SHAREHOLDER CIRCULAR OF EURONEXT N.V.

PROSPECTUS OF NYSE EURONEXT, INC.

To the Shareholders of Euronext N.V.:

Euronext and NYSE Group, Inc. have entered into an agreement (referred to herein as the combination agreement) providing for a combination of their businesses under a new holding company named NYSE Euronext. Euronext's business will be brought under the new holding company through an exchange offer, and NYSE Group's business will be brought under the new holding company through a merger (which are together referred to in this document as the "combination"). The combination will create the first global exchange group, with the world's largest securities marketplaces on a combined basis and encompassing seven exchanges in six countries.

In the exchange offer, Euronext shareholders will be offered the right to exchange each of their shares, par value €6 per share, of Euronext for €21.32 in cash and 0.98 of a share of common stock, par value \$0.01 per share, of NYSE Euronext. Instead of receiving this standard offer consideration, Euronext shareholders will have an opportunity to make either a cash election to receive all cash for their Euronext shares, or a stock election to receive all stock for their Euronext shares. These elections, however, are subject to proration to ensure that the total amount of cash paid, and the total number of shares of NYSE Euronext common stock issued, in the exchange offer to the Euronext shareholders, as a whole, are equal to the total amount of cash and number of shares that would have been paid and issued if all tendering Euronext shareholders received the standard offer consideration.

The merger will occur immediately after the successful completion of the exchange offer. In the merger, NYSE Group stockholders will have the right to receive one share of NYSE Euronext common stock for each of their shares of NYSE Group common stock. Shares of NYSE Euronext common stock that are issued to NYSE Group stockholders in the merger will be subject to the same transfer restrictions, if any, that the shares of NYSE Group common stock were subject to prior to the merger.

As soon as possible after the completion of the merger, NYSE Euronext plans to effectuate a post-closing reorganization of Euronext and its subsidiaries that is intended to result in Euronext becoming a wholly owned subsidiary of NYSE Euronext. In the post-closing reorganization, Euronext shareholders who did not exchange such Euronext shares in the exchange offer will generally receive the same consideration that they would have received had they tendered their Euronext shares in the exchange offer and not made either the cash election or the stock election. In certain circumstances, payments made to Euronext shareholders in the post-closing reorganization may be subject to Dutch dividend withholding tax. See "The Combination Material Dutch Tax Consequences Dividend Withholding Tax." Although the structure of the post-closing reorganization may not be determined until the expiration of the exchange offer, in the event that less than 95% of the outstanding Euronext shares are acquired in the exchange offer, it is currently anticipated that a significant portion of the consideration paid to Euronext shareholders pursuant to the post-closing reorganization will be subject to Dutch dividend withholding tax. Application of the Dutch dividend withholding tax could cause the net value of the consideration received by Euronext shareholders in the post-closing reorganization to be substantially less than the net value of the consideration such shareholders would have received had they tendered their Euronext shares in the exchange offer.

The closing prices of NYSE Group common stock as of May 31, 2006 (the last trading day prior to the date of public announcement of the execution of the combination agreement) and as of November 24, 2006 (the last practicable trading date prior to the date of this document) are \$59.80 and \$108.26, respectively.

Upon completion of the combination, and assuming that all of the outstanding Euronext shares are validly tendered in the exchange offer and not withdrawn, former NYSE Group stockholders and former Euronext shareholders will own approximately 59% and 41%, respectively, of the outstanding common stock of NYSE Euronext immediately after the combination. Based on the current number of outstanding shares of NYSE Group common stock and Euronext shares, NYSE Euronext will issue approximately 269.7 million shares of NYSE Euronext common stock in the combination. NYSE Euronext intends to apply to list the NYSE Euronext common stock on the New York Stock Exchange (or the "NYSE") and on Euronext Paris (Eurolist by Euronext), subject to official notice of issuance of the stock in the combination.

The combination agreement requires that the combination be approved by the NYSE Group stockholders and Euronext shareholders prior to the commencement of the exchange offer. To obtain these approvals, Euronext will hold an extraordinary meeting of its shareholders on December 19, 2006, at which it will ask its shareholders to approve the combination agreement and the transactions contemplated thereby, including the post-closing reorganization (and consider any other matters properly brought before the meeting). Information about the Euronext extraordinary meeting, the combination and other business to be

considered by Euronext shareholders is contained in this document, which you are urged to read. **In particular, see "Risk Factors" beginning on page 30.**

Your vote is very important. Whether or not you plan to attend the Euronext extraordinary meeting, please take appropriate action to make sure your Euronext shares are represented at the extraordinary meeting. If you are a Euronext shareholder, blank votes and invalid votes will be regarded as votes not cast. **The Euronext supervisory and managing boards recommend that Euronext shareholders vote FOR the approval of the combination agreement and the transactions contemplated by the combination agreement, including the post-closing reorganization.**

The Companies

NYSE Group, Inc. (see page 220)

NYSE Group, Inc., a Delaware corporation, is a holding company that, through its subsidiaries, operates two securities exchanges: the NYSE and NYSE Arca, Inc. NYSE Group is a leading provider of securities listing, trading and market data products and services. NYSE Group was formed in connection with the merger of the NYSE and Archipelago, which was completed on March 7, 2006. Although the trading platforms of the NYSE and NYSE Arca currently operate separately, NYSE Group is actively integrating certain of their activities to achieve revenue and cost synergies.

The NYSE is the world's largest cash equities exchange. The NYSE is approximately three times the size of the next largest cash equities exchange in the world in terms of total worldwide market capitalization of listed companies. The NYSE provides a reliable, orderly, liquid and efficient marketplace where investors buy and sell listed issuers' common stock and other securities. For 214 years, the NYSE has facilitated capital formation, serving a wide spectrum of participants, including individual and institutional investors, the trading community and listed companies. As of September 30, 2006, 2,704 issuers, which include domestic and non-domestic operating companies, closed-end funds and exchange traded funds ("ETFs"), were listed on the NYSE. The NYSE's listed operating companies represent a total worldwide market capitalization of over \$23.0 trillion, as of September 30, 2006. For the period from January 1, 2006 to September 30, 2006, on an average trading day, over 1.70 billion shares, valued at over \$63.0 billion, were traded on the NYSE.

NYSE Arca operates the first open, all-electronic stock exchange in the United States and has one of the leading market positions in trading ETFs and exchange listed securities. NYSE Arca is also an exchange for trading equity options. Through NYSE Arca, customers can trade over 8,000 equity securities and over 150,000 options series. NYSE Arca's equity trading platforms link traders to multiple U.S. market centers and provide customers with fast electronic execution and open, direct and anonymous market access. The technological capabilities of NYSE Arca's trading platforms, combined with its trading rules, have allowed NYSE Arca to create a large pool of liquidity that is available to customers internally on NYSE Arca and externally through other market centers. For the period from January 1, 2006 to September 30, 2006, on an average trading day, over 645.7 million shares, valued at over \$22.7 billion, were traded through NYSE Arca's trading platforms.

For the nine months ended September 30, 2006, on a pro forma basis reflecting the merger of the NYSE and Archipelago, based on financial statements prepared in accordance with U.S. generally accepted accounting principles ("U.S. GAAP"), NYSE Group generated \$1,338.2 million in revenues (excluding activity assessment fees) and \$199.6 million in income from continuing operations.

NYSE Group maintains its principal executive offices at 11 Wall Street, New York, New York 10005. Its telephone number is (212) 656-3000, and its Internet address is www.nyse.com. Euronext N.V. (see page 342)

Euronext N.V., a public limited liability company organized under the laws of the Netherlands, operates cash and derivatives exchanges through its subsidiaries in Belgium,

France, the Netherlands and Portugal, in addition to services for derivatives markets in the United Kingdom. Euronext was created in 2000 through a three-way merger of the exchanges of Amsterdam, Brussels and Paris. Euronext later expanded by merging with the Portuguese exchange and acquiring the London-based derivatives market, LIFFE, in 2002. In 2004, Euronext completed a four-year project in which it migrated its exchanges to harmonized information technology platforms for cash trading (NSC), derivatives (LIFFE CONNECT®) and clearing. In 2005 and the first half of 2006, Euronext was the largest cash equities exchange in Europe in terms of the volume and value of transactions processed through the central order book and the second largest derivatives exchange in Europe by volume. Euronext also sells market data through its information services unit.

Euronext sells software and information technology, or IT, trading solutions through its subsidiary, GL TRADE, a leading provider of front-to-back-office trading, exchange-related software. IT services are provided by Atos Euronext Market Solutions, a company owned 50/50 by Atos Origin and Euronext.

Euronext also holds (jointly with Borsa Italiana) a majority stake in *Societa per il Mercato del Titoli di Stato* (or "MTS"), a leading electronic market for European wholesale fixed income securities.

For the six months ended June 30, 2006, based on financial statements prepared in accordance with International Financial Reporting Standards ("IFRS"), Euronext generated €557.7 million in revenues and €193.7 million in net profit attributable to shareholders of the parent company.

The address of Euronext's registered office is Beursplein 5, 1012 JW Amsterdam, the Netherlands, and its telephone number is +31 20 550 4444. Its website is www.euronext.com. Information contained on Euronext's website does not constitute part of this prospectus. This website address is an inactive text reference and is not intended to be an actual link to the website.

NYSE Euronext (see page 200)

NYSE Euronext is a newly incorporated Delaware corporation that will become the parent company of NYSE Group and Euronext upon the completion of the combination. Upon completion of the combination, the company's name will be changed from "NYSE Euronext, Inc." to "NYSE Euronext." To date, NYSE Euronext has not conducted any material activities other than those incident to its formation and the matters contemplated by the combination agreement. The address of NYSE Euronext's principal executive offices is c/o NYSE Group, Inc., 11 Wall Street, New York, New York 10005. Its telephone number is (212) 656-3000.

What Tendering Euronext Shareholders Will Receive in the Exchange Offer (see page 138)

In the exchange offer, which will be filed with, reviewed by and subject to the approval of the AMF and the CBFA after the satisfaction or waiver of the conditions in the combination agreement (including the approval of NYSE Group stockholders and Euronext shareholders of the combination), NYSE Euronext or a wholly owned subsidiary will offer to acquire each outstanding Euronext share for €21.32 in cash and 0.98 of a share of NYSE Euronext common stock. This document refers to this mix of consideration as the "standard offer consideration."

Instead of receiving this standard offer consideration, Euronext shareholders who tender their shares in the exchange offer will have an opportunity to make either a cash election to receive all cash for their Euronext shares, or a stock election to receive all stock for their Euronext shares. The precise amount of cash payable in respect of a cash election, and the precise number of NYSE Euronext shares issuable in respect of a stock election will be determined prior to the filing of the exchange offer with the AMF and will depend on the volume weighted average price of NYSE Group common stock during the 10 consecutive trading days ending immediately prior to the date of the filing of the exchange offer, which is used to determine the implied value of a share of NYSE Euronext common stock for purposes of the tradeoff

Edgar Filing: NYSE Euronext, Inc. - Form 424B3

between cash and stock for purposes of the cash election and the stock election.

Specifically, the amount of cash that a tendering Euronext shareholder will receive for each tendered Euronext share for which it makes the cash election will equal the sum of:

€21.32; and

the product of 0.98 multiplied by the volume-weighted average price of NYSE Group common stock during the 10 consecutive trading days ending immediately prior to the filing of the exchange offer with the AMF.

The amount of NYSE Euronext common stock that a tendering Euronext shareholder will receive for each tendered Euronext share for which it makes the stock election will equal the sum of:

0.98; and

the quotient obtained by dividing €21.32 by the volume-weighted average price of NYSE Group common stock during the 10 consecutive trading days ending immediately prior to the filing of the exchange offer with the AMF.

Both the cash election and stock election are subject to proration to ensure that the total amount of cash paid, and the total number of shares of NYSE Euronext common stock issued, in the exchange offer to the Euronext shareholders, as a whole, are equal to the total amount of cash and number of shares that would have been paid and issued if all tendering Euronext shareholders received the standard offer consideration. Euronext shareholders who make no election will receive the standard offer consideration.

As a result, if the cash election or the stock election is oversubscribed, Euronext shareholders making the oversubscribed election will receive both cash and shares of NYSE Euronext common stock, in proportion to the relative amounts available of each. As the cash election or stock election becomes more oversubscribed, Euronext shareholders making the oversubscribed election will receive consideration that will more closely resemble the standard offer consideration. Euronext shareholders who tender their shares in the exchange offer and make no election will receive the standard offer consideration. The precise consideration that Euronext shareholders will receive if they make the cash election or the stock election will depend on both:

the volume weighted average price of NYSE Group common stock during the 10 consecutive trading days ending immediately prior to the date of the filing of the exchange offer with the AMF; and

the number of Euronext shareholders that make the cash election and the number that make the stock election.

However, because the cash election and stock election are subject to proration, neither of the above factors will affect the total amount of cash paid, or the total number of shares of NYSE Euronext common stock issued, in the exchange offer to the Euronext shareholders as a whole.

This information (and therefore the precise consideration that Euronext shareholders will receive if they make the cash election or the stock election) will not be available at the time that Euronext shareholders vote on the combination. The combination agreement contains no provision that permits either party to terminate the combination agreement, or that alters the exchange ratio, because the stock price of NYSE Group common stock or Euronext shares has fallen below any agreed-upon minimum price or has risen above an agreed-upon maximum price. For a more detailed description of the potential adjustments to the consideration that Euronext shareholders will receive if they make the cash election or the stock election, see "The Combination Agreement The Exchange Offer Consideration Offered to Euronext Shareholders" and "The Combination Agreement The Exchange Offer Mix and Match Election."

Assuming that all of the outstanding Euronext shares are validly tendered in the exchange offer and not withdrawn, the aggregate number of shares of NYSE Euronext common stock issued in the combination to the Euronext shareholders will equal approximately 41% of the NYSE Euronext common stock issued and

outstanding at the time of completion of the combination.

NYSE Euronext is not obligated to purchase any tendered Euronext shares unless the tendered Euronext shares represent at least two-thirds of the total outstanding shares of Euronext. However, after consultation with Euronext, but prior to the filing of the exchange offer with the AMF, NYSE Euronext may lower this two-thirds minimum condition to a number representing not less than a majority of the Euronext voting power on a fully diluted basis taking into account all Euronext shares issuable upon the exercise of any options, warrants or rights to purchase or subscribe for shares of the capital stock of Euronext.

What NYSE Group Stockholders and Holders of NYSE Group Stock Options and Restricted Stock Units Will Receive in the Merger (see page 141)

In the merger, pursuant to the combination agreement, each share of NYSE Group common stock will entitle its holder to one share of NYSE Euronext common stock. Shares of NYSE Euronext common stock that are issued to NYSE Group stockholders in the merger will be subject to the same transfer restrictions, if any, that the shares of NYSE Group common stock were subject to prior to the merger. In addition, holders of outstanding NYSE Group stock options to acquire shares of NYSE Group common stock will receive options to acquire an equal number of shares of NYSE Euronext common stock, and holders of outstanding restricted stock units of NYSE Group common stock will receive an equal number of restricted stock units of NYSE Euronext common stock.

Assuming that all of the outstanding Euronext shares are validly tendered in the exchange offer and not withdrawn, the aggregate number of shares of NYSE Euronext common stock issued in the combination to the NYSE Group stockholders will equal approximately 59% of the NYSE Euronext common stock issued and outstanding at the time of completion of the combination.

What Euronext Shareholders Will Receive if They Do Not Tender Their Euronext Shares in the Exchange Offer (see page 144)

If the exchange offer is consummated, NYSE Euronext intends to effectuate a post-closing reorganization of Euronext and its subsidiaries that is intended to result in Euronext becoming a wholly owned subsidiary of NYSE Euronext. In the post-closing reorganization, Euronext shareholders who did not tender their Euronext shares in the exchange offer will generally receive the same consideration that they would have received had they tendered their Euronext shares in the exchange offer and had they not made either the cash election or stock election for their Euronext shares, that is, €21.32 in cash and 0.98 of a share of NYSE Euronext common stock per Euronext share. Although the structure of the post-closing reorganization may not be determined until after the expiration of the exchange offer, in the event that less than 95% of the outstanding Euronext shares are acquired in the exchange offer, it is currently anticipated that a significant portion of the consideration paid to Euronext shareholders pursuant to the post-closing reorganization will be subject to Dutch dividend withholding tax. Application of the Dutch dividend withholding tax could cause the net value of the consideration received by Euronext shareholders in the post-closing reorganization to be substantially less than the net value of the consideration such shareholders would have received had they tendered their Euronext shares in the exchange offer.

In the event that 95% or more of the issued and outstanding share capital of Euronext is tendered and accepted in the exchange offer, NYSE Euronext may at its option effectuate the post-closing reorganization by initiating a compulsory acquisition procedure (*uitkoopregeling*) in accordance with section 2:92a of the Dutch Civil Code. In such circumstances, the price to be paid for such shares would be paid in cash only, in an amount determined by the Enterprise Chamber of the Amsterdam Court of Appeals, which amount may be substantially more or less than the value of the consideration that Euronext shareholders received in the exchange offer.

Edgar Filing: NYSE Euronext, Inc. - Form 424B3

If successful, the effect of the post-closing reorganization will be to eliminate any minority stockholder interest in Euronext remaining after the completion of the exchange offer. For further details regarding the post-closing reorganization, see "The Combination Agreement Post-Closing Reorganization."

How Holders of Euronext Options and Stock-Based Awards Can Participate in the Exchange Offer (see page 142)

Holders of exercisable Euronext stock options who would like to tender the underlying Euronext shares into the exchange offer must first exercise such stock options (to the extent such stock options are exercisable) and then tender the underlying Euronext shares on or prior to the expiration date of the exchange offer. For further details regarding the procedure for participating in the exchange offer, see "The Combination Agreement Treatment of Euronext Stock Options and Stock-Based Awards."

What Holders of Euronext Options and Stock-Based Awards Will Receive if They Do Not Exercise Their Options or Stock Based Awards and Tender the Shares in the Exchange Offer (see page 142)

If, following the successful completion of the exchange offer, there are still Euronext stock options and Euronext stock-based awards outstanding, a conversion mechanism will generally be implemented for purposes of converting such stock options and stock-based awards into NYSE Euronext stock options and NYSE Euronext stock-based awards, respectively, on the same terms and conditions as currently applicable, subject to specific arrangements being made available to certain holders in order to protect such holders' tax and social security treatment. For a description of the conversion mechanism and these arrangements, please see "The Combination Agreement Treatment of Euronext Stock Options and Stock-Based Awards Following the Exchange Offer."

Structure of the Combination (see page 138)

In the combination, Euronext's business will be brought under NYSE Euronext through the exchange offer, and NYSE Group's business will be brought under NYSE Euronext through the merger. As soon as possible after the successful completion of the exchange offer and the merger, NYSE Euronext intends to effectuate the post-closing reorganization.

The following diagram illustrates the structure of the combination and assumes full completion of the post-closing reorganization so that 100% of the equity of Euronext is held by NYSE Euronext:

The Combination

After the Combination and the Post-Closing Reorganization

For a more detailed diagram of NYSE Euronext after the combination, see "The Combination Agreement Structure of the Combination."

Description of Credit Facility (see page 131)

In connection with the exchange offer, NYSE Euronext will enter into a credit facility agreement that will permit it to borrow amounts sufficient to fund the cash portion of the consideration to be issued in the exchange offer, which is expected to be approximately \$2.8 billion. NYSE Euronext may only borrow amounts under this credit facility agreement if the combination is successful. If the combination is successful, NYSE Euronext expects to use the credit facility as an undrawn back stop for a global commercial paper program, which NYSE Euronext will use mainly to finance the cash portion of the consideration to be paid to Euronext shareholders pursuant to the exchange offer. The credit facility will include terms and conditions customary for agreements of this type, which could restrict NYSE Euronext's ability to engage in additional transactions or incur additional indebtedness. It is currently anticipated that NYSE Euronext will issue approximately \$2.8 billion of commercial paper through a number of dealers. The dealers will offer the notes worldwide in a variety of currencies with maturities of less than 365 days. The goal will be to issue the paper in the most cost effective currency. The interest on commercial paper will be paid using proceeds from operations of the combined entity; and it is expected that the debt will be paid off in three to four years.

It is anticipated that the global commercial paper program will be exempt from registration under the Securities Act pursuant to the exemptions in Section 3(A)3 and 4(2) of the Securities Act for U.S. commercial paper and Regulation S for Euro commercial paper.

Reasons for the Combination (see page 68)

NYSE Group Stockholders. Based on NYSE Group's reasons for the combination described in this document (see "The Combination NYSE Group's Reasons for the Combination"), the NYSE Group board of directors recommends that NYSE Group stockholders vote FOR the approval and adoption of the combination agreement and the transactions contemplated by the combination agreement.

Euronext Shareholders. Based on Euronext's reasons for the combination described in this document (see "The Combination Euronext's Reasons for the Combination"), the Euronext supervisory and managing boards recommend that Euronext shareholders vote FOR the approval of the combination agreement and the transactions contemplated by the combination agreement, including the post-closing reorganization.

Interests of Directors, Board Members, and Executive Officers in the Combination (see page 112)

You should be aware that some of the directors and executive officers of NYSE Group and managing and supervisory board members of Euronext may have interests in the combination that are different from, or in addition to, the interests of the NYSE Group stockholders and the Euronext shareholders. These interests may include, but are not limited to, the continued employment of certain executive officers of NYSE Group and managing board members of Euronext, the continued positions of certain directors of NYSE Group and supervisory board members of Euronext as directors of NYSE Euronext, and the indemnification of former directors and executive officers of NYSE Group and managing and supervisory board members of Euronext by NYSE Euronext. These interests also include the treatment in the combination of restricted stock units, stock options and other rights held by these directors, board members and executive officers.

Opinions of Financial Advisors (see page 82)

Consistent with its past practice in cross border transactions, Euronext retained two financial advisors Morgan Stanley & Co. Limited ("Morgan Stanley") and ABN AMRO Corporate Finance France S.A. ("ABN AMRO") to act as financial advisors and to deliver separate opinions in connection with the proposed combination. ABN AMRO has historically advised Euronext regarding continental European matters while Morgan Stanley has more recently advised Euronext regarding U.K. and international matters. Both ABN AMRO and Morgan Stanley have been advising Euronext for a number of years in considering strategic alternatives. Morgan Stanley rendered to the Euronext supervisory and managing boards such an opinion, dated as of November 23, 2006, to the effect that, as of the date of the opinion and based upon and subject to the assumptions, and other limitations set forth in

the opinion, the consideration to be received by the Euronext shareholders in the exchange offer was fair, from a financial point of view, to the Euronext shareholders, as a whole. On June 1, 2006, Morgan Stanley rendered to the Euronext supervisory and managing boards a substantially similar opinion, dated as of June 1, 2006, which was subject to substantially similar assumptions and limitations set forth therein, in connection with Euronext's entry into the combination agreement. ABN AMRO rendered to the Euronext supervisory and managing boards such an opinion, dated as of November 23, 2006, to the effect that, as of the date of the opinion and based upon and subject to the assumptions, qualifications and other considerations set forth therein, the standard offer consideration to be offered to the Euronext shareholders in the exchange offer was fair, from a financial point of view, to the Euronext shareholders. On June 1, 2006, ABN AMRO rendered to the Euronext supervisory and managing boards a substantially similar opinion, dated as of June 1, 2006, which was subject to substantially similar assumptions, qualifications and other considerations set forth therein, in connection with Euronext's entry into the combination agreement. The opinions of Morgan Stanley and ABN AMRO both address the fairness from a financial point of view of the consideration offered to Euronext shareholders in the proposed combination, except that (1) the opinion of ABN AMRO addresses the fairness from a financial point of view of the €21.32 in cash and 0.98 of a share of NYSE Euronext that Euronext shareholders would receive if Euronext shareholders elect to receive this standard offer consideration instead of making the stock election or the cash election for their Euronext shares, and (2) the opinion of Morgan Stanley addresses the fairness from a financial point of view of the consideration to be received by Euronext shareholders as a whole, regardless of whether such shareholders elect to receive the standard offer consideration, the stock election or the cash election for their Euronext shares. In addition, the opinions of Morgan Stanley and ABN AMRO are subject to the respective assumptions, qualifications and other limitations that are set forth in each opinion. See "The Combination Opinions of Euronext's Financial Advisors."

The Euronext supervisory board retained Houlihan Lokey Howard & Zukin (Europe) Limited ("Houlihan Lokey") to deliver a report prepared in accordance with Article 261-1 *et seq.* of the General Rules of the AMF and AMF Instruction No. 2006-08 of July 25, 2006. Houlihan Lokey delivered its report to the Euronext supervisory board, including its opinion (*attestation d'équité*), dated as of November 23, 2006, to the effect that, as of the date of the report and based upon and subject to the assumptions, qualifications and other considerations set forth therein, the consideration to be offered to the shareholders of Euronext in the exchange offer taken as a whole, was fair to such shareholders from a financial point of view.

In connection with the proposed combination, the NYSE Group retained Citigroup Global Markets Inc. ("Citigroup") to act as a financial advisor and to deliver an opinion in connection with the proposed combination. Citigroup rendered to the NYSE Group board of directors an opinion, dated June 1, 2006, to the effect that, as of the date of the opinion and based upon and subject to the considerations and limitations set forth in the opinion, the aggregate consideration to be paid by NYSE Euronext in the exchange offer is fair, from a financial point of view, to NYSE Group stockholders.

The full text of the written opinions of Citigroup, Morgan Stanley and ABN AMRO are included as Annexes B, C, and D, respectively, to this document. You are urged to read each of the opinions carefully and in their entirety for a description of the procedures followed, matters considered and limitations on the review undertaken. The full text of Houlihan Lokey's written report, which sets forth the procedures followed, assumptions made, qualifications and limitations on the review undertaken and other matters considered by Houlihan Lokey in preparing its report is included as Exhibit 99.7 to the registration statement on Form S-4 filed with the SEC on November 27, 2006, and a copy may be obtained from the SEC's website at the following address: www.sec.gov.

Material Dutch Tax Consequences (see page 121)

See "The Combination Material Dutch Tax Consequences" for a discussion of the Dutch tax

consequences of the combination to Euronext shareholders. You are urged to consult with your tax advisor for a full understanding of the tax consequences of the combination to you.

Material U.S. Federal Income Tax Consequences (see page 126)

The Merger

The merger has been structured to qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. It is a condition to the obligation of NYSE Euronext to file and commence the exchange offer that NYSE Group receive an opinion from its counsel to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code. Assuming the merger qualifies as a reorganization, holders of NYSE Group common stock generally will not recognize any gain or loss for U.S. federal income tax purposes on the exchange of their NYSE Group common stock for NYSE Euronext common stock in the merger.

Holders of NYSE Group common stock should read "The Combination Material U.S. Federal Income Tax Consequences Tax Consequences of the Merger to U.S. Holders of NYSE Group Common Stock" for a more complete discussion of the U.S. federal income tax consequences of the merger. Holders of NYSE Group common stock should consult their own tax advisors to determine the tax consequences to them (including the application and effect of any state, local or non-U.S. income and other tax laws) of the merger.

The Exchange Offer and the Post-Closing Reorganization

The combination agreement contemplates that the receipt by holders of Euronext shares of the consideration in the exchange offer and in the post-closing reorganization will be structured as a taxable transaction for U.S. federal income tax purposes, unless NYSE Group elects, subject to the provisions of the combination agreement, to structure the post-closing reorganization so that, in the opinion of counsel to NYSE Group, the exchange offer together with the post-closing reorganization is treated either as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code or an exchange described in Section 351 of the Internal Revenue Code. As of the date of this document, NYSE Group has not made the election described in the preceding sentence. In addition, because the structure of the post-closing reorganization may depend, among other things, on the percentage of the Euronext shares tendered in the exchange offer, NYSE Euronext may not be able to determine the structure of the post-closing reorganization and whether to make the election described above until the expiration of the exchange offer. Holders of Euronext shares who are subject to U.S. federal income taxes should recognize and consider that the combination agreement contemplates that the receipt by holders of Euronext shares of the consideration in the exchange offer and in the post-closing reorganization will be structured as a taxable transaction for U.S. federal income tax purposes.

Taxable Exchange. If, as currently contemplated by the combination agreement, the receipt by holders of Euronext shares of the consideration in the exchange offer or in the post-closing reorganization is treated as a taxable transaction for U.S. federal income tax purposes, a U.S. holder of Euronext shares generally will recognize gain or loss in an amount equal to the difference, if any, between (1) the amount realized, and (2) the holder's tax basis in the Euronext shares exchanged. The amount realized will be the fair market value of the NYSE Euronext common stock, if any, plus the amount of cash, if any, received pursuant to the exchange offer or the post-closing reorganization. In general, a non-U.S. holder of Euronext shares will not be subject to U.S. federal income tax in respect of the consideration received in the exchange offer or in the post-closing reorganization, unless such non-U.S. holder has certain connections to the United States.

Reorganization Within the Meaning of Section 368(a) of the Internal Revenue Code or Exchange described in Section 351 of the Internal Revenue Code. If NYSE Group elects to structure the exchange offer together with the post-closing reorganization as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code or as an exchange described in Section 351 of the Internal Revenue Code, and the post-closing reorganization together with the

exchange offer so qualifies, the material U.S. federal income tax consequences to U.S. holders of Euronext shares, in general, are as follows:

If a U.S. holder receives solely NYSE Euronext common stock in exchange for its Euronext shares, such holder generally will not recognize any gain or loss, except with respect to cash received in lieu of fractional shares of NYSE Euronext common stock.

If a U.S. holder receives solely cash in exchange for its Euronext shares, such holder generally will recognize gain or loss equal to the difference between the amount of cash received and the tax basis in such holder's Euronext shares.

If a U.S. holder receives a combination of NYSE Euronext common stock and cash in exchange for its Euronext shares and such holder's tax basis in its Euronext shares is less than the sum of the cash and the fair market value, as of the closing date of the exchange offer or the post-closing reorganization, as applicable, of the NYSE Euronext common stock received, such holder generally will recognize gain equal to the lesser of (1) the sum of the cash and the fair market value of the NYSE Euronext common stock received, minus the tax basis of such holder's Euronext shares surrendered, and (2) the amount of cash received in the exchange offer or the post-closing reorganization as applicable. However, if a U.S. holder's tax basis in the Euronext shares exchanged in the exchange offer or the post-closing reorganization is greater than the sum of the cash and the fair market value of the NYSE Euronext common stock received, such holder's loss will not be currently allowed or recognized for U.S. federal income tax purposes.

In general, a non-U.S. holder of Euronext shares will not be subject to U.S. federal income tax in respect of the consideration received in the exchange offer or in the post-closing reorganization, unless such non-U.S. holder has certain connections to the United States.

All holders of Euronext shares should read "The Combination Material U.S. Federal Income Tax Consequences Tax Consequences of the Exchange Offer and the Post-Closing Reorganization to U.S. and Non-U.S. Holders of Euronext Shares" for a more complete discussion of the U.S. federal income tax consequences of the exchange offer and the post-closing reorganization. Holders of Euronext shares should consult their own tax advisors to determine the tax consequences to them (including the application and effect of any state, local or non-U.S. income and other tax laws) of the exchange offer and the post-closing reorganization.

Regulatory Approvals and Conditions to Completion of the Combination (see page 132)

Competition and Antitrust

NYSE Group and Euronext are not required to make notifications under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended, and the rules promulgated thereunder by the Federal Trade Commission. Competition and regulatory notifications and approvals are, or were, required from certain European authorities. In particular, competition consent was sought from, and provided by, the Office of Fair Trading in the United Kingdom, pursuant to the Enterprise Act 2002, and consent has also been sought from the Portuguese competition authority, Autoridade da Concorrência, in accordance with the Portuguese Competition Law (Law No 18/2003, of 11 June).

At any time before or after the combination, the Antitrust Division of the U.S. Department of Justice and the FTC, a U.S. state attorney general, or a non-U.S. competition authority could take action under the antitrust laws as it deems necessary or desirable in the public interest, including seeking to enjoin the combination or seeking divestiture of substantial assets of NYSE Group or Euronext or their subsidiaries. Private parties may also bring legal actions under the antitrust laws under certain circumstances. While NYSE Group and Euronext believe that they will receive the requisite regulatory approvals for the combination, they can give no assurance that a challenge to the combination will not be made or, if made, would be unsuccessful. Obtaining certain government approvals applicable to the exchange offer or merger is a condition to the combination. See "The Combination Agreement Conditions to Completing the Combination Conditions to Filing and Commencing the Exchange Offer" and "The Combination Agreement Conditions to Completing the Exchange Offer."

Edgar Filing: NYSE Euronext, Inc. - Form 424B3

Securities and Other Regulatory Authorities

European Regulators. The combination is also subject to receipt of the following approvals from European regulators:

the Dutch Minister of Finance shall have issued a declaration of no objection pursuant to section 26a of the Dutch Act on the Supervision of the Securities Trade 1995 allowing NYSE Euronext to acquire the Euronext shares;

no objection of the AMF pursuant to the provisions of Articles 511-1 and 511-5 of the General Rules of the AMF;

the French Minister of Economy shall have taken no steps under article 441-1 of the *Code Monétaire et Financier* to object to the completion of the exchange offer; and

authorization of Euronext's College of Regulators, which includes the Chairmen of the AMF, the Netherlands Authority for the Financial Markets (*Autoriteit Financiële Markten*), the Belgian Banking, Finance, and Insurance Commission (*Commission Bancaire, Financière, et des Assurances*), the Portuguese Securities Commission (*Comissão do Mercado de Valores Mobiliários*), and the U.K. Financial Services Authority.

U.S. Securities and Exchange Commission. The U.S. Securities and Exchange Commission (the "SEC") has the right to approve the rules of the U.S. securities exchanges that will be owned by NYSE Euronext, and is expected to review certain aspects of the organizational documents of NYSE Euronext and its subsidiaries to the extent that they affect these U.S. securities exchanges. The NYSE and NYSE Arca, Inc. will file applications with the SEC seeking approval of certain elements of the proposed organization and operations described in this document.

Other Approvals. In addition to the regulatory approvals noted above, the combination is subject to the receipt of all other governmental approvals or the making of all other required governmental filings (including any required approvals or filings for amendments to existing or the granting of new exchange licenses and recognitions), the failure of which to be obtained or made, individually or in the aggregate, would reasonably be expected to have a material adverse effect on NYSE Euronext, NYSE Group or Euronext.

Shareholder Approvals and Other Conditions

The combination is also subject the satisfaction or waiver of conditions in the combination agreement, including the NYSE Group stockholder approval and Euronext shareholder approval. See "The Combination Agreement Conditions to Completing the Combination." Subject to the satisfaction or waiver of the conditions set forth in the combination agreement, NYSE Group and Euronext expect to complete the combination in the first quarter of 2007.

Approvals for Certain Purchases of Euronext Shares Outside of the United States During the Exchange Offer

In connection with the combination, UBS AG and Morgan Stanley, serving as financial advisors to Euronext, have sought and received from the SEC exemptive relief from the requirements of Rule 14e-5 under the Securities Exchange Act of 1934, as amended (the "Exchange Act") that permits these financial advisors and their affiliates and separately identifiable departments to make purchases of, or arrangements to purchase, Euronext securities outside the United States other than pursuant to the exchange offer. NYSE Euronext, NYSE Group and Euronext expressly draw attention to the fact that, subject to applicable regulatory requirements, these financial advisors and their affiliates or nominees or brokers (acting as agents) have the ability to make certain purchases of, or arrangements to purchase, Euronext securities outside the United States, other than pursuant to the exchange offer, before or during the period in which the exchange offer remains open for acceptance. In the event they were made, these purchases or arrangements to purchase would only be conducted in compliance with the applicable regulations in France, any other applicable jurisdiction in which Euronext securities are listed, and applicable U.S. securities laws (except to the extent of any exemptive relief granted by the SEC).

Absence of Appraisal Rights (see page 137)

Under the Delaware general corporation law, which governs the merger, as well as under the NYSE Group certificate of incorporation and

bylaws, NYSE Group stockholders are not entitled to any appraisal rights in connection with the merger.

Under Dutch and French law, as well as the Euronext articles of association, Euronext shareholders will not be entitled to appraisal rights in connection with the exchange offer or the post-closing reorganization. However, if 95% or more of the issued and outstanding share capital of Euronext is tendered in the exchange offer and NYSE Euronext elects to initiate a compulsory acquisition procedure under Dutch law, the consideration to be paid to Euronext holders in such circumstances would be determined by the Enterprise Chamber of the Amsterdam Court of Appeals. See "The Combination Agreement Post-Closing Reorganization."

Directors and Management of NYSE Euronext Following the Combination (see page 163)

Following the combination, the NYSE Euronext board of directors will consist of 22 directors, including an equal number of U.S. domiciliaries and European domiciliaries, each as defined below. Eleven of the directors will be directors of NYSE Group immediately prior to the combination (including both the chairman and the chief executive officer of NYSE Group); nine of the directors will be members of the Euronext supervisory board immediately prior to the combination (including the chairman of the Euronext supervisory board); one of the directors will be the chief executive officer of Euronext immediately prior to the combination; and the remaining director will be Sylvain Hefes, who is a European domiciliary approved by both the Euronext supervisory board and the NYSE Group board of directors. The initial term of the directors will end with the first annual stockholders meeting to be held by NYSE Euronext. Thereafter, the directors will serve one-year terms. The parity between U.S. domiciliaries and European domiciliaries on the NYSE Euronext board of directors will be maintained unless the nominating and governance committee and the board of directors of NYSE Euronext, both equally composed of U.S. domiciliaries and European domiciliaries, decide otherwise or unless the NYSE Euronext bylaws are amended by a supermajority vote.

It is expected, in accordance with the combination agreement, that (i) Jan-Michiel Hessels, the current chairman of the supervisory board of Euronext, will be the chairman of the board of NYSE Euronext; (ii) Marshall N. Carter, the current chairman of the board of directors of NYSE Group, will be the deputy chairman of the board of NYSE Euronext; (iii) John A. Thain, the current chief executive officer and a director of the NYSE Group, will be the chief executive officer and a director of NYSE Euronext; and (iv) Jean-François Théodore, the current chief executive officer of Euronext, will be the deputy chief executive officer and a director of NYSE Euronext.

The NYSE Euronext bylaws in effect after the combination will provide that:

(i) the chairman of the board of directors will be a European domiciliary and the chief executive officer will be a U.S. domiciliary or (ii) the chairman of the board of directors will be a U.S. domiciliary and the chief executive officer will be a European domiciliary;

the board of directors will either be composed of: (1) an even number of U.S. domiciliaries and European domiciliaries or (2) the smallest possible majority of U.S. domiciliaries and the largest possible minority of European domiciliaries; and

the nominating and governance committee of the NYSE Euronext board of directors will consist of an equal number of U.S. domiciliaries and European domiciliaries.

For purposes of these requirements:

a person is a "U.S. domiciliary" if he or she was, at the time of his or her election to the board of directors and for the preceding 24 months, a person domiciled in the United States;

a person is a "European domiciliary" if he or she was, at the time of his or her election to the board of directors and for the preceding 24 months, a person domiciled in Europe; and

"Europe" means (1) any and all of the jurisdictions in which Euronext or any of its subsidiaries operates a European regulated market; (2) any member state of the European Economic Area as of the

Edgar Filing: NYSE Euronext, Inc. - Form 424B3

effective time of the combination and any state that becomes a member of the European Economic Area after the effective time of the combination and (3) Switzerland (with "European" having a correlative meaning).

The above requirements cannot be changed unless approved by a resolution adopted by two-thirds of the NYSE Euronext directors then in office or by a shareholders' vote of 80% of the votes entitled to be cast by the holders of the then outstanding shares of capital stock of NYSE Euronext entitled to vote generally in the election of directors.

The combination agreement provides that, at the first annual meeting of stockholders of NYSE Euronext, each of the individuals who will serve as directors of NYSE Euronext immediately following the combination will be renominated to serve as a director on the board.

At the completion of the combination, the management committee of NYSE Euronext will consist of 14 persons and include an equal number of NYSE Group designees and Euronext designees.

Third-Party Acquisition Proposals (see page 152)

Subject to certain exceptions, the combination agreement generally restricts the ability of NYSE Group and Euronext to solicit or engage in discussions or negotiations with a third-party regarding a proposal to acquire a significant interest in either entity.

Under certain circumstances, the NYSE Group board and the Euronext boards may engage in discussions or negotiations in response to a *bona fide* unsolicited written acquisition proposal if they conclude that there is a reasonable likelihood that such proposal could constitute a superior proposal (as defined in the combination agreement) and due compliance with their respective fiduciary duties so requires. If, prior to the NYSE stockholder approval or consummation of the exchange offer, the NYSE Group board or Euronext boards, respectively, conclude that such acquisition proposal constitutes a superior proposal and due compliance with their respective fiduciary duties so requires, then the NYSE Group board or Euronext boards, respectively, may change its or their recommendation that stockholders vote in favor of the combination agreement and the transactions contemplated by the combination agreement and, in the case of Euronext shareholders, tender their Euronext shares in the exchange offer.

Termination of the Combination Agreement; Expense Reimbursement (see page 155)

NYSE Group and Euronext may jointly agree to terminate the combination agreement at any time. Either NYSE Group or Euronext may also terminate the combination agreement in various circumstances, including, but not limited to, failure to receive necessary stockholder or shareholder approvals, failure to obtain a necessary governmental approval, failure to achieve the minimum tender condition or upon the breach by the other party of certain of its obligations unde
