RECORD DATE/STOCK SPLIT

The Board of Directors has fixed the close of business on March 29, 2004 as the Record Date for the Annual Meeting. Only stockholders of record at the Record Date are entitled to notice of and to vote at the Annual Meeting or at any adjournments thereof, in person or by proxy. On January 19, 2004 the Board of Directors approved a two-for-one split of the Company's Common Stock to be issued to stockholders of record as of March 17, 2004 and set March 29, 2004 as the distribution date for said two-for-one stock split. In this Proxy Statement, including tables and annexes, all references to shares of Common Stock and options to purchase shares of Common Stock reflect the two-for-one split. At the Record Date, there were 88,574,046 shares of Common Stock outstanding.

PROXIES

The proxy accompanying this Proxy Statement is solicited on behalf of the Board of Directors of the Company for use at the Annual Meeting and any adjournments thereof. Each holder of Common Stock is entitled to one vote for each share of such stock held at the Record Date. The holders in person or by proxy of a majority of the Common Stock of the Company entitled to be voted at the Annual Meeting shall constitute a quorum.

Any proxy delivered pursuant to this solicitation is revocable at the option of the person(s) executing the same upon receipt by the Company, prior to the time the proxy is voted, of a duly executed instrument revoking it, or of a duly executed proxy bearing a later date, or in the case of death or incapacity of the person(s) executing the same, of written notice thereof, or by such person(s) voting in person at the Annual Meeting. Unless revoked, all proxies representing shares entitled to vote which are delivered pursuant to this solicitation will be voted at the Annual Meeting and, where a choice has been specified on the proxy card, will be voted in accordance with such specification.

A plurality of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for the election of directors. An affirmative vote of a majority of the shares of Common Stock outstanding on the Record Date is required for approval of the proposed amendment to the Company's Amended and Restated Certificate of Incorporation to increase the number of authorized shares. An affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy at the Annual Meeting is required for approval of all other items submitted to stockholders for their consideration. The inspectors of election for the Company with the assistance of the Company's transfer agent, EquiServe, will tabulate the votes. Broker non-votes will be treated as votes cast for purposes of a quorum, but will not be counted as either voting for or against any proposal. Abstentions will be included in tabulations of the votes cast on proposals presented (other than the election of Directors) in the same manner as votes cast against such proposals. **Where a choice has not been specified on the proxy card, the proxy will be voted in accordance with the recommendations of your Board of Directors.**

Proxies will be solicited by mail, telephone or other means of communication. The Company's directors, officers and regular employees who are not specifically employed for proxy solicitation purposes may also solicit proxies. The Company will pay for this proxy solicitation, including the expense of preparing, printing and mailing this Proxy Statement.

willingness to devote sufficient time to carry out the duties and responsibilities effectively.

The committee will also consider such other relevant factors as it deems appropriate. The committee will make a recommendation to the full Board as to any persons it believes should be nominated by the Board, and the Board will determine the nominees after considering the recommendation and report of the committee. The procedures for considering candidates recommended by a stockholder for Board membership will be no different than the procedures for candidates recommended by members of the Nominating/Corporate Governance Committee, other members of the Board or management.

Meetings of the Board

During 2003 there were four meetings and five actions by unanimous written consent of the Board of Directors, six meetings and one action by unanimous written consent of the Audit Committee and one meeting and three actions by unanimous written consent of the Compensation Committee. The Executive and Pension Committees met informally from time to time on an as-needed basis and acted on nine and six matters, respectively, by unanimous written consent. The Nominating/Corporate Governance Committee did not meet in 2003. All directors attended all meetings of the Board of Directors and the Committees on which they served except Mr. Kravis who was unable to attend four meetings.

Compensation of the Board

On January 28, 2004 the Board of Directors approved an increase in the retainer fee to non-employee directors from \$30,000 to \$45,000 per year. In addition, the Audit Committee Chairman will receive an additional \$5,000 per year; other Committee Chairpersons will receive an additional \$3,000 per year. During 1997 the Company adopted the Directors' Deferred Compensation Plan. The Directors' Deferred Compensation Plan allows each director to elect to defer payment of their fees to a future date with the ultimate payment in cash or stock of the Company subject to the prior election of each director. Distributions would be made the year following the Directors' retirement or separation from the Board. Messrs. Clarkson, Lipschultz, and Michelson, have elected deferral of fees and the payment of fees in stock. The cumulative balance in each of Messrs. Clarkson, Lipschultz and Michelson's Directors' stock account as of April 1, 2004 is 12,940 unit shares of Amphenol Common Stock. Messrs. Lietz and Nuttall, who were appointed to the Board of Directors on January 24, 2001, also elected deferral of fees and the payment of fees in stock. The cumulative account balance in each of their Directors' stock account as of April 1, 2004 is 4,826 and 4,800 unit shares, respectively. Mr. Secord, who was appointed to the Board of Directors on March 28, 2002, also elected deferral of fees and the payment of fees in stock. The cumulative account balance in Mr. Secord's Directors' stock account as of April 1, 2004 is 2,927 unit shares. Mr. Greene, who was appointed to the Board of Directors on April 1, 2003 also elected deferral of fees and the payment of fees in stock. The cumulative account balance in Mr. Greene's Directors' stock account as of April 1, 2004 is 1,222 unit shares. None of the shares credited to any Directors' account are currently issued or outstanding. Mr. Lord, appointed to the Board of Directors on March 10, 2004, elected not to participate in the Directors' Deferred Compensation Plan and as of April 1, 2004 has received fees of \$2,625.

Also, on January 28, 2004, the Board of Directors authorized and approved, subject to stockholder approval, The 2004 Stock Option Plan for Directors of Amphenol Corporation (the "2004 Directors' Stock Option Plan"). (See Proposal 4 on page 28). If the 2004 Directors' Stock Option Plan is approved by stockholders at the 2004 Annual Meeting of Stockholders, each non-employee director will receive an award of 4,000 options on May 27, 2004.

Stockholder Communications with the Board

Stockholders interested in communicating with the chair of the Nominating/Corporate Governance Committee, the non-employee directors or the Audit Committee may do so in writing to: Board of Directors, c/o Secretary, Amphenol Corporation, 358 Hall Avenue, Wallingford, CT 06492. All communications will be forwarded to the appropriate directors for their review, except that the Board has instructed the Company not to forward solicitations, bulk mail or communications that do not address Company-related issues.

Board Member Attendance at Annual Meeting of Stockholders

The Company does not require members of the Board of Directors to attend the Annual Meeting of Stockholders. The only Board member who attended the 2003 Annual Meeting of Stockholders was Martin Loeffler, Chairman of the Board, Chief Executive Officer and President.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee ("Committee") consists of three directors who are independent directors as defined under the listing standards of the New York Stock Exchange. The Board of Directors has determined that all current members of the Committee are financially literate and that Mr. Secord is an audit committee financial expert as defined by the applicable rules of the SEC and the listing standards of the New York Stock Exchange. The Committee has undertaken a review of its charter, practices and procedures in order to assure compliance with the provisions of the Sarbanes-Oxley Act of 2002 and related regulatory initiatives. Following that review, the Committee approved changes to its charter and to its policies and practices. A copy of the revised charter is included as Annex B to this Proxy Statement and is available on the Company's website at www.amphenol.com.

The Audit Committee reports as follows:

1.
The Audit Committee has reviewed and discussed the Company's audited financial statements with Company management, which has primary responsibility for the financial statements, and Deloitte & Touche LLP, the Company's independent accountants for 2003, which is responsible for expressing an opinion on the conformity of such financial statements with generally accepted accounting principles.
2.
The Audit Committee has discussed with Deloitte & Touche LLP those matters required to be discussed by Statement on Auditing Standards No. 61, as amended (Communication with Audit Committees).
3.
The Audit Committee has received written disclosures and the letter from Deloitte & Touche LLP required by Independence Standards Board No. 1 (Independence Discussions with Audit Committee) and they discussed with Deloitte & Touche LLP that firm's independence.
4.
Based on the Committee's discussions with management and Deloitte & Touche LLP, the Committee's review of the representations of management and the report of Deloitte & Touche LLP to the Committee, the Committee has recommended to the Board and the Company that the audited consolidated financial statements of the Company be included in its Annual Report on Form 10-K for the year ended December 31, 2003. The Committee has also approved the retention of Deloitte & Touche LLP as independent accountants of the Company for fiscal year 2004.

Audit and Non-Audit Fees

Fees billed to the Company by Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu, and their respective affiliates, for services rendered in 2003 and 2002 were as follows:

Type of Fees(1)	2003	2002
	(\$ in Thousands)	
Audit Fees	\$ 1,466	\$ 1,124
Audit-Related Fees	14	74
Tax Fees	115	150
All Other Fees	3	1
Total	\$ 1,598	\$ 1,349

Deloitte & Touche LLP did not perform any work or receive any fees for financial information systems design and implementation for the Company in 2003 and 2002.

(1)

Audit-Related Fees include fees primarily for merger and acquisition due diligence work. Tax Fees primarily consist of state and local and international tax consultations. The Audit Committee considered, in reliance on management and the independent auditor, whether the provision of these services is compatible with maintaining the independence of Deloitte & Touche LLP.

Pre-Approval of Auditor Services

The Audit Committee has adopted and implemented pre-approval policies and procedures related to the provision of permissible audit and non-audit services by the Company's independent auditors. Under these procedures the Audit Committee has pre-approved the use of the independent auditor for specific types of services, including merger and acquisition due diligence and audit services, tax services, internal control reviews and reviews of employee benefit plans where the estimated cost of such services is not expected to exceed \$25,000 on a project-by-project basis. Such engagements to provide pre-approved permissible services are reported to the Audit Committee on a quarterly basis. Any permitted services by Deloitte where the estimated cost of such services is expected to exceed \$25,000 for any given engagement must be approved by the Audit Committee to ensure compatibility with maintaining the auditor's independence.

PROPOSAL 2. SELECTION OF INDEPENDENT ACCOUNTANTS

The Audit Committee of the Board of Directors has considered the performance and qualifications of Deloitte & Touche LLP and has selected Deloitte & Touche LLP to act as independent accountants to examine the financial statements of the Company for the current fiscal year, and a proposal to ratify this selection will be submitted to the Annual Meeting. Deloitte & Touche LLP has acted as accountants for the Company since June 1997, and management believes it desirable and in the best interests of the Company to continue the employment of that firm. Representatives of Deloitte & Touche LLP will be present at the Annual Meeting. Such representatives will have the opportunity to make a statement if they desire to do so, and will be available to respond to appropriate questions.

If the foregoing proposal is not approved by the holders of a majority of the shares represented at the Annual Meeting and voting on the proposal, or if prior to the 2005 Annual Meeting, Deloitte & Touche LLP shall decline to act or otherwise become incapable of acting, or if its employment is otherwise discontinued by the Audit Committee of the Board of Directors, then in any such case the Audit Committee of Board of Directors will appoint other independent accountants whose employment for any period subsequent to the 2004 Annual Meeting will be subject to ratification by the stockholders at the 2005 Annual Meeting.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

Composition and Purpose

The Compensation Committee of the Board of Directors is responsible for the compensation programs affecting the executive officers and key management employees of the Company and its subsidiaries including base compensation, target bonuses, bonus payments, stock option and other awards. The Committee is currently composed of two directors who are not officers or employees of the Company. The activities and actions of the Committee are subject to the review of the full Board of Directors. All actions of the Compensation Committee are reported at the next meeting of the Board of Directors.

The Committee's specific responsibilities continue to include:

Approval of the overall compensation philosophy and guidelines for all executive officers and key management employees of the Company and its subsidiaries.

Review, at least annually, the goals and the performance of the Company's Chief Executive Officer and approve, as deemed necessary and appropriate, any changes in the level of his base compensation and bonus target. Approve any option awards to the Company's Chief Executive Officer.

Review recommendations from the Company's Chief Executive Officer related to base compensation, bonus pool, bonus allocations, stock option awards and related matters for other executive officers, key management employees and prospective senior management employees of the Company and its subsidiaries.

Compensation Policies and Practices

Philosophy. The Committee's objective will continue to be the development, refinement and implementation of a complete compensation program that will serve to attract, retain and stimulate motivated senior executive and key management employees. The Committee also continues to recognize its responsibilities and obligations to the stockholders of the Company. The stock option programs summarized below are intended to maintain the alignment of the interests of the Company's senior executive and key management employees with the interests of the Company's stockholders and encourage long-term decision making geared to increasing stockholder value. The Committee also recognizes its continuing responsibilities and obligations to other employees of the Company and its subsidiaries.

Base Compensation. The performance and salary of each executive officer and each management employee of the Company whose base compensation is at least \$200,000 shall be reviewed annually by the Committee. In establishing general compensation policies and in reviewing and assessing the appropriateness of base compensation levels and increases in base compensation levels, the Committee considers the recommendations of the Company's Chief Executive Officer and available information on similarly situated individuals in comparable companies. In the course of its annual review the Committee also considers the historical, current and forecasted performance of the Company and the contributions or expected contributions of each employee to those results.

Bonus Plan. In addition to base compensation, executive officers and key management employees participate in the Company's Management Incentive Plan, which is updated annually. Bonus payments under this plan are contingent upon the Company's achievement and/or each individual operation's achievement of targeted levels of revenue, operating cash flow, operating income and certain additional performance criteria. Annual bonus targets based upon a percentage of average base compensation are established at the beginning of each year. Target bonuses in 2004 for plan participants range from 10% to

70% of average base salary. Discretionary payments are also considered when specific objectives are identified, undertaken and achieved.

Stock Option Plans. Stock options are granted at fair market value and vest in equal annual installments over a five year period. Stock options have been awarded annually to executive officers and other key management employees. All stock option awardees must enter into Management Stockholders Agreements with the Company which set forth the terms and conditions and limitations applicable to any shares purchased pursuant to options granted under the 1997 Option Plan and its amendments or the 2000 Option Plan and its amendments (collectively, "Stock Option Plans"). In determining a stock option award, the Committee will consider the current value of the Company's Common Stock, an individual's base compensation, the amount of stock options, if any, previously awarded to an individual, an individual's past and expected future contributions to the Company's financial performance and an individual's responsibilities for assisting the Company in achieving its long-term strategic goals. The Committee believes that the five year prorata vesting periods for option awards and the further restrictions imposed by the Management Stockholders Agreements on the sale or transfer of option shares help retain key employees.

CEO Compensation

During 2003, the Company continued to outperform its peer group and the industry, in general, and it also successfully completed a major refinancing, a public offering of Common Stock and several strategic acquisitions. Mr. Loeffler, as Chairman, President and Chief Executive Officer of the Company, continues to play a vital role in the operation and growth of the Company and maintaining and enhancing stockholder value.

Mr. Loeffler's base salary for 2004 has been increased by 3.52% from \$937,000 to \$970,000. His bonus payout pursuant to the 2003 Management Incentive Plan was \$674,640 representing approximately 72% of his 2003 base salary. His target bonus payment pursuant to the 2004 Management Incentive Plan was increased from his 2003 target bonus of 60% to 70% of his 2004 base salary. During 2003, Mr. Loeffler was awarded 250,000 options pursuant to the Amended 2000 Option Plan with an exercise price of \$20.09.

Mr. Loeffler's 2004 base salary and 2004 bonus target were established based upon the Compensation Committee's review and consideration of Mr. Loeffler's personal performance and the review and consideration of available information on compensation of chief executive officers of other companies in the interconnect industry and other companies of comparable size with comparable performance. The Committee believes that the option awards Mr. Loeffler has received will continue to closely align Mr. Loeffler's interests with the Company's stockholders.

Section 162(m) of the Internal Revenue Code

In 1993, Congress created a new Internal Revenue Code subsection 162(m) which could have the effect of limiting the deductibility of compensation paid to the Company's five highest paid executive officers to no more than \$1 million per year. The Committee will continue to consider this legislation when reviewing executive compensation, including CEO compensation, and will continue to use its business judgment to determine whether levels of base compensation and bonus payments are in the best interests of the Company and its stockholders notwithstanding the deductibility of any portion of such payments in view of the limitations of subsection 162(m). Regardless, the Committee and the Company do not believe that this legislation will have any material effect on the financial condition of the Company for the foreseeable future.

Michael W. Michelson
Marc S. Lipschultz

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee of the Board during the last completed fiscal year are listed above. During 2003 none of the members of the Compensation Committee were present or former officers or employees of the Company or its subsidiaries. Mr. Loeffler is the only officer or employee of the Company who serves on the Company's Board of Directors. Mr. Loeffler does not serve on the Board of Directors of any other company.

Employment Agreements

Pursuant to an employment letter agreement with the Company dated July 28, 1987, Mr. Loeffler is guaranteed a minimum annual bonus of \$30,000. Under this agreement, Mr. Loeffler is entitled, upon termination of his employment with the Company, to 18 months severance pay, which includes base salary plus any bonus; upon involuntary termination, Mr. Loeffler is also entitled to relocation expenses to Austria, provided that he requests this benefit within six months after his last day of employment with the Company. There are no other employment agreements with any of the other named executive officers. Each of the named executive officers is a party to Management Stockholder's Agreements with the Company which contemplate, among other things, that a terminated employee will be paid fifty percent of base salary following his/her termination, at the Company's discretion, for up to two years, in exchange for a firm undertaking from the terminated employee not to compete with the business of the Company.

Pension Information

Merger of Pension Plans. Prior to 1998, the Company and its domestic subsidiaries maintained eight separate defined benefit pension plans covering substantially all U.S. employees. Effective December 31, 1997, these pension plans were merged into the Pension Plan for Employees of Amphenol Corporation (the "Plan"). The prior formulas for calculating pension benefits for employees from different operations were retained in different sections of the Plan. All executive officers of the Company except Mr. Naujoks participate in and their pension benefits are calculated under either the Amphenol Plan Section or the LPL Plan Section of the Plan.

General Provisions of the Plan. The Plan provides for annual pensions to certain salaried employees, including executive officers, who complete five years of service with the Company. The normal retirement date under the Plan is the first day of the month following a participant's 65th birthday. A participant may also retire as of the first day of any month subsequent to the participant's 55th birthday and completion of ten years of service, however a participant's normal retirement benefit is reduced for early retirement. Retirement benefits are paid in the form of a life annuity (joint and survivor annuity for married participants). A participant has a nonforfeitable right to his retirement benefit upon completion of five years of service.

Section 415 of the Internal Revenue Code of 1986, as amended (the "Internal Revenue Code"), currently limits the maximum annual benefit which may be paid to any employee from a tax-qualified plan to \$160,000 in 2003, and \$165,000 in 2004. Section 401(a)(17) of the Internal Revenue Code currently limits the amount of compensation taken into account under a tax-qualified plan to \$200,000 in 2003 and \$205,000 in 2004. These limitations are subject to future adjustment. The Company has also adopted a Supplemental Employee Retirement Plan ("SERP") which formally provides for the payment of the portion of an annual pension which cannot be paid from the Plan as a result of the Internal Revenue Code limitations described above. Final average pensionable compensation under the SERP, however, is limited to \$500,000.

Details About the Amphenol Plan Section. The Company is required to make all contributions necessary to provide benefits payable under the Amphenol Plan Section of the Plan. No participant contributions are required or permitted.

The monthly normal retirement benefit for a participant in the Amphenol Plan Section is equal to the greater of: (i) Formula A: 1.1% of the participant's final average pensionable compensation multiplied by the participant's years of credited service or (ii) Formula B: 1.8% of the participant's final average pensionable compensation multiplied by the participant's years of credited service not in excess of 25 (1%

for years in excess of 25) reduced by 2% of the participant's estimated monthly social security benefit multiplied by the participant's years of credited service not in excess of 30. Final average pensionable compensation is defined as the participant's highest average annual total compensation from the Company and its affiliates, excluding bonuses, during any five consecutive years of service with the Company or its affiliates during the ten calendar years of service preceding the participant's termination of employment.

The following table sets forth the estimated annual benefits under the Amphenol Plan Section payable on retirement for specified earnings and years of participation categories assuming retirement at age 65.

Final average pensionable compensation under the LPL Plan Section is defined as the participant's highest average annual total compensation from the Company and its affiliates, including bonuses, during any five consecutive years of service with the Company or its affiliates during the ten years of service preceding the participant's termination of employment.

The following table sets forth the estimated annual benefits under the LPL Plan Section payable on retirement for specified earnings and years of participation categories assuming retirement at age 65.

The Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries

The Company's stock option plans are intended to attract and retain outstanding personnel and to promote a closer identity of interests between key employees of the Company and its stockholders. In May 1997, the Board of Directors authorized and approved The 1997 Stock Option Plan for Key Employees of Amphenol and Subsidiaries (the "1997 Option Plan"). Only nonqualified stock options as defined in Section 422 of the Internal Revenue Code were granted under the 1997 Option Plan.

In January 1998, the Board of Directors authorized and approved The Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries (the "First Amended 1997 Option Plan") which increased the number of shares of Common Stock to be reserved for issuance under the 1997 Option Plan from 4,800,000 to 7,000,000 shares.

In January 2003, the Board of Directors authorized and approved The Second Amended 1997 Option Plan for Key Employees of Amphenol and Subsidiaries (the "Amended 1997 Option Plan") which decreased the number of shares of Common Stock to be reserved for issuance under the First Amended 1997 Option Plan from 7,000,000 to 5,652,000 shares.

Employees to whom options were granted under the 1997 Option Plan and its amendments were required to enter into a Management Stockholder's Agreement with the Company which, among other things, (a) restricted the transfer of shares acquired upon the exercise of any awards until after May 2002, (b) provided each optionholder with the right to resell option shares to the Company upon death, or under certain circumstances, disability of such optionholder and (c) provided the Company with the right to purchase all of an optionholder's option shares at varying prices depending upon the applicable circumstances if (i) such optionholder's employment with the Company is terminated, including, without limitation, as a result of the optionholder's death, disability or retirement; provided however, employment

by the Company continued for at least three years from the date of grant, (ii) the optionholder effects an unpermitted transfer of option shares or (iii) the option shares become subject to a transfer pursuant to a call event, provided that in such event the right to purchase shall be only as to the number of option shares subject to the transfer resulting in the call event. The options vest in 20% annual increments over a period of five years from the date of grant, with certain exceptions, including without limitation, in the case of the termination of the optionholder's employment with the Company.

The Compensation Committee of the Board of Directors will continue to administer the Amended 1997 Option Plan until it terminates in May 2007. However, no options were granted in 2003 pursuant to the Amended 1997 Option Plan and the Compensation Committee expects that no additional grants under the Amended 1997 Option Plan will be made.

On April 1, 2004 the market value per share of Common Stock was \$30.10 (determined by reference to the closing price listed on New York Stock Exchange, Inc. Composite Tape) and, of the 5,652,000 shares of Common Stock previously reserved for issuance pursuant to the Amended 1997 Option Plan, 6,570 shares currently remain available for future grants. The exercise prices of the 1,496,398 options presently outstanding under the 1997 Option Plan and its amendments range from \$6.50 to \$16.56.

The Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries

In June 2000, the Board of Directors authorized the 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "2000 Option Plan"). The 2000 Option Plan is also used to attract and retain outstanding personnel and to promote a closer identity of interests between key employees of the Company and its stockholders. The terms of the 2000 Option Plan are similar to the terms of the Amended 1997 Option Plan with the exception that shares acquired upon the exercise of any awards made pursuant to the 2000 Option Plan are generally nontransferable by any means prior to June 5, 2005.

In January 2003, the Board of Directors authorized and approved the Amended 2000 Stock Purchase and Option Plan for Key Employees of Amphenol and Subsidiaries (the "Amended 2000 Option Plan") which increased the number of shares of Common Stock to be reserved for issuance under the 2000 Option Plan from 3,600,000 to 8,000,000 shares. The Amended 2000 Option Plan also increased the number of options that may be granted to any one participant in the Amended 2000 Option Plan from not more than 1,000,000 to not more than 2,000,000 options. All other terms of the Amended 2000 Option Plan are the same as the 2000 Option Plan. Unless terminated earlier by the Company's Board of Directors, the Amended 2000 Option Plan will terminate in June 2010.

The Amended 2000 Option Plan is administered by the Compensation Committee of the Board of Directors. The Compensation Committee considers recommendations of the Chief Executive Officer and other senior management employees of the Company and determines those employees of Amphenol and its subsidiaries eligible to receive options, the number and the terms and conditions of each option grant, the form of the option agreement and any conditions on the exercise of an option award. Only nonqualified stock options, as defined in Section 422 of the Internal Revenue Code, and Purchase Stock, as defined in the Amended 2000 Option Plan, may be granted under the Amended 2000 Option Plan.

Employees to whom options are granted under the 2000 Option Plan and its amendments are required to enter into a Management Stockholder's Agreement with the Company which, among other things, (a) restricts the transfer or sale of shares acquired upon the exercise of an award which is not currently vested until June 5, 2005, (b) provides each optionholder with the right to resell option shares to the Company upon death, or under certain circumstances, disability of such optionholder and (c) provides the Company with the right to purchase all of an optionholder's option shares at varying prices depending

upon the applicable circumstances. Options awarded under the Amended 2000 Option Plan vest in 20% annual increments over a period of five years from the date of grant, with certain exceptions, including without limitation, in the case of the termination of the optionholder's employment with the Company.

A total of 1,231,800 options were granted in April 2003 at an exercise price of \$20.09 to the named executive officers and other key employees of the Company and 40,000 options were granted in November 2003 at an exercise price of \$30.185 pursuant to the Amended 2000 Option Plan. Of the 8,000,000 shares of Common Stock reserved for issuance pursuant to the Amended 2000 Option Plan, 2,422,880 shares are available for future grants as of April 1, 2004.

On April 1, 2004 the market value per share of Common Stock was \$30.10 (determined by reference to the closing price listed on New York Stock Exchange, Inc. Composite Tape). The exercise prices of the 5,322,514 options currently outstanding under the 2000 Option Plan and its amendment range from \$18.55 to \$30.185.

**PROPOSAL 3. RATIFY AND APPROVE THE INCREASE
IN NUMBER OF AUTHORIZED SHARES.**

The stockholders of the Company are being asked to approve an amendment to the Company's Certificate of Incorporation as described below. A copy of the Amended and Restated Certificate of Incorporation as proposed to be further amended and restated may be obtained by written request to the Company's Secretary at the address on the first page of this Proxy Statement.

The Board has approved, and is recommending to the stockholders for approval, an amendment to Article Fourth of the Company's Amended and Restated Certificate of Incorporation to increase the number of shares of Common Stock which the Company is authorized to issue by 100,000,000 to 200,000,000. The full text of the proposed amendment to the Amended and Restated Certificate of Incorporation is set forth below.

The proposed amendment would increase the number of shares of Common Stock that the Company is authorized to issue by 100,000,000 from 100,000,000 to 200,000,000. The additional 100,000,000 shares would be a part of the existing class of Common Stock and, if and when issued, would have the same rights and privileges as the shares of Common Stock presently issued and outstanding. The Board believes it is desirable to increase the number of shares of Common Stock the Company is authorized to issue to provide the Company with adequate flexibility in the future. The Company has no present commitments, agreements or intent to issue additional shares of Common Stock, other than shares currently reserved for issuance under the Company's stock option plans for key management employees or such shares as may be issued in connection with the Directors' Deferred Compensation Plan (See caption *Compensation of the Board* on page 11), the 2004 Directors' Stock Option Plan, if approved (See Proposal 4 on page 28), or in connection with potential acquisitions.

Although authorization of additional shares of Common Stock is recommended by the Board of Directors for the reasons stated herein, and not because of any possible anti-takeover effect, such additional authorization of shares of Common Stock could be used by incumbent management to make it more difficult, and thereby discourage, any attempt to acquire control of the Company, even though stockholders of the Company may deem such an acquisition desirable. For example, the shares could be privately placed with a purchaser who might support the Board of Directors in opposing a hostile takeover bid. The issuance of new shares could also be used to dilute the stock ownership and voting power of a third party seeking to remove the Directors, replace incumbent Directors, accomplish certain business combinations or alter, amend or repeal portions of the Company's Amended and Restated Certificate of Incorporation.

The proposed amendment would permit the issuance of additional shares of Common Stock up to the new 200,000,000 maximum authorization without further action or authorization. The Board believes it is prudent for the Company to have this flexibility. The holders of Common Stock of the Company are not entitled to preemptive rights or cumulative voting. Accordingly, the issuance of additional shares of Common Stock might dilute, under certain circumstances, the ownership and voting rights of stockholders.

Under Delaware law, an amendment of a Certificate of Incorporation to effectuate a change in the number of shares of the authorized capital stock of a corporation requires the approval of a majority of the outstanding stock entitled to vote thereon. In this instance, the holders of Common Stock are entitled to vote on the amendment and the holders of a majority of such Common Stock must approve this amendment for its passage.

As of the Record Date there were 88,574,046 shares outstanding and approximately 9,698,000 shares are reserved for future issuance under the Company's Amended 1997 Option Plan, the Amended 2000

Option Plan and the Directors' Deferred Compensation Plan. If stockholders approve the proposed 2004 Stock Option Plan for Directors (see Proposal 4 on page 28), an additional 250,000 shares will be reserved for issuance under that plan.

The proposed amendment to the Amended and Restated Certificate of Incorporation of the Company, if adopted by the required vote of stockholders, will become effective on or about May 26, 2004.

AMENDMENT TO THE AMENDED AND RESTATED CERTIFICATE OF INCORPORATION

Article FOURTH of the Amended and Restated Certificate of Incorporation reads as follows before giving effect to the proposed amendment:

"FOURTH: The total number of shares of stock that the Corporation is authorized to issue is 100,000,000 shares of Class A Common Stock, par value \$.001 each."

Pursuant to the proposed amendment, Article FOURTH of the Amended and Restated Certificate of Incorporation would be deleted and replaced by the following:

"FOURTH: The total number of shares of stock that the Corporation is authorized to issue is 200,000,000 shares of Class A Common Stock, par value \$.001 each."

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR RATIFICATION
OF THE INCREASE IN NUMBER OF AUTHORIZED SHARES.**

**PROPOSAL 4. RATIFY AND APPROVE THE 2004 STOCK OPTION PLAN
FOR DIRECTORS OF AMPHENOL CORPORATION.**

On January 28, 2004 the Board of Directors approved, subject to stockholder approval, The 2004 Stock Option Plan for Directors of Amphenol Corporation (the "2004 Directors' Stock Option Plan"). Pursuant to the terms of the 2004 Directors' Stock Option Plan, each independent director will receive an annual award of 4,000 stock options at fair market value. The options will vest ratably over 3 years and there will be no additional restrictions on transfer or sale. A maximum of 250,000 shares of Common Stock will be reserved for issuance under the 2004 Directors' Stock Option Plan. The 2004 Directors' Stock Option Plan will be administered by the Board of Directors.

The purpose of the 2004 Directors' Stock Option Plan is to further assist the Company in the recruitment, retention and compensation of qualified Directors and to promote a closer identity of the long-term interests of the Company's Directors with the long-term interests of its stockholders. A copy of The 2004 Stock Option Plan for Directors of Amphenol Corporation is attached as Annex C to this Proxy Statement.

THE 2004 STOCK OPTION PLAN FOR DIRECTORS OF AMPHENOL CORPORATION.**

**PROPOSAL 5. RATIFY AND APPROVE THE 2004 AMPHENOL
EXECUTIVE INCENTIVE PLAN**

The Company's stockholders are being asked to consider and vote on a proposal to approve the 2004 Amphenol Executive Bonus Plan (the "Executive Incentive Plan"). Such approval is intended to meet the requirements of Section 162(m) of the Internal Revenue Code so that the Company may take a full tax deduction for any payments made pursuant to the Executive Incentive Plan. On January 28, 2004 the Board of Directors approved, subject to stockholder approval, the Executive Incentive Plan. The Executive Incentive Plan will be effective as of January 1, 2004 provided the Executive Incentive Plan is approved by stockholders at the 2004 Annual Meeting. Approval of the Executive Incentive Plan requires the affirmative vote of a majority of the shares of Common Stock present in person or by proxy at the Annual Meeting. If the stockholders do not approve the Executive Incentive Plan, the Executive Incentive Plan will have no effect, and in such a case, awards may continue to be granted under the 2004 Amphenol Management Incentive Plan (See caption *Bonus Plan* on page 15).

The purpose of the Executive Incentive Plan is to promote the interests of the Company by aiding in the recruitment and retention of exceptional employees, providing incentives to its employees in consideration of their services to the Company and promoting the growth of the Company for its stockholders.

A copy of the Executive Incentive Plan is attached as Annex D to this Proxy Statement.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Merger and Related Matters. Pursuant to the Merger Agreement with NXS Acquisition Corp. ("NXS"), a wholly-owned subsidiary of a limited partnership organized at the direction of KKR Associates 1996 L.P. ("KKR"), on May 19, 1997 NXS merged with and into Amphenol, which became the surviving corporation (the "Merger"). As a result of the Merger, KKR became a 75% majority stockholder of the Company.

Amphenol agreed in the Merger Agreement that all rights to indemnification then existing in favor of the present and former directors and officers of Amphenol or any of its subsidiaries as provided in its Amended and Restated Certificate of Incorporation, its By-Laws, under Delaware General Corporation Law or otherwise shall survive the Merger and shall continue in full force and effect in accordance with their terms for a period of six years from the date of the Merger.

During 2003, the Company paid Kohlberg Kravis Roberts & Co., L.P. quarterly management fees totalling \$937,000 for consulting and financial advisory services. The Company currently pays Kohlberg Kravis Roberts & Co., L.P. quarterly management fees of \$187,500. From time to time Kohlberg Kravis Roberts & Co., L.P. may receive additional fees for advisory services rendered to the Company and its subsidiaries. No additional management fees were paid to Kohlberg Kravis Roberts & Co., L.P. in 2003. The management fee and any additional fees will be negotiated from time to time with the independent members of the Company's Board of Directors on an arms-length basis and will be based on the services performed and the prevalent fees then charged by third-parties for comparable services.

Registration Rights Agreement. Under certain circumstances and subject to certain conditions, KKR Associates 1996 L.P. and its affiliated entities (the "KKR Entities") have the right to require the Company to register, under the Securities Act, shares of Common Stock held by them. The Registration Rights Agreement provides that, among other things, the Company will pay all expenses in connection with any such registration. In August 2003 and February 2004 the KKR Entities exercised their rights under the Registration Rights Agreement. In connection with the related public offerings of 20,000,000 shares of Common Stock in August 2003 and 16,000,000 shares in February 2004 (see caption *Public Offerings* on page 31), the Company paid expenses of approximately \$754,000 and \$66,000, respectively, through March 31, 2004.

Management Stockholder's Agreements. Upon consummation of the Merger, the Company entered into Management Stockholder's Agreements with each of Messrs. Loeffler, Jepsen, Cohane, Twaalfhoven and Fraser and each received an option grant under the 1997 Option Plan. Significant transfer restrictions under such Management Stockholder's Agreements expired on May 19, 2002 and Messrs. Loeffler, Jepsen, Cohane, Twaalfhoven and Fraser are free, except as indicated below, to exercise and sell any previously unexercised options received under the 1997 Option Plan and its amendments.

On June 6, 2000 the Company entered into additional Management Stockholder's Agreements with each of Messrs. Loeffler, Jepsen, Cohane, Twaalfhoven and Fraser. In return for this commitment, Messrs. Loeffler, Jepsen, Cohane, Twaalfhoven and Fraser received awards of 334,000, 234,000, 234,000, 60,000 and 47,000 stock options, respectively, under the Amended 2000 Option Plan. Shares subject to these new Management Stockholder's Agreements that are not currently vested are generally not transferable by any means prior to June 5, 2005. Management stockholders have limited "piggyback" registration rights with respect to any shares of Common Stock acquired by option exercise if the Company elects to make a public offering and there exists an active trading market in 40% or more of the Company's Common Stock following such offering. The other terms and conditions of the new Management

Stockholder's Agreements are substantially the same as the agreements pursuant to which stock options were granted under the 1997 Option Plan and its amendments.

Sales Participation Agreement. Upon the purchase of Common Stock subject to a Management Stockholder's Agreement with the Company, each such management stockholder will be the beneficiary of a Sale Participation Agreement (the "Sale Participation Agreement") with the KKR Entities. The Sale Participation Agreement allows such management stockholders the right to participate in certain sales of shares of Common Stock by the KKR Entities. Shares of Common Stock sold by the management stockholders pursuant to the Sale Participation Agreement will not be subject to any restrictions on transfer imposed by the Management Stockholder's Agreement.

Public Offerings. In August 2003, the Company completed a public offering of 20,000,000 shares of Common Stock at \$25.00 per share less underwriting fees of \$.99 per share. Selling stockholders included affiliates of KKR and certain executive officers of the Company. The Company received no proceeds from the shares sold in the August 2003 offering. Affiliates of KKR sold a total of 17,941,544 shares. After the offering, KKR's holdings in the Company were reduced from approximately 49% to approximately 27%. Messrs. Loeffler, Jepsen and Cohane sold 689,656, 626,320 and 626,320 shares, respectively, in the offering, which shares included 689,656, 530,406 and 522,692 shares, respectively, acquired upon the exercise of stock options. Messrs. Fraser and Twaalfhoven did not participate in the August 2003 offering.

In February 2004, the Company completed a public offering of 16,000,000 shares of its Common Stock at \$30.00 less underwriting fees of \$1.05 per share. Selling stockholders included affiliates of KKR and certain executive officers of the Company. The Company received no proceeds from the shares sold in the offering. Affiliates of KKR sold a total of 15,120,000 shares. After the offering, KKR's holdings in the Company were reduced from approximately 27% to approximately 10%. Messrs. Loeffler, Jepsen and Cohane sold 400,000, 240,000 and 240,000 shares, respectively, in the offering, which shares included 351,926, 240,000 and 240,000 shares, respectively, acquired upon the exercise of stock options. Messrs. Fraser and Twaalfhoven did not participate in the February 2004 offering.

The Company's By-laws require that the Company should have received written notice of any proposals which stockholders intended to present at the Annual Meeting (other than those submitted for inclusion in the Company's proxy material pursuant to Rule 14a-8 of the Exchange Act), not less than 60 and no more than 90 days prior to the meeting. Accordingly, any such notice should have been received by the Company no earlier than February 28, 2004 and no later than March 28, 2004.

No fewer than 100 shares may be purchased at one time unless the number purchased is the total number at the time available for purchase under the Option. The Board of Directors may impose such conditions or limitations, as shall be specified in the applicable Option Agreement, on the sale or transfer of Common Stock acquired upon exercise of an Option as it may deem necessary or desirable.

An Option shall be deemed to be exercised when the Secretary of the Company receives written notice of such exercise from the person entitled to exercise the Option, together with payment in full of the Option Price made in accordance with Section 3.2 of this Plan and all applicable withholding taxes.

3.5

Unless sooner terminated pursuant to the Plan, the Option shall expire at the end of such twelve-month period (or such shorter period as is provided in the Option Agreement or as is provided pursuant to Section 3.3 hereof) to the extent not exercised within that period. In the event that the holder's spouse shall have acquired a community property interest in the Option, the holder, the executor of the holder's will, the administrator of the holder's estate, or such other Person as is otherwise provided in the Option Agreement, may exercise the option on behalf of the spouse of the holder or such spouse's successor in interest.

3.9

(a) The Board of Directors may at any time suspend, amend or terminate this Plan (or any part thereof) and, with the consent of the holder of an Option, may make such modifications of the terms and conditions of such holder's Option as it shall deem advisable. No Option may be granted during any suspension of this Plan or after such termination. The amendment, suspension or termination of this Plan shall not, without the consent of the holder of an Option, adversely alter or impair any rights or obligations under any Option theretofore granted under this Plan.

(b) In addition to the Board of Directors' approval of any amendment, if the amendment would (i) increase the benefits accruing to participants in this Plan, (ii) increase the aggregate number of shares

which may be issued under this Plan, or (iii) modify the requirements of eligibility for participation in this Plan, then such amendment must be approved by the holders of a majority of the Company's outstanding capital stock present, or represented, and entitled to vote at a meeting duly held for the purpose of approving such amendment.

4.6 Privileges of Stock Ownership; Nondistributive Intent.

The holder of an Option shall not be entitled to the privilege of stock ownership as to any shares of Common Stock not actually issued and delivered to him or her. Upon exercise of an Option, unless a registration statement is in effect under the Securities Act of 1933, as amended, relating to the Common Stock issuable upon exercise and there is available for delivery a prospectus meeting the requirements of Section 10(a)(3) of said Act, the Common Stock may be issued to the option holder only if he or she represents and warrants in writing to the Company and its counsel that the shares purchased are being acquired for investment and not with a view to the resale or distribution thereof. No shares shall be issued upon the exercise of any Option unless and until there shall have been full compliance with any then applicable requirements of the Securities and Exchange Commission, or any other regulatory agencies having jurisdiction over this Plan (and of any exchanges upon which stock of the Company may be listed).

4.7 Issuance of Stock Certificates.

Upon exercise of an Option, the person receiving Common Stock shall be entitled to one stock certificate evidencing the shares acquired upon such exercise; provided, however, that any person who tenders Common Stock to the Company in payment of a portion or all of the purchase price of stock purchased upon exercise of an Option, shall be entitled to receive two certificates, one representing a number of shares equal to the number of shares exchanged for the stock acquired upon exercise, and another representing the additional shares acquired upon exercise of the Option.

4.8 Effective Date of this Plan.

This Plan shall, subject to its adoption by the Board of Directors and the approval by the Company's stockholders in accordance with applicable law and the Company's Certificate of Incorporation, be effective as of May 27, 2004.

4.9 Expiration.

Unless previously terminated by the Board of Directors, this Plan shall expire at the close of business on the date that is ten (10) years from the date specified in Section 4.8, and no Option shall be granted under it thereafter, but such expiration shall not affect any Option theretofore granted.

4.10 Governing Law.

This Plan and the Options issued hereunder shall be governed by, and construed in accordance with, the laws of the State of Delaware applicable to contracts made and performed within such State, except as such laws may be supplanted by the laws of the United States of America, which laws shall then govern its effect and its construction to the extent they supplant Delaware law.

ANNEX D

THE 2004 AMPHENOL EXECUTIVE INCENTIVE PLAN

1. *Purpose.* Amphenol Corporation (the "Company") has established the 2004 Amphenol Executive Incentive Plan (the "Executive Incentive Plan") to provide incentive compensation in the form of cash bonus incentive award ("Award") to eligible Employees. The Executive Incentive Plan is effective as of January 1, 2004.

2. *Administration.* The Executive Incentive Plan will be administered by the Compensation Committee of the Board of Directors of the Company (the "Committee"). The Committee shall have the power, right and duty to interpret, construe and administer the provisions of the Executive Incentive Plan. All decisions, actions or interpretations of the Committee, including decisions, actions or interpretations regarding eligibility to participate and grant of Awards, shall be final, conclusive and binding upon all of the parties. The Company shall indemnify and hold harmless the Committee and its members against all claims, liabilities, fines and penalties and all expenses reasonably incurred by or imposed upon the Committee or any of its members (including, but not limited to, reasonable attorney's fees) which arise as a result of its or their good faith actions or failure to act in connection with the operation and administration of the Executive Incentive Plan to the extent lawfully allowable and to the extent that such claims, liabilities, fines, penalties or expenses are not paid for by liability insurance purchased or paid for by the Company and are not due to willful misconduct. The Company shall pay all costs of Executive Incentive Plan administration.

3. *Calculation of Incentive Awards.* Eligible Employees of the Company, including the top five most highly compensated Employees may be granted awards under the Executive Incentive Plan based on a formula that includes performance against budget, year-over-year improvement, balance sheet management and overall Company performance. Such formula will be applied against a target bonus which is expressed as a fixed percentage of base salary. The maximum payment to an eligible employee is, for any performance period, two times the target bonus. The maximum award the Chief Executive Officer may receive for any performance period is \$4.0 million. The performance period will be the fiscal year of the Company. The Committee may increase or decrease the performance targets if there have been extraordinary occurrences not anticipated when the performance formula was established. The Committee has sole discretion to determine when such an adjustment should be made.

4. *Employee.* Subject to such additional limitations or restrictions as the Committee may impose, the term "Employee" shall mean persons who are employed by the Company and its subsidiaries.

5. *Cash Bonus Incentive Award.* Awards are intended to provide payment of additional compensation to an Employee as determined by the Committee in its sole discretion. The Committee may grant Awards to Employees only. Any Award shall be paid as soon as practicable upon the Committee's determination to make such Award. All Awards shall be paid in cash in the local currency of the Employee.

6. *Unfunded Plan; No Interest in Company Assets.* No Employee or other person shall have any right, title or interest in any Award prior to the payment thereof or in any property of the Company. All Awards shall be paid from the general assets of the Company. To the extent that any Employee, former Employee, or any other person acquires a right to receive an Award or payment of an Award under the Executive Incentive Plan, such right shall be no greater than the right of a general unsecured creditor of the Company. Nothing contained in the Executive Incentive Plan, and no actions taken in operation of the Executive Incentive Plan, shall create or be construed to create a trust of any kind, require the segregation

or set aside of any funds or other property for the purposes of paying any amounts under the Executive Incentive Plan or create a fiduciary relationship between the Company and any Employee, former Employee or any other person.

7. *No Alienation of Benefits.* Except as otherwise determined by the Committee, with the exception of transfer by will or the laws of descent and distribution, Awards shall not be assignable or transferable, either voluntarily or involuntarily, and, during the lifetime of the Employee, payment of an Award shall be made only to the Employee.

8. *Withholding for Taxes.* Notwithstanding any other provision of the Executive Incentive Plan, the Company reserves the right to withhold from any Award such amount or amounts as may be required for purposes of complying with the tax withholding provisions of the Internal Revenue Code of 1986, as amended, any state's income tax act or any applicable similar local, foreign or other laws.

9. *Amendment and Termination.* The Committee has the right to amend, suspend, modify or terminate the Executive Incentive Plan in whole or in part and for any reason and without the consent of the Employees. Any amendment, suspension, modification or termination of any provision of the Executive Incentive Plan may be made retroactively. Notwithstanding the prior sentences, no amendment, suspension, modification or termination of the Executive Incentive Plan shall change the terms and conditions of any Award to which an Employee has otherwise become entitled under the provisions of the Executive Incentive Plan without the Employee's consent. Until earlier terminated, the Executive Incentive Plan shall continue in effect, whether amended, suspended or modified.

10. *Governing Law.* The Executive Incentive Plan shall be governed by and construed in accordance with the laws of the State of Delaware, without giving effect to principles of conflict of laws.

11. *Non-ERISA Plan.* The Executive Incentive Plan is intended to be a cash bonus plan and is not intended to be an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended.

12. *No Right to Continued Employment.* Nothing contained in the Executive Incentive Plan shall be construed as a contract of employment between the Company and any Employee, or as a right of any Employee to be continued in the employment of the Company or any Subsidiary, or as a limitation of the rights of the Company or any Subsidiary to discharge any of its Employees, with or without cause, or as to affect or enlarge the employment rights, if any, of any Employee.
