INDEMNIFICATION

The Registrant is subject to the provisions of the *Companies Act* (Nova Scotia) and the Registrant's Articles of Association which prescribe the regulations for the Registrant.

As permitted under the *Companies Act* (Nova Scotia), Section 197 of the Registrant's Articles of Association provides that every Director, Manager, Secretary, Treasurer and other officer or servant of the Registrant shall be indemnified by the Registrant against, and it shall be the duty of the Directors out of the funds of the Registrant to pay, all costs, losses and expenses that any such Director, Manager, Secretary, Treasurer or other officer or servant may incur or become liable to pay by reason of any contract entered into, or act or thing done by him as such officer or servant or in any way in the discharge of his duties including travelling expenses; and the amount for which such indemnity is proved shall immediately attach as a lien on the property of the Registrant and have priority as against the members over all other claims.

Section 198 of the Registrant's Articles of Association provides that no Director or other officer of the Registrant shall, in the absence of any dishonesty on his part, be liable for the acts, receipts, neglects or defaults of any other Director or officer, or for joining in any receipt or other act for conformity, or for any loss or expense happening to the Registrant through the insufficiency or deficiency of title to any property acquired by order of the Directors for or on behalf of the Registrant, or through the insufficiency or deficiency of any security in or upon which any of the moneys of the Registrant are invested, or for any loss or damage arising from the bankruptcy, insolvency or tortious act of any person with whom any moneys, securities or effects are deposited, or for any loss occasioned by error of judgment or oversight on his part, or for any other loss, damage or misfortune whatsoever which happens in the execution of the duties of his office or in relation thereto.

The Registrant also maintains insurance for the benefit of its directors and officers against liability in their respective capacities as directors and officers. The directors and officers are not required to pay any premium in respect of this insurance. The policy contains various industry exclusions and no claims have been made thereunder to date.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers or persons controlling the Registrant pursuant to the foregoing provisions, the Registrant has been informed that in the opinion of the U.S. Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is therefore unenforceable.
