**Item 1.01. Entry into a Material Definitive Agreement**

On November 28, 2005, Fleet Street International Universities C.V. ( Fleet Street ), a subsidiary of Laureate Education, Inc. (the Company ), acquired a 51% interest in Universidade Anhembi Morumbi ( UAM ), an accredited university with four locations in Brazil 's largest city, São Paulo. The acquisition was completed pursuant to a share purchase agreement dated November 28, 2005 between Fleet Street and the owners of ISCP Sociedade Educacional S.A. ( ISCP ), the registered owner of UAM. Total consideration paid for the 51% interest in UAM was \$54 million in cash plus \$15 million in the form of a note payable in three equal principal payments, plus interest based on a local inflation index, on the first three anniversaries of the closing.

Effective March 1, 2009 and annually thereafter, the minority owners of ISCP have the right to require Fleet Street to purchase an additional interest of up to 29% in ISCP for a variable purchase price based on average EBITDA for certain specified periods. Effective March 1, 2009 and annually thereafter, Fleet Street has a call right to acquire an additional interest of up to 29% in ISCP under the same methodology, subject to a minimum price calculated as if the Company had acquired such interest at the closing for the same price per share it paid for the 51% interest plus certain adjustment amounts.

Effective March 1, 2013 and annually thereafter, the minority owners of ISCP have the right to require Fleet Street to purchase their remaining interest in ISCP for a variable purchase price based on average EBITDA for certain specified periods. Effective March 1, 2013 and annually thereafter, Fleet Street has a call right to acquire the remaining interest of the minority owners under the same methodology, subject to a minimum price calculated as if the Company had acquired such interest at the closing for the same price per share it paid for the 51% interest plus certain adjustment amounts.

In connection with the closing of the transactions contemplated by the share purchase agreement, the parties also entered into certain leases dated as of November 28, 2005 with respect to UAM 's facilities and a shareholders agreement effective as of December 1, 2005 with respect to the future operation of ISCP. On December 1, 2005, the Company issued a press release announcing the transactions contemplated by the share purchase agreement. A copy of the press release is furnished as Exhibit 99.1 hereto. The Company also webcast a presentation to investors on December 1, 2005. A copy of the slides used in connection with the webcast is furnished as Exhibit 99.2 hereto.
