Item 1.01. Entry into a Material Definitive Agreement.

(a) Establishment of 2006 Performance Goals.

On March 6, 2006, the Compensation Committee established 2006 performance goals for our executive officers under our 2002 Annual Incentive Compensation Plan for Executive Officers (the AICP Plan). The executives who participate in the AICP Plan include, among others, each of the named executive officers who will be reported in our 2006 proxy statement (the Named Executive Officers), Messrs. Staff, Jacobs, Jines, Landrum and Langdon. The AICP Plan provides for the payment to executive officers of annual cash bonuses subject to the satisfaction of performance goals established by the Compensation Committee.

For 2006, the performance goals and their individual weighting consist of: (a) meeting specified corporate performance levels (75%) as measured by (i) earnings before interest, taxes, depreciation and amortization, excluding the impact of historical hedging and excluding gains and losses on sales of assets and emissions credits, (ii) effecting reductions in commercial collateral usage, (iii) achieving specified adjusted wholesale and retail contribution margins; (b) meeting individual operational goals that the Committee will establish later in its discretion (15%); and (c) improvements in employee survey results (10%).

In conjunction with the establishment of performance goals, the Compensation Committee established the target awards (expressed as a percentage of annual base salary) for each of our executive officers. The target levels for the Named Executive Officers are 100% of base salary for Mr. Staff, 90% for Mr. Jacobs, 60% for Mr. Jines, 70% for Mr. Landrum and 55% for Mr. Langdon. If the performance goals are achieved above or below target levels, the amount of cash bonus paid can range from 20% to 200% of the executive officer's specified target award, depending on the level at which the performance goal was achieved. The Compensation Committee will determine achievement of performance objectives and cash bonus amounts (if any) payable under the AICP Plan during the first quarter of 2007.

(b) Establishment of 2006 Executive Officer Annual Base Salaries.

On March 6, 2006, the Compensation Committee approved the base annual salaries (effective April 1, 2006) of our executive officers for 2006. The following table sets forth the annual base salary levels of the Named Executive Officers:

Name and Position	2006 Annual Base Salary
