Section 3 - Securities and Trading Markets

Item 3.02 Unregistered Sales of Equity Securities.

Tri-Valley Corporation has sold 25,000 restricted shares of common stock, together with warrants to purchase 8,334 common shares at an exercise price of \$15.00 per share for two years, to an accredited investor at \$12.00 per share. The sale was made in a privately negotiated transaction in reliance on the exemption from registration requirements contained in Section 4(2) of the Securities Act of 1933, and pending expected approval by the American Stock Exchange.

This sale was made on June 3, 2005, after the open market close. The closing market price on June 3 was \$11.84 per share. The sale also occurred after the Company's public announcement of the commencement of operations on its Moffat Ranch East Prospect after the market opened on June 3, 2005. The Company plans to

use the proceeds for an asset purchase.

In addition, on May 6, 2005, Tri-Valley issued 200,000 shares of restricted common stock to the sole stockholder of Pleasant Valley Energy Corporation in a merger of Pleasant Valley Energy into a new subsidiary of Tri-Valley. Tri-Valley previously reported the terms of this acquisition on an 8-K Report dated May 6, 2005. These shares were also issued in a privately negotiated transaction in reliance on the exemption from registration requirements contained in Section 4(2) of the Securities Act of 1933.

On April 21, 2005, Tri-Valley issued 5,000 shares of restricted common stock to its president and chief executive officer, F. Lynn Blystone, for services pursuant to his employment agreement. The closing price of Tri-Valley common stock on the American Stock Exchange on the date of issuance was \$10.02 per share. These shares were also issued in a privately negotiated transaction in reliance on the exemption from registration requirements contained in Section 4(2) of the Securities Act of 1933.

Issuance of 25,000 restricted shares and warrants for 8,334 shares in the private sale on June 3, 2005, brings the total number of issuances of shares of unregistered securities in the second quarter of 2005 to 238,334 fully diluted shares, which is slightly more than 1% of the total outstanding stock of Tri-Valley as of March 31, 2005.
