PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD ON MAY 29, 2015

The board of directors of Applied Optoelectronics, Inc. (the "Board") is soliciting your proxy for the 2015 Annual Meeting of Stockholders to be held on May 29, 2015, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This Proxy Statement and related materials are first being made available to stockholders on or about April 14, 2015. References in this Proxy Statement to the "Company," "we," "our," "us" and "Applied Optoelectronics" are to Applied Optoelectronics, Inc. and its consolidated subsidiaries, and references to the "annual meeting" are to the 2015 Annual Meeting of Stockholders. This Proxy Statement covers our 2014 fiscal year, which was from January 1, 2014 through December 31, 2014 ("fiscal 2014"). Certain information contained in this Proxy Statement is incorporated by reference into Part III of our Annual Report on Form 10-K for the fiscal year ended December 31, 2014, as filed by the Company with the U.S. Securities and Exchange Commission ("SEC") on March 5, 2015.

SOLICITATION AND VOTING

Record Date

Only stockholders of record at the close of business on April 6, 2015 will be entitled to notice of and to vote at the meeting and any adjournment thereof. As of this record date there were 14,910,240 shares of common stock outstanding and entitled to vote.

Quorum

A majority of the shares of common stock issued and outstanding as of the record date must be represented at the meeting, either in person or by proxy, to constitute a quorum for the transaction of business at the meeting. Your shares will be counted towards the quorum if you submit a valid proxy (or one is submitted on your behalf by your broker or bank) or if you vote in person at the meeting. Abstentions and "broker non-votes" (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) will each be counted as present for purposes of determining the presence of a quorum.

Vote Required to Adopt Proposals

Each share of our common stock outstanding on the record date is entitled to one vote on each of the two director nominees. Each share of our common stock outstanding on the record date is entitled to one vote on each other matter. For the election of directors, the two director nominees who receive the highest number of "For" votes will be elected as Class II directors. You may vote "For" or "Withhold" with respect to each director nominee. Votes that are withheld will be excluded entirely from the vote with respect to the nominee from which they are withheld and will have the same effect as an abstention. With respect to Proposal No. 2 regarding ratification of our independent auditors, approval of the proposal requires the affirmative vote of a majority of the shares present and entitled to vote.

Effect of Abstentions and Broker Non-Votes

Shares not present at the meeting and shares voted "Withhold" will have no effect on the election of directors. For each of the other proposal, abstentions will have the same effect as negative votes. If your shares are held in an account at a bank or brokerage firm, that bank or brokerage firm may vote your shares on Proposal No. 2 regarding ratification of our independent auditors, but will not be permitted to vote your shares of common stock with respect to Proposal No. 1, unless you provide instructions as to how

Table of Contents

your shares should be voted. If an executed proxy card is returned by a bank or broker holding shares which indicates that the bank or broker has not received voting instructions and does not have discretionary authority to vote on the proposals, the shares will not be considered to have been voted in favor of the proposals. Your bank or broker will vote your shares of common stock on Proposal No. 1 only if you provide instructions on how to vote by following the instructions they provide to you. Accordingly, we encourage you to vote promptly, even if you plan to attend the annual meeting. In tabulating the voting results for any particular proposal, shares that constitute broker non-votes are not considered entitled to vote on that proposal.

Voting Instructions

If you complete and submit your proxy card or voting instructions, the persons named as proxies will follow your voting instructions. If no choice is indicated on the proxy card, the shares will be voted as the board recommends on each proposal. Many banks and brokerage firms have a process for their beneficial owners to provide instructions via telephone or the Internet. The voting form that you receive from your bank or broker will contain instructions for voting.

Depending on how you hold your shares, you may vote in one of the following ways:

Stockholders of Record: You may vote by proxy or over the Internet or by telephone. Please follow the instructions provided on the proxy card you received, then sign and return it in the prepaid envelope. You may also vote in person at the annual meeting.

Beneficial Stockholders: Your bank, broker or other holder of record will provide you with a voting instruction card for you to use to instruct them on how to vote your shares. Check the instructions provided by your bank, broker or other holder of record to see which options are available to you. However, since you are not the stockholder of record, you may not vote your shares in person at the annual meeting unless you request and obtain a valid proxy from your bank, broker or other agent.

Votes submitted by telephone or via the Internet must be received by 11:59 p.m. Eastern Time on May 28, 2015. Submitting your proxy by telephone or via the Internet will not affect your right to vote in person should you decide to attend the annual meeting in person.

If you are a stockholder of record, you may revoke your proxy and change your vote at any time before the polls close by returning a later-dated proxy card, by voting again by Internet or telephone as more fully detailed in your proxy card or by delivering written instructions to the Corporate Secretary before the annual meeting. Attendance at the annual meeting will not in and of itself cause your previously voted proxy to be revoked unless you specifically so request or vote again at the annual meeting. If your shares are held in an account at a bank, brokerage firm or other agent, you may change your vote by submitting new voting instructions to your bank, brokerage firm or other agent or if you have obtained a legal proxy from your bank, brokerage firm or other agent giving you the right to vote your shares, by attending the annual meeting and voting in person.

Solicitation of Proxies

We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail, we will request banks, brokers and other intermediaries holding shares of our common stock beneficially owned by others to obtain proxies from the beneficial owners and will reimburse them for their reasonable, out-of-pocket costs for forwarding proxy and solicitation material to the beneficial owners of common stock. We may use the services of our officers, directors and employees to solicit proxies, personally or by telephone, without additional compensation.

Voting Results

We will announce preliminary voting results at the annual meeting. We will report final results in a Form 8-K report filed with the SEC.

JOBS Act Explanatory Note

We are an "emerging growth company" under applicable federal securities laws and therefore permitted to take advantage of certain reduced public company reporting requirements. As an emerging growth company, we provide in this Proxy Statement the scaled disclosure permitted under the Jumpstart Our Business Startups Act of 2012 (the "JOBS Act"), including the compensation disclosures required of a "smaller reporting company," as that term is defined in Rule 12b-2 promulgated under the Securities Exchange Act of 1934, as amended (the "Exchange Act"). In addition, as an emerging growth company, we are not required to conduct votes seeking approval, on an advisory basis, of the compensation of our named executive officers or the frequency with which such votes must be conducted. We will remain an "emerging growth company" until the earliest of (i) the last day of the fiscal year in which we have total annual gross revenues of \$1 billion or more; (ii) December 31, 2018; (iii) the date on which we have issued more than \$1 billion in nonconvertible debt during the previous three years; or (iv) the date on which we are deemed to be a large accelerated filer under the rules of the SEC.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

We have a classified Board consisting of two Class I directors, two Class II directors and three Class III directors. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the annual meeting date.

The term of the Class II directors, William H. Yeh and Alex Ignatiev, will expire on the date of the upcoming annual meeting. Accordingly, two persons are to be elected to serve as Class II directors of the Board at the meeting. The board's nominees for election by the stockholders to those two positions are the two current Class II members of the Board, William H. Yeh and Alex Ignatiev. If elected, each nominee will serve as a director until our annual meeting of stockholders in 2018 and until their respective successors are elected and qualified. If any of the nominees declines to serve or becomes unavailable for any reason (although we know of no reason to anticipate that this will occur), or if a vacancy occurs before the election, the proxies may be voted for such substitute nominees as we may designate. The proxies cannot vote for more than two persons.

The two nominees for Class II director receiving the highest number of votes of shares of common stock will be elected as Class II directors.

We believe that each of our directors has demonstrated business acumen, ethical integrity and an ability to exercise sound judgment as well as a commitment of service to us and our Board.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE "FOR" THE ELECTION OF WILLIAM H. YEH AND ALEX IGNATIEV AS CLASS II DIRECTORS.

CORPORATE GOVERNANCE

Director Independence

In June 2014, the Board determined that, other than Dr. Chih-Hsiang (Thompson) Lin, each of the current members of the board is an "independent director" for purposes of the NASDAQ Listing Rules and Rule 10A-3(b)(1) under the Exchange Act as the term relates to membership on the board of directors. The definition of independence under the NASDAQ Listing Rules includes a series of objective tests, such as that the director is not, and has not been for at least three years, one of our employees and that neither the director, nor any of his or her family members, has engaged in various types of business dealings with us. In addition, as further required by the NASDAQ Listing Rules, our Board has made a subjective determination as to each independent director that no material relationships exist that, in the opinion of our Board, would interfere with his exercise of independent judgment in carrying out the responsibilities of a director. In making these determinations, our Board reviewed and discussed information provided by the directors in questionnaires with questions tailored to the NASDAQ Listing Rules with regard to each director's business and personal activities as they may relate to us and our management.

Board Leadership Structure

Our Board is currently chaired by our President and Chief Executive Officer, Dr. Chih-Hsiang (Thompson) Lin. The Board believes that combining the positions of Chief Executive Officer and Chairman of the Board, or Chairman, helps to ensure that the Board and management act with a common purpose. The Board further believes that combining the positions of Chief Executive Officer and Chairman provides a single, clear chain of command to execute our strategic initiatives and business plans. In addition, the Board believes that a combined Chief Executive Officer and Chairman is better positioned to act as a bridge between management and the Board, facilitating the regular flow of information. In light of our Chief Executive Officer's extensive history with and knowledge of our company, the Board believes that it is advantageous for Applied Optoelectronics, Inc. to combine the positions of Chief Executive Officer and Chairman. Our company does not have a lead independent director.

Risk Management

One of the key functions of the Board is informed oversight of our various processes for managing risk. The Board administers this oversight function directly through the Board as a whole, as well as through the standing committees of the Board that address risks associated with their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing risk exposure in our strategic plans, development programs, corporate goals and operating plans. Our audit committee has the responsibility to consider and discuss our major exposures to financial risk and the steps our management takes to monitor and control these exposures, including guidelines, policies and processes. The audit committee also monitors our compliance with various legal and regulatory requirements, monitors our whistleblower system, and oversees the performance of our internal audit function. Our nominating and corporate governance committee monitors the effectiveness of our corporate governance guidelines and policies. Our compensation committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. In addition, the Board meets with certain members of our executive team, including the heads of our different organizational functions, who discuss the risks and exposures involved in their respective areas of responsibility as well as any developments that could impact our risk profile or other aspects of our business.

Table of Contents**Executive Sessions**

Non-management directors generally meet in executive session without management present. The Board's policy is to hold executive sessions without the presence of management, including the Chief Executive Officer, who is the only non-independent director.

Meetings of the Board of Directors and Committees

The Board held 9 meetings during the fiscal year ended December 31, 2014. The Board has three standing committees: an audit committee, a compensation committee and a nominating and corporate governance committee. During the last fiscal year, each of our directors attended at least 75% of the total number of meetings of the Board and all of the committees of the Board on which such director served during that period.

The following table sets forth the standing committees of the Board and the members of each committee as of the date that this Proxy Statement was first made available to our stockholders:

Name of Director	Audit	Compensation	Nominating and Corporate Governance

Alex Ignatiev		X	Chair

Audit Committee			

Our audit committee currently consists of Richard B. Black, Alan Moore and Min-Chu (Mike) Chen. Our Board has determined that Messrs. Black, Moore and Chen each satisfy the independence and financial literacy requirements under the applicable rules and regulations of the SEC and NASDAQ. Mr. Black serves as the chairman of this committee, and our Board has determined that he qualifies as an "audit committee financial expert" as that term is defined in the rules and regulations established by the SEC and has the requisite financial sophistication as defined under the applicable NASDAQ rules. The functions of this committee include, but are not limited to:

meeting with our management periodically to consider the adequacy of our internal controls and the objectivity of our financial reporting;

meeting with our independent auditors and with internal financial personnel regarding these matters;

appointing, compensating, retaining and overseeing the work of our independent auditors;

pre-approving audit and non-audit services of our independent auditors;

reviewing our audited financial statements and reports and discussing the statements and reports with our management, including any significant adjustments, management judgments and estimates, new accounting policies and disagreements with management;

establishing procedures for the receipt, retention and treatment of complaints we receive regarding accounting, internal accounting controls or auditing matters, as well as for the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters;

reviewing the independence and quality control procedures of the independent auditor and the experience and qualifications of the independent auditor's senior personnel that are providing us audit services;

reviewing all related-party transactions for approval; and

reviewing and reassessing the adequacy of the audit committee's charter at least annually and recommending any changes to our Board.

Both our independent auditors and internal financial personnel regularly meet privately with our audit committee and have unrestricted access to this committee.

The audit committee held six meetings during the fiscal year ended December 31, 2014. Additional information regarding the audit committee is set forth in the Report of the Audit Committee immediately following Proposal No. 2.

Compensation Committee

Our compensation committee currently consists of William H. Yeh, Alex Ignatiev and Min-Chu (Mike) Chen, each of whom is not an employee and is otherwise "independent" as that term is defined in the current applicable NASDAQ rules. Mr. Yeh serves as the chairman of this committee. Pursuant to its charter, our compensation committee has responsibility for overseeing our compensation policies and programs, including developing compensation policies and providing oversight in the implementation of all applicable policies and benefit plans. Specifically, the compensation committee recommends the compensation payable to our non-employee directors, evaluates and sets compensation for our executive officers and monitors all general compensation programs. In accordance with its charter, the compensation committee's responsibilities include, but are not limited to:

reviewing and approving all compensation for the Chief Executive Officer, including incentive-based and equity-based compensation;

reviewing and approving annual performance objectives and goals relevant to compensation for the Chief Executive Officer and evaluating the performance of the Chief Executive Officer;

reviewing and approving incentive-based or equity-based compensation plans in which our executive officers participate;

reviewing and approving all compensation for executive officers, including incentive-based and equity-based compensation, and overseeing the evaluation of management;

approving all employment, severance, or change-in-control agreements, special or supplemental benefits, or provisions including the same, applicable to executive officers;

periodically reviewing and advising our Board concerning both regional and industry-wide compensation practices and trends in order to assess the adequacy and competitiveness of our compensation programs for executive officers relative to comparable companies in our industry;

reviewing and reassessing the adequacy of the compensation committee charter and recommending any changes to our Board on an annual basis;

reviewing and evaluating the compensation committee's own performance periodically; and

periodically reviewing the compensation paid to non-employee directors and making recommendations to our Board for any adjustments.

The compensation committee may delegate its authority to a subcommittee to make grants of stock, stock options and other equity securities to executive officers and other employees, provided that these grants are made within established guidelines. In addition, the compensation committee may obtain advice

Table of Contents

or assistance from compensation consultants, legal counsel or other advisors to perform its duties, provided that the compensation committee shall periodically assess the independence of any such compensation consultant as required by NASDAQ rules and applicable law.

The compensation committee and Board believe that attracting, retaining and motivating our employees, and particularly the company's senior management team and key operating personnel, are essential to Applied Optoelectronics, Inc.'s performance and enhancing stockholder value. The compensation committee will continue to administer and develop our compensation programs in a manner designed to achieve these objectives.

The compensation committee reviews and determines executive officer compensation. Our Chief Executive Officer makes recommendations to the compensation committee regarding base salary increases, bonuses, incentive compensation, equity awards benefits and perquisites for each executive other than himself. These recommendations are based upon objective criteria, including the company's financial performance, accomplishment of strategic objectives and development of management. The compensation committee reviews and evaluates submitted proposals, and establishes executive compensation, including the Chief Executive Officer.

In August 2014, the compensation committee selected Arthur J. Gallagher & Co. ("Gallagher") to provide compensation consulting support. Gallagher has provided market information on compensation trends and practices and compensation analysis based on competitive data drawn from a peer group of companies. Gallagher is also available to perform special projects at the compensation committee's request. Gallagher provides analyses that inform the compensation committee's decisions, but does not decide or approve any compensation actions. The compensation committee also consults with Gallagher on program design, which included a review of stock ownership guidelines for the company's executive officers and non-employee directors and assessing compensation of the Board. The engagement of any compensation consultant rests exclusively with the compensation committee, which has sole authority to retain and terminate any compensation consultant or other advisor that it uses.

The compensation committee has assessed the independence of Gallagher and concluded that no conflicts of interest exist that would prevent Gallagher from providing independent and objective advice to the compensation committee. In making this determination, our compensation committee reviewed and discussed information provided by Gallagher in a questionnaire, with questions tailored to the NASDAQ Listing Rules with regards to Gallagher's independence and provision of services.

The compensation committee held four meetings during the fiscal year ended December 31, 2014.

Nominating and Corporate Governance Committee

Our nominating and corporate governance committee currently consists of Alex Ignatiev, William H. Yeh and Che-Wei Lin. Dr. Ignatiev serves as the chairman of this committee. Our nominating and corporate governance committee oversees and advises the Board with respect to corporate governance matters, assists the Board in identifying and recommending qualified candidates for nomination to the Board, makes recommendations to the Board with respect to assignments to committees of the Board and oversees the evaluation of the Board. The functions of this committee include, but are not limited to:

making recommendations to the Board regarding all nominees for board membership, whether for the slate of director nominees to be proposed by the Board to the stockholders or any director nominees to be elected by the Board to fill interim director vacancies;

considering director candidates submitted by stockholders and determining the procedure to be followed by stockholders in submitting such recommendations;

recommending Board committee structure and responsibilities to be included in the charter of each committee of the Board to be submitted to the full Board for consideration;

recommending directors to serve on each Board committee and suggesting rotations for chairpersons of the Board committees as the nominating and corporate governance committee deems appropriate;

recommending corporate governance standards to the Board;

evaluating and recommending any revisions to Board and Board committee meeting policies;

reviewing the effectiveness of the operation of the Board and Board committees, including the corporate governance and operating practices; and

reviewing and reassessing the adequacy of the nominating and corporate governance committee charter and recommending any changes to the Board.

The nominating and corporate governance committee held one meeting during the fiscal year ended December 31, 2014.

Director Nominations

Our nominating and corporate governance committee is responsible for, among other things, assisting our Board in identifying qualified director nominees and recommending nominees for each annual meeting of stockholders. The nominating and corporate governance committee's goal is to assemble a board that brings to our company a diversity of experience in areas that are relevant to our business and that complies with the NASDAQ Listing Rules and applicable SEC rules and regulations. While we do not have a formal diversity policy for board membership, the nominating and corporate governance committee generally considers the diversity of nominees in terms of knowledge, experience, background, skills, expertise and other demographic factors. When considering nominees for election as directors, the nominating and corporate governance committee reviews the needs of the board for various skills, background, experience and expected contributions and the qualification standards established from time to time by the nominating and corporate governance committee. The nominating and corporate governance committee believes that directors must also have an inquisitive and objective outlook and mature judgment. Director candidates must have sufficient time available in the judgment of the nominating and corporate governance committee to perform all board and committee responsibilities. Members of the Board are expected to rigorously prepare for, attend and participate in all meetings of the board and applicable committee meetings.

Other than the foregoing and the applicable rules regarding director qualification, there are no stated minimum criteria for director nominees. Under the NASDAQ Listing Rules, at least a majority of the members of the board must meet the definition of "independence" and at least one director must be a "financial expert" under the Exchange Act and the NASDAQ Listing Rules and applicable SEC rules and regulations. The nominating and corporate governance committee also believes it appropriate for our Chief Executive Officer to participate as a member of the Board.

The nominating and corporate governance committee will evaluate annually the current members of the board whose terms are expiring and who are willing to continue in service against the criteria set forth above in determining whether to recommend these directors for election. The nominating and corporate governance committee will assess regularly the optimum size of the board and its committees and the needs of the Board for various skills, background and business experience in determining if the board requires additional candidates for nomination.

Candidates for director nominations come to our attention from time to time through incumbent directors, management, stockholders or third parties. These candidates may be considered at meetings of the nominating and corporate governance committee at any point during the year. Such candidates are to be evaluated against the criteria set forth above. If the nominating and corporate governance committee believes at any time that it is desirable that the board consider additional candidates for nomination, the

Table of Contents

committee may poll directors and management for suggestions or conduct research to identify possible candidates and may engage, if the nominating and corporate governance committee believes it is appropriate, a third party search firm to assist in identifying qualified candidates.

Our bylaws permit stockholders to nominate directors for consideration at an annual meeting. The nominating and corporate governance committee will consider director candidates validly recommended by stockholders. For more information regarding the requirements for stockholders to validly submit a nomination for director, see "Stockholder Proposals or Nominations to Be Presented at Next Annual Meeting" elsewhere in this Proxy Statement.

Communications with the Board

Any matter intended for the Board, or for any individual member or members of the Board, should be directed to our General Counsel at 13115 Jess Pirtle Blvd., Sugar Land, TX 77478, with a request to forward the communication to the intended recipient or recipients. In general, any stockholder communication delivered to our General Counsel for forwarding to the Board or specified Board member or members will be forwarded in accordance with the stockholder's instructions. However, our General Counsel reserves the right not to forward to Board members any abusive, threatening or otherwise inappropriate materials.

Director Attendance at Annual Meetings

We do not have a formal policy regarding Board members attendance at annual meeting, but all members of our Board are encouraged to attend the annual meeting of stockholders. We attempt to schedule our annual meeting of stockholders at a time and date to accommodate attendance by members of our Board taking into account the directors' schedules.

Committee Charters and Other Corporate Governance Materials

We have adopted a Code of Business Conduct and Ethics (the "Code"), that applies to all of our employees, officers and directors. The Code is available on the investor relations portion of our website at www.ao-inc.com. A printed copy of the Code may also be obtained by any stockholder free of charge upon request to the Corporate Secretary, Applied Optoelectronics, Inc., 13115 Jess Pirtle Blvd., Sugar Land, TX 77478. Any substantive amendment to or waiver of any provision of the Code may be made only by the Board, and will be disclosed on our website as well as via any other means then required by NASDAQ Listing Rules or applicable law.

Our Board has also adopted a written charter for each of the audit committee, the compensation committee and the nominating and corporate governance committee. Each charter is available on the investor relations portion of our website at www.ao-inc.com.

Compensation Committee Interlocks and Insider Participation

None of our executive officers serves as a member of our compensation committee or any other committee serving an equivalent function of any other entity that has one or more of its executive officers serving as a member of our Board or compensation committee.

Risk Assessment of Compensation Programs

We do not believe that our compensation programs create risks that are reasonably likely to have a material adverse effect on our company. We believe that the combination of different types of compensation as well as the overall amount of compensation, together with our internal controls and oversight by the Board, mitigates potential risks.

Potential Payments Upon Termination and Change in Control

Dr. Chih-Hsiang (Thompson) Lin, Dr. Murry and Mr. J. Yeh each have an agreement regarding change of control or separation of service with our company, which provides that, if our Board terminates his employment for any reason other than Cause or if he resigns for Good Reason before the occurrence of a Change in Control, as defined below, he will be entitled to receive (i) a payment equal to one year's base salary plus \$15,000, (which may be used for benefit continuation under COBRA or for any other purpose), (ii) a payment equal to his target bonus and (iii) in the case of Dr. Murry, a lump sum equal to Dr. Murry's four most recent commission payments. The severance benefits that may arise as a result of a termination

Table of Contents

prior to a Change in Control will be paid periodically in installments over the 12 months following his separation from service, subject to certain limitations including his execution of a release agreement. The release agreement would include a reasonable agreement to cooperate for a period of six months following the employment termination date and a mutual non-disparagement clause. In consideration of these benefits, he has agreed to be subject to a non-compete provision for a period of 12 months following his separation from service and would agree to maintain the confidentiality of company information. Mr. Dunn's and Dr. Chang's employment agreement do not provide for the above benefits.

Each employment agreement generally defines "Cause" as, following written notice to the executive and the executive's failure to cure such occurrence(s): (i) conviction or plea of nolo contendere to any felony offense or to a crime of moral turpitude; (ii) commission of willful misconduct or violation of law in connection with the performance of his duties, including (a) misappropriation of funds or property, (b) attempting to secure personally any profit in connection with any transaction entered into on behalf of our company, or (c) making any material misrepresentation to our Board, our company or its affiliates; (iii) material violation or failure to comply with our company policy; (iv) material breach of the employment agreement; or (v) the willful and continued failure or neglect to substantially perform his duties with our company. "Good Reason" is defined to include: (i) the executive's assignment to duties inconsistent with his position or title; (ii) reduction in his base compensation, except as part of an overall cost reduction program that affects all senior executives and does not disproportionately affect the executive; (iii) any purported termination of the executive by our company other than for disability or Cause or a voluntary resignation initiated by the executive, except for a voluntary termination for Good Reason; (iv) failure of any successor entity to our company to expressly assume the employment agreement; and (v) material breach by our company of the agreement.

Dr. Chih-Hsiang (Thompson) Lin, Dr. Murry, Mr. J. Yeh, Mr. Dunn and Dr. Chang each have provisions in their employment agreements that provide if, within one year after a Change in Control or within six months prior to a Change in Control, the executive's employment is terminated by the executive for Good Reason or by our company other than for Cause, the executive will instead be entitled to receive severance benefits consisting of: (i) a lump sum payment equal to one year's base salary plus \$10,000 (\$15,000 for Mr. Dunn and Dr. Chang) which may be used for benefit continuation under COBRA or for any other purpose; (ii) a lump sum payment equal to his target bonus; and (iii) accelerated vesting of the executive's stock options, with all vested options becoming exercisable for an extended period following termination of employment. The severance benefits that may arise as a result of termination within one year following a Change in Control will be paid on the later of the 60th day after the effective date of the executive's separation from service or six months and one day after executive's separation from service if the executive is, at the time of termination, a "specified employee" as defined under Section 409A of the Internal Revenue Code of 1986, as amended (the "IRS Code"). Additionally, Dr. Chih-Hsiang (Thompson) Lin's employment agreement provides him with a tax gross-up payment to make him whole for any excise taxes that he would owe resulting from the application of the 20% excise tax provisions under Section 280G of the IRS Code, that apply when certain "parachute payments" are paid to Dr. Chih-Hsiang (Thompson) Lin as the result of a Change in Control. None of the other employment agreements with our executive officers provide them with any right to a tax gross-up.

A "Change in Control" is deemed to occur if: (i) individuals who constitute the Board of our company on the date of the employment agreement (Incumbent Directors) cease to constitute at least a majority of our Board; provided, that any individual whose election or nomination for election by the stockholders was approved by a majority of the then Incumbent Directors shall be considered an Incumbent Director, with certain exceptions; or (ii) the stockholders of our company approve (1) any merger, consolidation or recapitalization of our company or any sale of substantially all of its assets where (a) the stockholders of our company prior to the transaction do not, immediately thereafter, own at least 51% of both the equity and voting power of the surviving entity or (b) the Incumbent Directors at the time of the approval of the transaction would not immediately thereafter constitute a majority of the Board of the surviving entity, or (2) any plan of liquidation or dissolution of our company.

Compensation of Directors

From January 2014 until June 2014, non-employee directors were eligible to receive a \$12,000 annual retainer. Non-employee directors that serve as the Chairman of our Board, chairman of our audit committee, chairman of our compensation committee and chairman of our nominating and corporate governance committee are entitled to receive an additional \$5,000, \$5,000, \$3,000 and \$2,000 annual retainer, respectively. If a committee meeting occurred during a scheduled board meeting, no additional compensation was paid. In addition, our non-employee directors received \$1,500 for each board meeting attended in person, and a \$750 meeting fee for each board or committee meeting attended by telephone and \$1,500 if such teleconference meeting lasts longer than two hours. In June 2014, our Board approved to increase the annual retainer paid to our non-employee directors to \$30,000. Employee directors did not receive any compensation other than their employee compensation for their service as directors. Directors were reimbursed for out-of-pocket expenses incurred in the course of their service on the Board or its committees.

In August 2014, our Board approved awarding non-employee directors with a number of restricted stock units under our 2013 Equity Incentive Plan equal to \$55,000 divided by the then current share price

Table of Contents**EQUITY COMPENSATION PLAN INFORMATION**

We currently maintain five compensation plans that provide for the issuance of our common stock to officers and other employees, directors and consultants. These consist of the 1998 Share Incentive Plan, the 2000 Share Incentive Plan, the 2004 Share Incentive Plan, the 2006 Share Incentive Plan and the 2013 Equity Incentive Plan (the "2013 Plan"), each of which has been approved by our stockholders. Each of these plans has been approved by the Company's stockholders. The Company does not maintain any equity incentive plans that have not been approved by stockholders. The following table sets forth information regarding outstanding options and shares reserved for future issuance under the foregoing plans as of December 31, 2014:

Plan Category	Number of shares to be issued upon exercise of outstanding options, warrants and rights	Weighted-average exercise price of outstanding options, warrants and rights	Number of shares remaining available for future issuance under equity compensation plans

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Related Party Transaction Policy

We have a written policy on authorizations, the Related Party Transactions Policy, which includes specific provisions for related party transactions. Pursuant to the Related Party Transactions Policy, related party transactions include any transaction, arrangement or relationship, or series of such transactions, including any indebtedness or guarantees, in which the amount involved exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest. In the event that a related party transaction is identified, such transaction must be reported to our Corporate Secretary and subsequently must be reviewed and approved or ratified by the chairman of our audit committee or our full audit committee, depending on the amount of the transaction. Any member of the audit committee who is one of the parties in the related party transaction and who has a direct material interest in the transaction may not participate in the approval of the transaction. The audit committee has pre-approved certain potential related party transactions in advance including employment of executive officers and director compensation.

Related Party Transactions

During fiscal 2014, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or are a party in which the amount involved exceeded or exceeds \$120,000 and in which any of our directors, executive officers, holders of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, except for the compensation and other arrangements described in "Compensation of Named Executive Officers and Directors" elsewhere in this Proxy Statement and the transactions described below.

Stock Options Granted to Executive Officers and Directors

For information regarding stock option awards to our named executive officers and directors in 2014, see "Compensation of Named Executive Officers and Directors Summary Compensation Table" and "Compensation of Named Executive Officers and Directors Compensation of Directors". In addition, on January 28, 2014, our Board granted a stock option for 30,000 shares of our common stock to Chih-Hsiang (Thompson) Lin, a stock option for 5,000 shares of our common stock to Stefan J. Murry, a stock option for 4,400 shares of our common stock to Hung-Lun (Fred) Chang, each with an exercise price of \$13.84 per share.

Each of the stock options described above vest over a four year period, with 25% of the shares subject to each such option vesting on the first anniversary of the vesting commencement date and one sixth of the remaining shares vesting on the first day of each succeeding six month period, in each case subject to the optionee's continued service. Such vesting is subject to acceleration in the event of our change of control or the optionee's death, disability or retirement.

Registration Rights

In February 2013, we provided registration rights to our holders of common stock and redeemable Series A preferred stock, including Chih-Hsiang (Thompson) Lin, an executive officer, chairman of the Board and holder of five percent or more of our common stock, Stefan J. Murry, Hung Lun (Fred) Chang, Klaus Alexander Anselm, Richard B. Black and Alex Ignatiev, who are certain of our executive officers and directors, entities associated with Technology Associates Management Company, Ltd., who was then considered a holder of five percent or more of a class of our capital stock, and Shiu Mei Lin Chou, Yaun Chung Hsu and Wei Chien Wu (which shares are held jointly) and Yuanpin Hsu, each of which was then a holder of five percent or more of a class of our capital stock. Such rights are subject to conditions and limitations at the sole discretion of our Board.

Employment Agreements

We have entered into employment agreements with certain of our executive officers. These employment agreements provide for severance payments upon termination of the executive in certain circumstances and acceleration of vesting of stock options upon the occurrence of a change in control. Please see the section titled "Compensation of Named Executive Officers and Directors Potential Payments upon Change in Control" elsewhere in this Proxy Statement for a summary of the potential payments upon change in control to our named executive officers.

Indemnification of Officers and Directors

As permitted by Delaware General Corporation Law, provisions in our amended and restated certificate of incorporation and amended and restated bylaws limit or eliminate the personal liability of our directors. Consequently, a director will not be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except for liability for:

any breach of the director's duty of loyalty to us or our stockholders;

any act or omission not in good faith or that involves intentional misconduct or a knowing violation of law;

any unlawful payments related to dividends or unlawful stock repurchases, redemptions or other distributions; or

any transaction from which the director derived an improper personal benefit.

These limitations of liability do not alter director liability under the federal securities laws and do not affect the availability of equitable remedies such as an injunction or rescission. In addition, our amended and restated bylaws provide that:

we will indemnify, to the fullest extent permitted by law, any person who is or was a party or is threatened to be made a party to any action, suit or proceeding by reason of the fact that he or she is or was one of our directors or officers or is or was serving at our request as a director or officer of another corporation, partnership, joint venture, trust, or other enterprise;

we may indemnify to the fullest extent permitted by law any person who is or was a party or is threatened to be made a party to any action, suit, or proceeding by reason of the fact that he or she is or was one of our employees or agents or is or was serving at our request as an employee or agent of another corporation, partnership, joint venture, trust, or other enterprise; and

we must advance expenses incurred by or on behalf of a director or officer in advance of the final disposition of any action or proceeding, subject to very limited exceptions.

We have entered into agreements that indemnify each of our directors and certain of our executive officers, in addition to the indemnification provided for in our amended and restated certificate of incorporation and amended and restated bylaws. These agreements, among other things, provide for indemnification for judgments, fines, settlement amounts and expenses, including attorneys' fees incurred by the director or executive officer in any action or proceeding, including any action by or in our right, arising out of the person's services as a director or executive officer, or any other company or enterprise to which the person provides services at our request. We believe that these provisions and agreements are necessary to attract and retain qualified persons as directors and executive officers. We also maintain directors' and officers' liability insurance.

At present, there is no pending litigation or proceeding involving any of our directors or officers in which indemnification is sought, nor are we aware of any threatened litigation that may result in claims for indemnification.

Review, Approval and Ratification of Transactions with Related Parties

Our audit committee charter requires, among other items, that transactions with directors, officers and holders of five percent or more of our common stock must be approved by our audit committee.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table and footnotes set forth information with respect to the beneficial ownership of our common stock as of April 6, 2015 by:

each stockholder, or group of affiliated stockholders, who we know beneficially owns more than 5% of the outstanding shares of our common stock;

each of our named executive officers;

each of our current directors; and

all of our current directors and current executive officers as a group.

Beneficial ownership of shares is determined under the rules of the SEC and generally includes any shares over which a person exercises sole or shared voting or investment power. Except as indicated by footnote, and subject to applicable community property laws, we believe each person identified in the table possesses sole voting and investment power with respect to all shares of common stock beneficially owned by them.

Applicable percentage ownership in the following table is based on 14,910,240 shares of common stock outstanding as of April 6, 2015. Shares of common stock subject to options currently exercisable or exercisable within 60 days of April 6, 2015 and restricted stock units, or RSUs, which vest or will vest within 60 days of April 6, 2015, are deemed to be outstanding for calculating the number and percentage of outstanding shares of the person holding such options or RSUs, but are not deemed to be outstanding for calculating the percentage ownership of any other person. Beneficial ownership or voting power representing less than 1% is denoted with an asterisk (*).

**STOCKHOLDER PROPOSALS OR NOMINATIONS
TO BE PRESENTED AT NEXT ANNUAL MEETING**

Pursuant to Rule 14a-8 under the Exchange Act of 1934, some stockholder proposals may be eligible for inclusion in our proxy statement for the 2016 annual meeting. These stockholder proposals must be submitted, along with proof of ownership of our stock in accordance with Rule 14a-8(b)(2), to the Corporate Secretary at our principal executive offices no later than the close of business on December 19, 2015 (120 days prior to the anniversary of this year's mailing date). Failure to deliver a proposal in accordance with these procedures may result in it not being deemed timely received.

Submitting a stockholder proposal does not guarantee that we will include it in our Proxy Statement. Our nominating and corporate governance committee reviews all stockholder proposals and makes recommendations to the board for actions on such proposals. For information on qualifications of director nominees considered by our nominating and corporate governance committee, see the "Corporate Governance Director Nominations" section of this Proxy Statement.

In addition, our Bylaws provide that any stockholder intending to nominate a candidate for election to the board or to propose any business at our 2016 annual meeting, other than non-binding proposals presented pursuant to Rule 14a-8 under the Exchange Act, must give notice to the Corporate Secretary at our principal executive offices, not earlier than the close of business on the 120th day nor later than the close of business on the 90th day prior to the first anniversary of the date of the preceding year's annual meeting as first specified in the notice of meeting (without regard to any postponements or adjournments of such meeting after the notice was first given). The notice must include the information specified in our Bylaws, including information concerning the nominee or proposal, as the case may be, and information concerning the proposing or nominating stockholder's ownership of and agreements related to our stock. If the 2016 annual meeting is held more than 30 days before or after the first anniversary of the date of the 2015 annual meeting, the stockholder must submit notice of any such nomination and of any such proposal that is not made pursuant to Rule 14a-8 by the later of the 90th day prior to the 2016 annual meeting or the 10th day following the date on which public announcement of the date of such meeting is first made. We will not entertain any proposals or nominations at the meeting that do not meet the requirements set forth in our Bylaws. If the stockholder does not also comply with the requirements of Rule 14a-4(c)(2) under the Exchange Act, we may exercise discretionary voting under proxies that we solicit to vote in accordance with our best judgment on any stockholder proposal or nomination. TRANSACTION OF OTHER BUSINESS

At the date of this Proxy Statement, the Board knows of no other business that will be conducted at the annual meeting other than as described in this Proxy Statement. If any other matter or matters are properly brought before the meeting or any adjournment or postponement of the meeting, it is the intention of the persons named in the accompanying proxy to vote the proxy on such matters in accordance with their best judgment.

HOUSEHOLDING

The U.S. Securities and Exchange Commission, or SEC, has adopted rules that permit companies and intermediaries, such as brokers, to satisfy the delivery requirements for proxy statements with respect to two or more stockholders sharing the same address by delivering a copy of these materials, other than the Proxy Card, to those stockholders. This process, which is commonly referred to as "householding," can mean extra convenience for stockholders and cost savings for the company. Beneficial stockholders can request information about householding from their banks, brokers, or other holders of record. Through householding, stockholders of record who have the same address and last name will receive only one copy of our Proxy Statement and Annual Report, unless one or more of these stockholders notifies us that they wish to continue receiving individual copies. This procedure will reduce printing costs and postage fees.

Stockholders who participate in householding will continue to receive separate Proxy Cards. If you are eligible for householding, but you and other stockholders of record with whom you share an address currently receive multiple copies of Proxy Statements and Annual Reports, or if you hold stock in more than one account and wish to receive only a single copy of the Proxy Statement or Annual Report for your household, please contact Broadridge Household Department, in writing, at 51 Mercedes Way, Edgewood, New York 11717, or by phone at (800) 542-1061 or (866) 540-7095. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Proxy Statement and Annual Report, please notify your broker if you are a beneficial stockholder.
