NOTES TO SCHEDULE OF INVESTMENTS:

Security Valuation

Equity securities are valued at the last sale price at the close of the principal exchange on which they trade. Unlisted securities or listed securities for which there were no sales during the day are valued at the closing bid price on such exchanges or over-the-counter markets.

Short-term debt obligations maturing in more than 60 days for which market quotations are readily available are valued at current market value. Short-term debt obligations maturing within 60 days are valued at amortized cost, which approximates market value.

Investments for which market quotations are not readily available are valued at fair value as determined in good faith under procedures approved by and under the general supervision of the Board of Directors.

- (a) Non-income producing security.
(b) Represents an American Depositary Receipt.

Gross unrealized appreciation and depreciation of investments at September 30, 2005 is as follows:		
Gross unrealized appreciation	\$	34,770,218
Gross unrealized depreciation		(10,663,296)
Net unrealized appreciation	\$	24,106,922

See Notes to Schedule of Investments.

Item 2. Controls and Procedures.

(a) The registrant's principal executive officer and principal financial officer, based on his evaluation of the registrant's disclosure controls and procedures as of a date within 90 days of the filing of this report, has concluded that such controls and procedures are adequately designed to ensure that information required to be disclosed by the registrant in Form N-Q is accumulated and communicated to the registrant's management, including the principal executive officer and principal financial officer, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(b) There were no changes in the registrant's internal control over financial reporting that occurred during the registrant's last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the registrant's internal control over financial reporting.
