Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

(d) On February 17, 2014, the Board of Directors increased the size of the Board from ten to eleven directors and appointed Myla Lai-Goldman, M.D., as a director. The Board made the new appointment in anticipation of the May 2014 retirement of L. Robert Johnson under the Board's retirement policy. Dr. Lai-Goldman has agreed to stand for election at the 2014 Annual Meeting of Shareholders and has been assigned to the Innovation and Technology Board committee.

Dr. Lai-Goldman will be entitled to the customary compensation arrangements for the Company's non-employee directors, which consists of a \$70,000 annual retainer and an annual grant in May of stock-settled restricted stock units in the amount of \$130,000. In addition, she will be eligible to participate in our Director Deferred Compensation Plan. The Company's most recent proxy statement, filed with the Securities and Exchange Commission on March 27, 2013, describes these arrangements under the heading "2012 Director Compensation."

Dr. Lai-Goldman will enter into our standard form of indemnification agreement, the form of which was included as Exhibit 10.1 to our Current Report on Form 8-K filed January 6, 2009.

There were no arrangements or understandings between Dr. Lai-Goldman and any other person pursuant to which she was elected as a director, and there are and have been no transactions since the beginning of the Company's last fiscal year, or currently proposed, between the Company and Dr. Lai-Goldman.

(e) On February 18, 2014, the Board approved a revision to the Long Term Incentive Plan to provide for continued vesting of future awards upon an executive officer's retirement, provided the executive officer: (i) has been employed by the Company for 10 years; (ii) is at least 57 years of age; and (iii) has not been terminated for "cause" as defined under the 2011 Omnibus Incentive Compensation Plan.

Under the revised policy, vesting will continue unless the executive officer: (i) competes with the Company at any time during the vesting period; (ii) fails to comply with the terms of his or her confidentiality agreement; or (iii) the Company determines, in its sole discretion, that the executive should have been terminated for cause. The awards will remain subject to the Incentive Compensation Recovery Policy during the vesting period. Continued vesting will not apply to awards made during the year in which the executive retires, unless he or she retires after September 30th.

Item 7.01 Regulation FD Disclosure.

A copy of the press release is attached to this Report as Exhibit 99.3.
