference is made to Article X of Northeast Bancorp's Bylaws filed as Exhibit 3.2 hereto.

Northeast Bancorp has purchased and maintains insurance on behalf of any person who is or was a director or officer against any loss arising from any claim asserted against any such person and incurred by such person in any such capacity, subject to certain exclusions.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act of 1933, as amended (the "Securities Act of 1933");

(ii) to reflect in the prospectus any facts or events arising after the effective date of this registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in the volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (1)(i), (1)(ii) and (1)(iii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in this registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of this registration statement.

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

(2) That, for the purposes of determining any liability under the Securities Act of 1933, each post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by a registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of a registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities:

The undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) the portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

The registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the indemnification provisions described herein, or otherwise, the registrant has been advised that in the opinion of

the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment

Edgar Filing: NORTHEAST BANCORP /ME/ - Form S-3

by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.
