PROXY STATEMENT

This proxy statement and the enclosed proxy are furnished in connection with the solicitation of proxies by the Board of Directors of Mackinac Financial Corporation (the "*Corporation*"), a Michigan corporation, to be voted at the Annual Meeting of Shareholders of the Corporation to be held on Wednesday, May 27, 2015, at 11:00 a.m. EDT, at The Townsend Hotel, 100 Townsend Street, Birmingham, Michigan 48009, for the purposes set forth in the accompanying notice and in this proxy statement.

This proxy statement is being mailed on or about April 24, 2015, to all holders of record of common stock of the Corporation as of the record date. The Board of Directors of the Corporation has fixed the close of business on April 10, 2015, as the record date for the determination of shareholders entitled to notice of and to vote at the meeting and any adjournment of the meeting. As of the record date, there were 6,251,450 shares of common stock outstanding. Each outstanding share will entitle the holder to one vote on each matter presented for vote at the meeting.

If a proxy in the enclosed form is properly executed and returned to the Corporation, the shares represented by the proxy will be voted on each matter that properly arises at the meeting and any adjournment of the meeting. If a shareholder specifies a choice as to a particular matter, the proxy will be voted as specified. **If no choice is specified, the shares represented by the proxy will be voted for the election of all of the nominees named in the proxy statement, for the Say-on-Pay proposal, for ratification of the independent auditors, and in accordance with the judgment of the persons named as proxies with respect to any other matter which may come before the meeting.**

Brokers do not have discretion to cast votes on non-routine matters with respect to any shares held in street name for which they have not received voting directions from the beneficial owners. Therefore, if you hold your shares in street name, you must vote your proxy if you wish your shares to be voted in the election of directors, as well as with respect to the approval of the Amended and Restated Articles of Incorporation, approval of the compensation of our executives or to approve the adjournment of the annual meeting. A proxy may be revoked before exercise by notifying the Chief Executive Officer of the Corporation in writing or in open meeting, by submitting a proxy of a later date or attending the meeting and voting in person. All shareholders are encouraged to date and sign the enclosed proxy, indicate your choice with respect to the matters to be voted upon, and return it to the Corporation.

Quorum, Required Vote, and Related Matters

Quorum. A quorum is present if a majority of the votes entitled to be cast on a proposal are represented at the annual meeting in person or by proxy. For purposes of determining a quorum, shareholders who are present in person or are represented by proxy, but who abstain from voting, are

Edgar Filing: MACKINAC FINANCIAL CORP /MI/ - Form DEF 14A

considered present and count toward the determination of the quorum. Shares reported as broker non-votes are also considered to be shares present for purposes of determining whether a quorum is present.

"Street Name" Accounts. If you hold shares in "street name" with a broker, bank, or other custodian, you will receive voting instructions from the holder of record of your shares. In some cases, a broker may be able to vote your shares even if you provide no instructions. But on other matters (such as the election of directors and approval of the executive compensation) your broker may vote the shares held for you only if you provide voting instruction. Shares for which a broker does not have the authority to vote are recorded as a "broker non-vote" and are not counted in the vote by shareholders.

If you hold your shares in street name through a broker, bank, or other nominee, it is critical that you cast your vote if you want it to count in the election of our director nominees or for the approval of the Say-on-Pay proposal. In the past, if you held your shares in street name and you did not indicate how you wanted your shares voted in the election of directors, your broker, bank, or other nominee was allowed to vote those shares on your behalf as they felt appropriate. However, recent regulations now prohibit your broker, bank, or other nominee from voting uninstructed shares on a discretionary basis on proposals one, two, or three at the annual meeting. Thus, if you hold your shares in street name and you do not instruct your broker how to vote at the meeting, no votes will be cast on your behalf for proposals one, two, or three. Further, if you abstain from voting on a particular proposal, the abstention does not count as a vote in favor of or against the proposal.

Proposal No. 1 Election of Directors. Directors are elected by a plurality of the votes cast by the shares entitled to vote. For this purpose, a "plurality" means that the individuals receiving the largest number of votes are elected as directors. You may vote in favor of the nominees specified on the accompanying form of proxy or may withhold your vote as to one or more of such nominees. Shares withheld or not otherwise voted in the election of directors (because of abstention, broker non-vote, or otherwise) will have no effect on the election of directors.

Proposal No. 2 Say-on-Pay. With respect to proposal no. 2, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. *This vote is advisory and will not be binding upon our board of directors.* However, the Compensation Committee and the Board of Directors will take into account the outcome of the vote when considering future executive compensation arrangements. If a shareholder submits a proxy but does not specify how he or she would like it to be voted, then the proxy will be voted "FOR" the approval of the compensation of the Corporation's named executive officers. Abstentions, broker non-votes or the failure to return a signed proxy will not be counted as either a vote for or against this proposal, so abstentions, broker non-votes and the failure to return a signed proxy will not affect the approval of the non-binding resolution to approve the compensation of the Corporation's named executive officers.

Proposal No. 3 Ratification of Independent Auditors. The appointment of Plante Moran, PLLC as independent auditors will be ratified if more shares are voted for the ratification than are voted against the ratification. If a shareholder submits a proxy but does not specify how he or she would like it to be voted, then the proxy will be voted "FOR" the ratification. Shares not voted (because of abstention, broker non-vote, or otherwise) will have no effect on the ratification.

In addition to considering a candidates' background and accomplishments, candidates are reviewed to maintain the current majority of Directors which qualify as "independent" under the rules of the Nasdaq Stock Market, LLC ("*Nasdaq*").

The Corporation's Board has considered the independence of the nominees for election at the annual meeting, and the continuing Directors under the rules of Nasdaq. The Board has determined that all of the nominees and continuing Directors are independent under Nasdaq rules except Mr. Tobias, Chairman and Chief Executive Officer of the Corporation and Chairman of the Bank, Mr. George, President of the Corporation and President and Chief Executive Officer of the Bank, and Director Robert Mahaney. Messrs. Tobias and George are not independent because of their services as Executive Officers of the Corporation and the Bank. Mr. Mahaney is not independent under Nasdaq rules as a result of the transaction described under "Indebtedness of and Transactions with Management" below.

PROPOSAL NO. 2: NON-BINDING, ADVISORY VOTE ON COMPENSATION OF THE NAMED EXECUTIVE OFFICERS

The recently enacted Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the "*Dodd-Frank Act*") enables our shareholders to vote to approve, on a non-binding basis, the compensation of the Corporation's named executive officers. At the Corporation's 2013 annual meeting, shareholders were asked to recommend how often they should be given the opportunity to cast this advisory vote. Consistent with the Board's recommendation, shareholders voted to hold the advisory vote on an annual basis until the next required vote on the frequency of shareholder votes on executive compensation. Accordingly, we are asking you to approve the compensation of the Corporation's named executive officers as described under "Compensation of Directors and Executive Officers" and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement. At last year's annual meeting, we held our first shareholder advisory vote on the compensation of our named executive officers, and shareholders voted in support of our executive compensation strategy.

The Corporation seeks to align the interests of our named executive officers with the interests of our shareholders. Therefore, our compensation programs are designed to reward our named executive officers for the achievement of strategic and operational goals and the achievement of increased shareholder value, while at the same time avoiding the encouragement of unnecessary or excessive risk-taking. We believe that our compensation policies and procedures are competitive and focused on performance and are aligned with the long-term interest of our shareholders.

The proposal described below, commonly known as a "Say-on-Pay" proposal, gives you as a shareholder the opportunity to express your views regarding the compensation of the named executive officers by voting to approve or not approve such compensation as described in this proxy statement. This vote is advisory and will not be binding upon the Corporation, the board of directors, or the human resources/compensation committee. However, the Corporation, the Board of Directors, and the Compensation Committee will take into account the outcome of the vote when considering future executive compensation arrangements. The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the Securities and Exchange Commission (the "*SEC*").

The board of directors believes our compensation policies and procedures achieve this objective, and therefore recommend shareholders vote "FOR" the proposal through the following resolution:

"RESOLVED, that the compensation paid to the Corporation's named executive officers, as disclosed in the Corporation's Proxy Statement for the 2015 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related material disclosed in the Proxy Statement, is hereby APPROVED."

If a quorum is present, the proposal will be approved if the number of shares of common stock voted in favor of the matter exceed the number of shares of common stock voted against the matter. Abstentions, broker non-votes, and the failure to return a signed proxy will have no effect on the outcome of the vote on this matter.

**YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL**

PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has selected Plante & Moran, PLLC ("*Plante*"), as independent auditors for the Corporation, for the fiscal year ending December 31, 2015. The services provided to us and our subsidiaries by Plante for 2014 and 2013 are described below, under the caption "Relationship with Independent Certified Public Accountants."

We are asking shareholders to ratify the selection of Plante as our independent auditors. Although ratification is not legally required, the Board is submitting the selection of Plante to our shareholders for ratification as a matter of good corporate governance. Representatives of Plante are expected to be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The affirmative vote of the holders of the majority of the shares represented in person or by proxy and entitled to vote on this item will be required for approval. Shares not voted (because of abstention, broker non-vote, or otherwise) will have no effect on the ratification.

If our shareholders do not ratify the appointment, the appointment will be reconsidered by the Audit Committee and the Board. Even if the selection is ratified, the Audit Committee, in its discretion, may select a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of the Corporation and our shareholders.

**YOUR BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS
THAT THE SHAREHOLDERS VOTE FOR THIS PROPOSAL**

Audit Committee

The Audit Committee is a separately-designated standing Committee of the Board of Directors established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "*Exchange Act*"). The Audit Committee has responsibility for, among other things:

Appointing or replacing the Corporation's independent auditors;

Overseeing the work of the independent auditors (including resolution of any disagreements between management and the auditors regarding financial reporting);

Reviewing the independent auditors' performance, qualifications and independence;

Edgar Filing: MACKINAC FINANCIAL CORP /MI/ - Form DEF 14A

Approving all auditing and permitted non-auditing services to be performed by the independent auditors with limited exceptions;

Reviewing the Corporation's financial statements, internal audit function and system of internal controls;

Overseeing compliance by the Corporation with legal and regulatory requirements and with the Corporation's Code of Business Conduct and Ethics; and

Producing the report required by federal securities regulations for inclusion in the Corporation's Proxy Statement.

The Board of Directors has adopted a charter for the Audit Committee, a copy of which is available on the Corporation's website at www.bankmbank.com.

The current members of the Audit Committee are Messrs. Aspatore (chairman), Bittner and Paschke, all of whom are considered independent, as independence for audit committee members is defined in applicable SEC and Nasdaq rules. In addition, the Board of Directors has affirmatively determined that each of the members of the audit committee and compensation committee qualify as independent under the same standards. The Board has determined that Mr. Aspatore is an "audit committee financial expert" as that term is defined by the SEC. The Audit Committee held seven meetings in 2014.

Nominating Committee

The Nominating Committee is responsible for, among other things:

Identifying new candidates who are qualified to serve as Directors of the Corporation;

Recommending to the Board of Directors the candidates for election to the Board and for appointment to the Board's Committees; and

Considering any nominations for Director submitted by shareholders.

The current members of the Nominating Committee are Messrs. Patterson (chairman), Aspatore, Garea and Paschke. All members are considered independent under the applicable Nasdaq rules. The Nominating Committee held one meeting in 2014.

The Board of Directors has adopted a charter for the Nominating Committee, a copy of which is available on the Corporation's website at www.bankmbank.com. In the past, the committee has identified potential nominees through recommendations made by executive officers and non-management directors and has evaluated them based on their resumes and through references and personal interviews. The Corporation has not paid any third party fee to assist in the process of identifying or evaluating director nominees. No shareholder, other than an officer or director, has ever submitted a suggestion for a nominee, but if the committee were to receive such a suggestion, it expects it would evaluate that nominee in substantially the same manner as required by its charter.

The Corporation does not have a formal policy with regard to the consideration of diversity in identifying Director nominees, but the Nominating Committee strives to nominate Directors with a variety of complementary skills so that, as a group, the Board will possess the appropriate talent, skills, and expertise to oversee the Corporation's businesses.

The Nominating Committee will consider candidates nominated by shareholders in accordance with the procedures set forth in the Corporation's Articles of Incorporation and in the Nominating Committee's charter, pursuant to which the Nominating Committee would apply the same qualification criteria and consideration factors applicable to its own nominees. Under the Corporation's Articles of Incorporation, nominations other than those made by the Board of Directors or the Nominating Committee must be made pursuant to timely notice in proper written form to the Secretary of the Corporation. To be timely, a shareholder's request to nominate a person for election to the Board at the annual meeting of shareholders, together with the written consent of such person to serve as a Director, must be received by the Secretary of the Corporation not less than 60 nor more than 90 days prior to the first anniversary date of the annual meeting of shareholders in the immediately preceding year. To be in proper written form, the notice must contain certain information concerning the nominee and the shareholder submitting the nomination.

With respect to each person proposed to be nominated as a director, the Nominating Committee must be provided with the following information: (i) the name, address (business and residence), date of birth, principal occupation or employment of such person (present and for the past five (5) years); (ii) the number of shares of the Corporation such person beneficially owns (as such term is defined by Section 13(d) of the Exchange Act); and (iii) any other information relating to such person that would be required to be disclosed in a definitive proxy statement to shareholders prepared in connection with an election of Directors pursuant to Section 14(a) of the Exchange Act. The Nominating Committee may require any proposed nominee to furnish additional information as may be reasonably required to determine the qualifications of such person to serve as a Director of the Corporation. No person is eligible for election as a Director of the Corporation unless nominated in accordance with the procedures set forth in the Articles of Incorporation.

Compensation Committee

The current Compensation Committee of the Board of Directors is comprised of Messrs. Steinhardt (chairman), Aspatore, Bittner, Garea, Orley, Paschke and Patterson, each of whom is considered independent under Nasdaq rules defining independence. The Compensation Committee held two meetings in 2014. The Compensation Committee's primary functions are: (i) to review and recommend to the Board all persons to be elected as Chairman, Chief Executive Officer, President, Chief Financial Officer and other executive positions; (ii) to review all material performance criteria used in evaluating Executive Officers of the Corporation, including their compensation; and (iii) to review and approve the annual base salary level, annual incentive opportunity level, long-term incentive opportunity level, employment and other agreements, and other benefits of the Executive Officers. The primary responsibilities of the Compensation Committee are to ensure that the compensation available to the Board of Directors and officers of the Corporation:

enables the Corporation to attract and retain high quality leadership;

provides competitive compensation opportunities;

supports the Corporation's overall business strategy; and

maximizes shareholder value.

In 2014, the Compensation Committee reviewed earnings information relative to the historical compensation of executive management and comparative information prepared both internally and from external providers. The totality of the information reviewed by the Compensation Committee was considered when establishing current executive salary levels, and similar analysis will be considered when reviewing and establishing future salaries and long term incentives.

The Corporation's compensation policies and practices were evaluated to ensure that they do not foster risk taking above the level or risk associated with the Corporation's business model. For this purpose, the Committee considered the Corporation's growth and return performance, volatility and leverage, and the time horizon of the Corporation's investments; and compared them to the performance metrics, leverage, and time horizon of the Corporation's compensation policies and practices. We also evaluated management's compensation in light of other specific risk parameters such as credit, liquidity and interest rate risk. Based on this assessment, the Corporation concluded that it has a balanced pay and performance program that does not promote excessive risk taking.

The Compensation Committee charter is available on the Corporation's website at www.bankmbank.com. The Committee reviews management recommendations for contracts and compensation levels of all senior executive officers. The Committee considers these recommendations in reference to relative compensation levels of like-size financial institutions. The Compensation Committee charter allows for delegation of certain of its functions to subcommittees or otherwise, however, no such functions were delegated in 2014.

Attendance of Directors; Family Relationships

The Board of Directors held a total of 11 meetings during 2014. No Director attended less than 75% of the aggregate number of meetings of the Board of Directors and the Committees on which he served in 2014. There are no family relationships between or among any of the Directors, nominees, or Executive Officers of the Corporation.

Communication with Directors; Attendance at Annual Meetings; Code of Ethics

The Corporation's Board provides a process for shareholders to send communications to the Board or any of the Directors. Shareholders may send written communications to the Board or any one or more of the individual Directors by mail, c/o Corporate Secretary, Mackinac Financial Corporation, 130 South Cedar Street, Manistique, Michigan 49854. All communications will be compiled by the Corporation's Corporate Secretary and submitted to the Board or the individual Directors on a regular basis unless such communications are considered, in the reasonable judgment of the Corporate Secretary, to be improper for submission to the intended recipient(s). Examples of shareholder communications that would be considered improper for submission include, without limitation, customer complaints, solicitations, communications that do not relate directly or indirectly to the Corporation's business, or communications that relate to improper or irrelevant topics.

It is the Corporation's policy that all of the Directors and nominees for election as Directors at the annual meeting attend the annual meeting except in cases of extraordinary circumstances. All of the nominees for election at the 2015 annual meeting of shareholders and all other Directors attended the 2014 annual meeting of shareholders. The Corporation expects all nominees and Directors to attend the 2015 annual meeting.

The Corporation has a business conduct and code of ethics policy for all employees, officers and directors of the Corporation and its subsidiaries. Among other things, the business conduct and code of ethics policy includes provisions regarding ethical conduct, compliance with law, conflicts of interest, insider trading and certain investment and other opportunities, competition and fair dealing, discrimination and harassment, record keeping of personal transactions, accounting matters, confidentiality, and reporting of violations. The Corporation has posted copies of its business conduct and code of ethics policy on its corporate website, at www.bankmbank.com, under the link "Corporate Governance." If further matters are documented, or if those documents (including the business conduct and code of ethics policy) are changed, waivers from the business conduct and code of ethics policy are

granted, or new procedures are adopted, those new documents, changes and/or waivers will be disclosed on the corporate website at the internet address above, in a press release or on a Current Report on Form 8-K.

Board Leadership Structure

The Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board as the Board believes it is in the best interests of the Corporation to make that determination based on the position and direction of the Corporation and the membership of the Board. The Board believes having the Chief Executive Officer also fill the role of Chairman is more efficient and effective at this time. The Board has also determined that having an independent director serve as "Lead" Director is in the best interest of the Corporation's shareholders. The lead independent director is responsible for, among other duties: (i) acting as a liaison and channel for communication between the Chief Executive Officer and the independent Directors; (ii) considering questions of conflicts of interest of the Chief Executive Officer, other management and other Board members; and (iii) coordinating, developing the agenda and leading executive sessions of the independent Directors and communicating the results thereof to the Chief Executive Officer. This structure ensures a greater role for the independent Directors in the oversight of the Corporation and active participation of the independent Directors in setting agendas and establishing Board priorities and procedures. Further, this structure permits the Chief Executive Officer to focus on the management of the Corporation's day-to-day operations.

Board's Role in Risk Oversight

The Corporation faces a variety of risks, including credit risk, liquidity risk, and operational risk. The Board has implemented a risk management system that is intended to (i) timely identify the material risks that the Corporation faces, (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or relevant Board Committee, (iii) implement appropriate and responsive risk management strategies consistent with Corporation's risk profile, and (iv) integrate risk management into Corporation decision-making.

If an employee completes at least 1,000 hours of service during any plan year (January 1 - December 31) and is employed by the Corporation on the last day of the Plan year, the Corporation may, in its sole discretion, make a matching contribution on their behalf. The Plan permits the Corporation, through action of the Board of Directors to specify the range, rate and level of and to make discretionary contributions to the Plan for allocation to eligible participants. For the 2014 plan year, the Corporation made a discretionary contribution that matched 100% of the first 4% of eligible employee contributions. All contributions to the Plan are subject to both individual and total participant contribution limits as established by the IRS.

AUDIT COMMITTEE REPORT

The Audit Committee has reviewed and discussed the Corporation's audited financial statements with management.

In discharging its oversight responsibility as to the audit process, the Audit Committee obtained from the independent auditors a formal written statement describing all relationships between the auditors and the Corporation that might bear on the auditors' independence and information required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the Audit Committee concerning independence and discussed with the auditors any relationships that may impact their objectivity and independence. The Audit Committee has also considered whether the provision of any non-audit services by the auditors is compatible with maintaining the auditors' independence. The Audit Committee is satisfied as to the auditors' independence. The Audit Committee also discussed with management and the independent auditors the quality and adequacy of the Corporation's internal controls and the internal audit function's organization, responsibilities, budget and staffing. The Audit Committee reviewed the audit plans, audit scope and identification of audit risks with the independent auditor.

The Audit Committee discussed and reviewed with the independent auditors all communications required by the Public Company Accounting Oversight Board, including those described in Statement on Auditing Standards No. 61, as amended, "Communication with Audit Committees" and, with and without management present, discussed and reviewed the results of the independent auditors' examination of the financial statements.

Based on the review and discussions referred to above, the Audit Committee has recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for 2014 for filing with the SEC.
