**Item 8.01 Other Events.**

On January 31, 2007, 1-800 CONTACTS, INC. (the Company) issued a press release announcing that (i) it has entered into long term definitive supply agreements with its three largest suppliers of contacts lenses; (ii) the sole primary supplier of contact lenses with whom the Company does not have a supply agreement has assured the Company that it intends to continue supplying the Company with its products; and (iii) consequently, the Company intends to refocus the Company's resources and management's time on serving customers and growing its business.

Historically, the Company has demonstrated the ability to grow year-over-year revenues without supply agreements with all of its major suppliers. However, the Company expects that the significant selling, general, and administrative expenses that it has for years dedicated to legislative and legal initiatives will decrease as a consequence of the supply agreements referenced in the attached press release. The supply agreements with Johnson & Johnson Vision Care, CIBA Vision, and CooperVision contain various conditions. Management is confident that the Company will be able to satisfy these conditions, allowing the Company to operate under these agreements through 2016.

A copy of the press release is attached to this Report as Exhibit 99.1.
