ITEM 7.01 REGULATION FD.

On August 20, 2013, Dick's Sporting Goods, Inc. issued a press release and held a conference call announcing sales and earnings results for the second quarter ended August 3, 2013 and providing earnings and same store sales guidance for full year, third quarter and fourth quarter fiscal 2013. The press release and the prepared remarks during the conference call incorrectly stated that same store sales for fourth quarter 2013 are expected to decrease 1-2% on an unshifted basis. Corrected, same store sales for fourth quarter 2013 are expected to increase 2-3% on an unshifted basis. Accordingly, the outlook for same store sales for fourth quarter 2013 provided in the press release and on the conference call should be as follows:

- Consolidated same store sales adjusted for the shifted calendar, due to the 53rd week in 2012, are currently expected to increase approximately 3 to 4% in the fourth quarter of 2013, or approximately 2 to 3% on an unshifted basis, as compared to a 1.2% increase in the fourth quarter of 2012.

Except as specifically described above, this correction does not affect the full year, third quarter and fourth quarter fiscal 2013 outlook provided in the press release or on the conference call.
