The enclosed Proxy Card is being solicited on behalf of the Board of Directors (the “Board”) for use at the 2011 Annual General Meeting of Shareholders of Everest Re Group, Ltd., a Bermuda company (the “Company”), to be held on May 18, 2011, and at any adjournment thereof. It may be revoked at any time before it is exercised by giving a later-dated proxy, notifying the Secretary of the Company in writing at the Company’s registered office at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda, or by voting in person at the Annual General Meeting. All shares represented at the meeting by properly executed proxies will be voted as specified and, unless otherwise specified, will be voted: (1) for the election of William F. Galtney, Jr. and Roger M. Singer as Class III directors of the Company; (2) for the appointment of PricewaterhouseCoopers LLP as the Company’s independent registered public accounting firm to act as the Company’s auditor for 2011 and for authorizing the Company’s Board of Directors acting through its Audit Committee to set the fees for the independent registered public accounting firm serving as the Company’s auditor; (3) for the approval of an amendment to the Company’s Bye-laws to allow the declassification of the Board of Directors; (4) for the approval of the Everest Re Group, Ltd. Executive Performance Annual Incentive Plan, as amended; (5) for the approval, by non-binding advisory vote, of the 2010 compensation paid to the Named Executive Officers; and (6) for the approval, by non-binding advisory vote, of the Board’s recommendation that future non-binding advisory votes on executive compensation be held every year.

Only shareholders of record at the close of business on March 25, 2011 will be entitled to vote at the meeting. On that date, 63,944,404 Common Shares, par value \$.01 per share (“Common Shares”), were outstanding. However, this amount includes 9,719,971 Common Shares held by Everest Reinsurance Holdings, Inc. (“Everest Holdings”), the Company’s predecessor and current subsidiary. As provided in the Company’s Bye-laws, Everest Holdings may vote only 6,330,496 of its shares resulting in 60,554,929 Common Shares entitled to vote.

The election of each nominee for director and the approval of all other matters to be voted upon at the Annual General Meeting require the affirmative vote of a majority of the votes cast at the Annual General Meeting, provided there is a quorum consisting of not less than two persons present in person or by proxy holding in excess of 50% of the issued and outstanding Common Shares entitled to attend and vote at the Annual General Meeting. The Company has appointed inspectors of election to count votes cast in person or by proxy. Common Shares owned by shareholders who are present in person or by proxy at the Annual General Meeting but who elect to abstain from voting will be counted towards the presence of a quorum. However, such Common Shares and Common Shares owned by shareholders and not voted in person or by proxy at the Annual General Meeting (including “broker non-votes”) will not be counted towards the majority needed to elect a director or approve any other matter before the shareholders and,

thus, will have no effect on the outcome of those votes.

Table of Contents

2011 PROXY HIGHLIGHTS

This summary highlights certain matters to be voted on by shareholders this year that demonstrate the Board's continued commitment to corporate governance best practices and desire to receive shareholder input. Voting matters addressed in this year's Proxy Statement include, but are not limited to, the following:

AMENDMENT OF BYE-LAWS TO DECLASSIFY THE BOARD

The Board recommends that you vote FOR the approval of the amendment of the Company's Bye-laws to provide for annual election of directors. Currently, the Bye-laws provide for the division of the Board into three classes, with each class elected triennially. The Board believes it to be in the best interests of the Company in demonstrating it is accountable and responsive to shareholders by providing for annual election of all directors upon the expiration of a director's current term.

APPROVAL OF EVEREST RE GROUP, LTD. EXECUTIVE PERFORMANCE ANNUAL INCENTIVE PLAN

The Board recommends that you vote FOR approval of the Executive Performance Annual Incentive Plan, as amended (the "Plan") in order to provide an incentive for participants who contribute materially to the success of the Company, as well as retain and attract executives of the caliber necessary to be competitive with other industry leaders. The Plan defines and limits amounts which may be awarded to eligible executives of the Company so that the awards will qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Board amended the Plan to increase the maximum performance based incentive cash award from \$2.5 million to \$3.5 million.

Historically, it has been the practice of the Board to designate only the Chief Executive Officer as a participant in the Plan. Indeed, despite the fact that the maximum award has not been increased since 2005, the financial performance criteria identified in the Plan to incentivize the Chief Executive Officer's performance reflect the benefits garnered by shareholders over time. The performance criteria reflect the Company's focus on the creation of shareholder value based upon the total return to shareholders as measured by the growth in book value per share plus the dividend paid to shareholders over time. Since 1995, the Company has returned, on average, more than 13% each year to shareholders.

NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board recommends that you vote FOR the non-binding approval of the Named Executive Officer compensation program. The Company's executive compensation program is designed to attract, reward, and retain talented executives whose abilities are critical to the success of the Company and its long term goals of profitability and strong shareholder returns.

Components of the Company's compensation program include the following:

Base Considered annually for an increase based on subjective judgment and discretion.

Salary

Bonus Considered annually based on subjective judgment and discretion; CEO bonus based upon objective Determinations goals and Company's financial performance criteria.

Equity Awards Considered annually based on subjective judgment and discretion; restricted share and share option awards vest at a rate of 20% per year while employed.

Other Includes a Company-funded pension plan, paid life insurance, partially subsidized medical and dental Compensation plan, Company paid disability insurance, participation in a Company 401(k) and supplementary

savings and retirement plans and perquisites.

ANNUAL SHAREHOLDER VOTE ON EXECUTIVE COMPENSATION

The Board recommends that you vote FOR holding the non-binding advisory vote on executive compensation EVERY YEAR. The Board has determined that having an annual advisory vote on executive compensation will allow shareholders to provide timely input on the Company's compensation philosophy, policy and practices and is consistent with the Board's desire to consider shareholders' concerns.

This highlight summary does not contain all of the information or meeting agenda items and shareholders should consider and read the entire Proxy Statement before voting.

PROPOSAL NO. 1—ELECTION OF DIRECTORS

The Board of Directors recommends that you vote FOR the director nominees described below. Proxies will be so voted unless shareholders specify otherwise in their proxies.

The Company's Bye-laws currently provide for the division of the Board into three classes, with the directors in each class serving for a term of three years. At the 2011 Annual General Meeting, two nominees for Class III director positions are to be elected to serve until the 2014 Annual General Meeting of Shareholders or until their qualified successors are elected or until such director's office is otherwise vacated. At its regularly scheduled meeting on February 24, 2011, the Nominating and Governance Committee recommended to the Board the nominations of William F. Galtney, Jr. and Roger M. Singer as Class III directors. Mr. Galtney and Mr. Singer are currently Class III directors of the Company.

On February 24, 2011, the Board accepted the Nominating and Governance Committee recommendations, and the nominees have accepted their nominations for the Class III director positions. It is not expected that any of the nominees will become unavailable for election as a director, but if any nominee should become unavailable prior to the meeting, proxies will be voted for such persons as the Board shall recommend, unless the Board reduces the number of directors accordingly. There are no arrangements or understandings between any director, or any nominee for election as a director, and any other person pursuant to which such person was selected as a director or nominee.

If the proposed amendment to the Bye-laws is adopted, the Class I director positions will be eliminated and current Class I directors whose terms are scheduled to expire at the 2012 Annual General Meeting will be subject to one year terms of service commencing with the elections to be held during the 2012 Annual General Meeting. Likewise, the Class II and Class III director positions will be eliminated, and the respective director nominees shall be subject to election at the 2013 and 2014 Annual General Meetings, respectively, and annually thereafter.

THE BOARD OF DIRECTORS AND ITS COMMITTEES

The Board conducts its business through its meetings and meetings of its committees. Four formal meetings of the Board were held in 2010. No director, either in person or through an alternate director appointment as permitted under Bermuda law, attended fewer than 75% of the total number of meetings of the Board and meetings of all committees of the Board on which the director served. All of the directors attended last year's Annual General Meeting of Shareholders. The directors are expected to attend the Annual General Meeting pursuant to the Company's Corporate Governance Guidelines.

The Board has affirmatively determined that the following directors, who constitute a majority of the Board and who serve as members of the Audit, Compensation and Nominating and Governance Committees, are independent: Mr. Abrahams, Mr. Duffy, Mr. Dunne, Mr. Singer and Mr. Weber. To determine independence, the Board applied the categorical standards contained in the Company's Corporate Governance Guidelines. A copy of those standards, which are stricter than the corporate governance listing standards of the New York Stock Exchange (the "NYSE"), is set forth as Appendix A to this Proxy Statement. The Board also considered whether these five directors had any other material relationships with the Company, its affiliates or the Company's external auditor and concluded that none of them had a relationship that impaired his independence. The Board based its determination on personal discussions with the directors and a review of each director's responses on the annual questionnaire regarding employment, compensation history, affiliations and family and other relationships. The questionnaire responses form the basis for reviewing a director's financial transactions involving the Company and preparing a report on every relationship that is disclosed by a director, regardless of the amount in question. This annual review is performed in compliance with the Company's Bye-laws and the Bermuda Companies Act 1981 and the resulting report is approved by resolution of the Board of Directors. The report's findings are disclosed in the section entitled "Certain Transactions with Directors" that appears in this Proxy Statement. Directors are also subject to the Company's Ethics Guidelines which require full and timely disclosure to the Company of any situation that may result in a conflict or appearance of a conflict.

Additionally, in accordance with the Corporate Governance Guidelines and the disclosure requirement set forth in Bye-law 21(b) of the Company's Bye-laws (which in turn requires compliance with the Bermuda Companies Act 1981), each director must disclose to the other directors any potential conflicts of interest he may have with respect to any matter under discussion. If a director is disqualified by the Chairman because of a conflict, he must refrain from voting on a matter in which he may have a material interest.

Board Leadership Structure

Mr. Taranto serves as the Chief Executive Officer and as Chairman of the Board. In addition to Mr. Taranto, the Board is comprised of six outside directors, five of whom are independent. We believe that having a single leader for both the Company and the Board of Directors who is intimately familiar with the Company's history as well as its operations eliminates the potential for confusion or duplication of efforts and provides clear leadership for the Company.

The Board currently maintains Audit, Nominating and Governance and Compensation Committees, all of whose members are independent directors and each of which has a separate Chairperson. The Charters for each of these committees, the Corporate Governance Guidelines and the Company's Ethics Guidelines and Index to Compliance Policies are posted on the Company's website at <http://www.everestre.com>. The Board also maintains an Executive Committee, the purpose of which is to take any emergent actions until the Board can meet. The members of the Executive Committee are Mr. Taranto, Mr. Galtney and Mr. Weber. The Executive Committee met one time in 2010.

Table of Contents

Prior to each scheduled meeting of the Board of Directors, the directors who are not officers of the Company meet in executive session outside the presence of management. The executive sessions are chaired by alternating directors on an alphabetically based rotation. In addition, the independent directors meet in executive session outside the presence of management on a regular basis. We believe that having a combined CEO/Chairman and independent chairs for our Audit, Nominating and Governance and Compensation Committees provides the appropriate balance between management and independent, non-management leadership. The Board retains the flexibility to consider other leadership structures in the future.

Board Role in Risk Oversight

In accordance with NYSE requirements, the Company's Audit Committee Charter provides that the Audit Committee has the responsibility to discuss with management the Company's major financial risk exposures and the steps management has taken to monitor and control its risk profile, including the Company's risk assessment and risk management guidelines. Prudent risk management is embodied throughout our Company as part of our culture. To foster a better understanding of our risk profile, the head of our enterprise risk management team presents a comprehensive report, on a quarterly basis, to the Audit Committee with respect to our risk management procedures and our exposure to various types of risk on an aggregate and per risk basis, including exposure from our worldwide property and casualty insurance and reinsurance businesses and our investment portfolio. Upon the Audit Committee's recommendation, the Board adopts a formal Risk Appetite Statement that establishes upper boundaries on risk taking in certain areas of the Company including assets, investments, property and casualty business, including catastrophe business.

Audit Committee

The principal purposes of the Company's Audit Committee are to oversee the integrity of the Company's financial statements and the Company's compliance with legal and regulatory requirements, to oversee the independent registered public accounting firm, to evaluate the independent registered public accounting firm's qualifications and independence and to oversee the performance of the Company's internal audit function. The Audit Committee meets with the Company's management, Chief Internal Audit Officer and the independent registered public accounting firm, both separately and together, to review the Company's internal controls and financial statements, audit findings and significant accounting and reporting issues. The Board has adopted a Charter for the Audit Committee which is revised as necessary to comply with all applicable laws, rules and regulations. The Charter is available on the Company's website at <http://www.everestre.com>.

The members of the Audit Committee are Mr. Abrahams, Mr. Duffy, Mr. Dunne, Mr. Singer and Mr. Weber. Mr. Dunne serves as Chairman of the Audit Committee. The Board has determined that all members of the Committee are financially literate and that all are independent under the NYSE listing standards and the rules of the SEC governing the qualifications of audit committee members. The Board has also determined that Mr. Abrahams qualifies as an "audit committee financial expert" as defined by SEC rules and has accounting or related financial management expertise as required by NYSE listing standards. No member of the Audit Committee may serve on the Audit Committee of more than two other public companies unless the Board has determined that such service will not affect the ability of the Committee member to serve on the Company's Audit Committee. The Audit Committee held four meetings in 2010.

Compensation Committee

The Compensation Committee exercises authority with respect to all compensation and benefits afforded all officers at the Senior Vice President level and above, the Named Executive Officers (as defined herein) and the Company's Chief Financial Officer, Comptroller, Treasurer, Chief Internal Audit Officer and Secretary. The Compensation Committee also has oversight responsibilities for all of the Company's broad-based compensation and benefit programs, including administration of the Company's Annual Incentive Plan, the 1995 Stock Incentive Plan, the 2002 Stock Incentive Plan, which has been replaced by the 2010 Stock Incentive Plan, and the Executive Performance Annual Incentive Plan (which is being submitted, as amended, to the shareholders for approval at the Annual General Meeting). The Compensation Committee did not employ a consultant during 2010. The Compensation Committee adopted a Charter on November 21, 2002, which is available on the Company's website at <http://www.everestre.com>. The Charter provides that the Compensation Committee may form and delegate authority to subcommittees or to committees of the Company's subsidiaries when appropriate. This delegation authority was not exercised by the Compensation Committee during 2010. Additional information on the Compensation Committee's processes and procedures for consideration of executive compensation are addressed in this Proxy Statement under the heading "Compensation Discussion and Analysis".

The Compensation Committee is comprised of Mr. Abrahams, Mr. Duffy, Mr. Dunne, Mr. Singer and Mr. Weber, none of whom is a current or former employee or officer of the Company and all of whom meet the independence standards of the NYSE. Mr. Duffy serves as Chairman of the Compensation Committee. The Compensation Committee held three meetings in 2010.

Nominating and Governance Committee

The Nominating and Governance Committee was established by the Board on November 21, 2002, with authority and responsibility to identify and recommend qualified individuals to be nominated as directors of the Company and to develop and recommend to the Board the Corporate Governance Guidelines applicable to the Company. The current members of the Nominating and Governance Committee are Mr. Abrahams, Mr. Duffy, Mr. Dunne, Mr. Singer and Mr. Weber. Mr. Abrahams currently serves as Chairman of the Nominating and Governance Committee.

The Nominating and Governance Committee will consider a shareholder's nominee for director who is proposed in accordance with the procedures set forth in Bye-law 12 of the Company's Bye-laws, which is available on the Company's website or by mail from the Corporate Secretary's office. This Bye-law requires written notice of a shareholder's intent to make such a nomination at the 2012 Annual General Meeting of Shareholders to be received by the Secretary of the Company at the address listed below under Shareholder and Interested Party Communications with Directors, between November 17, 2011 and December 17, 2011. Such notice shall set forth the name and address, as it appears on the Register of Members, of the shareholder who intends to make the nomination; a representation that the shareholder is a holder of record of shares of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to make such nomination; the class and number of shares of the Company which are held by the shareholder; the name and address of each individual to be nominated; a description of all arrangements or understandings between the shareholder and any such nominee and any other person or persons (naming such person or persons) pursuant to which such nomination is to be made by the shareholder; such other information regarding any such nominee required to be included in a proxy statement filed pursuant to Regulation 14A under the Securities Exchange Act of 1934; and the consent of any such nominee to serve as a director, if so elected.

Table of Contents

Shareholder candidates nominated in accordance with the procedures of Bye-law 12 will, like any other candidate for director, be considered based solely on their character, judgment, education, training, business experience and expertise. In addition to complying with independence standards of the NYSE, the SEC and the Company, candidates for director must possess the highest levels of personal and professional ethics, integrity and values and be willing to devote sufficient time to perform their Board and Committee duties. It is in the Company's best interests that the Board be comprised of individuals whose skills, experience, diversity and expertise complement those of the other Board members. The objective is to have a Board which, taken as a whole, is knowledgeable in the areas of insurance/reinsurance, accounting (using generally accepted accounting practices and/or statutory accounting practices for insurance companies), financial management and investment, legal/regulatory and any other areas which the Board and Committee deem appropriate in light of the continuing operations of the Company and its subsidiaries. Financial services-related experience, other relevant prior service, a familiarity with national and international issues affecting the Company's operations and a diversity of background and experience are also among the relevant criteria to be considered. Following interviews, meetings and such inquiries and investigations determined to be appropriate under the circumstances, the Committee makes its director recommendations to the Board. The foregoing criteria are as specified in the Company's Corporate Governance Guidelines. As a part of the annual self evaluation process, the Nominating and Governance Committee assesses its adherence to the Corporate Governance Guidelines.

The Nominating and Governance Committee held one meeting in 2010. The Committee's Charter, which was adopted by the Board on February 25, 2004, and the Corporate Governance Guidelines, which contain the director qualifications, are available on the Company's website at <http://www.everestre.com>.

Audit Committee Report

The Audit Committee has reviewed and discussed with management, which has primary responsibility for the financial statements, and with PricewaterhouseCoopers LLP, the Company's independent auditors, the audited financial statements for the year ended December 31, 2010 (the "Audited Financial Statements"). In addition, the Audit Committee has discussed with PricewaterhouseCoopers LLP the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T. The Audit Committee has received the written disclosures and the letter from PricewaterhouseCoopers LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding PricewaterhouseCoopers LLP's communications with the Audit Committee concerning independence, and has discussed with that firm its independence. The Audit Committee also has discussed with Company management and PricewaterhouseCoopers LLP such other matters and received such assurances from them as the Committee deemed appropriate. Based on the foregoing review and discussions and relying thereon, the Audit Committee recommended to the Company's Board of Directors the inclusion of the Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 31, 2010.

The Audit Committee devoted substantial time in 2010 to discussing with the Company's independent auditors and internal auditors the status and operating effectiveness of the Company's internal controls over financial reporting. The Audit Committee's oversight involved several meetings, both with management and with the auditors outside the presence of management, to monitor the preparation of management's report on the effectiveness of the Company's internal controls. The meetings reviewed in detail the standards that were established, the content of management's assessment, and the auditors' testing and evaluation of the design and operating effectiveness of the internal controls. As reported in the Company's Annual Report on Form 10-K filed March 1, 2011, the independent auditors concluded that, as of December 31, 2010, the Company maintained, in all material respects, effective internal controls over financial reporting based upon the criteria established in Internal Control-Integrated Framework issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO).

Table of Contents

Under its Charter and the “Audit and Non-Audit Services Pre-Approval Policy” (the “Policy”), the Audit Committee is required to pre-approve the audit and non-audit services to be performed by the independent auditors. The Policy mandates specific approval by the Audit Committee for any service that has not received a general pre-approval or that exceeds pre-approved cost levels or budgeted amounts. For both specific and general pre-approval, the Audit Committee considers whether such services are consistent with the SEC’s rules on auditor independence. The Audit Committee also considers whether the independent auditors are best positioned to provide the most effective and efficient service and whether the service might enhance the Company’s ability to manage or control risk or improve audit quality. The Audit Committee is also mindful of the relationship between fees for audit and non-audit services in deciding whether to pre-approve any such services. It may determine, for each fiscal year, the appropriate ratio between the total amount of audit, audit-related and tax fees and a total amount of fees for certain permissible non-audit services classified below as “All Other Fees”. All such factors are considered as a whole, and no one factor is determinative. The Audit Committee further considered whether the performance by PricewaterhouseCoopers LLP of the non-audit related services disclosed below is compatible with maintaining their independence. The Audit Committee approved all of the audit-related fees, tax fees and all other fees for 2010 and 2009.

The fees billed to the Company by PricewaterhouseCoopers LLP and its worldwide affiliates in 2010 and 2009 are as follows:

	2010	2009
Audit Fees (1)	\$3,720,032	\$3,586,816
Audit-Related Fees (2)	105,700	107,184
Tax Fees (3)	175,304	246,488
All Other Fees (4)	2,279	5,406

(1) Audit fees include the annual audit and quarterly financial statement reviews, internal control audit (as required by the Sarbanes Oxley Act of 2002), subsidiary audits, and procedures required to be performed by the independent auditors to be able to form an opinion on the Company’s consolidated financial statements. Audit fees also include statutory audits or financial audits of subsidiaries or affiliates of the Company and services associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings.

(2) Audit-related fees include assurance and related services that are reasonably related to the performance of the audit or review of the Company’s financial statements; accounting consultations related to accounting, financial reporting or disclosure matters not classified as “audit services”; assistance with understanding and implementing new accounting and financial reporting guidance from rulemaking authorities; financial audits of employee benefit plans; agreed-upon or expanded audit procedures related to accounting and/or billing records required to respond to or comply with financial, accounting or regulatory reporting matters and assistance with internal control reporting requirements.

(3) Tax fees include tax compliance, tax planning and tax advice and may be granted general pre-approval by the Audit Committee.

(4) All other fees are for accounting and research subscriptions.

DIRECTORS' COMPENSATION

Annual Retainer

Each member of the Board who is not otherwise affiliated with the Company as an employee and/or officer ("Non-Employee Director" or "Non-Management Director") was compensated in 2010 for services as a director and was also reimbursed for out-of-pocket expenses associated with each meeting attended. Each Non-Employee Director received a retainer of \$75,000, payable in the form of cash or Common Shares at the

Table of Contents

director's election. Giving Non-Employee Directors an opportunity to receive their compensation in the form of Common Shares is intended to align their interests with those of the Company's shareholders. The value of Common Shares issued is calculated based on the average of the highest and lowest sale prices of the Common Shares on each installment date or, if no sale is reported for that day, the preceding day for which there is a reported sale. During 2010, each of the Non-Employee Directors elected to receive their retainers in the form of cash that was paid in quarterly installments.

Equity Awards

On May 13, 2009, the shareholders approved the Company's adoption of the 2009 Non-Employee Director Stock Option and Restricted Stock Plan (the "2009 Directors Plan"), to replace the 1995 Stock Option Plan for Non-Employee Directors. Like its predecessor, the 2009 Directors Plan was designed to maintain the Company's ability to attract and retain the services of experienced and highly qualified Non-Employee Directors and to create in those directors a proprietary interest in the Company's continued success. Under the 2009 Directors Plan, at the time of their appointment to the Board, each newly appointed Non-Employee Director is awarded, either singly or in combination: (1) restricted shares, or (2) a non-qualified option to purchase an amount of Common Shares equal to \$50,000 divided by the average of the NYSE high and low price of one share on that day. As defined in the 2009 Directors Plan, the fair market value is determined by averaging the highest and lowest trading prices of the Common Shares on the date of the award. Roger M. Singer received an option to purchase 590 shares upon his appointment as a Non-Employee Director on February 24, 2010 under the 2009 Directors Plan.

On February 20, 2008, each of the then appointed Non-Employee Directors was granted 1,500 restricted shares under the 2003 Non-Employee Director Equity Compensation Plan which vest over a three year term. On September 16, 2009, each then appointed Non-Employee Director was granted 1,500 restricted shares which vest in three equal tranches on February 18, 2010, 2011 and 2012. On February 24, 2010, each Non-Employee Director was granted 2,000 restricted shares which vest over a three year term.

The table below summarizes the compensation paid by the Company to Non-Employee Directors for the fiscal year ended December 31, 2010.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of the Company's Compensation Program's Philosophy and Objectives.

The Company's executive compensation program is designed to attract, retain and motivate highly talented individuals whose abilities are critical to the success of the Company. To achieve these ends, the executive compensation program utilizes a two-prong approach. First, a short-term component consisting of a base salary and merit-based discretionary bonus is designed to attract, reward and retain executives for achieving optimal performance in the current year. Second, a long-term component consisting of discretionary equity awards in the form of share options and/or restricted shares is designed to align key executive's interests with those of the Company's shareholders and incentivize the executive to work towards achieving the Company's long-term goals of profitability and strong shareholder returns by providing a significant retention incentive. Thus, the executive compensation program is designed to reward those employees who are integral to the Company's success this year as well as into the future.

The Company's executive compensation program is implemented by the Compensation Committee. The members of the Compensation Committee are appointed annually by the Board of Directors and satisfy the independence requirements of the NYSE.

The Compensation Committee meets outside the presence of management to discuss compensation decisions. The Compensation Committee is guided by the following principles when making compensation decisions individually and collectively:

• Compensation of executive officers is based on the level of job responsibility, their individual performance and their contribution to the performance of the Company.

• Compensation awards and levels are generally intended to be reasonably competitive with compensation paid by organizations of similar stature so as to minimize the potential for disruptive turnover amongst important contributors.

• Compensation is intended to align the interests of the executive officers with those of the Company's shareholders by basing a significant part of total compensation on the long-term performance of the Common Shares.

Components of the Company's Compensation Program.

In 2010, annual compensation for the Company's executive officers consisted principally of a base salary, a cash bonus, and equity based awards. Apart from the salary, bonus and equity award components, all employees including executive officers received other forms of compensation from the Company. That compensation included a Company funded pension plan, Company paid term life insurance, partially subsidized medical and dental plan, Company paid disability insurance, and participation in a Company sponsored 401(k) employee savings plan. Executives may also participate in a supplemental savings plan and supplemental retirement plan, both of which are non-qualified with respect to current tax deductibility in the U.S. The purpose of these supplemental plans is principally to restore benefits which would otherwise have been limited by U.S. benefit plan rules.

Table of Contents

Base Salary and Bonus Determinations.

The base salaries for all executive officers are determined by the Compensation Committee. With the exception of Messrs. Taranto, Adesso and de Saram who have or had employment agreements, base salaries are established upon hire or assignment date and reconsidered annually or as responsibilities change. Adjustments are based on each executive officer's performance and the Company's performance and may also take into account competitive conditions in the industry. All base salary determinations are in the subjective judgment and discretion of the Compensation Committee. The Compensation Committee has not identified any specific factors or particular criteria that must be met by each executive officer and does not assign any relative weighting to any factors or criteria it considers. Rather it exercises its subjective judgment and discretion by taking into account all factors that it deems relevant.

For purposes of base salary compensation and in assessing competitive conditions in the industry, the Compensation Committee may periodically examine trade or other publications regarding executive compensation, including publicly filed financial statements of other publicly traded property/casualty insurance and reinsurance companies. However, the Compensation Committee does not engage in formal benchmarking in determining compensation for Named Executive Officers.

The Company awards annual cash bonuses to executive officers under the Annual Incentive Plan and the Executive Performance Annual Incentive Plan. The Annual Incentive Plan is applicable to all executive officers and management employees, except for Mr. Taranto who is subject to the Executive Performance Annual Incentive Plan. Under the Annual Incentive Plan, the Company may make cash payments each year to employees who hold positions of significant responsibility and/or whose performance or potential contribution, in the judgment of the Compensation Committee, will contribute materially to the success of the Company and its subsidiaries. The Annual Incentive Plan is designed to reward past accomplishments, to motivate future accomplishments, and to aid in attracting and retaining employees of the caliber necessary for the continued success of the Company. The actual cash bonus amounts recommended for individual plan participants are subjectively and judgmentally determined by executive management based on a variety of factors including individual responsibilities, experience, contributions and performance, as well as position relative to internal peers. Consideration of these factors encourages executives to strive to improve their performance. The Compensation Committee reviews management's recommendation, and has the discretion to reject or modify the recommended individual awards. All bonus determinations are in the subjective judgment and discretion of management and the Compensation Committee. Management and the Compensation Committee have not identified any specific factors or particular criteria that must be met by each executive officer and do not assign any relative weighting to any factors in criteria they consider. Rather they exercise their subjective judgment and discretion by taking into account all factors that they deem relevant. For 2010, the Company limited the aggregate amount available for bonus payments to 3% of the Company's net operating income. For purposes of determining 2010 awards, the total amount available for bonuses under the Annual Incentive Plan was \$15.540 million. The bonus payments for Messrs. Adesso, de Saram, Mukherjee and Shoemaker were based on the Company's financial performance, their individual responsibilities and the Chief Executive Officer's and the Compensation Committee's assessment of their individual performance.

Unlike the Annual Incentive Plan, the executive officers eligible to participate in the Executive Performance Annual Incentive Plan (the "Executive Incentive Plan") are selected by the Compensation Committee. Currently, only Mr. Taranto is a participant in the Executive Incentive Plan. Pursuant to this plan, the Compensation Committee establishes performance goals for each participant which, if attained, entitles the participant to specific award amounts. The Executive Incentive Plan provides that the total amount of awards granted to all participants in any one year may not exceed 10% of the Company's average annual income before taxes for the preceding five years.

Table of Contents

In the case of Mr. Taranto, the Compensation Committee established a personal performance grid that relates various levels of the Company's earnings per share and corresponding net operating income and return on equity, to a maximum cash incentive award based upon the given level of Company performance. For 2010, the Compensation Committee established the following objective goals and performance criteria under the Executive Performance Annual Incentive Plan:

- A maximum cash bonus of \$2.5 million if diluted earnings per share were between \$15.42 and \$21.23 (corresponding to a return on equity between between 14.8% and 19.7%).
- A maximum cash bonus of \$2.25 million if diluted earnings per share were between \$13.48 and \$15.42 (corresponding to a return on equity between between 13% and 14.8%).
- A maximum cash bonus of \$2 million if diluted earnings per share were between \$11.55 and \$13.48 (corresponding to a return on equity between between 11.3% and 13%).
- A maximum cash bonus of \$1.7 million if diluted earnings per share were between \$9.67 and \$11.55 (corresponding to a return on equity between between 9.5% and 11.33%).
- A maximum cash bonus of \$1.4 million if diluted earnings per share were between \$7.82 and \$9.67 (corresponding to a return on equity between between 7.89% and 9.5%).
- A maximum cash bonus of \$1.1 million if diluted earnings per share were between \$6.00 and \$7.82 (corresponding to a return on equity between between 6% and 7.89%).
- A maximum cash bonus of \$800,000 if diluted earnings per share were below \$6.00 (corresponding to a return on equity below 6%).

Although the above set forth the various levels of the maximum cash bonus award that could be awarded to Mr. Taranto based upon objective Company performance for the fiscal year ended December 31, 2010, the Compensation Committee could, in its discretion, choose to reduce the actual amount of the award. For 2010, based upon the Company achieving diluted earnings per share of \$9.08, Mr. Taranto's cash bonus was \$1.4 million.

Long-Term Compensation Determinations.

The second component of the Company's executive compensation plan is premised on a strategic view of compensation. This long-term compensation component is achieved through the Everest Re Group, Ltd. 2002 Stock Incentive Plan, as amended May 2006 ("2002 Stock Incentive Plan") and most recently the Everest Re Group, Ltd. 2010 Stock Incentive Plan, as adopted by the shareholders in May 2010 ("2010 Stock Incentive Plan"), which replaced the 2002 Stock Incentive Plan. Awards under the 2002 and 2010 Stock Incentive Plans are intended to reinforce management's long-term perspective on corporate performance, provide an incentive for key executives to remain with the Company for the long-term, and provide a strong incentive for employees to work to increase shareholder value by aligning employees' interests with the shareholders.

Awards under the 2002 and 2010 Stock Incentive Plans may take the form of share options, share appreciation rights, restricted shares or share awards. To date, the Company has only awarded restricted shares and non-qualified share options pursuant to the Plans. Options and restricted shares are awarded on the day that they are granted by the Compensation Committee and valued as of the grant date. Options are issued with an exercise price equal to the fair market value of the Company's stock on the grant date. The Company determines fair market value by averaging the high and low market price on the grant date. Equity grants are made in conjunction with the meeting of the

Compensation Committee, and there is no plan or practice to grant options or restricted shares in coordination with the release of material non-public information.

Table of Contents

Additionally, the Company's Ethics Guidelines impose a total prohibition on its officers, directors or other employees trading in options in the Company's shares. Prohibited options include options awarded under the 1995, 2002 and 2010 Stock Incentive Plans, "put" options and "call" options. The Company's officers, directors or other employees are also prohibited from engaging in transactions geared toward "shorting" the Company's stock.

In the case of equity awards, the CEO makes recommendations to the Compensation Committee for each executive officer, and the awards are discussed by the Compensation Committee and recommended for action by the Board. All award determinations are in the subjective judgment and discretion of the Compensation Committee. The Compensation Committee has not identified any specific factors or particular criteria that must be met by each executive officer and does not assign any relative weighting to any factors or criteria it considers. Rather it exercises its subjective judgment and discretion by taking into account all factors that it deems relevant. Examples of factors that the Compensation Committee has utilized include the recipient's demonstrated past and expected future performance, the recipient's level of responsibility within the Company, their ability to affect shareholder value, and past awards of share options, share appreciation rights, restricted shares, or share awards. Restricted share awards and share options encourage employee retention because such awards vest over a five year period at the rate of 20% per year and are generally forfeited if the recipient leaves the Company before vesting. Generally, upon termination of employment, the recipient loses unvested options and restricted shares and has 90 days to exercise vested options. In addition, the expiration of share options ten years after they are granted is designed to encourage recipients to work on the Company's growth over the long-term and not simply cater to short-term profits. In general, equity awards are considered and granted to eligible individuals once per year at the February meeting of the Compensation Committee. The equity awards for Messrs. Addesso, Jones, de Saram, Mukherjee and Shoemaker were based on the Company's financial performance, their individual responsibilities and the Chief Executive Officer's and the Compensation Committee's assessment of their individual performance and long-term value to the Company.

As with his short-term compensation components, the determination, award and vesting of awards for Mr. Taranto are handled separately. The Compensation Committee discusses with the CEO his performance, and meets outside of the presence of the CEO in making its award determination. Like other executive officers, the CEO's award is granted subjectively at the discretion of the Compensation Committee based upon factors similar to those considered for other executive officers as described above.

Other Forms of Compensation.

Apart from the salary, bonus and long-term compensation components discussed above, all employees including executive officers receive other forms of compensation from the Company. That compensation includes a Company funded pension plan, Company paid term life insurance, partially subsidized medical and dental plan, Company paid disability insurance, and participation in a Company sponsored 401(k) employee savings plan. Executives may also participate in a supplemental savings plan and a "Supplemental Retirement Plan," both of which are non-qualified with respect to tax deductibility in the U.S. The purpose of these plans is principally to restore benefits which would otherwise have been limited by U.S. benefit plan rules.

Perquisites and Other Benefits.

When the Compensation Committee determines it appropriate, the Company provides Named Executive Officers with perquisites and other personal benefits that are reasonable and consistent with the overall compensation plan and the philosophy of attracting and retaining key employees. The Compensation Committee periodically reviews these awards of perquisites and other benefits.

The only perquisites approved by the Compensation Committee for 2010 were Mr. de Saram's housing, family travel and golf membership fees for Tuckers Point Country Club in Bermuda. The amounts reported for Mr. de Saram are

included in the Summary Compensation Table.

Tax and Accounting Implications.

Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended, limits the ability of a publicly-held company to take a tax deduction for annual compensation in excess of \$1 million paid to its chief executive officer or to any of its four other most highly compensated officers. However, compensation is exempt from this limit if it qualifies as “performance-based compensation.” To preserve this deduction, the Company has designed its incentive plans to provide incentive compensation that qualifies as “performance-based compensation” that is not counted toward the \$1 million limit. However, the 2002 and 2010 Stock Incentive Plans allow for the Compensation Committee, in its sole discretion, to grant awards under the plans which do not constitute “performance-based compensation.” Although the Compensation Committee considers deductibility under section 162(m) with respect to the compensation arrangements for executive officers, deductibility is not a determinative factor when considering appropriate levels or methods of compensation.

It is the Compensation Committee’s objective to have its U.S. tax-paying executives not be subject to penalties under U.S. Internal Revenue Code §409A (“§409A”). Accordingly, all applicable compensation and benefit programs have been amended and are administered in accordance with §409A.

The foregoing provides a general overview of the Company’s philosophy on executive compensation. The tables contained in the subsequent sections attribute specific dollar values for the various aspects of executive compensation previously discussed.

- (2) The amounts are the aggregate grant date fair value for restricted awards granted during 2010 computed in accordance with FASB ASC Topic 718. Restricted shares vest at the earliest of 20% per year over five years. Mr. Jones' restricted shares were cancelled upon his resignation pursuant to the terms of the award agreements.
- (3) The amounts reflect the aggregate grant date fair value computed in accordance with FASB ASC Topic 718 for awards of share options. Options vest at the earliest of 20% per year over five years or upon the date specified in an applicable employment agreement. Assumptions used in determining valuation are contained in the Company's Annual Report Item 8, Note 17 of the Notes to Consolidated Financial Statements.

Earnings on the Supplemental Savings Plan are not included as they are invested in the same investment offerings as the qualified savings plan and are not preferential. Mr. Jones was not vested in the qualified or supplemental pension plans at his retirement on October 7, 2010 so the amount represents the cancelled pension benefit.
- (5) The amount reported for Mr. Jones includes \$2,100,000 paid or accrued during 2010 pursuant to the terms of the Mutual Agreement and General Release and Waiver that he signed with the Company upon his resignation on October 7, 2010. The amount reported for 2010 for Mr. de Saram, who is a citizen of the United Kingdom, includes \$150,000 as a Bermuda residence housing allowance and \$27,541 in payment of payroll tax each under the terms of his employment agreement. The amounts for 2010 also include \$22,678 in family travel and \$7,700 in golf membership fees. The Company owns a car which is provided for Mr. de Saram's use at a cost of \$2,300. 2. Amount reflects the aggregate market share value on the day that the restricted shares vest.

Retirement Plan.

All the executive officers of the Company, with the exception of Mr. de Saram, participate in the Everest Reinsurance Company Retirement Plan (the "Retirement Plan") and, except for Mr. de Saram and Mr. Shoemaker, in the Supplemental Retirement Plan (the "Supplemental Plan"), both of which are defined benefit pension plans. As an employee of Bermuda Re, Mr. de Saram is not eligible to participate in the Retirement Plan, and Bermuda Re does not maintain a defined benefit pension plan. The Retirement Plan is a tax-qualified plan that determines benefits under a formula that takes into account a participant's years of continuous service and final average earnings with Everest Re and certain affiliates, including the participant's period of affiliation with The Prudential Insurance Company of

America (“Prudential”). The Supplemental Plan is a non-qualified plan that provides benefits that would otherwise be provided under the Retirement Plan formula but for the application of certain limitations on tax-qualified benefits under the Internal Revenue Code.

Table of Contents

A participant's "final average earnings" under the Retirement Plan will be his or her average annual "earnings" under the plan during the 72 consecutive months of continuous service in which the participant received the greatest amount of earnings out of the final 120 months of continuous service. For this purpose, "earnings" generally include the participant's base salary, cash bonus payments under the Executive Performance Annual Incentive Plan and, for participants who held positions equivalent to or senior to that of department vice president when that position existed, cash payments under the Company's Annual Incentive Plan. "Earnings" does not include any other compensation set forth in the Summary Compensation Table.

Final average earnings and earnings will be determined under the Supplemental Plan in the same manner as under the Retirement Plan, except that a participant's earnings are not subject to the limitations under the Internal Revenue Code. "Continuous service" under the Retirement Plan and Supplemental Plan will be the number of years and months worked for Everest Re and certain affiliates, including during the period of affiliation with Prudential.

The table below shows the present value of accumulated benefits payable to each of the Named Executive Officers determined using interest rate and mortality rate assumptions consistent with those in the Company's financial statements and the number of years of service credited to each. A Participant becomes vested in the Supplemental Plan upon reaching five years of service, retirement at age 65 or upon a Change of Control. If a Participant leaves the Company prior to becoming vested in the Supplemental Plan, he receives no benefits.

(1) The assumptions used to calculate present values are generally the same as those used in FAS 87 year end reporting. The table employs the discount rate of 5.6% at December 31, 2010, 6.1% at December 31, 2009 (SRP discount rates are 5% for both years) and the Form of Payment and the Mortality Table (the sex distinct RP2000 White Collar Combined Active/Retiree Healthy Mortality Table projected to 2006 with Scale AA) for the Retirement Plan, Table 417(e) Mortality for the Supplemental Plan post-retirement. The calculation assumes 50% Joint and Survivor Annuity for the Retirement Plan (wives assumed to be 4 years younger than their husbands, single life annuity for the Supplemental Plan).

The Assumptions that are different than FAS 87 reporting are turnover, disability, future salary increases, pre-retirement mortality and increases in Social Security Covered compensation and IRC 401(a)(17) compensation limits are ignored.

Messrs. Taranto, Adesso, Mukherjee and Shoemaker are not eligible to retire with unreduced benefits until age 65. Where a person participates in both the Retirement Plan and the Supplemental Plan, the number of years of credited service is the same for both plans.

(2) The present value of Mr. Taranto's benefits has been reduced by the amount that he received in December 2008 to pay FICA and other associated taxes.

(3) Mr. Jones had no vested right to benefits from either retirement plan as of his resignation date of October 7, 2010.

EMPLOYMENT, CHANGE OF CONTROL AND OTHER AGREEMENTS

Employment agreements have been entered into with Messrs. Taranto, Adesso and de Saram. Mr. Adesso's agreement expired per its terms on May 7, 2010. Employment agreements are entered into when it is determined that an employment agreement assists in obtaining assurance as to the executive's continued employment in light of the prevailing market competition for the particular position, or where the Compensation Committee believes that an employment agreement is appropriate to attract an executive in light of market conditions and the prior experience of the executive. The terms of the agreement take into consideration the executive's prior background, experience, compensation, competitive conditions and negotiations with the executive.

Joseph V. Taranto. On July 15, 1998, Everest Holdings entered into an employment agreement with Mr. Taranto (the "Employment Agreement"). The Employment Agreement was amended on September 25, 2009 to extend Mr. Taranto's employment agreement through December 31, 2010, unless sooner terminated in accordance with its terms and provides for a base salary of \$1,000,000 per year and a cash payment in 2009 of \$2,500,000 in consideration for his agreeing to extend his employment. Mr. Taranto is also eligible to participate in the Executive Performance Annual Incentive Plan.

In connection with the restructuring of Everest Holdings in February 2000, Mr. Taranto's Employment Agreement was amended to state that he would be the Chairman and Chief Executive Officer of the Company after the restructuring, and that he would provide services to the Company after the restructuring that were comparable to those required under his Employment Agreement prior to the restructuring. As a result, the Company and Everest Holdings are both parties to the Employment Agreement and have co-extensive rights, powers, duties and obligations. The February 2000 amendment made other conforming changes to the Employment Agreement to reflect the restructuring. When the Company established Everest Global as a Delaware subsidiary to perform administrative and back-office functions for the Company and its insurance subsidiaries, Mr. Taranto became an employee of that company and Everest Global became a party to the Employment Agreement. Everest Global and Everest Holdings entered into a new employment agreement with Mr. Taranto effective January 1, 2011 and expiring December 31, 2012, unless sooner terminated in accordance with its terms.

In connection with the execution of the Employment Agreement, Everest Holdings and Mr. Taranto also entered into a Change of Control Agreement dated as of July 15, 1998, and amended as agreed with the Company on April 5, 2007 to reflect his employment by Everest Global. Mr. Taranto's Change of Control Agreement was amended and restated effective January 1, 2009 in order to make his agreement compliant with §409A. A violation of §409 may subject an executive to recognition of income with respect to nonqualified deferred compensation at the time such compensation becomes vested plus a 20 percent tax and interest.

Mr. Taranto's Change of Control Agreement provides that if, within one year after the occurrence of a material change (as defined in the agreement), Mr. Taranto terminates his employment for any reason, or if the Company terminates Mr. Taranto's employment for any reason other than for due cause (as defined in the agreement), then (a) all of Mr. Taranto's outstanding share options granted under the Company's share plans shall immediately vest and become exercisable; (b) Mr. Taranto shall receive a cash payment six months after separation equal to the lesser of (i) 2.99 multiplied by Mr. Taranto's annual compensation for the most recent taxable year ending prior to the date of the material change less the value of Mr. Taranto's gross income in the most recent taxable year ending prior to the date of a material change attributable to his exercise of share options, share appreciation rights and other share-based awards granted Mr. Taranto by the Company or (ii) 2.99 multiplied by Mr. Taranto's "annualized includible compensation for the base period" as that phrase is defined in Section 280G(d) of the Internal Revenue Code; (c) Mr. Taranto shall continue to be covered under the Company's medical and dental insurance plans for a period of three years from the date of termination; and (d) Mr. Taranto shall receive "Special Retirement Benefits" in an amount that will equal the retirement benefits he would have received had he continued in the employ of the Company for three years following

his termination under the Everest Reinsurance Retirement Plan and any supplemental, substitute or successor retirement plans adopted by the Company. All Special Retirement Benefits shall be paid six months after separation.

Table of Contents

In the event that the benefits Mr. Taranto receives under the Change of Control Agreement cause Mr. Taranto to receive a “Parachute Payment” within the meaning of Section 280G of the Internal Revenue Code, Mr. Taranto’s benefits will be reduced to an amount that is one dollar less than the amount that would cause a Parachute Payment. If an award made under the Change of Control Agreement nevertheless results in an assessment against Mr. Taranto of a “Parachute Tax” pursuant to Section 4999 of the Internal Revenue Code, Mr. Taranto shall be entitled to receive an additional amount of money that would put him in the same net tax position had no Parachute Tax been incurred.

Dominic J. Adesso. On May 8, 2009, the Company entered into an employment agreement with Mr. Adesso under which he was to serve as Executive Vice President and Chief Financial Officer. The agreement, which terminated on May 7, 2010, provided for an annual salary of \$500,000, a grant of restricted shares valued at approximately \$500,000, and eligibility for a March 2010 bonus of up to \$500,000. Notwithstanding the expiration of his employment agreement, Mr. Adesso’s employment continues as Executive Vice President and Chief Financial Officer.

Ralph E. Jones, III. On October 7, 2010, the Company entered into a Mutual Agreement and General Release and Waiver with Mr. Jones terminating his employment in accordance with his decision to resign his position as President and Chief Operating Officer of the Company. The agreement provided for severance payments of \$1,100,000 on each of October 31, 2010, March 31, 2011 and October 31, 2011 as well as health coverage benefits for he and his family through October 31, 2011, in consideration for non-solicitation, non-compete and non-disclosure covenants and a release of all claims.

Mark S. de Saram. On October 14, 2004, Bermuda Re entered into an employment agreement with Mr. de Saram, which was most recently amended on November 1, 2010, under which he is to serve as the Managing Director and Chief Executive Officer of Bermuda Re until November 1, 2012. As amended, the agreement provides for an annual salary of \$525,000, subject to annual increases, and \$12,500 per month as a housing allowance. Mr. de Saram is also eligible to participate in the Company’s Annual Incentive Plan, which is entirely discretionary in nature and which may be amended or terminated by the Company at any time. All payments shall be made in U.S. dollars. He is also a participant in the Senior Executive Change of Control Plan. (See “Other Change of Control Arrangements”.) Pursuant to his employment agreement, Mr. de Saram participates in the medical insurance, dental insurance and group life insurance plans currently available to other Bermuda Re employees. In lieu of participating in the Bermuda Savings Plan, he receives a monthly payment equal to 10% of his monthly salary.

If Bermuda Re terminates Mr. de Saram’s employment prior to November 1, 2012 for reasons other than misconduct or a breach of Bermuda Re’s policies, a separation payment equivalent to one year’s salary will be made and a reasonable allowance will be provided to move his personal possessions back to the United Kingdom. Bermuda Re may terminate Mr. de Saram’s employment for cause as defined in the employment agreement at any time during the term of the agreement without prior notice. If Bermuda Re does not renew Mr. de Saram’s employment agreement at the expiration of its term and does not offer him employment at the level at which he was employed prior to entering into that agreement, then Bermuda Re will pay Mr. de Saram a sum equal to six month’s base salary, plus the reasonable cost of six months of medical insurance.

Other Change of Control Arrangements. The Company's Change of Control arrangements are principally intended to provide continuity of management by motivating executive officers to remain with the Company, despite the uncertainty that arises in the context of a change in control.

Everest Holdings established a Senior Executive Change of Control Plan effective September 28, 1998, which was amended and restated effective January 1, 2009 in order to make it compliant with §409A. The Company succeeded Everest Holdings under the Change of Control Plan upon the restructuring of Everest Holdings in February 2000. A violation of §409A may subject an executive to recognition of income with respect to nonqualified deferred compensation at the time such compensation becomes vested plus a 20 percent tax and interest. Consistent with the changes described above, the Senior Executive Change of Control Plan requires the participant to wait six months following a termination of employment to receive any payments under the plan. The Change of Control Plan is administered by the Compensation Committee, which selects participants from among the senior executives of the Company and its subsidiaries. Among others, the Compensation Committee has selected Mr. Adesso, Mr. de Saram and Mr. Mukherjee to participate in the plan.

The Senior Executive Change of Control Plan provides that if, within two years after the occurrence of a material change (as defined in the plan) a participant terminates his or her employment for good reason (as defined in the plan) or the Company terminates the participant's employment for any reason other than for due cause (as defined in the plan), then (a) all of the participant's outstanding share options granted under the Company's stock plans shall immediately vest and remain exercisable for three months following termination of employment; (b) all restrictions on the participant's restricted shares awarded under the Company's share plans shall immediately terminate and lapse; (c) the participant shall receive a cash payment six months after termination equal to the participant's average salary and annual incentive bonus for the three most recent taxable years (or such shorter period as may be applicable) multiplied by a number between 2.00 and 2.99 as determined by the Compensation Committee (for Messrs. Adesso, de Saram and Mukherjee, the number is 2.00); (d) the participant shall continue to be covered under the Company's medical and dental insurance plans for a period of two years from the date of termination; and (e) the participant shall receive "special retirement benefits" in an amount that will equal the retirement benefits he or she would have received under the Everest Reinsurance Retirement Plan and any supplemental, substitute or successor plans adopted by the Company had he or she continued in the employ of the Company for a period following termination determined by the Compensation Committee. Special Retirement benefits shall be paid six months after termination.

Potential Payments Upon Termination or Change in Control.

The tables below give a reasonable estimate of the incremental amount of compensation that might be paid to each of the Named Executive Officers in the event of termination of his employment on December 31, 2010. Mr. Jones is not reflected in the tables because he resigned on October 7, 2010.

The amounts shown assume that such termination, change in control, death or disability was effective as of December 31, 2010 and includes estimates of amounts to which the Named Executive Officer might be entitled incremental to what he earned during such time. The actual amounts to be paid out can only be determined at the time of such executive's separation from the Company and may be changed at the discretion of the Compensation Committee of the Company's Board of Directors.

Payments Made Upon Termination. Regardless of the manner in which a Named Executive Officer's employment terminates, he is entitled to receive amounts earned during his term of employment. Such amounts include: accrued salary; amounts contributed under the Employee Savings Plan and the Supplemental Savings Plan (see Non-qualified Deferred Compensation Table) and amounts accrued and vested through the Company's Retirement Plan and the Supplemental Retirement Plan. (See Pension Benefits Table.) The retirement plans offer survivor annuity, if elected by the participant.

Table of Contents

Payments Made Upon Retirement. In the event of retirement, in addition to the items above, all who are eligible will receive the pension benefits shown in the Pension Benefits Table with a reduction for early retirement. At his resignation effective October 7, 2010, Mr. Jones was not eligible for pension benefits which require five years of service or attainment of age 65. Generally, restricted shares and unexercisable options are cancelled and vested options remain exercisable for 90 days following retirement

Payments Made Upon Death or Disability. In the event of death or disability, in addition to the benefits listed under the headings above, the Named Executive Officer will receive benefits under the Company's disability plan or payments under the Company's life insurance program, as available to employees generally. In the event of Mr. Taranto's death, the Company will pay his base salary through the end of the month of death. In the event of Mr. Taranto's death or disability, his bonus would be paid on an annualized basis. For 2010, the bonus would have been \$1.4 million as reported in the Summary Compensation Table.

In the event of the death or disability of any of the Named Executive Officers, unvested share options become exercisable and the restrictions on restricted shares lapse. The following table lists the value of equity awards for each Named Executive Officer at the NYSE closing price of \$84.82 at 2010 year end as if all vested on December 31, 2010. It does not include the unexercised options that have already vested. The option value is the closing price less the option price for each grant and restricted shares are valued at the closing price.

Change of Control.

As described above, the Company has entered into Change of Control agreements with each of the Named Executive Officers except Mr. Shoemaker. Payments are made under each of the respective Change of Control agreements if Mr. Addesso, Mr. de Saram or Mr. Mukherjee suffers a covered termination of employment within two years following a change in control. For Mr. Taranto, the term is within one year of a change in control. The Change of Control agreements provide that payment is capped at one dollar less than the amount that would otherwise trigger a Parachute Payment under Section 280G of the Internal Revenue Code.

(1) If termination is for good reason or without due cause, Mr. Taranto is entitled to the aggregate amount of his base salary from the date of termination through December 31, 2010, which results in no amount due.

- (2) The Senior Executive Change of Control Agreement provides for a cash payment that equals the average of the executive's salary and bonus for the previous three years times a factor assigned by the Board. The factor is 2.0 for Messrs. Addesso, de Saram and Mukherjee. Mr. Taranto's Change of Control Agreement provides for a factor of 2.99.
- (3) The unvested equity awards for each Named Executive Officer are valued at the NYSE closing price of \$84.82 at 2010 year end as if all vested on December 31, 2010.
- (4) For Mr. Addesso, the additional years of service would not be sufficient to cause his Retirement Plan benefits to be vested.

- (5) The terms of the Change of Control Agreement offer a cash payout, vesting of equity awards and enhanced pension and health benefits but the aggregate amount is capped at one dollar less than the amount that would otherwise trigger a Parachute Payment under Section 280G of the Internal Revenue Code. The amount shown is the lesser of the total value or one dollar less than three times the Named Executive Officer's annualized compensation for the most recent five years.
- (6) Pursuant to the terms of his Employment Agreement, Mr. de Saram would receive one year's salary plus reasonable moving expenses, if terminated without cause. There is no provision for payment if Mr. de Saram leaves for good reason.
- (7) Mr. Shoemaker does not have a Change of Control agreement but his option award agreements provide for vesting upon a change in control.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

During 2010, the Compensation Committee was comprised of Martin Abrahams, Kenneth J. Duffy, John R. Dunne, Roger M. Singer and John A. Weber, all of whom are Non-Employee Directors of the Company and none of whom is or has been an officer of the Company. No Compensation Committee interlocks existed during 2010.

CERTAIN TRANSACTIONS WITH DIRECTORS

The Board reviewed, discussed and approved by resolution as being in the ordinary course of business, the participation of the Company and its subsidiaries in transactions with companies in which Mr. Galtney, as a non-independent director of the Company, also maintains ownership, an employment position or an officership. A detailed description of the process by which related party transactions are considered is included in the section entitled "The Board of Directors and its Committees." The following transactions during 2010 were considered by the Board.

William F. Galtney, Jr. has served as Chairman of Oxford Insurance Services Limited ("Oxford"), a company in which he holds a 99% ownership since April 1, 2005. In 2005, the Everest Companies entered into a program administrator agreement with Oxford. Until cancellation of the reinsurance treaty on February 1, 2010, policies placed by Oxford with the Everest Companies were generally reinsured under an 82% quota share treaty by Transatlantic Reinsurance Company, which then reinsured up to 100% of the assumed risk with (1) Sunrise Professional Indemnity, Ltd. ("Sunrise"), a Cayman reinsurance company owned by WFG Interests, LLC, which is owned by Mr. Galtney, or (2) with Medical Risk Indemnity, SPC, a Cayman Islands reinsurer of which WFG Interests, LLC owns 49.2%.

Under all business with Oxford in 2010, the Everest Companies recorded \$887,029 in gross written premiums and \$634,304 in related commissions and fees to Oxford and paid to Oxford \$419,839 in related commissions and fees in 2010.

PROPOSAL NO. 2—APPOINTMENT OF INDEPENDENT AUDITORS

The Board of Directors recommends that you vote FOR the appointment of PricewaterhouseCoopers LLP as the Company's independent registered public accounting firm to serve as the Company's auditor for the year ending December 31, 2011 and the authorization of the Board of Directors acting by the Audit Committee of the Board of Directors to set the fees for the independent, registered public accounting firm serving as the Company's auditor. Proxies will be so voted unless shareholders specify otherwise in their proxies.

The Company's independent registered public accounting firm has been appointed to serve as the Company's auditor each year at the Annual General Meeting of Shareholders pursuant to the Board's recommendation, which is based on the recommendation of the Audit Committee. For the 2011 Annual General Meeting, and in accordance with the Sarbanes-Oxley Act of 2002 ("Sarbanes Oxley"), the Audit Committee has evaluated the performance and independence of PricewaterhouseCoopers LLP and has recommended their appointment as the Company's independent, registered public accounting firm to serve as auditor for the year ending December 31, 2011. In making its recommendation, the Audit Committee reviews both the audit scope and estimated fees for professional services for the coming year. Representatives of PricewaterhouseCoopers LLP will be present at the 2011 Annual General Meeting, will have the opportunity to make a statement if they so desire and will be available to respond to appropriate questions from shareholders.

PROPOSAL NO. 3—AMENDMENT OF BYE-LAWS TO PERMIT DECLASSIFICATION OF THE BOARD

The Board of Directors recommends that you vote FOR the amendment of the Company's Bye-laws to provide for annual election of all directors. Proxies will be so voted unless shareholders specify otherwise in their proxies. Proxies given by beneficial holders to shareholders of record may not be so voted unless beneficial holders specify a vote for approval in their proxies.

The Company's Bye-laws provide that the Board of Directors is divided into three classes, with each class elected every three years. Observations of shareholders prompted consideration by the Board of declassification, and the Board believes that it is important to continue to retain shareholder confidence by demonstrating that it is accountable and responsive to shareholders. Accordingly, the Board has unanimously approved, and recommended that the shareholders approve, amendments to provide for the annual election of all directors. If shareholders approve the amendment of the Bye-laws, directors elected prior to the effectiveness of these amendments would stand for election for one-year terms when their current terms expire. This means that directors whose terms expire at the 2012, 2013 and 2014 annual meetings of shareholders would be elected for one-year terms, and beginning with the 2014 annual meeting, all directors would be elected for one-year terms at each annual meeting. In the case of any vacancy on the Board occurring after the 2011 annual meeting created by an increase in the number of directors, the vacancy would be filled through an interim election by the Board with the new director to serve a term ending at the next annual meeting. Vacancies created by resignation, removal or death would be filled by interim election of the Board for a term until the end of the term of the director being replaced. This proposal would not change the present number of directors or the Board's authority to change that number and to fill any vacancies.

Table of Contents

Bye-law 11, sections (c) and (d) contain the provisions that will be replaced if this proposal is adopted. Bye-laws 11(c) and (d) show the proposed changes as set forth below:

Bye-law 11(c) will be replaced in its entirety with the following language:

(c) The Directors elected at the annual general meeting that is held in calendar year 2011 shall be elected for a term expiring at the annual general meeting that is held in calendar year 2014 or until such Directors' successors shall have been duly elected or appointed or until such Director's office is otherwise vacated. Commencing at the annual general meeting of Shareholders that is held in calendar year 2012, and at each annual general meeting thereafter, each Director then standing for election shall be elected annually for a term expiring at the next annual general meeting or until such Directors' successors shall have been duly elected or appointed or until such Director's office is otherwise vacated. Any Director already in office at the 2012 annual general meeting whose term expires at the annual general meeting of Shareholders to be held in calendar year 2013 or 2014 shall continue to hold office until the end of the term for which such Director was elected or until such Director's successor shall have been duly elected or appointed or until such Director's office is otherwise vacated.

Bye-law 11(d) will be replaced in its entirety with the following language:

(d) Notwithstanding the foregoing, whenever the holders of any one or more classes or series of Preferred Shares shall have the right, voting separately by class or series, to elect Directors at an annual or special general meeting, the election, term of office, filling of vacancies and other features of such directorships shall be governed by the terms of the Board resolution creating such classes or series of Preferred Shares.

The shareholders are being asked to consider and approve the adoption of the amendments to our Bye-laws described above. Under Section 13 of the Act and Section 98 of our Bye-laws, our shareholders must approve any amendments to the Bye-laws by the affirmative vote of a majority of the votes cast at the Annual General Meeting. The Board has unanimously approved the foregoing Bye-law amendments and recommends their approval and adoption by the shareholders.

PROPOSAL NO. 4—APPROVAL OF THE EVEREST RE GROUP, LTD. EXECUTIVE PERFORMANCE ANNUAL INCENTIVE PLAN, AS AMENDED

The Board of Directors recommends that you vote FOR the approval of the Everest Re Group Ltd. Executive Performance Annual Incentive Plan, as amended, the ("Plan") with such awards granted in 2011 under the Plan being conditional upon shareholder approval. Proxies given by shareholders of record will be so voted unless the shareholders specify otherwise in their proxies. Proxies given by beneficial holders to shareholders of record may not be so voted unless beneficial holders specify a vote for approval in their proxies.

Proposed Amendment

On February 24, 2011, the Board approved an amendment to the Plan that increases the maximum award that may be paid to any one participant in a year from \$2.5 million to \$3.5 million.

Table of Contents

Background and Reasons for Amendment

The Board recommends that shareholders approve the adoption of the Plan, as amended, in order to enhance the Plan's ability to continue to serve the purpose for which it was originally adopted. The purpose of the Plan is to provide an incentive for executives who are in a position to contribute materially to the success of the Company and its subsidiaries, reward their accomplishments, motivate future accomplishments, and aid in attracting and retaining executives of the caliber necessary for the continued success of the Company and its subsidiaries. Historically, it has been the practice of the Board to designate only the Chief Executive Officer as a participant in the Plan. The maximum award available under the Plan has not been increased since the Plan was amended by shareholders in 2005. In order to enable the Company to be competitive with other industry leaders in attracting and retaining high caliber executive talent, the Board believes that it is necessary to increase the maximum award available to reward and to motivate executives' superior performance.

The purpose of the Plan is also to define and limit amounts which may be awarded to eligible executives of the Company so that the awards will qualify as performance-based compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). By qualifying as performance-based compensation under Section 162(m), the cash bonuses could be deductible to the Company (or subsidiary, if applicable) if it were subject to U.S. taxation.

Description of the Plan

The Plan, as amended, is set forth in full in Exhibit B and the description of the Plan which appears below is qualified in its entirety by reference to that Exhibit.

Administration

The Plan is administered by a committee appointed by the Board to administer the Plan (the "Committee"), consisting of no fewer than two members of the Board. Each member of the Committee qualifies as an "outside director" within the meaning of Code Section 162(m). The Committee has all discretion and authority necessary or appropriate to administer the Plan and to interpret the provisions of the Plan consistent with qualification of the Plan as performance-based compensation under Code Section 162(m). The Board has designated the Compensation Committee to perform the functions of the Committee with respect to the Plan.

Eligibility

Within ninety (90) days after the beginning of each year, the Committee, in its sole discretion, selects corporate officers of the Company and its subsidiaries who will be eligible that year to participate in the Plan (the "Participants").

Awards and Performance Measures

The Committee establishes in writing objective performance goals for each Participant, which, if attained, shall entitle such Participant to specific award amounts that will be paid to each Participant. The Participants' performance shall be measured by any of the following performance criteria: net income before or after taxes, operating income before or after taxes, premiums earned, earnings per share, return on stockholders' equity, return on assets, appreciation in and/or maintenance of the price of the common stock or any other publicly traded securities of the Company, comparisons with various stock market indices, market share, statutory combined ratio, expense ratio, reductions in costs and expense growth, or gross or net premium growth.

Table of Contents

The Committee establishes an objective method by which award amounts will be calculated under the Plan. The maximum award amount any one Participant may be awarded in one year is \$3.5 million under the proposed amendment. The Committee, in its sole discretion, may eliminate or reduce but not increase, any award determination. The Plan provides that the total amount of awards granted to all Participants in any one year will not exceed 10% of the Company's average annual income before taxes for the preceding five years.

Other Terms and Conditions

The Plan provides that no award shall be assignable or transferable other than by will or by laws of descent and distribution. The Plan further provides that the Board may at any time and without notice to any corporate officer of the Company or a subsidiary suspend, discontinue, revise, amend or terminate the Plan, provided that any such revision, or amendment which requires shareholder approval in order to maintain the qualification of awards as performance-based compensation pursuant to Code Section 162(m) shall not be made without such approval. Because payments under the Plan are determined by comparing actual performance to the annual performance goals established by the Committee, it is not possible to conclusively state the amount of benefits which will be paid under the Plan. Consistent with the Committee's practice since the Plan was approved by Shareholders in 1999, the Committee has determined that only the Chairman of the Board and Chief Executive Officer, Joseph V. Taranto, will be a Participant in the Plan for 2011. A performance goal has been established for Mr. Taranto based upon the Company's earnings per share. Further, if the Plan as amended is approved by shareholders, any award cannot exceed \$3.5 million, can qualify for tax deductibility under §162(m) if subject to U.S. taxation, and the Committee retains sole discretion under the Plan to reduce or eliminate the award as it deems appropriate.

PROPOSAL NO. 5—NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Board of Directors recommends that you vote FOR the non-binding advisory approval of the Named Executive Officers' compensation. Proxies will be so voted unless shareholders specify otherwise in their proxies. Proxies given by beneficial holders to shareholders of record may not be so voted unless beneficial holders specify a vote for approval in their proxies.

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables shareholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Company's Named Executive Officers as disclosed in this Proxy Statement in accordance with the rules of the SEC.

As described in detail under the heading "Executive Compensation – Compensation Discussion and Analysis", the Company's executive compensation program is designed to attract, reward, and retain talented executives whose abilities are critical to the success of the Company and its long term goals of profitability and strong shareholder returns. Please read the "Compensation Discussion and Analysis" discussion for additional details about our executive compensation programs, including information about the fiscal year 2010 compensation of our named executive officers.

Shareholders are being asked to indicate their support for the Company's Named Executive Officer compensation as described in this Proxy Statement, which include the "Compensation Discussion and Analysis" section and the compensation tables and related narrative disclosure. This proposal, commonly known as a "say-on-pay" proposal, gives shareholders the opportunity to express their views on our Named Executive Officers' compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the philosophy, policies and practices described in this Proxy Statement. Accordingly, the Board recommends that you vote "FOR" the following resolution at the Annual General Meeting:

"Resolved, that the shareholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the compensation tables and related narrative discussion."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Compensation Committee or the Board of Directors. However, the Board of Directors and the Compensation Committee value the opinions of the Company's shareholders, will review the voting results, and will consider shareholders' concerns.

Table of Contents

PROPOSAL NO. 6—NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF THE ADVISORY VOTE ON EXECUTIVE COMPENSATION

For the reasons set forth below, the Board of Directors recommends a vote for a frequency of “ONE YEAR” for future non-binding shareholder votes on executive compensation. Proxies will be so voted unless shareholders specify otherwise in their proxies. Proxies given by beneficial holders to shareholders of record may not be so voted unless beneficial holders specify a vote for a frequency of “ONE YEAR” in their proxies.

The Dodd-Frank Act also enables the Company’s shareholders to indicate how frequently we should seek an advisory vote on the compensation of the Company’s Named Executive Officers, as disclosed pursuant to the SEC’s compensation disclosure rules, such as Proposal No. 5 of this Proxy Statement. By voting on this Proposal No. 6, shareholders may indicate whether they would prefer an advisory vote on Named Executive Officer compensation once every one, two, or three years.

The advisory vote by the Company’s shareholders on frequency is distinct from the advisory vote on the compensation of the Company’s Named Executive Officers. This proposal deals with the issue of how frequently an advisory vote on compensation should be presented to shareholders and, in this regard, shareholders may provide advice on the following resolution:

“Resolved that the compensation of the Company’s Named Executive Officers be submitted to shareholders for an advisory vote:

- 1) every year (annual);
- 2) every two years (biennial); or
- 3) every three years (triennial).”

You may vote for one of these three alternatives, or you may abstain from making a choice.

After careful consideration of this Proposal, the Board of Directors has determined that an advisory vote on executive compensation that occurs every year (annually) is the most appropriate alternative for the Company, and therefore the Board of Directors recommends that you vote for a one-year interval for the advisory vote on executive compensation.

In formulating its recommendation, the Board of Directors considered the fact that the Compensation Committee and the Board evaluate, adjust and approve Named Executive Officer compensation on an annual basis. The Board believes that having an annual advisory vote on executive compensation will allow shareholders to provide timely input on our compensation philosophy, policies and practices as disclosed in the Proxy Statement every year. Additionally, an annual advisory vote on executive compensation is consistent with the Board’s desire to seek input from shareholders on our executive compensation philosophy, policies and practices.

The option of one year, two years or three years that receives the highest number of votes cast by shareholders will be the frequency for the advisory vote on executive compensation that has been selected by shareholders. However, because this vote is advisory and not binding on the Board of Directors in any way, the Board may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the option approved by shareholders.

MISCELLANEOUS—GENERAL MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company's executive officers, and directors and persons who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership on Forms 3, 4 and 5 with the SEC. Executive officers, directors and greater than ten percent shareholders are required by SEC regulation to furnish the Company with copies of all Forms 3, 4 and 5 they file.

Based solely on the Company's review of the copies of the forms it has received and representations that no other reports were required, the Company believes that all of its executive officers and directors have filed with the SEC on a timely basis all required Forms 3, 4 and 5 with respect to transactions during fiscal year 2010 with the exception of one filing by Mr. Duffy which was delayed through clerical error.

Shareholder Proposals for the 2012 Annual General Meeting of Shareholders

To be considered for inclusion in the Company's Proxy Statement and Proxy Card relating to the 2011 Annual General Meeting of Shareholders, a shareholder proposal must be received by the Secretary of the Company in proper form at the Company's registered office at Clarendon House, 2 Church Street, Hamilton HM 11, Bermuda, no later than December 17, 2011. This Bye-law is available on the Company's website or by mail from the Corporate Secretary's office.

The proxy solicited by the Board relating to the 2011 Annual General Meeting of Shareholders shall confer discretionary authority to vote on a shareholder proposal if the Secretary of the Company receives notice of that proposal after March 3, 2011.

Proxy Solicitations

The expense of this proxy solicitation will be borne by the Company. In addition to solicitation by mail, proxies may be solicited in person or by telephone, facsimile or mail by directors or officers who are employees of the Company without additional compensation. Georgeson Shareholder Communications Inc. will provide solicitation services to the Company for a fee not to exceed \$6,500 plus out-of-pocket expenses. The firm will solicit proxies by personal interview, telephone, facsimile and mail. The Company will, on request, reimburse shareholders of record who are brokers, dealers, banks or voting trustees, or their nominees, for their reasonable expenses in sending proxy materials and annual reports to the beneficial owners of the shares they hold of record.

As required by such listing standards, in assessing independence, the Board shall make a determination whether a director has any material relationship with the Company (directly or as a partner, shareholder or officer of an organization that has a relationship with the Company). In making this determination, absent other considerations, the Board will deem a director to be independent if either the director or a member of his immediate family:

Has not been employed by the Company, any of its affiliates or the Company’s external auditor at any time during the past three years;

Has not received more than \$100,000 per year from the Company, other than director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);

Does not, and in the past three years has not, provided legal, consulting, investment banking, commercial banking, accounting or other professional services to the Company or any of its subsidiaries or affiliates, and is not a director, executive officer, general partner or significant equity holder of an entity that has provided legal, consulting, investment banking, accounting or other professional services in amounts which exceed the greater of \$1,000,000 or 2% of such other company’s consolidated gross revenues; for purposes of this and the succeeding paragraph, direct or indirect beneficial ownership of an interest representing 10% of the equity or the voting interests of an entity will generally be considered a significant equity holding;

Is not, and in the past three years has not been, a director, executive officer, general partner or significant equity holder of a company that makes payments to, or receives payments from, the Company or any of its affiliates, for property or services in an amount which, exceeds the greater of \$1 million or 2% of such other company’s consolidated gross revenues; and

Is not, and in the past three years has not been, an employee, officer or director of a foundation, university or other non-profit organization that has received grants or endowments from the Company or any of its subsidiaries or affiliates in annual amounts which exceed the greater of \$1,000,000 or 2% of the organization’s annual gross revenues.
