PROXY STATEMENT  
for  
ANNUAL MEETING OF STOCKHOLDERS  
of  
TRANSGENOMIC, INC.

---

GENERAL INFORMATION

We are sending this Proxy Statement to you in connection with our request for your proxy to use at the 2015 Annual Meeting of Stockholders (the “Annual Meeting”) of Transgenomic, Inc. (the “Company”) to be held on May 28, 2015 at 9:30 a.m., Central Daylight Time, at our offices located at 12325 Emmet Street, Omaha, Nebraska. Only those owners of our common stock, Series A Convertible Preferred Stock (the “Series A Preferred Stock”) and Series B Convertible Preferred Stock (the “Series B Preferred Stock” and, together with the Series A Preferred Stock, the “Preferred Stock”) of record as of the close of business on April 21, 2015 (the “Record Date”) are entitled to vote at the Annual Meeting. This Proxy Statement, along with the Notice of the Annual Meeting, the Annual Report to Stockholders and a proxy card are being first mailed to stockholders on or about April 30, 2015.

Your proxy is being solicited by the Board of Directors of the Company (the “Board”) and will give each member of the Board and our Chief Executive Officer the power to vote on your behalf at the Annual Meeting. All shares of the Company’s voting stock represented by properly executed and unrevoked proxies will be voted by a member of the Board or the Chief Executive Officer in accordance with the directions given by those proxies. Where no instructions are indicated, the Board or the Chief Executive Officer will vote as follows: (1) “FOR” the election of Michael A. Luther, Ph.D. as a Class III Director for a term to expire in 2018 (“Proposal One”), (2) “FOR” the approval, on an advisory basis, of the compensation of our named executive officers, as set forth in this Proxy Statement (“Proposal Two”), and (3) “FOR” the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015 (“Proposal Three”). In addition, the Board believes outstanding voting shares owned by current executive officers and directors of the Company will be voted “FOR” each of Proposal One, Proposal Two and Proposal Three. Shares owned by these persons represent less than 1% of the total shares of our voting stock outstanding as of the Record Date.

You may revoke your proxy at any time before it is exercised by a member of the Board or the Chief Executive Officer at the Annual Meeting. If you decide to do this, you will need to give the Secretary of the Company written notice that you want to revoke the proxy or you can submit a new proxy to the Secretary, or submit a new vote electronically via the Internet or by telephone. In addition, if you attend the Annual Meeting in person, you may withdraw your proxy and vote in person. Shares of common stock and Preferred Stock entitled to vote and represented by properly executed, returned and unrevoked proxies will be considered present at the Annual Meeting for purposes of establishing a quorum. This includes shares for which votes are withheld, abstentions are cast or there are broker non-votes. The holders of our common stock and Preferred Stock representing at least a majority of our voting stock issued and outstanding on the Record Date must be present at the Annual Meeting, either in person or by proxy, in

order for there to be a quorum.

Under rules that govern banks, brokers and others who have record ownership of company stock held in brokerage accounts for their clients who beneficially own the shares, these banks, brokers and other such holders who do not receive voting instructions from their clients have the discretion to vote uninstructed shares on certain matters (“discretionary matters”) but do not have discretion to vote uninstructed shares as to certain other matters (“non-discretionary matters”). A broker may return a proxy card on behalf of a beneficial owner from whom the broker has not received voting instructions that casts a vote with regard to discretionary matters but expressly states that the broker is not voting as to non-discretionary matters. The broker’s inability to vote with respect to the non-discretionary matters for which the broker has not received voting instructions from the beneficial owner is referred to as a “broker non-vote.”

1

---

Under rules related to discretionary voting and broker non-votes, banks, brokers and other such record holders are no longer permitted to vote the uninstructed shares of their customers on a discretionary basis in the election of directors or on executive compensation program matters. Because broker non-votes are not considered under Delaware law to be entitled to vote at the Annual Meeting, they will have no effect on the outcome of the vote on Proposal One (election of the Class III director) and Proposal Two (advisory vote to approve named executive compensation). As a result, if you hold your shares in street name and you do not instruct your bank, broker or other such holder how to vote your shares in the election of directors or on the advisory vote related to our named executive compensation, no votes will be cast on your behalf on these proposals. Therefore, it is critical that you indicate your vote on these proposals if you want your vote to be counted. Proposal Three (ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015) should be considered a routine matter. Therefore, your broker will be able to vote on this proposal even if it does not receive instructions from you, so long as it holds your shares in its name.

#### Required Votes

On the Record Date there were 12,161,156 issued and outstanding shares of our common stock, 2,586,205 issued and outstanding shares of Series A Preferred Stock and 1,443,297 issued and outstanding shares of Series B Preferred Stock. Each share of common stock is entitled to one vote on each matter to be voted on at the Annual Meeting. Only the owners of our common stock as of the Record Date, voting as a separate class, are entitled to vote on Proposal One. The holders of Series A Preferred Stock are entitled to one vote for every three shares of Series A Preferred Stock held on each matter to be voted on at the Annual Meeting, except for Proposal One (the election of the Class III director). Accordingly, the owners of Series A Preferred Stock have an aggregate of 862,057 votes with respect to each of Proposal Two (advisory vote to approve named executive compensation) and Proposal Three (ratification of auditors). Each share of Series B Preferred Stock is entitled to one vote on each matter to be voted on at the Annual Meeting, except for Proposal One (the election of the Class III director). Accordingly, the owners of Series B Preferred Stock have an aggregate of 1,443,297 votes with respect to each of Proposal Two (advisory vote to approve named executive compensation) and Proposal Three (ratification of auditors). The Preferred Stockholders will vote together as a single class on an as-converted basis with the holders of common stock on each of Proposal Two and Proposal Three.

Proposal One-Election of Michael A. Luther, Ph.D. as a Class III Director for a term to expire in 2018. Michael A. Luther, Ph.D. must be elected by the affirmative vote of a plurality of the outstanding common stock, voting as a separate class. Our common stockholders do not have the right to cumulate votes in the election of directors. If a stockholder votes to “abstain” with respect to this proposal, such stockholder’s shares will not be voted with respect to this proposal. Broker non-votes and withheld votes will not be counted as votes cast for this proposal and as such will have no impact on the outcome of this proposal.

Proposal Two-Approval, on an advisory basis, of the compensation of our named executive officers, as set forth in this Proxy Statement. The affirmative vote of a majority of the votes cast by the holders of our common stock and Series A Preferred Stock, voting together as a single class on an as-converted to common stock basis, at the Annual Meeting is required to approve, on an advisory basis, the compensation of our named executive officers, as set forth in this Proxy Statement. Abstentions will be counted as votes against this proposal. Broker non-votes will not be counted as votes cast for this proposal.

Proposal Three-Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the year ending December 31, 2015. The affirmative vote of a majority of the voting power present in person or represented by proxy held by the holders of our common stock and Preferred Stock, voting together as a single class on an as-converted to common stock basis, at the Annual Meeting is required to ratify the

appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015. Abstentions will be counted as votes against this proposal. Broker non-votes will have no effect on the outcome of this proposal.

## PROPOSAL ONE: ELECTION OF DIRECTOR

### Board of Directors and Committees

Our Board consists of five directors. The Board is divided into three classes with directors in each class serving for a term of three years. The terms of office of the current Class I, Class II and Class III directors will expire in 2016, 2017 and 2015, respectively. The Preferred Stockholders are entitled, as a separate voting group, to elect two of the five directors (the “Preferred Stock Directors”). The Common Stockholders are entitled, as a separate voting group, to elect the three remaining directors (the “Common Stock Directors”). There is one Common Stock Director in each class. There is one Preferred Stock Director in each of Class I and Class II, but not a Preferred Stock Director in Class III.

Robert M. Patzig is the current Preferred Stock Director in Class I, Paul Kinnon is the current Common Stock Director in Class I, Doit L. Koppler, II is the current Preferred Stock Director in Class II, John D. Thompson is the current Common Stock Director in Class II and Michael A. Luther, Ph.D. is the current Common Stock Director in Class III.

The Board has nominated Michael A. Luther, Ph.D. for election by the Common Stockholders as the Class III Common Stock Director to serve a three-year term expiring in 2018. Dr. Luther has expressed an intention to continue to serve on the Board if he is elected. There are no arrangements or understandings between Dr. Luther and any other person pursuant to which he was selected as a nominee.

Our Amended and Restated Bylaws provide that directors are elected by a plurality vote. Therefore, Dr. Luther will be elected as the Class III Common Stock Director if he is the nominee receiving the highest number of affirmative votes. This means that votes withheld and broker non-votes with respect to the election of the Class III Common Stock Director will have no effect on the election of such director. If Dr. Luther is unable to serve as a director, the Board may nominate a substitute nominee. In that case, the Board will vote all valid proxies that voted in favor of Dr. Luther for the election of the substitute nominee.

Certain biographical information regarding our director nominee and directors continuing in office after the Annual Meeting, including their ages as of April 21, 2015 and the dates that they were first elected to our Board, is set forth below. In each individual’s biography we have highlighted specific experience, qualifications, and skills that have led the Board to conclude that such individual is a valued member of our Board. In addition to these specific attributes, all of our directors have significant expertise in one or more areas of importance to our business and have high-level managerial experience in relatively complex organizations or are accustomed to dealing with complex problems. We believe all of our directors are individuals of high character and integrity, are able to work well with others, and have sufficient time to devote to the affairs of our company.

The Board of Directors recommends that you vote “FOR” the director nominee named in Proposal One.

## Code of Business Conduct and Ethics

Our Board has adopted a code of ethical conduct that applies to our principal executive officer, principal financial officer and senior financial management. This code of ethical conduct is embodied within our Code of Business Conduct and Ethics, which applies to all persons associated with our Company, including our directors, officers and employees (including our principal executive officer, principal financial officer, principal accounting officer and controller). The Code of Business Conduct and Ethics is available in the Investor Relations section of our website at [www.transgenomic.com](http://www.transgenomic.com). In order to satisfy our disclosure requirements under Item 5.05 of Form 8-K, we will disclose amendments to, or waivers of, certain provisions of our Code of Business Conduct and Ethics relating to our chief executive officer, chief financial officer, chief accounting officer, controller or persons performing similar functions on our website promptly following the adoption of any such amendment or waiver.

## Corporate Governance

### Board Leadership Structure

Our Board has determined that having an independent director serve as the Chairperson of the Board is in the best interests of our stockholders. Our Chairperson of the Board is Robert M. Patzig. Our President, Chief Executive Officer and Interim Chief Financial Officer, Paul Kinnon, is the only member of our Board who is not an independent director. We believe that this leadership structure enhances the accountability of our President and Chief Executive Officer to the Board and strengthens the Board's independence from management. While both leaders are actively engaged in significant matters affecting our Company, such as long-term strategy, we believe splitting these leadership positions enables Mr. Kinnon to focus his efforts on running our business and managing our Company while permitting Mr. Patzig to focus more on the governance of our Company, including oversight of our Board.

### Director Attendance at Meetings

Our Board conducts its business through meetings of the Board, both in person and telephonic, and actions taken by written consent in lieu of meetings. During the year ended December 31, 2014, the Board held twelve meetings and acted by written consent in lieu of a meeting one time. All directors attended at least 75% of the meetings of the Board and of the committees of the Board on which they served during 2014.

Our Board encourages all directors to attend our annual meetings of stockholders unless it is not reasonably practicable for a director to do so. One of the persons serving as a director at the time of our 2014 Annual Meeting of Stockholders attended our 2014 Annual Meeting of Stockholders.

### Committees of our Board of Directors

Our Board has established and delegated certain responsibilities to its standing Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee.

#### Audit Committee

We have a separately designated standing Audit Committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The Audit Committee's primary duties and responsibilities include monitoring the integrity of our financial statements, monitoring the independence and performance of our external auditors, and monitoring our compliance with applicable legal and regulatory requirements. The functions of the Audit Committee also include reviewing periodically with our independent registered public accounting firm the performance of the services for which they are engaged, including reviewing the scope of the annual audit and its results, reviewing with management and the auditors the adequacy of our internal accounting controls, reviewing with management and the auditors the financial results prior to the filing of quarterly

and annual reports, reviewing fees charged by our independent registered public accounting firm and reviewing any transactions between our Company and related parties. Our independent registered public accounting firm reports directly and is accountable solely to the Audit Committee. The Audit Committee has the sole authority to hire and fire the independent registered public accounting firm and is responsible for the oversight of the performance of their duties, including ensuring the independence of the independent registered public accounting firm. The Audit Committee also approves in advance the retention of, and all fees to be paid to, the independent registered public accounting firm. The rendering of any auditing services and all non-auditing services by the independent registered public accounting firm is subject to prior approval of the Audit Committee.

The Audit Committee operates under a written charter which is available in the Investor Relations section of our website at [www.transgenomic.com](http://www.transgenomic.com). The Audit Committee is required to be composed of directors who are independent under the rules of the SEC and the listing standards of The Nasdaq Stock Market LLC (“NASDAQ”).

The current members of the Audit Committee are directors Mr. Patzig, Dr. Luther and Mr. Thompson, the Chairperson of the Audit Committee, all of whom have been determined by the Board to be independent under the NASDAQ listing standards and rules adopted by the SEC applicable to audit committee members. The Board has determined that each of Mr. Patzig, Dr. Luther and Mr. Thompson qualifies as an “audit committee financial expert” under the rules adopted by the SEC and the Sarbanes Oxley Act of 2002. The Audit Committee met eight times during 2014 and did not take any actions by written consent.

#### REPORT OF THE AUDIT COMMITTEE

The Company’s management is responsible for the preparation of the Company’s financial statements and for maintaining an adequate system of internal controls and processes for that purpose. Ernst & Young LLP (“E&Y”) acts as the Company’s independent registered public accounting firm and they are responsible for conducting an independent audit of the Company’s annual financial statements in accordance with auditing standards generally accepted in the United States of America and issuing a report on the results of their audit. The Audit Committee is responsible for providing independent, objective oversight of both of these processes.

The Audit Committee has reviewed and discussed the Company’s audited financial statements for the year ended December 31, 2014 with management of the Company and with representatives of E&Y. The Audit Committee's discussions with E&Y also included the matters required by Auditing Standard No. 16, Communications with Audit Committees, as adopted by the Public Company Accounting Oversight Board (PCAOB). In addition, the Audit Committee received the written disclosures and the letter from E&Y required by applicable requirements of the PCAOB regarding its communications with the Audit Committee concerning independence, and has discussed with E&Y its independence from the Company and its management.

Based on the foregoing, the Audit Committee has recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements of the Company for the year ended December 31, 2014 be included in the Company’s Annual Report on Form 10-K for filing with the SEC.

#### Compensation Committee

The primary duties and responsibilities of our standing Compensation Committee are to review, modify and approve the overall compensation policies for the Company, including the compensation of the Company’s Chief Executive Officer and other senior management; establish and assess the adequacy of director compensation; and approve the adoption, amendment and termination of the Company’s stock option plans, pension and profit sharing plans, bonus plans and similar programs. The Compensation Committee may delegate to one or more officers the authority to make grants of options and restricted stock to eligible individuals other than officers and directors, subject to certain limitations. Additionally, the Compensation Committee has the authority to form subcommittees and to delegate authority to any such subcommittee. The Compensation Committee also has the authority, in its sole discretion, to select, retain and obtain, at the expense of the Company, advice and assistance from internal or external legal, accounting or other advisors and consultants. Moreover, the Compensation Committee has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director, Chief Executive Officer or senior executive compensation, including sole authority to approve such consultant’s reasonable fees and other retention terms, all at the Company’s expense.

The Compensation Committee operates under a written charter which is available in the Investor Relations section of our website at [www.transgenomic.com](http://www.transgenomic.com). All members of the Compensation Committee must satisfy the independence requirements of NASDAQ applicable to compensation committee members.

The Compensation Committee currently consists of directors Mr. Patzig and Mr. Thompson, both of whom have been determined by the Board to be independent under NASDAQ listing standards applicable to compensation committee members. The Compensation Committee met three times during 2014 and acted by written consent in lieu of a meeting one time.

## Nominating and Corporate Governance Committee

The Nominating Committee identifies, reviews and evaluates candidates to serve on the Board; reviews and assesses the performance of the Board and the committees of the Board; and assesses the independence of our directors. The Nominating Committee is also responsible for reviewing the composition of the Board's committees and making recommendations to the entire Board regarding the chairpersonship and membership of each committee. In addition, the Nominating Committee is responsible for developing corporate governance principles and periodically reviewing and assessing such principles, as well as periodically reviewing the Company's policy statements to determine their adherence to the Company's Code of Business Conduct and Ethics.

The Nominating Committee has adopted a Director Nominees Consideration Policy, whereby Board candidates are identified primarily through suggestions made by directors, management and stockholders of the Company. We have implemented no material changes to the procedures by which stockholders may recommend nominees for the Board. The Nominating Committee will consider director nominees recommended by stockholders that are submitted in writing to the Company's Corporate Secretary in a timely manner and which provide necessary biographical and business experience information regarding the nominee. The Nominating Committee does not intend to alter the manner in which it evaluates candidates, including the criteria considered by the Nominating Committee, based on whether or not the candidate was recommended by a stockholder. The Board does not prescribe any minimum qualifications for director candidates, and all candidates for director will be evaluated based on their qualifications, diversity, age, skill and such other factors as deemed appropriate by the Nominating Committee given the current needs of the Board, the committees of the Board and the Company. Although the Nominating Committee does not have a specific policy on diversity, it considers the criteria noted above in selecting nominees for directors, including members from diverse backgrounds who combine a broad spectrum of experience and expertise. Absent other factors which may be material to its evaluation of a candidate, the Nominating Committee expects to recommend to the Board for selection incumbent directors who express an interest in continuing to serve on the Board. Following its evaluation of a proposed director's candidacy, the Nominating Committee will make a recommendation as to whether the Board should nominate the proposed director candidate for election by the stockholders of the Company.

The Nominating Committee operates under a written charter which is available in the Investor Relations section of our website at [www.transgenomic.com](http://www.transgenomic.com). No member of the Nominating Committee may be an employee of the Company and each member must satisfy the independence requirements of NASDAQ and the SEC.

The Nominating Committee currently consists of directors Mr. Patzig and Mr. Koppler, each of whom has been determined by the Board to be independent under NASDAQ listing standards. The Nominating Committee was formed by the Board in February 2014 and met one time during 2014.

## Oversight of Risk Management

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic risks, financial risks, legal and regulatory risks and others, such as the impact of competition. Management is responsible for the day-to-day management of the risks that we face, while the Board, as a whole and through its committees, has responsibility for the oversight of risk management. In its risk oversight role, our Board is responsible for satisfying itself that the risk management processes designed and implemented by management are adequate and functioning as designed. Our Board assesses major risks facing our Company and options for their mitigation in order to promote our stockholders' interests in the long-term health of the Company and our overall success and financial strength. A fundamental part of risk management is not only understanding the risks a company faces and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. The involvement of our full Board in the risk oversight process allows our Board to assess management's appetite for risk and also determine what constitutes an appropriate level of

risk for our Company. Our Board regularly includes agenda items at its meetings relating to its risk oversight role and meets with various members of management on a range of topics, including corporate governance and regulatory obligations, operations and significant transactions, risk management, insurance, pending and threatened litigation and significant commercial disputes.

While our Board is ultimately responsible for risk oversight, various committees of the Board oversee risk management in their respective areas and regularly report on their activities to our entire Board. In particular, the Audit Committee has the primary responsibility for the oversight of financial risks facing our Company. The Audit Committee's charter provides that it will discuss our major financial risk exposures and the steps we have taken to monitor and control such exposures. The Board has also delegated primary responsibility for the oversight of all executive compensation and our employee benefit programs to the Compensation Committee. The Compensation Committee strives to create incentives that encourage a level of risk-taking behavior consistent with our business strategy.

We believe the division of risk management responsibilities described above is an effective approach for addressing the risks facing our Company and that our Board's leadership structure provides appropriate checks and balances against undue risk taking.

#### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act and the rules of the SEC require our directors, certain officers and beneficial owners of more than 10% of our outstanding common stock to file reports of their ownership and changes in ownership of our common stock with the SEC. We believe all Section 16 reports were filed in a timely manner during 2014, except for one Form 4 to report the grant of a stock option made on March 13, 2014 that was inadvertently filed late by Dr. Luther.

#### Review and Approval of Related Person Transactions

We recognize that related person transactions can present potential or actual conflicts of interest and create the appearance that our decisions are based on considerations which may not be in our best interests or the best interests of our stockholders. Accordingly, as a general matter, we prefer to avoid related person transactions. Nevertheless, we recognize that there are situations where related person transactions may be in, or may not be inconsistent with, our best interests. Pursuant to the Audit Committee Charter, the Audit Committee is responsible for reviewing and overseeing related-party transactions as required by Nasdaq and SEC rules. Related persons include our directors, executive officers, 5% beneficial owners of our common stock or their respective immediate family members. Our Board will also review related party transactions in accordance with applicable law and the provisions of our Third Amended and Restated Certificate of Incorporation, as amended.

In addition, our Audit Committee has adopted a written Related Persons Transactions Policy. Under our Related Persons Transactions Policy, if any director or executive officer or any immediate family member or related entity of a related person proposes to enter into a transaction, or if the Company proposes to enter into a transaction with a 5% beneficial owner of our common stock, then, prior to entering into such transaction, the related person must notify the Company's Compliance Officer (currently, the Interim Chief Financial Officer) and provide sufficient knowledge regarding the proposed transaction as is reasonably available to assist the Compliance Officer in determining whether approval of the Audit Committee is required. The Audit Committee must review and consider any proposed related person transaction, and the Audit Committee will only approve the transactions it deems are fair to and in the best interests of the Company. Additionally, the Audit Committee may ratify transactions that were previously unapproved if it finds the transactions are fair to and in the best interests of the Company. The following is a description of transactions or series of transactions since January 1, 2013, or any currently proposed transaction, to which we were or are to be a participant in which the amount involved in the transaction or series of transactions exceeds \$120,000, and in which any of our directors, executive officers or persons who we know to be 5% beneficial owners of our common stock, including their immediate family members, had or will have a direct or indirect material interest, other than compensation arrangements that are described under "Agreements with Our Named Executive Officers" below:

#### Note Purchase Agreement

On December 30, 2011, we entered into a Convertible Promissory Note Purchase Agreement (the "Note Purchase Agreement") with Third Security Senior Staff 2008 LLC, a Virginia limited liability company, Third Security Staff 2010 LLC, a Virginia limited liability company, and Third Security Incentive 2010 LLC, a Virginia limited liability company (collectively, the "Third Security Investors"), in the aggregate amount of \$3,000,000. The Third Security Investors are currently the holders of 100% of our Series A Preferred Stock and collectively represent a more than 10% beneficial ownership interest in our common stock.

Under the Note Purchase Agreement, we sold to each of the Third Security Investors a convertible note with a March 31, 2012 maturity date (collectively, the “Convertible Notes”). The Note Purchase Agreement and Convertible Notes provided for conversion of any amount remaining due to the Third Security Investors under the Convertible Notes into our equity of the same class(es) or series and at the same price as our equity securities sold in our first sale or issuance of our equity securities after December 30, 2011, in the aggregate amount of at least \$3,000,000. A majority of the disinterested directors approved our entrance into the Note Purchase Agreement and issuance of the Convertible Notes to the Third Security Investors.

On February 2, 2012, we entered into a securities purchase agreement with certain institutional and other accredited investors (the “2012 Investors”) pursuant to which we: (i) sold to the 2012 Investors an aggregate of 1,583,333 shares of our common stock at a price per share of \$12.00 for aggregate gross proceeds of approximately \$19,000,000; and (ii) issued to the 2012 Investors warrants (the “2012 Warrants”) to purchase up to an aggregate of 823,333 shares of our common stock with an exercise price of \$15.00 per share (collectively, the “2012 Offering”). The 2012 Warrants may be exercised, in whole or in part, at any time from February 7, 2012 until February 7, 2017 and contain both cash and “cashless exercise” features.

As part of the 2012 Offering, in connection with the conversion of the Convertible Notes, the Third Security Investors received an aggregate of 250,000 shares of our common stock (the “Third Security Common Shares”) and warrants to purchase up to 125,000 shares of our common stock (the “Third Security Warrants”) upon the same terms as the 2012 Investors. As part of the 2012 Offering, our Preferred Stock Directors, Doit L. Koppler, II and Robert M. Patzig, purchased shares of our common stock and warrants on the same terms as the other 2012 Investors.

On January 24, 2013, we entered into a securities purchase agreement with certain institutional and other accredited investors (the “2013 Investors”) pursuant to which we: (i) sold to the 2013 Investors an aggregate of 1,383,333 shares of our common stock at a price per share of \$6.00 (the “Common Shares”) for aggregate gross proceeds of approximately \$8,300,000; and (ii) issued to the 2013 Investors warrants (the “Warrants”) to purchase up to an aggregate of 691,656 shares of our common stock with an exercise price of \$9.00 per share (collectively, the “2013 Offering”). The Warrants may be exercised, in whole or in part, at any time from January 30, 2013 until January 30, 2018 and contain both cash and “cashless exercise” features. The 2013 Investors include, among other non-affiliated investors, the Third Security Investors. As part of the 2013 Offering, the Third Security Investors purchased 500,000 Common Shares and 250,000 Warrants on the same terms as the other 2013 Investors.

#### Loan and Security Agreement

On March 13, 2013 (the “Effective Date”), we entered into a Loan and Security Agreement with the Third Security Investors (the “Lenders”) for (1) a revolving line of credit (the “Revolving Line”) with borrowing availability of up to \$4 million, subject to reduction based on our eligible accounts receivable, and (2) a term loan (the “Term Loan”) of \$4 million (the “Loan Agreement”).

To secure the repayment of any amounts borrowed under the Revolving Line and the Term Loan, we granted the Lenders a security interest in all of our assets. The occurrence of an event of default under the Loan Agreement could result in the acceleration of our obligations under the Loan Agreement and would increase the applicable interest rate under the Revolving Line or the Term Loan (or both) by 5%, and permit the Lenders to exercise remedies with respect to the collateral under the Loan Agreement.

On August 2, 2013, we entered into a first amendment to the Loan Agreement (the “First Amendment”). The First Amendment, which became effective as of June 30, 2013, reduces our future minimum revenue covenants under the Loan Agreement and modifies the interest rates applicable to the amounts advanced under the Revolving Line. On November 14, 2013, we entered into a second amendment to the Loan Agreement, effective as of October 31, 2013, which reduces our future minimum revenue covenant under the Loan Agreement.

On January 27, 2014, we entered into a third amendment to the Loan Agreement. Pursuant to the third amendment, the Lenders agreed to waive certain events of default under the Loan Agreement, and the parties amended certain provisions of the Loan Agreement, including the minimum liquidity ratio that we must maintain during the term of the Loan Agreement. On March 3, 2014, we entered into a fourth amendment to the Loan Agreement, which provides that we will not be required to make any principal or interest payments under the Term Loan for the period from March 1, 2014 through March 31, 2015. Accordingly, pursuant to the amended Loan Agreement, the next principal and interest payment under the Term Loan will be due on April 1, 2015.

On October 22, 2014, we entered into a fifth amendment to the Loan Agreement (the “Fifth Amendment”). The Fifth Amendment, among other things, reduced the minimum liquidity and revenue covenants under the Loan Agreement. The Fifth Amendment also reduced the aggregate amount that we may borrow under the Revolving Line from \$4.0 million to \$3.0 million.

On April 1, 2015, we entered into a sixth amendment to the Loan Agreement (the “Sixth Amendment”). The Sixth Amendment provides, among other things, that (i) the Lenders will waive specified events of default under the terms of the Loan Agreement, (ii) commencing as of April 1, 2015, we will make monthly interest payments to the Lenders, (iii) we will not be obligated to make monthly payments of principal to the Lenders until April 1, 2016, (iv) we were required to make an initial prepayment of a portion of the loan balance in the amount of approximately \$149,000 on April 1, 2015 and will be required to make one or more additional prepayments to the Lenders under the Loan Agreement upon the occurrence of certain events, and (v) we will not be required to comply with the minimum liquidity ratio under the terms of the Loan Agreement until the earliest to occur of a specified event or March 31, 2016. The Sixth Amendment also extends the time period in which we must provide certain reports and statements to the Lenders and amends the circumstances pursuant to which we may engage in certain sales or transfers of its business or property without the consent of the Lenders.

Revolving Line of Credit. Amounts advanced under the Revolving Line bear interest at an annual rate equal to the greater of (a) 4.25% or (b) the Wall Street Journal prime rate plus 1%. Interest is payable on a monthly basis, with the balance payable at

the maturity of the Revolving Line. Pursuant to the First Amendment, amounts advanced under the Revolving Line bear interest at an annual rate equal to the greater of (x) 6.25% or (y) the Wall Street Journal prime rate plus 3%. The current interest rate is 6.25%. Under the Loan Agreement, we paid the Lenders an upfront fee of \$20,000, and will pay the Lenders an additional commitment fee of \$20,000 on each one year anniversary of the Effective Date during the term of the Revolving Line. In addition, a fee of 0.5% per annum is payable quarterly on the unused portion of the Revolving Line. The Revolving Line matures on September 1, 2016.

**Term Loan.** We received \$4.0 million under the Term Loan on the Effective Date. Pursuant to the terms of the Loan Agreement, as amended by the Sixth Amendment, we are required to make monthly payments of interest to the Lenders commencing on April 1, 2015. The current interest rate is 9.1%.

Since the Effective Date, the largest aggregate amount of principal outstanding under the Loan Agreement was \$8,000,000. As of March 31, 2015, an aggregate of \$7.1 million was outstanding under the Loan Agreement. To date, we have paid a total of approximately \$0.4 million in principal payments and a total of \$0.8 million in interest payments pursuant to the Loan and Security Agreement.

#### Issuance of Series B Preferred Stock

On March 5, 2014, the Company entered into a Series B Convertible Preferred Stock Purchase Agreement (the “Series B Purchase Agreement”) with Third Security Senior Staff 2008 LLC, a Virginia limited liability company, Third Security Staff 2010 LLC, a Virginia limited liability company, and Third Security Staff 2014 LLC, a Virginia limited liability company (collectively, the “2014 Third Security Investors”), pursuant to which the Company, in a private placement, sold and issued an aggregate of 1,443,297 shares of the Company’s Series B Preferred Stock, at a price per share of \$4.85 for an aggregate purchase price of approximately \$7.0 million. Each share of Series B Preferred Stock issued pursuant to the Series B Purchase Agreement is initially convertible into shares of the Company’s common stock at a rate of 1-for-1, which conversion rate is subject to further adjustment as set forth in the Certificate of Designation of Series B Convertible Preferred Stock.

In connection with the Series B financing, the Company also entered into a Registration Rights Agreement, dated March 5, 2014, with the 2014 Third Security Investors, pursuant to which the Company granted certain demand, “piggy-back” and S-3 registrations rights covering the resale of the shares of common stock underlying the Series B Preferred Stock issued pursuant to the Series B Purchase Agreement and all shares of common stock issuable upon any dividend or other distribution with respect thereto.

Third Security, LLC and certain of its affiliates, which collectively hold more than 10% of the outstanding voting stock of the Company, participated in the Series B financing. Additionally, Doit L. Koppler, II and Robert M. Patzig, directors of the Company, are affiliated with Third Security, LLC.

#### Director Independence

Our Company is governed by our Board. Currently, each member of our Board, other than our President, Chief Executive Officer and Interim Chief Financial Officer, Paul Kinnon (who is not independent by virtue of his employment with us), is an independent director and all standing committees of the Board are composed entirely of independent directors, in each case under NASDAQ’s independence definition applicable to boards of directors. For a director to be considered independent, the Board must determine that the director has no relationship which, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Members of the Audit Committee also must satisfy a separate SEC independence requirement, which provides that they may not accept directly or indirectly any consulting, advisory or other compensatory fee from us or any of our subsidiaries other than their directors’ compensation. In addition, under SEC rules, an Audit Committee

member who is an affiliate of the issuer (other than through service as a director) cannot be deemed to be independent. In determining the independence of members of the Compensation Committee, NASDAQ listing standards require the Board to consider certain factors, including but not limited to: (1) the source of compensation of the director, including any consulting, advisory or other compensatory fee paid by the Company to the director, and (2) whether the director is affiliated with the Company, a subsidiary of the Company or an affiliate of a subsidiary of the Company. Under our Compensation Committee Charter, members of the Compensation Committee also must qualify as “outside directors” for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), and as “non-employee directors” for purposes of Rule 16b-3 under the Exchange Act. The four independent members of the Board are Doit L. Koppler, II, Robert M. Patzig, Michael A. Luther, Ph.D. and John D. Thompson.

PROPOSAL TWO: CONDUCT AN ADVISORY VOTE TO APPROVE NAMED EXECUTIVE COMPENSATION

As required by Section 14A of the Exchange Act, we are providing our stockholders with the opportunity to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. In accordance with these requirements, at our 2012 Annual Meeting of Stockholders, our stockholders voted in favor of holding an advisory vote to approve named executive compensation every year. The Board considered the voting results on that proposal and determined to hold future advisory votes on the compensation of our named executive officers on an annual basis.

Our compensation policies are designed to align our key executives' compensation with both our business objectives and the interests of our stockholders. We also seek to provide compensation policies that attract, motivate and retain key executives who are critical to our success. A significant portion of the compensation we provide to our key executives is directly related to our financial performance and stockholder value.

We recommend that our stockholders review the application of our compensation philosophy and the elements of compensation provided to each named executive officer as reflected in the discussion and tables included in the "2014 Executive Compensation" section of this Proxy Statement.

We believe our executive compensation policies are designed appropriately and are functioning as intended to produce long-term value for our stockholders. Accordingly, we are asking our stockholders to approve the overall application of our compensation policies to our named executive officers through this advisory vote. The vote on this resolution is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the policies and procedures described in this Proxy Statement.

For the reasons stated above, the Board recommends that our stockholders vote "for" the following advisory resolution at our Annual Meeting:

"RESOLVED, that the compensation paid to Transgenomic's named executive officers, as disclosed in the proxy statement for the 2015 Annual Meeting of Stockholders of Transgenomic pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2014 Executive Compensation, compensation tables and related narrative discussion, is hereby APPROVED on an advisory, non-binding basis."

The affirmative vote of a majority of the voting power present in person or represented by proxy held by the holders of our common stock and Preferred Stock, voting together as a single class on an as-converted to common stock basis, at the Annual Meeting is required to approve this advisory resolution. Because this proposal is advisory, the results of the vote on this proposal will not be binding on our Board, Compensation Committee or our management. To the extent there is any significant vote against the compensation of our named executive officers as disclosed in this Proxy Statement, however, the Compensation Committee will evaluate whether any actions are necessary in the future to address those concerns.

The Board of Directors recommends that you vote "FOR" Proposal Two.

### PROPOSAL THREE: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee has appointed Ernst & Young LLP (“E&Y”) as our independent registered public accounting firm for the year ending December 31, 2015. The Board recommends that stockholders vote for the ratification of such appointment. In the event of a negative vote on such ratification, the Board and Audit Committee will reconsider the selection, though a change will not necessarily be made. Even if the appointment is ratified, the Audit Committee may, in its discretion, direct the appointment of a different independent registered accounting firm at any time during the year if it determines that such a change would be in our stockholders’ best interests.

The Board of Directors recommends that you vote “FOR” Proposal Three.

#### Former Independent Registered Public Accounting Firm

McGladrey LLP (“McGladrey”) was our independent registered public accounting firm for the year ended December 31, 2012. On July 8, 2013, the Audit Committee, acting on behalf of the Board, dismissed McGladrey as the independent registered public accounting firm of the Company. July 8, 2013 is also the date that the Company’s relationship with McGladrey ended for purposes of performing audit services. Representatives of McGladrey are not expected to be present at the Annual Meeting.

McGladrey’s reports for the fiscal years ended December 31, 2012 and 2011 did not contain any adverse opinion or disclaimer of opinion, and such reports were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 31, 2012 and 2011 and the subsequent interim period through July 8, 2013, there were no disagreements between the Company and McGladrey on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of McGladrey, would have caused McGladrey to make reference to the subject matter thereof in its report on the Company’s financial statements for such fiscal years. No “reportable events” (as defined by Item 304(a)(1)(v) of Regulation S-K) occurred during the fiscal years ended December 31, 2012 or 2011 or through July 8, 2013.

We provided McGladrey with a copy of the foregoing disclosures and requested that McGladrey provide a letter addressed to the SEC stating whether it agrees with the foregoing statements. McGladrey furnished such a letter, dated July 12, 2013, and a copy was filed as Exhibit 16 to our Current Report on Form 8-K that was filed with the SEC on July 12, 2013.

#### Independent Registered Public Accounting Firm

On July 8, 2013, the Audit Committee, acting on behalf of the Board, appointed E&Y as the Company’s independent registered public accounting firm, replacing McGladrey. The Company did not, nor did anyone on its behalf, consult E&Y during the fiscal years ended December 31, 2012 or 2011 or during the subsequent interim period prior to the Company’s engagement of E&Y regarding (i) the application of accounting principles to a specified transaction (completed or proposed) or the type of audit opinion that might be rendered on the Company’s financial statements, and neither a written report was provided to the Company nor oral advice was provided that E&Y concluded was an important factor considered by the Company in reaching a decision as to any accounting, auditing or financial reporting issue, or (ii) any matter being the subject of a disagreement or “reportable event” or any other matter described

in Item 304(a)(1)(v) of Regulation S-K.

E&Y has audited our balance sheet as of December 31, 2014, and our related consolidated statements of operations, comprehensive loss, shareholders' equity, and cash flow for the year ended December 31, 2014. We expect a representative of E&Y to be present in person or by telephone at the Annual Meeting and available to respond to appropriate questions. E&Y will also have the opportunity to make a statement if they desire to do so.

The following table shows information about fees paid, that were billed or were expected to be billed by E&Y during the fiscal years ended December 31, 2014 and 2013.

	2014	2013
Audit fees	\$397,281	\$293,000
Audit-related fees	1,995	—
Tax fees	35,115	20,000
All other fees	—	—
Total fees	\$434,391	\$313,000

**Audit Fees.** Audit fees consist of services rendered for the audit of our annual financial statements and review of our interim financial statements included in Quarterly Reports on Form 10-Q and other professional services provided in connection with statutory and regulatory filings or engagements.

**Audit-Related Fees.** Audit-Related Fees consist of a subscription to E&Y's online accounting research library.

**Tax Fees.** E&Y billed us for tax services. Tax services consist primarily of planning, advice and compliance, or return preparation, for U.S. federal, state and local, as well as international jurisdictions.

**All Other Fees.** None.

#### Pre-Approval of Audit and Non-Audit Services

Under the Audit Committee Charter, the Audit Committee is required to pre-approve all audit and non-audit services to be provided to us by our independent registered public accounting firm and its member firms. All services provided by our independent registered public accounting firm in 2014 were pre-approved by the Audit Committee.

## Agreements with Our Named Executive Officers

## Paul Kinnon Employment Agreement

We have entered into an employment agreement dated September 27, 2013 with Paul Kinnon, our President and Chief Executive Officer (the "Kinnon Employment Agreement"). The Kinnon Employment Agreement provides that Mr.

Kinnon will be employed by us for a period of one year, subject to automatic renewal for additional one-year periods unless terminated by either party upon written notice to the other at least three months prior to the subsequent one-year term. Under the terms of the Kinnon Employment Agreement, Mr. Kinnon will be paid an initial base salary of \$350,000 per year. His base salary will be reviewed by the Compensation Committee of the Board for an increase on at least an annual basis and may be adjusted at any

time in the Compensation Committee's sole and absolute discretion, provided that any decrease in base salary must either be with Mr. Kinnon's written permission, or be part of an across-the-board reduction that affects all senior executives of the Company by the same percentage. Commencing January 1, 2014, Mr. Kinnon became eligible to receive an annual bonus based on his performance under agreed upon goals, objectives and formulas, provided that his target bonus for any year may not be less than 40% of his then-current base salary. The Kinnon Employment Agreement provides for a severance payment to Mr. Kinnon equal to 12 months of Mr. Kinnon's then-current base salary if he is discharged without "Cause" (as defined in the Kinnon Employment Agreement), other than due to Mr. Kinnon's disability, or if Mr. Kinnon resigns for "Good Reason" (as defined in the Kinnon Employment Agreement), in each case provided that Mr. Kinnon executes a severance agreement and general release in favor of the Company. The Kinnon Employment Agreement also provides that Transgenomic will reimburse Mr. Kinnon for certain expenses associated with commuting from Solana Beach, California to the Company's offices in Omaha, Nebraska and New Haven, Connecticut. The Kinnon Employment Agreement further provides that the vesting of the equity awards granted by the Company to Mr. Kinnon described below, as well as all future equity awards granted to Mr. Kinnon by the Company, will accelerate in full and become fully vested upon a Change in Control, as defined in the 2006 Plan. Pursuant to the terms of the Kinnon Employment Agreement, Mr. Kinnon was granted an option to purchase 179,166 shares of the Company's common stock with an exercise price equal to the fair market value of one share of the Company's common stock on the date of grant, which was September 30, 2013. One-third of the shares subject to the option vested on the first anniversary of the date of grant, with the remaining shares vesting in 24 substantially equal installments thereafter, subject to Mr. Kinnon's continued employment with the Company on each such date. The option will accelerate in full and become fully vested upon Mr. Kinnon's death, disability or retirement provided that he has continuously served as a director, employee or advisor of the Company for the two-year period immediately preceding such event.

Mr. Kinnon was also granted stock appreciation rights ("SARs") pursuant to the terms of the Kinnon Employment Agreement with respect to 83,333 shares of the Company's common stock with an exercise price equal to the fair market value of one share of the Company's common stock on the date of grant, which was September 30, 2013. 34% of the shares subject to the SARs vested on the first anniversary of the date of grant, with the remaining shares subject to the SARs vesting ratably over the remaining 24 months, subject to Mr. Kinnon's continued employment with the Company on each such date. The SARs will accelerate in full and become fully vested upon Mr. Kinnon's death, disability or retirement if he has continuously served as a director, employee or advisor of the Company for the two-year period immediately preceding such event. The SARs were granted pursuant to the 2006 Plan and a SARs agreement. Upon exercise of the SARs, Mr. Kinnon will be entitled to receive shares of Company common stock or cash, subject to the terms of the SARs agreement.

On May 3, 2013, in connection with Mr. Kinnon's services to us and pursuant to the terms of the Consulting Agreement (as defined below), Mr. Kinnon was granted an option to purchase 12,500 shares of common stock. Pursuant to the terms of the Kinnon Employment Agreement, the option was rescinded and terminated on September 30, 2013.

On February 18, 2014, Mr. Kinnon was granted an option to purchase 20,000 shares of common stock. The option vests over a three-year period, with one-third of the shares subject to the option vesting on each anniversary of the date of grant. Additionally, on April 1, 2015, Mr. Kinnon was granted an option to purchase 75,000 shares of common stock. The option vests over a three-year period, with one-third of the shares subject to the option vesting on each one-year anniversary of the date of grant, subject to Mr. Kinnon's continued employment with (or providing continuous service to) the Company on each such date.

#### Former Consulting Agreement with Paul Kinnon

For the period from February 20, 2013 through immediately prior to his appointment as our Chief Executive Officer and President, Mr. Kinnon provided consulting services to us pursuant to a Consulting Agreement, dated as of February 20, 2013, between us and Mr. Kinnon, as amended (the "Consulting Agreement"). Pursuant to the Consulting

Agreement, Mr. Kinnon assisted us in researching and developing commercial plans, supporting business development for our technology, developing a market pricing strategy and negotiating certain commercial contracts. Mr. Kinnon received fees from us in the amount of \$10,000-\$20,000 per month. The Consulting Agreement terminated effective September 30, 2013, concurrent with our appointment of Mr. Kinnon as our Chief Executive Officer and President pursuant to the Kinnon Employment Agreement.

Employment Agreement with Former Chief Financial Officer

We were a party to an employment agreement with Mr. Colonnese, our former Chief Financial Officer, which was terminated upon his resignation from the Company on October 30, 2014. Following Mr. Colonnese's resignation from the Company, all of Mr. Colonnese's equity awards were canceled on October 30, 2014.

### Potential Payments Upon Termination or Change of Control

We have an employment agreement with Mr. Kinnon. In the event of involuntary discharge, Mr. Kinnon is entitled to receive a severance payment equal to his then current annual base salary.

### Compensation Risk Analysis

We have reviewed our material compensation policies and practices for all employees and have concluded that these policies and practices are not reasonably likely to have a material adverse effect on us. While risk-taking is a necessary part of growing a business, our compensation philosophy is focused on aligning compensation with the long-term interests of our stockholders as opposed to rewarding short-term management decisions that could pose long-term risks.

## DIRECTOR COMPENSATION

It is our Board's general policy that compensation for independent directors should be a mix of cash and equity-based compensation. As part of a director's total compensation, and to create a direct linkage between corporate performance and stockholder interests, our Board believes that a meaningful portion of a director's compensation should be provided in, or otherwise based on, the value of appreciation in our common stock.

Our Board has the authority to approve all compensation payable to our directors, although our Compensation Committee is responsible for making recommendations to our Board regarding this compensation. Additionally, our Chief Executive Officer may also make recommendations or assist our Compensation Committee in making recommendations regarding director compensation. Our Board and Compensation Committee annually review our director compensation. In connection with director compensation decisions in 2014, our Board and the Compensation Committee reviewed in 2012 the market director compensation data paid by companies in the life sciences industry as reported by Top 5 Data Services, Inc. (the "2011 Director Competitive Analysis"). The 2011 Director Competitive Analysis contained data for 217 publicly traded medical device companies and 331 biopharmaceutical companies, with 65 companies assigned to both sectors based on their mix of products. Based on its review of the 2011 Director Competitive Analysis, the Board did not make any changes to our director compensation program in 2014 and continued with the program adopted in 2011 and used in 2012 and 2013, which is further discussed below.

#### Cash Compensation

Directors who are also one of our employees are not separately compensated for serving on the Board other than reimbursement for out-of-pocket expenses related to attendance at Board and committee meetings. Independent directors are paid an annual retainer of \$20,000 and receive reimbursement for out-of-pocket expenses related to attendance at Board and committee meetings. Independent directors serving on any committee of the Board are paid an additional annual retainer of \$2,500 unless they are also a chairperson of a committee. The chairperson of the Audit Committee receives an additional annual retainer of \$8,000 and the chairperson of any other committee receives an additional annual retainer of \$4,000. All directors' fees paid annually or quarterly were prorated for partial periods. In addition, any independent director who attends more than four meetings per quarter, which includes committee meetings, receives \$500 for each meeting attended over the four.

#### Equity-Based Compensation

From 2011 through 2013, our director compensation policy was to grant annually to each continuing independent director an option to purchase 2,083 shares of our common stock. In 2014, the amount of that grant was 3,000 shares. These options vest after one year and are subject to the director's continued service with the Company through the vesting date. Under our policy, additional annual grants of options may be made each year by the Compensation Committee in its sole discretion. Upon initial appointment to the Board, our independent directors are also entitled to

receive an option to purchase shares of our common stock under the 2006 Plan, with the number of shares as determined by the Board or the Compensation Committee, which option vests after one year, subject to the director's continued service with the Company through the vesting date. All options granted to independent directors have exercise prices equal to the fair market value of our common stock on the grant date, as determined in accordance with the 2006 Plan.

On February 18, 2014 (the grant date), our independent directors, as of that date, were each granted a non-qualified option to purchase 3,000 shares of our common stock with an exercise price equal to \$5.54. The options vested in full on February 18, 2015.

## IMPORTANT NOTICE REGARDING DELIVERY OF STOCKHOLDER DOCUMENTS

A copy of our Annual Report is being mailed to our stockholders along with this Proxy Statement. We are sending only one Annual Report and Proxy Statement to "street name" stockholders who share a single address unless we received contrary instructions from any stockholder at that address. This practice, known as "householding," is designed to reduce our printing and postage costs. However, if a stockholder is residing at such an address and wishes to receive a separate annual report or proxy statement in the future, such stockholder may request them by calling our Corporate Secretary at (402) 452-5400, or by submitting a request in writing to our Corporate Secretary, c/o Transgenomic, Inc., 12325 Emmet Street, Omaha, NE 68164. If a stockholder is receiving multiple copies of our Annual Report and proxy statement, such stockholder can request householding by contacting the Corporate Secretary in the same manner described above. In addition, we will promptly deliver, upon written or oral request to the address or telephone number above, a separate copy of the Annual Report or Proxy Statement to a stockholder at a shared address to which a single copy of the documents was delivered.

## OTHER MATTERS

Management does not currently intend to bring any matter before the Annual Meeting other than those disclosed in the Notice of Annual Meeting of Stockholders, and it does not know of any business which persons, other than the management, intend to present at the meeting. The enclosed proxy for the Annual Meeting confers discretionary authority on the Board to vote on any matter proposed by stockholders for consideration at the Annual Meeting.

We will bear the cost of soliciting proxies for the Annual Meeting. To the extent necessary, proxies may be solicited by our directors, officers and employees, but these persons will not receive any additional compensation for such solicitation. We will reimburse brokerage firms, banks and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of our common stock. In addition to solicitation by mail, we will supply banks, brokers, dealers and other custodian nominees and fiduciaries with proxy materials to enable them to send a copy of such materials by mail to each beneficial owner of our common stock that they hold of record and will, upon request, reimburse them for their reasonable expenses in so doing.

Stockholders may communicate with any director, including the Chairperson of the Board and the chairperson of any committee of the Board, by sending a written communication to the Board or the appropriate director (which may be marked as confidential), addressed to the attention of our Corporate Secretary at our home office. All communications received by the Corporate Secretary will be screened by the Corporate Secretary to determine whether it is appropriate for presentation to the Board or such director. Communications determined by the Corporate Secretary to be appropriate for presentation to the Board or such director will be submitted to the Board or such director on a periodic basis. Any communications that concern questionable accounting or auditing matters will be handled in accordance with the terms of the Company's policies.

Our Form 10-K, as filed by the Company with the SEC, is included in our Annual Report that is being delivered to our stockholders together with this Proxy Statement. The Form 10-K is not, however, to be considered part of this proxy solicitation material. A copy of our Annual Report and our Form 10-K is available without charge upon written request to our Corporate Secretary, c/o Transgenomic, Inc., 12325 Emmet Street, Omaha, NE 68164.

None of the information set forth in this Proxy Statement under the heading "Report of the Audit Committee" is deemed to be "soliciting material" or to be "filed" with the SEC or subject to the SEC's proxy rules or to the liabilities of Section 18 of the Exchange Act, and this information will not be deemed to be incorporated by reference into any prior or subsequent filing by the Company under the Securities Act of 1933, as amended, or the Exchange Act.
