**Item 2.02 Results of Operations and Financial Condition.**

The following information is furnished under Item 2.02, Results of Operations and Financial Condition. This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by the specific reference in such filing.

On August 12, 2005, Cogent Communications Group, Inc. issued a press release announcing certain financial and operating results for the second quarter of 2005. The press release and financial tables include non-GAAP financial information. The press release includes a discussion of management's reasons for using EBITDA and why investors might find its disclosure useful. EBITDA is reconciled to cash flows used in operating activities (a GAAP measure) in the financial tables accompanying in the press release. A copy of the press release is filed as Exhibit 99.1 hereto and is incorporated into Item 2.02 of this Form 8-K by reference.

This amendment on Form 8-K/A corrects a typographical error in the Summary of Financial and Operational Results. The Q2 2005 Network Operations Expense has been changed from \$21,319 to \$21,399 and the associated percentage change from -7.1% to -6.7%.
