ITEM 5. OTHER EVENTS AND REQUIRED FD DISCLOSURE

Network-1 Security Solutions, Inc. (the "Registrant") issued a press release on January 2, 2003 announcing further budget cuts so that its cash will

Edgar Filing: NETWORK 1 SECURITY SOLUTIONS INC - Form 8-K

be sufficient to fund operations through 2003. As part of the budget cuts, the Registrant will discontinue its CyberwallPLUS product line. Management is focusing its efforts on seeking a merger candidate for the Registrant and evaluating strategic alternatives with respect to its CyberwallPLUS distributed firewall product line and associated technology, including the potential sale of the technology.

The Registrant had announced in November that it did not anticipate material revenues from its product offerings and will now discontinue its product offerings in order to achieve further expense reductions.

The Registrant also announced an additional reduction in work force and further expense reductions. Management believes, based upon currently proposed plans and assumptions, that it has sufficient cash to fund its operations through 2003, although there can be no certainty that its funds will not be expended prior thereto. In connection with a merger transaction, the Registrant may seek financing from third parties and/or existing stockholders.
